PURPOSE

For Council to consider the lease of an unused portion of Bendering Farm to Notting Nominees Pty Ltd, who is the current lessee of the property.

BACKGROUND

The Shires of Kondinin, Corrigin, Kulin and Narembreen purchased 64 hectares of freehold land in the Shire of Kondinin for the Bendering Tip in 2007 for \$63,000. The Shires also entered into a Licence to Use Land agreement with the former owner of the land on 1 October 2009 for the use of part of the land for a period of 10 years expiring on 1 October 2019.

Renewal of the lease was discussed at the RoeROC meeting in July 2021 and the following was decided.

1. *A market valuation be obtained for the Bendering Tip farming land;*
2. *The CEO negotiate a lease arrangement with the current occupier based on RoeROC Delegates directions;*
3. *The lease arrangement be advertised as required under Section 3.58(3)(a) of the Local Government Act 1995; and*
4. *The item be brought back to RoeROC for consideration of the lease and submissions at the next meeting.*

Following this meeting an indicative value was received indicating an amount of \$4,670 per annum.

STATUTORY IMPLICATIONS

Local Government Act 1995

3.58. Disposing of property

- (1) In this section —
dispose includes to sell, lease, or otherwise dispose of, whether absolutely or not;
property includes the whole or any part of the interest of a local government in property, but does not include money.
- (2) Except as stated in this section, a local government can only dispose of property to —
 - (a) the highest bidder at public auction; or

- (b) the person who at public tender called by the local government makes what is, in the opinion of the local government, the most acceptable tender, whether or not it is the highest tender.
- (3) A local government can dispose of property other than under subsection (2) if, before agreeing to dispose of the property —
 - (a) it gives local public notice of the proposed disposition —
 - (i) describing the property concerned; and
 - (ii) giving details of the proposed disposition; and
 - (iii) inviting submissions to be made to the local government before a date to be specified in the notice, being a date not less than 2 weeks after the notice is first given; and
 - (b) it considers any submissions made to it before the date specified in the notice and, if its decision is made by the council or a committee, the decision and the reasons for it are recorded in the minutes of the meeting at which the decision was made.

Local Government (Functions and General) Regulations 1996

30. Dispositions of property excluded from Act s. 3.58

- (1) A disposition that is described in this regulation as an exempt disposition is excluded from the application of section 3.58 of the Act.
- (2) A disposition of land is an exempt disposition if —
 - (a) the land is disposed of to an owner of adjoining land (in this paragraph called the transferee) and —
 - (i) its market value is less than \$5 000; and
 - (ii) the local government does not consider that ownership of the land would be of significant benefit to anyone other than the transferee;
 - or
 - (b) the land is disposed of to a body, whether incorporated or not —
 - (i) the objects of which are of a charitable, benevolent, religious, cultural, educational, recreational, sporting or other like nature; and
 - (ii) the members of which are not entitled or permitted to receive any pecuniary profit from the body's transactions;
 - or
 - (c) the land is disposed of to —
 - (i) the Crown in right of the State or the Commonwealth; or
 - (ii) a department, agency, or instrumentality of the Crown in right of the State or the Commonwealth; or
 - (iii) another local government or a regional local government;
 - or
 - (d) it is the leasing of land to an employee of the local government for use as the employee's residence; or
 - (e) it is the leasing of land for a period of less than 2 years during all or any of which time the lease does not give the lessee the exclusive use of the land; or

Local Government Act 1995

Section 5.43(d)

A local government cannot delegate to a CEO any of the following powers or duties —

- (d) acquiring or disposing of any property valued at an amount exceeding an amount determined by the local government for the purpose of this paragraph.

COMMENT

In discussions with the current lessee, they are happy to continue with the value of the lease being offset by the cost of maintaining the property creating a nil balance. i.e.

Annual Lease amount (payable to RoeROC)	\$4,670
Cost to maintain firebreaks and fences (Payable to Lessee)	\$4,670
Balance of transactions	\$ 0

The consideration of the maintenance value of the property is due to the fact that the property is surrounded by the current lessee's farming land and as such, it would be difficult to get another tenant to lease the property due to small size and location. If the current lessee does not renew the lease, then RoeROC will be responsible for maintaining the rest of the land at its own cost. It is easier to make the transactions simple that they cancel each other out for a simple process.

To ensure that the provisions of the Local Government Act 1995 Section 3.58 (3)(a) are followed, advertising has taken place inviting submission on the proposed disposal and no submissions were received. Member shires now need to resolve the final transaction individually as the property is owned by each Shire as equal partners.

As the area of arable will be impacted with changes to the area used for rubbish disposal, but the final transaction value is still nil, it is recommended that the Agreement be established for a five year period with an option to renew for five years.

OFFICER RECOMMENDATION

That Council lease a 45 hectare portion of Lot 23945 on Deposit Plan 151345 on Kondinin-Naremben Road, Kondinin (Bendering Waste Site) to Notting Nominees Pty Ltd for a period of five years with a five-year option for nil cost.

PURPOSE

Provide an update on the Local Government Reform and for Council to endorse the draft submission to the Department of Local Government Sport and Cultural Industries.

BACKGROUND

In 2017, the McGowan Government announced a review of the *Local Government Act 1995*. This was the most significant and comprehensive review of the legislation that occurred in more than two decades.

There were several recommendations that have been implemented including universal training for elected members, mandatory code of conduct and best practice standards for CEO recruitment.

On 10 November 2021, the Minister for Local Government, Hon John Carey MLA announced his plan for major reforms of the *Local Government Act 1995*.

The proposed reforms have been developed on the basis of findings identified as part of the Local Government Act Review and recommendations of various reports, including the Local Government Review Panel Final Report.

Major changes to the Local Government Act and Regulations will provide for a stronger, more consistent framework for local government across Western Australia. The reform proposals have been designed to deliver significant benefits for residents and ratepayers, small business, industry, elected members and professionals working in the sector.

The proposed reforms are based on six themes:

1. Earlier intervention, effective regulation and stronger penalties
2. Reducing red tape, increasing consistency and simplicity
3. Greater transparency and accountability
4. Stronger local democracy and community engagement
5. Clear roles and responsibilities
6. Improved financial management and reporting.
