The Principal reserves the right to engage (at its own cost) an independent financial assessor as a nominated agent to conduct financial assessments under conditions of strict confidentiality. For this assessment to be completed, a representative from the nominated agent may contact you concerning the financial information that you are required to provide.

The financial assessment is specifically for use by the Principal for the purpose of assessing Tenderers and will be treated as strictly confidential.

2.19 Evaluation Process

This is a Request for Tender.

Your Tender will be evaluated using information provided in your Tender. The following evaluation methodology will be used in respect of this Request:

- a) Tenders are checked for completeness and compliance. Tenders that do not contain all information requested (e.g. completed offer form, attachments and any other information and/or documentation requested within this tender) may be excluded from evaluation.
- b) Tenders are assessed against the Selection Criteria. Contract costs are evaluated (e.g. tendered prices) and other relevant whole of life costs are considered.
- c) The most suitable Tenderers may be shortlisted and may also be required to clarify their Tender, make a presentation, demonstrate the product/solution offered and/or open premises for inspection. Referees may also be contacted prior to the selection of the successful Tenderer.

A Contract may then be awarded to the Tenderer or Tenderers whose Tender is considered the most advantageous Tender to the Principal.

The Principal reserves the right to take into consideration any feature of a tender that provides a benefit to the Shire of Narembreen and the community. Further, the Principal also reserves the right to take into consideration Tenderer's past performance on any previous projects undertaken for the Shire. Any additional features or past performance will be evaluated in accordance with the value-for-money assessment process outlined within.

2.20 Confidentiality of Submission Information

The Principal will treat all information provided in a Tender submission as confidential and will not use it other than for purposes of, or related to, the Tender evaluation or as otherwise required by law.

Documents and other information relevant to a Tender may be disclosed when required by law, such as under the *Freedom of Information Act 1992*, the *Local Government Act 1995*, the *Local Government (Functions and General) Regulations 1996*, or under a court order.

All Tenderers will be given particulars of the successful Tenderer or advised that no Tender was accepted.

2.21 Property and Copyright in Request Documents

All intellectual property, including patents, copyright, trademarks, know-how, technical information and confidential information in or attaching to this Request shall remain the property of the Principal. A Tenderer shall not use any of the information in this Request for any purpose other than the preparation of its Tender submission

2.22 Compliance Criteria

The criteria detailed in Section 5.2 will not be point scored. Each Tender will be assessed by the Principal on a Compliant/Non-Compliant basis as to whether the criterion is satisfactorily met. An assessment of “Non-Compliant” against any criterion may eliminate the Tenderer from consideration.

Compliant tenders will proceed to be evaluated against the selection criteria

2.23 Selection Criteria

The Contract may be awarded to a sole Tenderer or a panel of Tenderer(s) who best demonstrate the ability to provide quality services at a competitive price. The tendered prices will be assessed together with qualitative and compliance criteria to determine the most advantageous outcome to the Principal.

The Principal has adopted a “best value for money” approach to this Request.

This means that, although the price is considered, the Tender containing the lowest price will not necessarily be accepted, nor will the Tender rank the highest on the qualitative criteria.

Failure to address all the Selection Criteria may result in the tender being deemed non-compliant and the tender rejected.

The Selection Criteria comprise two components as described below:

- | | |
|------------------------|-----|
| • Qualitative Criteria | 30% |
| • Price | 70% |

2.24 Qualitative Criteria (30%)

In determining the most advantageous Tender, the Evaluation Panel will score each Tenderer against the qualitative criteria as detailed within Section 5.3.1 of this document. Each criterion will be weighted to indicate the relative degree of importance that the Principal places on the technical aspects of the goods or services being purchased.

It is essential that Tenderers address each qualitative criterion. Information that you provide addressing each qualitative criterion will be point scored by the Evaluation Panel. **Failure to provide the required information may result in the tender being deemed non-compliant and elimination from the tender evaluation process or a low score.**

Before responding to the following qualitative criteria, Tenderers must note the following:

- All information relevant to your answer to each criterion is to be contained within your Tender;
- Tenderers are to assume that the Evaluation Panel has no previous knowledge of your organisation, its activities or experience;
- Tenderers are to provide full details for any claims, statements or examples used to address the qualitative criteria; and
- Tenderers are to address each issue outlined within the qualitative criterion.

A scoring system will be used as part of the assessment of the qualitative criteria. Unless otherwise stated, a Tender that provides all the information requested will be assessed as satisfactory. The extent to which a Tender demonstrates greater satisfaction of each of these criteria will result in a greater score. The aggregate score of each Tender will be used as one of the factors in the final assessment of the qualitative criteria and in the overall assessment of value for money.

2.25 Price (70%)

Price is a weighted criterion. The Tenderer is to complete the Price Schedule given in Section 5.3.4.

Before completing the Price Schedule, Tenderers should ensure they have read this entire Request.

2.26 Price Basis

All prices and schedule of rates for services offered under this RFT Request are to be fixed for the term of the Contract. **Tendered prices are EXCLUSIVE of Goods and Services Tax (GST).**

Unless otherwise indicated prices tendered must include all applicable levies, duties, taxes and charges and all other costs that may be incurred as part of the completion of the scope of work. Any charge not stated in the Tender, as being additional will not be allowed as a charge for any transaction under any resultant Contract.

There is no provision for rise and fall within this Contract.

The Contractor is required to price the quantities provided in the tender pricing schedule and make their own assessment of the quantities required to complete the work. Where the measured quantities differ from the quantities provided in the pricing schedule, the Shire will adjust the contract price using the quoted rate and measured quantities.

2.27 Regional Price Preference

Not used

2.28 Ownership of Tenders

All documents, materials, articles and information submitted by the Tenderer as part of or in support of the Tender will become, upon submission, the absolute property of the Principal and will not be returned to the Tenderer at the conclusion of the Tender process, provided that the Tenderer be entitled to retain copyright and other intellectual property rights therein, unless otherwise provided by the Contract.

2.29 Canvassing of Officials

If the Tenderer, whether personally or by an agent, canvasses any of the Principal's Commissioners or Councillors or Officers (as the case may be) with a view to influencing the acceptance of any Tender made by it or any other Tenderer, then regardless of such canvassing having any influence on the acceptance of such Tender, the Principal may at its absolute discretion omit the Tenderer from consideration.

2.30 Identity of the Tenderer

The identity of the Tenderer and the Contractor is fundamental to the Principal. The Tenderer will be the person, persons, corporation or corporations named as the Tenderer in Section 6.1 (Schedule 1) and whose execution appears on the same schedule. Upon acceptance of the Tender, the Tenderer will become the Contractor.

2.31 Costs of Tendering

The Principal will not be liable for payment to the Tenderer for any costs, losses or expenses

incurred by the Tenderer in preparing their Offer.

2.32 Tender Opening

Tenders will be opened in the office of the Shire of Narembeen, 1 Longhurst Street, Narembeen on or as soon as practicable after the advertised Deadline in accordance with all local government purchasing and tendering regulations. All Tenderers and members of the public may attend or be represented at the opening of Tenders. Those who intend on attending the tender opening are requested to notify the tender's nominated contact person prior to the tender deadline.

The names of the persons who submitted a Tender by the due Deadline will be read out at the Tender Opening. No discussions will be entered into between Tenderers and the Principal's officers present or otherwise, concerning the Tenders submitted.

2.33 In House Tenders

The Principal does not intend to submit an In-House Tender.

- 26.3 The Contractor's Representative is responsible for the quality, timeliness, cost and provision of the Goods and/or Services in accordance with this Contract. The Contractor is liable for all acts and omissions of the Contractor's Representative.

27 VARIATION

- 27.1 A direction to the Contractor to perform a Variation may only be effected in accordance with this Clause 27.

- 27.2 If the Principal or the Principal's Representative requests the Contractor must prepare and submit a variation proposal addressing any proposed Variation (**Variation Proposal**). The Principal agrees to provide such further information as reasonably requested by the Contractor to enable the Contractor to prepare the Variation Proposal. The Contractor must submit the Variation Proposal to the Principal within 5 Business Days (or within such other period as the Parties agree) of the Principal's request for the proposal.
- 27.3 If a Variation requires the omission of Goods and/or Services, the Principal's Representative may have the omitted Goods and/or Services provided by others or not as the Principal sees fit.
- 27.4 The Variation Proposal must specify:
- (a) the effect the Contractor anticipates the proposed Variation will have on the Completion Date and the Contract Price (if any); and
 - (b) any other relevant matters that might assist the Principal to make a decision regarding the Variation Proposal.
- 27.5 Following receipt of the Variation Proposal by the Principal, subject to Clause 27.2, the Parties must seek to agree on the price for the Variation and the impact of the Variation on the relevant Completion Date.
- 27.6 The Principal or the Principal's Representative is not obliged to direct a Variation after receiving the Variation Proposal from the Contractor.
- 27.7 The Contractor acknowledges and agrees that, subject to Clause 27.10, the Principal or the Principal's Representative may direct the Contractor in accordance with Clause 27.13 to perform the Variation even if the Parties are unable to agree on the price for the Variation or the impact of the Variation on the relevant Completion Date.
- 27.8 The Contractor must not commence performing the proposed Variation unless and until the Principal or the Principal's Representative directs the Contractor in accordance with Clause 27.13 .
- 27.9 If the Parties agree on the details in the Variation Form, the Principal will sign and issue the Variation Form and the Contractor will be entitled to be paid the agreed amount set out in the Variation Form once the Variation has been performed.
- 27.10 If the Parties are unable to agree on:
- (a) the price for the Variation within 10 Business Days after the date of receipt of the Variation Proposal from the Contractor, the Variation must be valued by the Principal's Representative as follows:
 - (i) if this Contract prescribes rates or prices to be applied in respect of the Goods and/or Services, those rates or prices must be used; or
 - (ii) if Clause 27.10(a)(i) does not apply, using reasonable rates or prices, having regard to all circumstances which the Principal's Representative (acting reasonably) considers to be relevant; and
 - (b) the impact of the Variation on the Completion Date,
- then the Principal's Representative must determine a reasonable impact and amend the relevant Completion Date by notice in writing to the Contractor.
- 27.11 A Variation does not invalidate this Contract.
- 27.12 The Contractor may request that the Principal direct a Variation and the Principal or the Principal's Representative may, in its absolute discretion, direct a Variation under Clause 27 or elect not to direct a Variation.
- 27.13 A direction is not a Variation unless a Variation Form has been signed by the Principal.

28 SUSPENDING THIS CONTRACT

- 28.1 The Principal or the Principal's Representative may, at any time and for any reason, suspend this Contract or any part of this Contract.
- 28.2 When the Contractor receives a written notice of suspension from the Principal or the Principal's Representative, the Contractor must suspend the performance of its obligations under this Contract until such time that the Principal or the Principal's Representative directs that this Contract is no longer suspended. At such time the Contractor must promptly recommence the performance of the Contractor's obligations under this Contract.
- 28.3 Where the suspension of this Contract is not a result of any default or action by the Contractor or the Contractor's Personnel, the Principal will reimburse the Contractor for the Contractor's verified reasonable additional costs incurred as a direct consequence of the suspension of this Contract. For the avoidance of doubt, such costs must not include Consequential Losses.
- 28.4 If the Principal or the Principal's Representative suspends this Contract or any part of it in accordance with Clause 28.1 (other than where such suspension is due to default or action by the Contractor or the Contractor's Personnel), the Completion Date and the End Date are extended by the period of that suspension.
- 28.5 The remedies set out in Clauses 28.3 and 28.4 are the Contractor's sole and exclusive remedy in respect of the Principal suspending this Contract.

29 WARRANTIES

- 31.3 On each Review Date, the Contractor shall be entitled to adjust the Contract Price for the Goods and /or Services in accordance with this Clause 31.3. The Contractor shall only be entitled to review the Contract Price for the Goods and/or Services on the Review Date and following such review the Contract Price shall be deemed to be fixed until the next Review Date.

- 32.1 As soon as reasonably practicable following the end of each calendar month, (or as otherwise agreed by the Parties), the Contractor must provide to the Principal a Progress Claim or if the Principal directs, an Invoice.
- 32.2 Upon approval of a Progress Claim by the Principal:
- (a) if the Contractor has entered into an RCTI Agreement, the Principal will, generate a Recipient Created Tax Invoice. References to 'Invoice' in the remainder of this Clause 32 should be taken

to include RCTI where applicable; or

(b) if the Contractor has not entered into an RCTI Agreement, the Contractor will submit an Invoice, in respect of the Goods and/or Services that are the subject of the approved Progress Claim.

32.3 A Progress Claim and any Invoice must include the details set out in the Contract Specifics.

32.4 Subject to any right of the Principal to retain, withhold, reduce or set-off any amount due to the Contractor, the Principal must pay all Invoices that comply with Clause 32.3 within 20 Business Days (or such other period as the Principal's Representative and Contractor agree) of their generation or receipt (as the case may be), except where the Principal:

- (a) is required by any Legal Requirement to pay within a shorter time frame, in which case the Principal must pay within that time frame;
- (b) exercises any right to retain, withhold, reduce or set-off any amount due to the Contractor; or
- (c) disputes the Invoice, in which case:
 - (i) to the extent permitted by any Legal Requirement, the Principal may withhold payment of the disputed part of the relevant Invoice pending resolution of the Dispute; and
 - (ii) if the resolution of the Dispute determines that the Principal must pay an amount to the Contractor, the Principal must pay that amount upon resolution of that Dispute.

32.5 A payment made pursuant to this Contract will not be taken or construed as proof or admission that the Goods delivered or the Services performed (or any part thereof) were to the satisfaction of the Principal but will only be taken to be payment on account.

32.6 Failure by the Principal to pay the amount payable at the due time will not be grounds to invalidate or avoid this Contract.

32.7 The Contractor shall not be entitled to any interest or charge for extending credit or allowing time for the payment of the Contract Price.

33 CONFIDENTIAL INFORMATION AND PUBLICITY

33.1 The Contractor must not advertise, publish or release to the public:

33.3 The rights and obligations under this Clause 33 continue after the End Date.

34 GOODS AND SERVICES TAX

34.1 Any reference in this Clause to a term defined or used in the *A New Tax System (Goods and Services Tax)* Page **21 of 33**

- 34.3 Any amount referred to in this Contract (other than an amount referred to in Clause 34.8) which is relevant in determining a payment to be made by one of the Parties to the other is, unless indicated otherwise, a reference to that amount expressed on a GST exclusive basis.
- 34.4 To the extent that GST is payable in respect of any supply made by a Party (**Supplier**) under or in connection with this Contract, the consideration to be provided under this Contract for that supply (unless it is expressly stated to include GST) is increased by an amount equal to the relevant part of the GST Exclusive Consideration (or its GST exclusive market value if applicable) multiplied by the rate at which GST is imposed in respect of the supply.
- 34.5 The recipient must pay the additional amount payable under Clause 34.4 to the Supplier at the same time as the GST Exclusive Consideration is otherwise required to be provided.

- 34.8 If one of the Parties to this Contract is entitled to be reimbursed or indemnified for a loss, cost, expense or outgoing incurred in connection with this Contract, then the amount of the reimbursement or indemnity payment must first be reduced by an amount equal to any input tax credit to which the Party being reimbursed or indemnified (or its representative member) is entitled in relation to that loss, cost, expense or outgoing and then, if the amount of the payment is consideration or part consideration for a taxable supply, it must be increased on account of GST in accordance with Clause 34.4.

35 CONSEQUENTIAL LOSS

36 LIMITS ON LIABILITY

"Not Used"

37 FORCE MAJEURE EVENT

- 37.1 A Party must give timely notice to the other Party of any Force Majeure Event that precludes the Party (whether partially or wholly) from complying with its obligations under this Contract (**'Affected Obligations'**) and must either:
- (a) to the extent practicable, specify in the notice the length of delay in the Completion Date that will result from the Force Majeure Event; or
 - (b) where it is impracticable to specify the length of delay at the time the notice is delivered, provide the Principal with periodic supplemental notices during the period over which the Force Majeure Event continues.

- 37.2 The Party's obligation to supply the Affected Obligations is suspended for the duration of the actual delay arising out of the Force Majeure Event.
- 37.3 The Parties must use their reasonable endeavours to remove or relieve the Force Majeure Event and to minimise the delay caused by any Force Majeure Event.
- 37.4 If a Force Majeure Event continues to affect the supply of the Goods and/or Services for a continuous period of 180 days, the Principal may terminate this Contract by serving written notice on the Contractor and neither Party has liability to the other except in respect of any event arising prior to the date of this Contract being terminated.

38 SETTLEMENT OF DISPUTES

- 38.1 In the event of a Dispute either Party may deliver a written notice to the other Party that identifies the Dispute ('**Notice of Dispute**').

- (a) alleged facts on which the claim is based
 - (b) legal basis on which the claim is made; and
 - (c) relief that is claimed.
- 38.3 Within 10 Business Days of a Notice of Dispute being delivered, the receiving Party must deliver a written response to the other Party stating:
- (a) its position in relation to the Dispute; and
 - (b) the basis for its position.
- 38.4 Within 10 Business Days of receipt of the response referred to in Clause 38.3, the Parties agree to attempt in good faith to resolve through negotiation any Dispute arising under or in relation to this Contract.

- 38.6 Either Party may, with the agreement of the other Party, at any time, refer the Goods and/or Services (or any part thereof) to an appropriate independent expert, agreed to by the Parties, for examination and report as to their compliance with this Contract. The decision of the expert shall be final and binding upon both Parties, and the expense of such reference shall be paid by the unsuccessful Party.

39 TERMINATION OF CONTRACT

- 39.1 If a Party breaches or repudiates this Contract, nothing in this Contract prejudices the right of the other Party to recover damages (including loss of bargain damages) or exercise any other right under this Contract or under any applicable Legal Requirement.
- 39.2 The Principal may, in its absolute discretion, and without being obliged to give any reasons, terminate this Contract at any time by giving not less than 5 Business Days written notice to the Contractor. The Principal shall pay to the Contractor:
- (a) the amount due to the Contractor evidenced by all unpaid Invoices and approved Progress Claims; and
 - (b) the cost of materials and equipment reasonably ordered by the Contractor for the Goods and/or Services and which the Contractor is liable to accept, but only if they will become the Principal's property on payment,
- and shall have no further liability to the Contractor.

39.3 If the Contractor:

- (a) subject to Clause 38, fails to duly and punctually observe, perform and comply with any term, condition or stipulation contained or implied in this Contract and such failure continues for a period of 14 days (or such other period as having regard to the circumstances the Principal may reasonably allow) after service on the Contractor of a written notice requiring the Contractor to observe, perform and comply with such term, condition or stipulation or otherwise to remedy the breach;
- (b) (being a corporation) goes into liquidation (except for the purpose of reconstruction or amalgamation of which the Contractor has given the Principal 5 Business Days prior written notice of such reconstruction or amalgamation) or is otherwise dissolved or if a receiver or receiver/manager of the whole or any part of the assets and undertaking of the Contractor is appointed or if the Contractor enters into any composition or scheme of arrangement with its creditors or if an inspector or like official is appointed to examine the affairs of the Contractor or the Contractor enters into voluntary or other external administration;

- (g) or the Contractor's Personnel:
 - (i) cause a safety issue, condition or any risk to health in breach of this Contract; and
 - (ii) the Contractor, within 5 Business Days of a notice from the Principal advising the Contractor that it has caused a safety issue, condition or any risk to health in breach of this Contract, does not show cause to the Principal's satisfaction why the Principal should not end this Contract,

then the Principal may by notice in writing to the Contractor immediately terminate this Contract whether any Orders remain outstanding or not and thereafter the Principal may engage or contract with any person or corporation other than the Contractor to perform and complete this Contract.

39.4 The Principal shall ascertain the amount of all damages and expenses suffered or incurred by the Principal in consequence of any of the matters referred to in Clause 39.3 above and all such amounts may be deducted from amounts then owing to the Contractor or may be recovered in court by the Principal.

39.5 When this Contract is terminated, the Contractor must promptly return to the Principal any of the Principal's property or documents which the Principal owns or in which the Principal has an interest.

39.6 The termination of this Contract does not affect:

- (a) any rights of the Parties accrued before the End Date; and
- (b) the rights and obligations of the Parties under this Contract which, expressly or by implication from its nature, are intended to continue after the End Date.

40 WAIVERS AND AMENDMENTS

40.1 This Contract may only be amended, or its provisions waived, in writing by the Parties.

40.2 No forbearance, delay or indulgence by the Principal in enforcing the provisions of this Contract shall prejudice, restrict or limit the rights of that Party, nor shall any waiver of those rights operate as a waiver of any subsequent breach.

41 ENTIRE AGREEMENT

- 41.1 To the extent permitted by Law, this Contract embodies the entire agreement between the Parties and supersedes all prior conduct, arrangement, agreements, understandings, quotation requests, representations, warranties, promises, statements, or negotiations, express or implied, in respect of the subject matter of this Contract.
- 41.2 To the extent permitted by Law and to the extent the Contractor's terms and conditions are supplied to the Principal in respect of the Goods and/or Services, those terms and conditions will be of no legal effect and will not constitute part of this Contract.

42 RIGHTS AND REMEDIES

The Principal may exercise the rights herein conferred in addition to all or any other rights or remedies which the Principal shall or may be entitled to against the Contractor whether under a Legal Requirement or this Contract.

43 INSURANCE

- 43.1 The Contractor must, at its own cost and expense, as a minimum procure and maintain the Insurances:
- (a) on the terms and conditions set out in this Clause and otherwise on terms acceptable to the Principal; and

- 43.5 The effecting and maintaining of the Insurance by the Contractor does not, in any way, affect or limit the liabilities or obligations of the Contractor under this Contract.

- 43.6 The Contractor must maintain public and product liability insurance. The public and product liability policy must:
- (a) come into effect on or before the Start Date and be maintained until the Insurance End Date;
 - (b) be in the joint names of the Contractor and the Principal and the Principal's Personnel;

- 43.14 If the Contractor fails to procure and maintain the Insurance in accordance with this Contract, the Principal may, but is not obliged to procure and maintain any such Insurance and the cost of doing so will be a debt due and immediately payable from the Contractor to the Principal.
