JUSTICE OF THE PEACE

Justices of The Peace

The office of the Justice of the Peace (JP) is a statutory position that involves a range of duties and responsibilities - most commonly including witnessing of documents such as Affidavits, Statutory Declarations, Enduring Powers of Attorney/Guardianship and certifying documents.

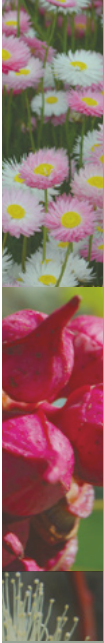

At many centres throughout the State - predominantly in regional areas - justices are required to preside in Magistrates Courts. Other administrative duties relate to bail applications and issuing search warrants.

When contacting JPs, please note they are volunteers who provide their services to the community free of charge. While JPs make themselves available as much as possible, it should be remembered that JPs have the same type of work and personal commitments as any other person. Accordingly, you will need to negotiate a mutually acceptable time and place for appointment.

Russell Arnold	9064 7293
Regina DeLuis	9061 7013
Stephen Padfield	9065 3066

For up to date information on JP's in the Narembeen area visit [www.courts.justice.wa.gov.au/ apps/jps](http://www.courts.justice.wa.gov.au/apps/jps)

We are the very first Rotary Club that is based purely online in WA. This enables people living in remote and regional areas or those who find committing and travelling to a standard Rotary meeting difficult, the option to still provide a service to their local community by joining our Rotary E - Club of E-WA. It's a new and vital Rotary Experience. We meet via online webinars and the use of Facebook, both open to the public and private sessions. We also use email with occasional face to face catch-ups.
