Hi, my name is Scott Stirrat, I am running for a position as councillor, and I am seeking your support.

My wife and I run our family farm northeast of Narembeen and we have been long, active members of the Narembeen community. Over many years I have been involved in various community organisations and sporting clubs as either participant, member or office bearer.

I have three children who all grew up in Narembeen, and attended the Narembeen District High School, before moving on to extend their studies.

For the past eight years it has been a privilege for me, to be a serving member on the Narembeen Shire Council. I am a good strong decision maker who wants a progressive community, for all constituents, while also being fiscally responsible.

A vote for me will ensure you get a councillor who is passionate about the future of Narembeen, someone who is prepared to listen and someone who will continue to work hard for our community.
