| Nominating for | **Councillor for Shire of Narembeen** |
| Election type | **Ordinary** |
| Enrolment status | **SMOKER, Luke is eligible to stand for election as a resident of the Shire of Narembeen.** |

I am a family man and local business owner who believes in working hard and giving back to the community. I know the value of commitment, determination and making practical decisions that deliver results.

Running a business has taught me how important it is to support local jobs, back small business and plan for sustainable growth. I want to see our community thrive - with a safe town, opportunities for young people and strong support for families.

As Councillor, i will listen to residents, work with transparency and always put our community first. Together we can grow a more stronger and vibrant future for everyone.
