

Trevor Cole - Candidate Profile.

I am a passionate farmer to the North-West of Narembeen and have lived in the shire my whole life.

I have been actively involved in FESA since its introduction to the Bruce Rock - Narembeen area for close to 20 years as a volunteer, and I am also an active member of the Narembeen Bowling Club.

I feel I can have a positive input on the shire council, and look forward to representing not only farmers, but the whole community in this role.
