Welcome Baby : Congratulations to Rhiannon, Joel and Sofie on the arrival of Ollie Luca DeLuis, born 3rd August.

PLEASE NOTE : Phone numbers for Lyn Cova (0488914783) and Ian Forbes (0467037547) . Their home phone (landline) is no longer connected .

Bishop Kate Wilmot was a very welcome visitor to St Pauls Anglican Church on Sunday . The congregation celebrated with communion followed by a light lunch and general chat of church happenings. It was good to have Yvonne Treloar back with us.

NAREMBEEN HISTORY CENTRE - UPDATE

The new display cabinets have arrived, many thanks to our donors , Go Narembeen, Collgar Windfarm and Dorcas who financed their purchase. We need to assemble them and artistically display our ever growing supply of memorabilia . It has been interesting going through the photographs, maps and items. It has also been frustrating and disappointing to see so many photographs without names on them. Just a gentle reminder for now if you have photos please put names on the back of them , you may know who they are now but in 20 years time when they are donated to the Historical Society we will have no idea. It is a good winters day project for you and the family and brings back so many memories.

PAST RESIDENT UPDATE

The death occurred on the 17th June 2020 in Perth of Austin Smith at age 92. Austin was an employee of the Bank of NSW in Narembeen in 1945. Nigel Moffat being the Manager at the time. Austin remembered well the end of war celebrations in '45 at Narembeen. Austin made a nostalgic trip to Narembeen in 2007 with his daughter Robyn Murray (formerly from Beverley but now retired in Albany).

He noted at the time that the old boarding house he stayed in with Mrs Moffat was gone and that Mrs Parrott's store building was still there. He was impressed how neat a town Narembeen was and bought a collection of history books about Narembeen at the time.

While in Narembeen back in 2007 he caught up with Bert Lethlean and Iris and Mel Bristow.

Austin always had very fond memories of Narembeen according to his daughter Robyn. It was his first posting as a bank teller. He involved himself in community activities while in Narembeen. He had attended Scotch College in the same year as Norm Cheetham.

MEDIA RELEASE

3 August 2020

KONDININ POLICE STATION SHOULD STAY, DAVIES

Central Wheatbelt MP Mia Davies has thrown her support behind the Kondinin community in an effort to keep their local police station open and staffed locally.

At a town meeting held last week, a well-attended community meeting was briefed by WA Police on a proposal to close the Kondinin police station and relocate to Hyden.

Ms Davies said Kondinin locals were extremely concerned at what the closure of the police station could mean for their community.

"The Kondinin community have been quick to express their concern at the potential loss of a station and officers based in their town," Ms Davies said.

"Everyone that has contacted me has said they aren't opposed to a new station being built in Hyden, but not at the expense of Kondinin and their community."

The community have put forward a sensible case as to why a local police presence in Kondinin is necessary, including the interaction with the local school and district hospital.

"The district hospital has had cause to contact police when dealing with violent or out of control patients on more than one occasion," Ms Davies said.

"The school also relies on a local police presence from time to time and if there's a longer wait or response time when these issues are raised there could be serious implications for students and staff welfare."

Ms Davies has written to the Minister for Police raising the concerns of the community.

"If there's an operational imperative to have a police presence in Hyden then we should be arguing for additional resources, rather than shifting them from one town to another," she said.

A petition is being circulated to demonstrate the support for the retention of the Kondinin Police station, housing and officers in Kondinin.

Ms Davies will present the petition to Parliament when it returns from the winter recess in coming weeks.

DAVIES WELCOMES COMPLETION OF NORTHAM HEALTH CAMPUS REDEVELOPMENT

Member for Central Wheatbelt Mia Davies MLA has welcomed the official opening of the \$42 million Northam Health Campus redevelopment.

The new and improved health facilities were part of a \$600 million injection into Wheatbelt health under the Royalties for Regions funded Southern Inland Health Initiative, delivered by The Nationals in Government.

"I am exceptionally proud to have been part of the previous Governments that fought for and committed this funding to improve health services in our region," Ms Davies said.

"Regional communities deserve modern hospital and health facilities so they can access treatment close to home.

"The new and improved facilities in Northam mean patients now have the convenience of staying in their community for surgical procedures, chemotherapy, pharmacy and renal services."

In February 2019 the Northam Health Service opened its newly refurbished emergency department allowing for greater privacy during treatment, and in June of this year two fully integrated operating theatres featuring state-of-the-art technology became operational.

The redevelopment also includes a central sterile services department with high tech equipment, specialist consulting rooms, an upgraded kitchen and an outpatient area for child health, mental health and occupational therapy services.

Nationals WA spokesperson for Health Martin Aldridge MLC said the Northam hospital redevelopment was part of the State's single biggest investment in regional health care in WA history.

"Projects like the Northam Hospital redevelopment were only made possible because The Nationals fought for and delivered Royalties for Regions," Mr Aldridge said.

"We knew that without significant investment health services would continue to be centralised back to Perth and further exacerbate the poor health outcomes country people have compared to their city counterparts.

"These are the types of projects we fight for every day, to make sure regional Western Australia gets a fair deal when it comes to health, education, and other critical services."

Would you know what you'd do in a situation where your child's friend disclosed information about abuse? Have you ever considered what to say in the case of another child showing yours pornography?

Often parents don't want to think about dealing with a situation like this. It's scary and they hope it won't ever happen to their child.

What would you do?

Are you confused about how to teach your children to be wary of potential harm, without overloading them with fear, wrapping them in cotton wool, or giving them so much information that their innocence is damaged? Would you know what tried and true steps to take in the event a situation occurred?

Come along to this Protective Education Workshop

Protective Education is a proactive whole community approach to teaching life skills to children. It gives them the language to identify unsafe situations, arm them with tools to seek appropriate assistance or protect themselves.

Date: Tuesday, 18th August 2020

Time: 12.30pm – 2.30pm

Venue: Narembeen CRC, 2/19 Churchill Street

RSVP: crcmanager@narembeen.wa.gov.au

AUTUMN CLUB GUEST SPEAKER

Last Thursday Narembeen Autumn Club had the pleasure of welcoming Des Smoker as their guest speaker and appreciate him giving up his morning.

Des who had travelled to Port Hedland a few years ago, became involved with the Port Hedland Seafarers and explained what they do and how we can help the seamen who pass through the port.

Port Hedland Seafarers - Mission to Seamen, is a non profit organization run by the Anglican Church and is overseen by Garry South, Anglican Minister and his wife. Garry's wife is tour guide of Seafarers facilities and the Port. There is also a shop for the sailors to get provisions.

When the ships arrive in Port Hedland they sit off shore and wait anywhere between 2 to 7 days at sea before coming into the Port. At times there could be from 20 to 30 ships waiting, taking 36 hours for each ship to be loaded and fourteen days to sail from Port Hedland to China, then turning around to come back. Each ship has 23 workers contracted for nine months. Some of them have been on the ships for 14 months now because of the CoronaVirus pandemic.

Mining companies including BHP and Fortescue Mining (Twiggie Forrest) and our own "Dorcas" support them monetarily. But money alone cannot fill the gap. They rely on organisations like Autumn Club who support the group with knitted beanies. The Seafarers are out at sea for many months, and they just love our beanies over the top of their caps during the freezing northern winter months. These beanies are added to the Christmas gift bag for those that are in Port Hedland at Christmas time.

Around 2000 beanies are given out each year.

The Autumn Clubs wishes to thank Des for his informative talk and helping us to extend a helping hand to another needy organisation.

THE LATE GREAT RAY PARSONS

I had a friend once by the name of Ray Parsons. Ray and I would often find ourselves chatting away at games of sport as we were both keen supporters of football and cricket. More specifically footy and cricket played by teams representing Narembeen. We would often wax lyrical about results and players and as I opined about reason for result Ray would often bring me back by saying 'Well Mr G, the most important thing is you had 40 young men playing footy'. I would smile and nod and then we would keep going in our conversation. I miss my friend Ray, I miss our conversations and I miss his sayings. The Narembeen Footy Club got beaten by two better sides yesterday and I'll fill you with scores later but right now I just want to consider the importance of the fact that we had 40 young men playing footy.

Something that the small Narembeen community should be very proud of is the fact that yesterday their footy club fielded two senior teams with 39 blokes pulling on a jumper. Of that 39, 35 of them were either living in Narembeen or from Narembeen. In a time where money and player recruitment has become a feature of country football the Narembeen Footy Club is still able to compete without going down very far down that path. This is a win and something I hope my old friend Ray looks down on with a sense of approval.

After their win against Geelong on the weekend Adam Simpson spoke about the West Coast Brand. What he was really defining then was what he believed was the way that West Coast played, all the time. You see good sides and good clubs have a way of doing things that is not determined by their place on the ladder or indeed by the numbers on the scoreboard. It may seem silly to some to talk of a 'brand' of football for a small country club but the Narembeen 'brand', built over many generations, came to the fore on Saturday.

The Ressies were chasing tail all day and were beaten by a far better side. However, to the eternal credit of the players they never gave up. They, to a man, looked to step up when they realised that their mates and therefore their team was under the pump. The leaders looked to instruct and stay calm. The mid range players looked to bring effort because they knew that's what you do in a Narembeen jumper. Then, as a result of this direction on the ground, the teenagers, of which there were six, just kept pounding away at trying to play their role. They did all this, all day and then were still able to smile at the end of it. They lived up to the Narembeen 'Brand'.

The League game was more competitive than the earlier one but once again the Cats were worthy winners. They jumped the Hawks early with a highly impressive first quarter. They were fast, had a big target forward of the ball and smart in the back half. The Hawks were once again outgunned. The next three quarters however showed a group that were willing to also live by the brand. The midfield worked hard to get into the game with a young ruckman becoming more and more dominant. While the forwards and backs kept working throughout to give their team opportunities.

Adam Miolini is a great example of what living by a brand can create. Adam was thrust into league footy at a young age and is your quintessential late developer. He is however Narembeen through and through and on Saturday he played his best game of league footy yet. He was tough and fearless, often flying for marks two on one across half forward and he was rarely beaten in doing so. He chased hard and never let his effort drop. Adam will develop into a fine Narembeen footballer and is something that the Narembeen brand is capable of producing.

The Hawks were beaten by a better side on Saturday and have been doing it tough since the start of this truncated 2020 season. However, they played by a brand that means they can hold their heads up and they have a positive future ahead of them. They also made sure they hung around after the footy to enjoy what is perhaps the best part of the Narembeen Brand. After all as someone I used to know once told me we've got 40 blokes playing footy and that's the main thing.

NEWSLETTER 11/20 August 3 2020
IMPORTANT DATES

Day and Date	What's Happening
August 14 2020	Pre-primary Assembly with the Year 3/4 class report

FROM THE PRINCIPAL

This week the primary classes from PP – Year 6 will be involved in a hockey clinic run by Hockey WA and it is actually nice to have the interruption after not having any excursions or incursions since Week 5 of Term 1! This Friday is also Jeans for Genes day, so for one day only, get your denim on and wear it to school ☺.

WEEK 1 QUOTE:

We spent some time yesterday discussing the **expectations** we have of our students, so this seems to be relevant. If we don't set the bar high, we are saying we are happy with mediocrity, so let's keep it as high as we can, and get all of our students aspiring to reach it!

'Mum and Dad had high expectations of us as human beings - it wasn't just about education. It's a fantastic way to go about parenting and I aspire to that. I'm as strict as my parents - I have high expectations too. I'd never ask the kids to do something outside their capabilities, but I'll encourage them not to be lazy and try hard.'

Tim Minchin

WEEK 3 QUOTE:

Social media and screen time continues to be a major talking point and a difficult parenting hurdle. This quote hit home because social media is not a passing phase, it is not going to go away, but it can be used in moderation.

"The internet is a dangerous place. If you are not careful it will consume you and rob you of your happiness. It can make you angry, jealous, hostile, bitter and lead to the eventual loss of enthusiasm for living your best life. Be wary and avoid overconsumption."

Germany Kent

ASSEMBLY

How fantastic was it to be able to celebrate the end of the term with a great assembly run by our Year 3/4 class, including the awesome class report by some very confident Year 2 students. Well done Em and Peta and your charges, it was just what the school community needed at the end of a stressful and very different semester ☺. There will be **THREE ASSEMBLIES THIS TERM** so that none of our primary classes miss out – please check the term planner included in this newsletter to find out when they are on!

AUSSIE'S OF THE MONTH

We had two Aussies of the Month, one for May and one for June, both very worthy recipients of this prestigious award.

Alice Hardham Year 8

Alice is a caring, considerate and positive young lady who not only applies herself well to her studies but is always willing to assist her peers and teachers. Her happy disposition, coupled with her wonderful manners makes her an asset to our school. Keep being you Alice!

Sari Cusack Year 7

Sari has started the year wonderfully well, showing a positive approach to her schooling and displaying empathy to her peers. She can be relied on to do her best, assist her teachers and friends and always put in 100% to every activity. She shows integrity, resilience and is a ray of sunshine in our school.

WELL DONE SARAH LINES

Congratulations to **Sarah Lines** in Year 8, who was awarded the **Gifted and Talented Online Certificate of Excellence** for being the top student for English in Western Australia in this very prestigious course. Great job Sarah, you do us proud 😊.

STIRRAT FAMILY CROSS COUNTRY SHIELD PRESENTED FOR THE FIRST TIME 😊

Our outstanding new **Stirrat Family Cross Country Shield** was presented by **Mr Scott Stirrat** for the first time at the last assembly. Maroon faction were the winners of this and it was accepted by captains **Levi Duffy** and **Madison Collard**. Once again, thanks to the Stirrat family for donating the shield and to **Kevin Cornish** for making it.

LEVI DUFFY WINS AQUINAS BURSARY

Congratulations to our School Captain Levi Duffy, who has been successful in winning a bursary to Aquinas College for Year 11 & 12 in 2021 & 2022. This will give him 50% off all fees and we certainly hope he takes full advantage of this great opportunity.

2020 – 2022 BUSINESS PLAN IS READY FOR YOU!
THIS IS AVAILABE IN HARD COPY AT THE SCHOOL ☺

The staff, along with the Board, have spent considerable time planning and writing the new Business Plan. This has been designed graphically by our local experts at the CRC and the final product looks great. Not only does it look good, but it also drives our forward planning for the next three years. Our focus areas have teams working through the strategies and I am sure that we will meet our targets, as we have in the past.

HUGE THANKS TO BUSINESS HOUSES AND P & C ASSOCIATION

Last year we purchased Country Week tops for our Year 7 – 10 students and the price of the tops was greatly reduced due to the generosity of three of our community businesses and our P & C Association. This year, our Year 7's and new students need to purchase a shirt, and these businesses and our P&C will once again donate \$5 per shirt, to reduce the price of the shirts by 50% (\$40 or \$38 down to \$20 or \$18). On behalf of our students and their parents, I would like to acknowledge and thank the following for their donation of \$5 per shirt purchased:

- Narembeen Spraying (Graham and Jo Slade)
- Narembeen Hardware and Ag Supplies (Andy and Amy Hardham)
- Narembeen IGA (Les, Jan, Graham and Tash Hills)
- Narembeen P & C Association

THANK YOU ANDY AND AMY AT NAREMBEEN HARDWARE AND AG SUPPLIES

Our monster hamper raffle is all set and once again I thank you all for your donations to this raffle, many of you have been very generous. It is a great prize and we will be selling the tickets by the end of this week. The **WHEELBARROW**, has been donated by **Andy and Amy from Narembeen Hardware and Ag supplies**, and we would like to thank them once again for their very generous donation to this fundraiser.

ASSEMBLY CHANGE OF DATE

Due to some of our staff being out of the school for Professional Learning on September 3 2020, we will now have the assembly on **Wednesday September 2 2020** at 9:10am. This assembly sees the Year 1 and Kindergarten students put on items, and the Year 5/6's providing us with a class report.

PARENT INFORMATION SESSION

A big thanks to the 30 odd parents who attended the information session last night on adolescent mental health, protective behaviours and pornography. It was very informative and raising children in this age of digital technology is not an easy task ☹. Thanks also to **Mrs Jo Drayton and Ms Rose Power** for the presentation and to the **Narembeen Roadhouse** for the terrific supper, **Russ Arnold** for the sandwiches and **Jo Slade** for making some desert to go with the supper.

JEANS FOR GENES FRIDAY AUGUST 7 2020 - GOLD COIN DONATION FOR THE CHILDREN'S MEDICAL RESEARCH INSTITUTE

Every minute, 12 children globally are born with a defect or incurable genetic disease. Many are more at risk right now because of COVID-19. So this Friday August 7 2020 is the day to rock your best denim looks at school. This is not free dress, simply swap the tracky pants, shorts or skorts, with jeans. **School t-shirts and jackets must still be worn.** Please bring a **gold coin donation** on the day which will be sent off to the **Children's Medical Research Institute** to help them find cures and let these children, who live with the diseases, go back to just being kids, instead of perhaps having liver transplants, taking dozens of medications, or getting their next dose of chemotherapy.

LEFT OVER PAINT

The school is looking for containers of left-over paint. It needs to be a gloss enamel suitable for painting doors and preferably a light and/or bright colour. There only needs to be enough paint for one side of a single door in any one container. Donations can be left at the front office. Thank you very much for assisting us if you can ☺.

Mr Russell Arnold

AIR COMPRESSOR FOR SALE BY TENDER

The school has an air compressor that we no longer need. This is in 'as is' condition and can be viewed at the school by appointment, just ring the front office to book a time. I am not permitted to use this in the Design & Technology room as I am unable to find a Manufacture Data Report for it which is a department requirement.

Tenders close at COB Thursday August 13 2020. The successful tenderer will be notified by Friday July 31 2020.

Tenders should be placed in a sealed envelope with:

Inside: your name, your tender value and the title of the item you are tendering for.

Outside: the title of the item you are tendering for.

No tender necessarily accepted.

If you have any queries regarding this compressor give me a call at the school on 90647286.

NP #13 – Colin Ashmore

Next week dependent on the weather will be the DMP Trophy Day.

SOUTH KUMMININ

A Newspaper article from Farmers Observer 20 April 1934

GOLF

Taking advantage of the glorious weather on Sunday, South Kummininites had their first taste of golf for the season when 12 ladies and 22 gents faced the starter (?) for a Stroke Competition played over 15 hole. The winners were Mrs Kemple with a net score of 79 and Mr R J Wakeman with a net score of 66 (not bad for a learner) followed closely by J Cavanagh with 63.

Next Sunday, April 22 a Canadian Foursome stroke competition for ladies and gents will be played over 15 holes. Draw to take place at 2pm sharp.

The official opening of the Golf Club will be held on May 6th when the links should be in first class order.

NAREMBEEN GOLF CLUB NEWS

On Wednesday the Ladies played the Championship eliminations. We are now down to the finals which will be played at the end of August. In the A Grade Julie Hayter will play Maxine Miolini over 36 holes and in the B Grade Jodie Maringoni will play Marie Campbell over 18 holes. It was great to have 12 ladies playing off in the eliminations. We had a full clubhouse in the evening with Maddie Noack putting in her first card, Miranda Noack back to socialize after an ankle operation, Maree Sprigg came along for a hit, Di Pember called in to say hi and how exciting it was to have **Chris Padfield** back in the clubhouse. We have missed you Chris so don't leave it too long between drinks.

On Sunday 8 ladies played stableford. Well done to Bianca Currie and Maddie Noack who now have official handicaps. The winner of the day was Maddie Noack with a whopping 45 points. Runner-up was Marie Campbell with 37 points. Good scores went to Bianca Currie and Jodie Maringoni with 33 points. Pinnies went to Bianca for longest putt on number 9 and Mac Miolini for Nearest to the pin on number 2.

This Wednesday the Ladies will be playing the Foursomes Championship over 30 holes. Hit off will be at 9.30am.

Good luck to Carol Currie and Julie Hayter who are off the Katanning Friday, Saturday and Sunday for the Provincial tournament.

On Sunday the Men had a great roll up with 27 hitting off in a stroke round and the last qualifying round for Vice Captain Brendan Parsons trophy. Wow there were some great scores.

Winner of the day was Sheldon Miller with 64 nett. Runner up was Mitch Miolini with 66 nett

Winner of the gross was Robert Miolini with 78 off the stick.

Other good scores – Brian Cusack 70, Robert Miolini 70, Adam Miolini 71, Aaron Lyon 71, Dave Campbell 72, Cody Duncan 72, Dan Gray 72, John Currie 73 and Mick Toovey 74.

Pinnies were Long Drive number 1 -Brendan Parsons, Best second number 6 – Dean Maringoni, Nearest Pin number 15 Dean Maringoni and Nearest pin number 17 – Brendan Parsons.

The mens eliminations will now be finalised for playoffs 23rd August. It looks like there will be an A, B and C grade.

Brayden McCubbing will be at the Clubhouse on Sunday for Coaching lessons. If you would like to put your name down please contact Tim Cusack or Maxine Miolini. Names to be in by Wednesday night.

This Sunday is the foursomes championship for the Men. Get your partner organized. If you do not have a partner contact Tim who can let you know if anyone is looking for a partner.

CUSACK CUP IS ON SUNDAY 16TH AUGUST. THIS IS TWO EVENTS. COMBINED STABLEFORD AND INDIVIDUAL STABLEFORD. GET YOUR PARTNER
