

# Business Opportunity for Medical Practitioner

## **The opportunity**

An excellent opportunity has arisen for a General Practitioner looking to establish and grow their business at the Narembeen Medical Centre.

The Shire owned Narembeen Medical centre is a modern facility comprising five consultation rooms, pathology room and kitchen. The opportunity includes up to date equipment and IT systems to enable transition to a new operator.

The current General Practitioner who has served the community well for a period of 21 years has elected to transition to retirement but may remain available locally to support the successful candidate.

## **The town**

Narembeen is a vibrant and welcoming town which is well known for its generosity and community spirit. It is in the heart of the Wheatbelt region, 286km east of Perth, WA. The town has evolved from its traditional rural history and today plays a key role within the Wheatbelt in cereal cropping, cattle and sheep production, agricultural innovation, and mining as well as support from industries such as engineering, auto works and tourism.

The Shire of Narembeen is home to 787 residents and is well serviced with a highly regarded District High School, Hospital, and Chemist. The town represents the perfect opportunity for an aspiring General Practitioner to establish a successful business.

## **The package**

The Shire of Narembeen is seeking expressions of interest for a General Practitioner to operate from the Narembeen Medical Centre and to provide emergency call outs to the Narembeen Hospital as required.

The package includes the use of the Narembeen Medical Centre including outgoings and maintenance, provision of IT equipment, use of a well located four-bedroom house including gardening services and provision of a vehicle.

Should you wish to apply, please download and complete tender documents RFT 01/2022 Provisions of General Practitioner Services and submit to [ceo@narembeen.wa.gov.au](mailto:ceo@narembeen.wa.gov.au) by the 19 September 2022.
