SYMPATHY

The Fencepost sends its thoughts and sympathy to the Cusack family on the passing of Maisie.

Maisie was a massive contributor to the Fencepost over the years, always having some news to share to make our paper more interesting. She was also an excellent proof reader for the Editors and always made the time when she received a very late phone call to pop down and help us out.

As her health began to fail she gave up her volunteering with us but always liked to receive the Fencepost to read what was happening around town.

Rest Peacefully Maisie

ANZAC Day Service

The ANZAC Day Service was held at the Shire Council garden cenotaph yesterday with good numbers attending. It was great to have Thomas Baldwin playing the bagpipes for the march and also having the Meredin cadets involved thanks to Marcus Dorlandt for organising this. Everyone enjoyed refreshments and an art display in the Shire Chambers afterwards. Thanks must go to the Narembeen DHS P&C for providing the lovely food.

POLICE NEWS

Narembeen Police Station, 7 Longhurst Street, Narembeen, WA 6369
Phone: (08) 9045 6050

Hello,

Hope everyone is well and had a great Easter and school holiday break.

Between the 1st April and 3rd April, the Narembeen Tyre Service on Longhurst Street was broken into, and cash was stolen. If you have any information regarding the Burglary, please contact us on 9045 6050 or alternatively if you wish to remain anonymous, call Crime Stoppers on 1800 333 000. The Police Report number is 030423 0755 89818.

On the 13th April, police arrested a 42-year-old male from Narembeen and charged him with 2 counts of Burglary. The alleged offences occurred in March, at a house in Baldivis and a commercial premises in Naval Base. His bail was refused, the male is next due to appear in Rockingham Magistrates Court on the 14th April.

A black Norco Storm mountain bike in good condition was found at Lake Walker. If you are the owner, please come and collect from the station.

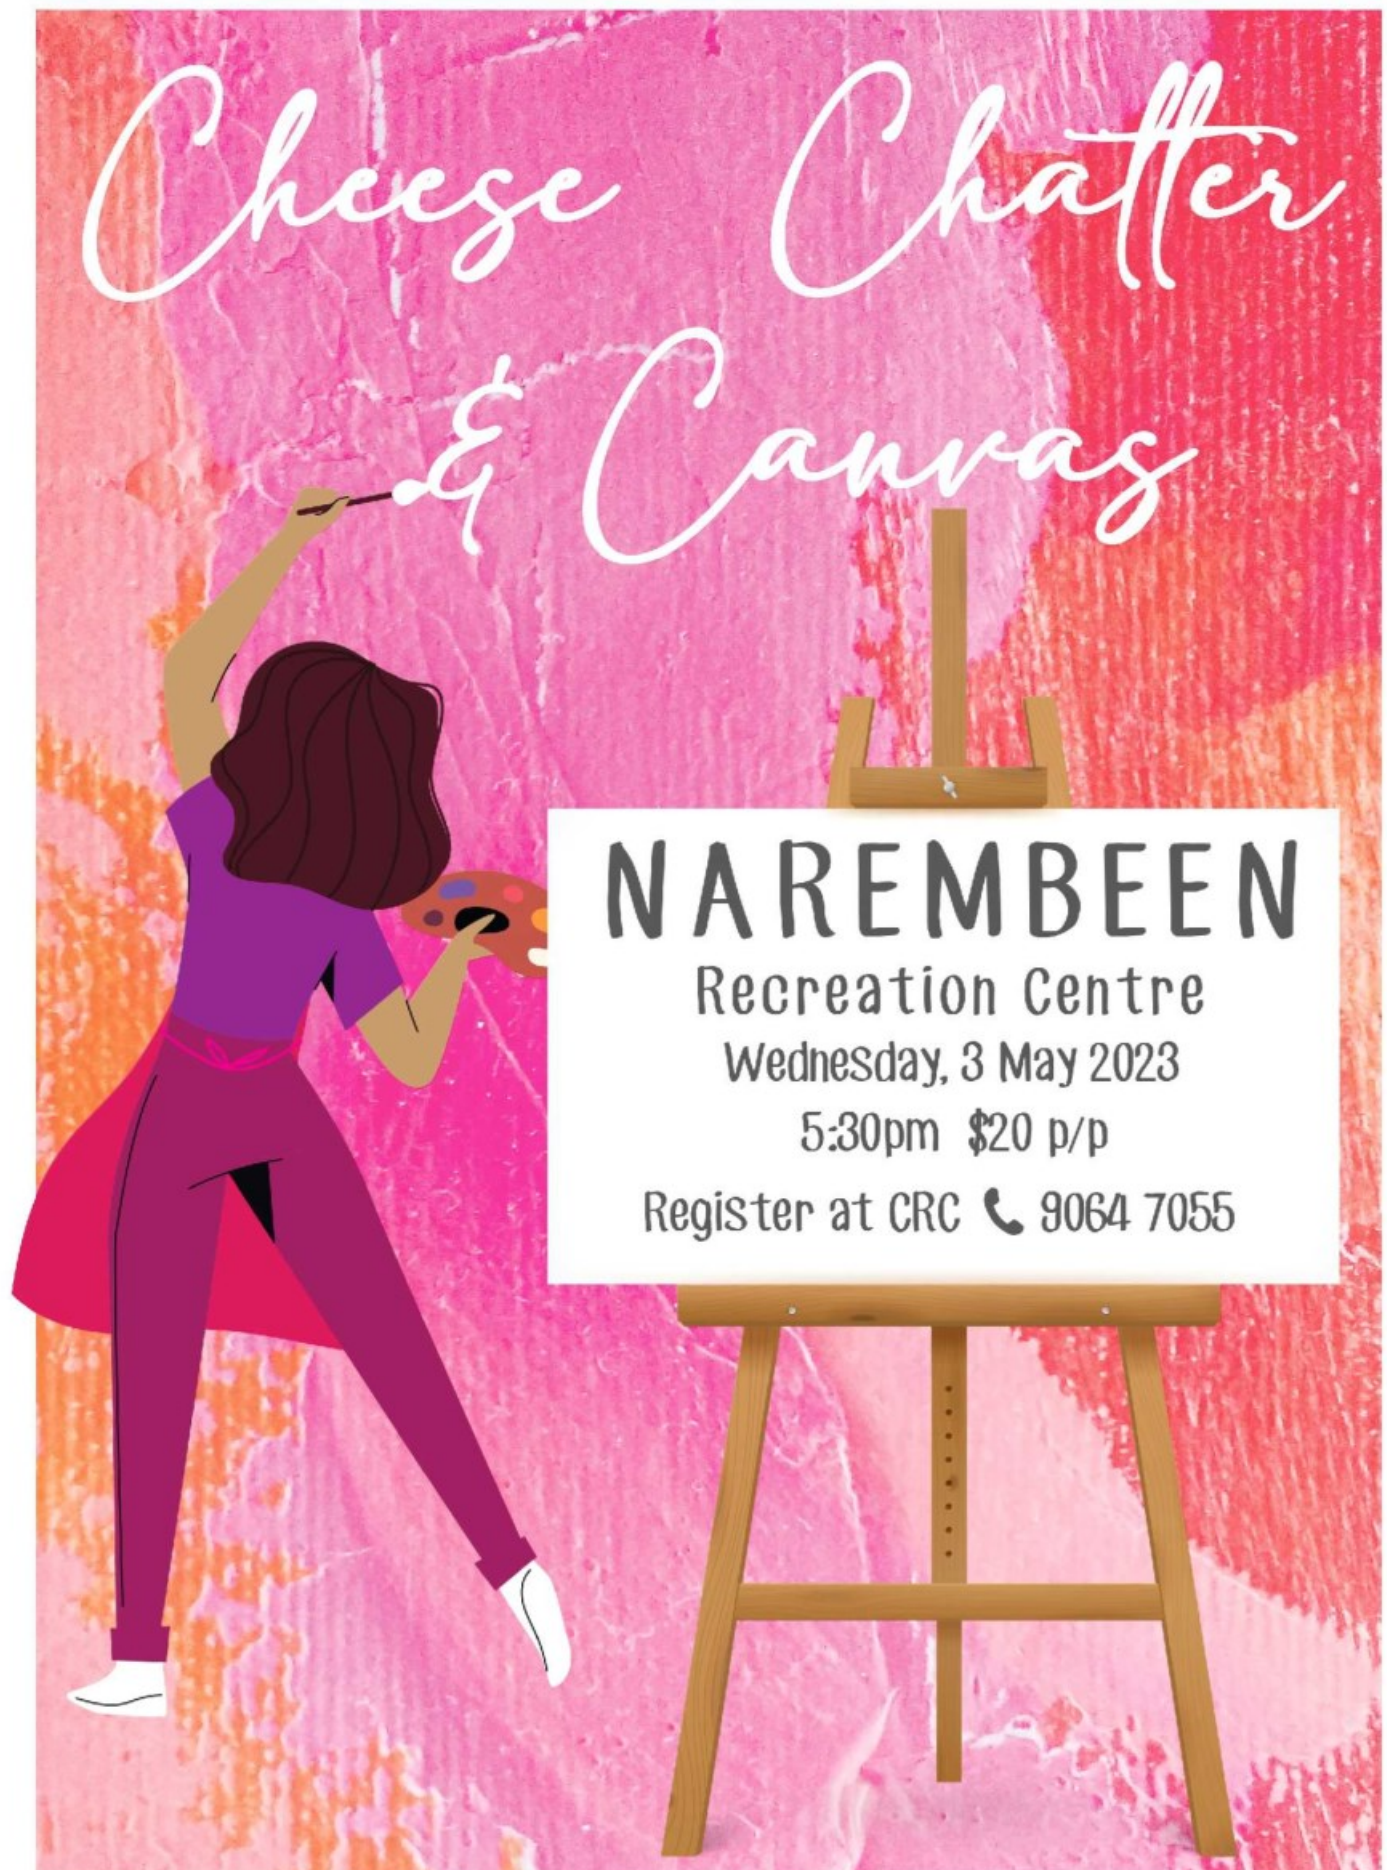

Narembeen Police are also investigating a wounding incident that occurred at a home on Churchill Street in Narembeen on Thursday morning, 20th April. Anyone with information is asked to contact Crime Stoppers on 1800 333 000. Report number 200423 0624 9457.

Finally, congratulations to Ash Hunter who participated in the London Marathon over the weekend for a very good cause. She has been a great role model and inspiration for many around the town. Just training for a Marathon is an accomplishment in itself and we were pleased to see her smiling at the finish with her medal in hand.

Until next time, stay safe.

Kind Regards,

Narembeen Police

CRC Coordinator 12-month contract (Maternity Leave Cover)

Applications are invited for the Coordinator position with the Narembeen Community Resource Centre, starting in mid-June 2023.

This position is offered on a fixed-term 12-month contract to cover maternity leave, with the possibility of an extension or transitioning into a job-sharing arrangement with the current incumbent. The position offers a flexible roster of between 60 - 76 hours per fortnight (such as school or childcare friendly hours) with the ability to choose your working days.

For a copy of the position description please contact the Executive Manager Corporate Services by phone on 9064 7308, by email at emcs@narembeen.wa.gov.au, in person at the Shire of Narembeen administration office (1 Longhurst Street, Narembeen) or simply download it from the Shire of Narembeen website.

The key objectives of this position include:

- Ensure that the most appropriate and effective services in education, training, communication, information, events and business are promoted and provided to the community
- Provide community members with access to government and community information and services
- Oversee and manage the day-to-day operations of the Community Resource Centre, including employee management, event scheduling and grant acquittals
- Comply with all Department of Primary Industries and Regional Development contract requirements.

To apply for the role please submit your application, including an up-to-date resume and cover letter responding to the selection criteria listed in the position description to:

DENTAL SERVICE NAREMBEEN

The Shire has been approached to provide financial assistance to allow a Dentist Practice to recommence in Narembeen and Council is seeking feedback from community members on whether.

1. Council should provide financial support to the Dental Practice; and
2. You consider that a Dental Service in Narembeen is a priority and would be supported.

In addition to the financial contribution requested by the proponent Council would be required to undertake some maintenance and upgrading works to the Dental Surgery, resulting in an initial estimated total cost of approximately \$40,000 - \$45,000.

In return for financial assistance the proponent is proposing to open 1 to 2 days a week in Narembeen subject to demand.

Should you wish to comment on this proposal please email your comments to admin@narembeen.wa.gov.au by Friday 5 May 2023

from the CHIEF

The Shire of Narembreen is pleased to announce the appointment of Rebecca McCall to the role of Chief Executive Officer (CEO) following council endorsement at the April Ordinary meeting.

Rebecca is currently the Chief Executive Officer at the Shire of Dowerin and will commence employment at the Shire of Narembreen in September.

Council warmly welcomes Rebecca to the organization, she has proven leadership skills and experience in managing and maintaining an organization such as ours focusing on financial sustainability and the delivery of strategic goals and objectives in collaboration with the community. Rebecca is fully aware of the opportunities and challenges that face our community.

We are confident that Rebecca has the qualities and values Council are seeking and look forward to working with her.

Mr Paul Sheedy, Acting Chief Executive Officer will continue in this role until Rebecca's commencement. We thank him for his commitment to the Shire and for providing the stability required over the past few months.

Narembreen Golf Club

The Narembreen Golf Club Members extend our sympathy to the Cusack Family on the loss of long time player and member - Maisie. Our thoughts are with you at this sad time. We all have many happy memories of Maisie around the Clubhouse and on the course. Rest peacefully Maisie.

Wednesday was Ladies Opening Day with an Ambrose event held. We had 11 players so we had teams of two and one team of three. The team of three came out winners. Congratulations to Darien Pascoe, Maree Sprigg and Miranda Noack who had a 58nett. Not even close behind was the Runners up – Kyla Padfield and Maxine Miolini with 70nett. Nearest to the pin number 2 went to Marees Mob and Longest putt number 10 was Kellie Mortimore and Carol Currie. A lovely arvo tea was served up as usual but once again the party pies came out winners.

On Sunday 14 men played Stableford for Paul Wanless's trophy. Congratulations to our Young fella Mick Toovey who had a whopping 41 points. Runner up on a count back was Tim Cusack from Paul Wanless and Scott Stirrat, all on 37 points. John Currie came in with 33 points.

Long dong went to Tim Cusack, Nearest pin Number 17 – Col Ogilvie, Best second number 12 Tim Cusack and Nearest Pin number 9 was Dave Campbell.

The ladies played Stableford with the winner being Miranda Noack with 33 points. Runner up was Carol Currie with 31 points. Longest putt on number 6 went to Kyla Padfield and Nearest the pin number 15 was Carol Currie.

Narembeen Juniors 1 draw Corrigin Juniors 1

Thank you everyone who played helped out coached or umpired last Saturday. You could see the looks on the kids faces on how much excitement there was for the first game of the year. Our captain Max Gmeiner led all of us out to the field with our goalie Ava Wanless waddling out behind us as who was later swapped out for Daisy Hooper. Our first goal was made by Charles Robinson who stole it from one of the Corrigin players and dribbled from half way and scored a cracking goal. Team spirit had never been higher and even when the opposition scored we were still laughing and helping each other out. In the end it was a 1 all tie but we will get them next time. Go Narem!

(Jack Cusack)

Narembeen A Grade 6 def Corrigin A Grade 0

Whilst some may call soccer the 'beautiful game', you wouldn't have been blamed for confusing this with hockey if you'd seen the A-Grade game on Saturday...

As an introduction to the much anticipated Conference Round Narembeen took on Corrigin after many years playing only EDHA. It was great to once again take the field against the black and gold Tigers, and even better to come off with a convincing win!

Narembeen started strongly, dominating play from the get-go. Most of the team had played together last year, so it took only minutes to reconnect with each other and fall into some well practised, tried & true plays which quickly had a positive impact on the game.

The mids and forwards controlled most of the play, dependably backed up by the backline when Corrigin made attempts into their attacking D. The game was truly a team one by Narembeen (Corrigin commenting on this after the game) which paid off.

Particular mention to Georgia Miller (Best on Ground Rd1) who played an exceptionally good game. From the whistle, her leads as striker were opportunistic and her eye was in, accurately hitting to goals consistently.

This was a great start to the season and we hope to continue on this track and continue to play our brand of hockey throughout 2023.

Team: Mel Williams (1), Maddie Della Vedova (1), Emma Miolini, Maddi Noack, Kylee Slade, Bonnie Taylor, Gina Cheetham, Mikaela McCall, Georgia Miller (4), Jess Padfield, Hannah Kerse, Felicity Cowan, Sam Nation.

Naremben Men 3 def Corrigin Men 2

The Naremben men took on a new look Corrigin side on Saturday afternoon in rather warm Autumn conditions. In what was the first time in 5 years the two teams played against each other, it was great to see some old and new faces in the opposition colours.

The Naremben men played glimpses of their best hockey, with also moments of their not so best hockey. The link work and pushing the ball into space on the soft grass created opportunities up forward for the strikers through out the day. Special mention to Connor Sargeant who managed to score one from the base line at an angle no one thought that would be going in. We may however need some practice with our short corner drills with a conversion rate of about 1 every 15. Thank you to Rhys Cousins for chucking on the pads on the weekend, a great game for a first time goalie.

Also welcome back to old time local Garrick Yandle who chunked on a shirt for the Hawks.

Thank you to everyone who came down and supported. Two games this week for the men with games on Wednesday night and Saturday afternoon.

Goals scorers: Jordan Sprigg, Connor Sargeant, Gus Latham.

(Jordan Sprigg)

Corrigin B Grade 3 def Naremben B Grade 1

It was a warm first game for Naremben at home.

After a tough first half the team really came together and held a strong competition against Corrigin's B Grade.

Thank you to Rachel Padfield for coming back to play and scoring our goal

And thank you to the A graders & juniors that also came and helped out.

Although we lost 3-1, it was great first game in warm conditions & with a new team - looking forward to next week and building stronger throughout the season.

Prohibited aquatic plants

Left: Salvinia (*Salvinia molesta*) and right: water hyacinth (*Eichhornia crassipes*).

Fret over these floaters

Keep your eyes peeled for aquatic plants such as Salvinia and water hyacinth – two highly invasive weeds that we need to report and eradicate from Western Australia. They have the ability to negatively impact our local ecosystems by out-competing local species and reducing water quality.

The costs and efforts taken to remove these aquatic plants once they enter our environment are massive. They can impede water flow, increase flooding and erosion, block agricultural irrigation channels, create health hazards and displace natural vegetation. Some aquatic plants can even form thick mats to resemble groundcover, creating drowning hazards for people and livestock.

Salvinia, (*Salvinia molesta*), is a non-flowering, free-floating aquatic weed that has pairs of oval leaves connected by a horizontal stem. They have a multitude of hair-like structures on top of the leaves which split and re-join at the tips to form eggbeater like structures helping them to be buoyant. They produce vegetatively - meaning that even small stems that break apart can form entirely new plants.

Water hyacinth, (*Eichhornia crassipes*), is a notorious floating weed with large funnel-shaped lilac flowers that have 6 petals and a yellow centre.

These flower summer to early autumn. The leaves are hairless, glossy and have a spongy base that helps them to float. This weed can double in size in just two weeks via flower pollination, or vegetatively. They have submerged fruits that can carry up to 300 seeds each, and these 1 mm seeds can be viable for up to 20 years!

Don't get caught out!

These plants are sometimes advertised on platforms like Facebook Marketplace, Gumtree or other channels, but they're illegal to have in WA. Salvinia and water hyacinth are prohibited species under the *Biosecurity and Agriculture Management Act 2007* and cannot be sold, traded or cultivated. This also applies to several other aquatic plants including *Rotala rotundifolia*, water lettuce (*Pistia stratiotes*) and *Sagittaria* (*Sagittaria platyphylla*).

You can be a responsible gardener and report any suspect illegal plant sales, or the presence of these declared weeds in the environment. Reporting options include the Pest and Disease Information Service (PaDIS), the MyPestGuide® Reporter app or webpage, or you can anonymously report an illegal agricultural matter on crimestopperswa.com.au or phone 1800 333 000. If you're unsure about the plant, report it anyway.

EX-PLAYERS MORNING TEA

The 18th April saw past and present players reunite for a morning of reminiscing, laughter and a joint love for the one thing we all have in common...The Narembreen Hockey Club.

A special mention to four of our lovely life members who were able to make the day; Maxine Miolini, Sylvia Yandle, Lynda Cornish and Gina Deluis.

The Narembreen Hockey Club was founded in 1931 which means we are only eight years away from our centenary celebrations. Planning is definitely underway after talking to our past players and it certainly is exciting times ahead for the Hawks!

It was great to look back on old photo's and discuss the vast changes in the game...ranging from rules to uniforms!

One thing that hasn't changed over the years is our ability to have fun after the final whistle!

What Happened On This Day – April 26

- 2005 Syria ends its military occupation of Lebanon after 29 years

Syria buckled to domestic and international pressure following the assassination of former Lebanese Prime Minister Rafik Hariri on February 14 of the same year.

- 1994 Germany makes Holocaust denial illegal

The far-right party NPD had sought legitimation by Germany's Federal Constitutional Court for expressing the view that the Nazis' genocide of six million Jews never occurred. The court ruled against them.

- 1989 The deadliest tornado in history kills about 1300 people

The Daulatpur–Saturia Tornado devastated everything in its 50-mile long path across central Bangladesh.

- 1986 The worst nuclear disaster in history occurs in Chernobyl

Large parts of Europe were contaminated when reactor 4 at the Chernobyl nuclear power plant exploded. Although the number of deaths attributable to the disaster is difficult to determine, experts anticipate tens of thousands of deaths across Europe in the coming decades due to cancer caused by the radioactive fallout.

- 1925 Franz Kafka publishes his landmark novel The Trial

The text, which was initially published as Der Process, is a nightmarish account of a man being arrested and prosecuted by a faceless authority for an unknown crime.

Narembeen CRC Update

Hello everyone, I hope you had a great week and enjoyed the sunshine over the weekend, seems to be a bit cooler this week!

We had another busy week at the CRC with the Morning Coffee Club, School Holiday Activity and Youth Week event all in one week.

Morning Coffee Club

Our local seniors met for the Morning Coffee Club on Wednesday and competed in pass ball, seated hockey, bean bag toss and bowling, the same games we played at the Aged Care Games in Northam earlier in the year. We had a really fun and –no surprise– competitive morning! Don't forget the Morning Coffee Club is on every third Wednesday of the month at 10.00am—everyone welcome!

School Holiday Activities

We hosted the school holiday movie on Thursday last week and had another successful day with over 30 (!!!) kids attending. Although there was popcorn and empty juice boxes flying everywhere, we absolutely love seeing the little ones at the CRC supporting our events. We will be back with more school holiday fun in July!!

Youth Week

On Friday, we hosted the 2023 Youth Week Event. This project was funded through the Holyoake and WSPP (Wheatbelt Suicide Prevention Project) sustainability funding.

Approx. 30 teenagers attended the games and activities followed by a BBQ dinner at the Apex Park followed by a Silent Disco at the CRC.

For the afternoon activities the group was split

into five teams and they played/raced each other in the following games: human tangle, scavenger hunt, donut game and the weetbix challenge. It was a hell of a competition. If you missed out on attending the event and would like to complete the scavenger hunt, it can be found over the following pages.

All the activities required the kids to communicate and work together as a team in order to win.

A BBQ dinner, which was cooked by Student Councilors Jack Cusack and Jace Browning., followed and after the dinner the kids roasted some marshmallows around the fire.

At around 7pm we walked over to the CRC for the Silent Disco. When we arrived, everyone received glow sticks and 'glow in the dark' face paint before commencing the disco. Throughout the disco we played some other games and the kids absolutely loved it!

Thank you to all the student councilors that helped with the event and the volunteers who helped out: Holly Cusack for dropping off the firewood, Nat Browning for donating the donuts and marshmallows, James King for setting up and packing up, Joel DeLuis and Julie for making a special trip to pick up the silent disco equipment and any one else that made the day a success. THANK YOU to each and every one of you!

Story Time

Story Time for the little ones is back this Friday!!! Don't miss out from 10.30am in the library.

Have a great week!

Country Stargazing

with Carol Redford and Donna Vanzetti, Astrotourism WA

It's Milky Way Season!

One of the most incredible objects to see in the night sky is the stunning band of the Milky Way as it makes a starry arc across the night sky.

Astrophotographers often refer to this time of the year, from mid-autumn to mid spring, as the "Milky Way Season"! That's because, during this time of year, we look towards the centre or core of our Milky Way Galaxy. It's dense with stars and stretches across the dark night sky in country WA. Astrophotographers love it!

The Milky Way is best seen when there's no moonlight and you're away from bright city lights. What you're looking for is a band of cloudy or dusty looking light that stretches from the south east to the south west. It looks like a cloud, but it's actually billions of stars that make up the Milky Way Galaxy, our home in the Universe.

It is worth noting that many people around the world never see the Milky Way, as they live in areas or cities with heavy light pollution. But out in country WA, under a moonless sky, the view is quite simply spectacular and memorable.

When to look: After sunset on moonless nights, 6:30pm, between 12th May – 23rd May. It will also be visible right through to the end of October.

Which direction to look: South.

Another beautiful cosmic view to enjoy will be on the 23rd of May when we have the Venus and Moon show! The Evening Star, Venus, will be glowing brilliantly with the lovely thin slither of the Moon sitting directly below, providing a special duet in the sky.

When to look: End of Twilight on the 23rd of May.

Which direction to look: North west.

After a busy day it is very calming to gaze upon the starry night sky. Make the time to go out and look up at nature's astronomical wonders. It is a window out to the incredible and mysterious cosmos beyond.

MEDIA RELEASE

LIVE SHEEP EXPORT CONSULTATION A FARCE, DAVIES

19th April 2023

Member for Central Wheatbelt Mia Davies has called on the Federal Government's Live Export taskforce to add further dates to their regional consultation tour, saying they needed to visit the eastern Wheatbelt.

Ms Davies said the consultation schedule was poorly advertised, announced with minimal notice, and needed to be extended to allow more growers, business owners and communities impacted by the disgraceful decision to have their voices heard.

"The dates were announced with very little notice, right in the middle of seeding, and ignored the eastern wheatbelt completely," Ms Davies said.

"I personally believe the forums are just a tick and flick exercise for the Labor Government to say they consulted, but if they're going to do it, they should do it properly and give the people they're ripping a business out from under the chance to have their say."

Mia Davies said the feeling of helplessness, anger and frustration was palpable across the sector.

"They have every right to be angry with a Government that has made an arbitrary decision to shut down a legitimate industry," she said.

"What the Prime Minister and his east-coast colleagues fail to realise is how devastating this will be for hard-working farmers, truckies, small business owners, port workers - everyone along the supply chain.

"Pandering to the inner-city green vote while shutting down an industry that has met every regulatory hurdle, animal welfare practices and more should send shivers down the spine of other primary industries.

"The Prime Minister knows there is minimal political downside for Labor in shutting down live sheep export, but all this will do is embolden activists to move onto the next legitimate industry."

Ms Davies said the Premier and Minister for Agriculture's silence on the issue was deafening.

"Hiding behind the fact that it is a Federal decision is an excuse, and a poor one at that," she said.

"The Premier has proven again and again that he has a voice and is prepared to use it on State, Federal, and international issues when it suits him politically.

"He and his Minister for Agriculture could be champions for this industry and the people in it, but they remain silent.

"The fact Minister Jarvis is letting a billion-dollar industry slide away under her watch is an absolute disgrace.

"I hope they're prepared to spend a significant amount of their surplus that has been stashed away to support those that will be impacted, because the financial and mental impacts of having a legitimate business ripped from under you will be significant."
