The Fence Post is a weekly (45 weeks of the year) voluntary publication in A4, printed mainly in black and white, the email edition is in colour. The newspaper is printed by our local CRC on a Wednesday. There are no summer holiday editions. Advertisements received by email will be invoiced to that address.

Disclaimer

The views expressed in articles in this newspaper are not necessarily the views of the Editor or other volunteers who produce this newspaper.

The Editor has the right to withhold, edit or abbreviate any items.

Over the Fence....

LOCAL PHOTOGRAPHS

The Fence Post is looking to publish photos depicting life here in Narembreen. Please email your photos to us, with details of when and where and the photographers name.

The funeral of Betty Price was held in Narembreen earlier this week. Betty was a wonderful member and contributor to our Narembreen community over many years. Our thoughts are with Betty's family. Notes from Betty's eulogy shared by Betty daughter, Susan, appear on page 8.

THANK YOU

I wish to thank all who in the past few days have sent birthday wishes to me from far, wide and locally. Thank you all

Diana Miolini.

(Editor Note : and we thank you Di for all you and Tony do for our Narembreen Community)

CAN YOU HELP ?

The Shire are looking for internal and external photos of the Narembreen Public Hall prior to 1980.

Any help would be appreciated. Please contact Sheree 0427 610 193.

Thank You .

Narembreen was treated to a day of good sportsmanship, competition and fun for the school faction athletics on Friday last. The kindy / pre-primary egg and spoon race (with the added addition of blue tac) and other events were approached with as much enthusiasm as the rest of the school's energy. The hotly contested parent /child 3 legged race was a particular highlight. The shield went to Maroon and all the details are in the school notes.....

The answer to an oft asked question.....

Where does the name 'Dorcas' come from? Dorcas, who was also known as Tabitha, spent her time doing good deeds and making clothes for the poor. Her story can be found in Acts 9 verse 36 to 42. Dorcas means deer in Greek.

Eulogy of Betty Price

By Daughter Susan Piccolli

Mum

Mum was the third child and 1st daughter of Kathleen and Ernest Bray.

She was born in Northam on November 28th 1932, preceded by Peter and David and followed by Wendy 5 years later.

Early years were spent in Glenn Forrest at the family shop. The children had a good home life wandering the hills area. Apparently Grandpa possessed a legendary whistle which he used to get the to kids to come home. On Sundays they would often head for the beach as Grandpa was a keen fisherman. Granny and the kids would spend time swimming or if it was inclement weather sheltering in a limestone cave on the beach while Grandpa fished. Hence their move in later years to Gull Street Marmion.

Mum went away to PLC for high school years where she gained her leaving certificate before going nursing at RPH. She graduated a Register general nurse before marrying Brian. Her brother Peter was farming at Narembreen and had become good friends with Dad and obviously realized it was a match made in Heaven. How right he was.

They married in South Perth in January 1954. That was the beginning of a 60 year partnership – one filled with love, laughter, family and many friends from all walks of life.

Barry was born at the end of 1954 and I followed 3 years later.

Mum settled into country life becoming part of many organisations and sporting clubs, tennis at Mount Arrowsmith, bowls and golf, and as is often the case, taking various positions such as Secretary or Treasurer, not one to want to be President of Captain. Always on the catering team for all the different organization she could whip up a feast without breaking a sweat. Mum became quite adventurous with her cooking after visiting different restaurants while on our annual holidays in Perth. I bet not many kids in the country got dishes like sukiyaki or chop suey served up for dinner.

Mum returned to nursing when Barry went away to Wesley. She did a nursing refresher and started working at the local hospital forging many very special relationships with the people she worked with and those she cared for. She was, from all account, an excellent nurse. Jutta, who cared for Mum in her last days, worked her first night shift with Mum at 16, and recalls she was thinking she was going to have a quiet night. Not one to waste time Mum had her up cleaning out cupboards amongst other things to do on night shift.

Mum did further training with the SES at Mt Macedon in 1970 and then an Extended Care course. After that as the Extended Care Nurse for the district she cared for many people on the farms and in their home. She also took particular pride in helping set up and run the "Senior Cits" with her good friends. My kids particularly looked forward to Senior Cits because they got to play bingo with the oldies, and of course they would win.

Mum was on the Aged homes committee for about 35 years and therefore was part of the working party to get aged care in Narembreen – firstly within the hospital and then Koolberrin Lodge and the Aged Homes Units. In the last 7-8 years she and Dad took advantage of these wonderful services. Mum spent her final years being lovingly cared for by the exceptional staff in Koolberrin Lodge and Lakeside. How fitting!!

Mum was a Carer. Whenever we needed her, even as adults she and Dad would be there. When our children were born Mum was there to look after us when we came home, very unobtrusive, and when she

felt that we were doing ok, she would go home to Dad, leaving fridges and freezers full, clothes washed and ironed and the house clean and tidy – no thanks asked for.

As the kids grew Mum and Dad would regularly take a couple back to the farm with them to relieve the chaos at home. The kids loved being with them on the farm. Mum didn't stand for any nonsense and I was always confident that they weren't being allowed to get away with too much, but she did spoil them cooking their favourite foods. Nans custard, apple cake, grilled chops and raw vegies, which they preferred to cooked vegies. As long as they ate them they would get sweets.

She introduced the Grandkids to Hairy McLarey, they would have her read it so often that they all knew it by heart.

Mum never mentioned any faux pas the kids made while up at the farm, which is why I was absolutely astounded when I heard via a third party that the house at Dodgaroo had been fire damaged while Mykel and Andrew had been staying with them when we had Callum in July 88 – apparently a smouldering stick had been put in the woodbox before they went up to the golf club to pick up Dad and when they returned smoke was billowing out of the windows. All Mum said when questioned was “ Oh yes but its not too bad. A bit of paint will fix it” It took a lot more than a bit of paint that is for sure.

Mum was quiet, but determined, not easily swayed when she made up her mind. As kids we knew that no meant no and not maybe. Both she and Dad were always on the same page when it came to parenting although Dad could be a bit of a soft touch. What wonderful role models they were for us with our Kids.

Mum had a particular way of getting you to help with jobs around the house – no yelling or bribery needed. She would quietly ask once, if you said no or made excuses, she would just reply “OK, I will do it myself” – it took about 2 minutes and you would be right there along side doing that job without any complaints.

Mum and Dad were married 60 years and in later years became more dependent on each other – 2 halves of a whole – together they managed in the safe and supportive environment of the Narembeen community. Neither wanted to ever leave here so it was unfortunate when Dad required transfer to Perth – we almost had him home but sadly he didn't make it. Mum bravely carried on alone for about 12 months until it all got too much and she moved into the Lodge and then into Lakeside.

We have spent many happy times with Mum and Aunty Tom in Tommy's little unit and then with them both in the Lodge and Lakeside. Bill and I had our routine down pat – Up early to pack up the car with the thermos, food stuff and treats. Bill would organize lunch in the kitchen at the Lodge and I would put rollers in Mums hair and file and paint Aunty Toms nails. We would then eat lunch, chat about the kids and everything going on in town, finishing with desert and chocolates. Then we would head home leaving them to have their arvo nap.

We have missed those lunches with them since covid hit. Mum and Aunty Tom had too I am sure.

We couldn't have done this without the never ending help of Wendy and the amazing staff at the Hospital.

I think last week Mum probably felt like her job was done, we were all doing ok and she could go home to Dad, leaving our hearts full of wonderful memories.

On behalf of my family, I want to thank each and everyone of you in Narembeen for the love, care and respect that have shown to Mum and Dad over many years. We will miss our visits here, but you are always welcome in our homes in Perth and Mandurah.

We would love you to join us after this for light lunch and refreshments in honour of Bet and Pricey too.

Smart Farms Small Grants open for Big Impact

26 August 2020

Durack primary industry practitioners can now apply for Australian Government funding of up to \$100,000 to support their natural resource management efforts.

Federal Member for Durack, the Hon Melissa Price, said applications for Round 4 of Smart Farms Small Grants are now open.

"This is a hugely popular program that provides a real bang for buck when it comes to delivering benefits for farms, the environment and local communities," Ms Price said.

Durack farmers not only produce some of the best food and fibre in the world, but they are also our greatest environmentalists.

"Our farmers have always looked after the land and through these grants we can give them a helping hand to adopt the next generation of sustainable farming practices," Ms Price said.

There is \$6.5 million available under this round of Smart Farms Small Grants to support one to two-year projects that boost best practice sustainable farming awareness, skills and capacity.

We're looking for projects across a range of areas such as pest control, vegetation management, farm input efficiency, climate and market management, and the use of new technologies.

"Previous rounds of this program have delivered benefits across the length and breadth of Durack, with successful previous recipients including Environs Kimberley and the Northern Agricultural Catchments Council Incorporated.

Smart Farms Small Grants is a sustainable agriculture element of the National Landcare Program (NLP). The Australian Government is investing more than \$1 billion towards the second phase of the NLP from 2018-2023.

For more information and to apply, visit the Community Grants Hub

Grain Brokers Australia Weekly Market Report
September 1, 2020

The record convoy of grain cargos bound for China set to continue...

The constant flow of grain cargos into Chinese ports continues unabated after Beijing embarked on an agricultural commodity buying spree, the magnitude of which has rarely, if ever, been previously seen.

The rate of grain buying from abroad in the first eight months of 2020 has some analysts speculating that, for the first time, China may use up its entire annual tariff-rate quota for both corn and wheat imports.

The demand is being driven by a remarkable recovery in the Chinese economy following the COVID-19 pandemic, a rebuilding of the pig herd following the outbreak of African Swine Fever (ASF) in 2018 and rebuilding of stocks that were drawn down over the course of the trade dispute with the United States.

According to recently released customs data, China imported 10.09 million metric tonne (MMT) of soybeans in July, up from 8.63MMT in July 2019, but below the June 2020 record of 11.16MMT. July corn imports were reported to be 910,000 metric tonne (MT), 133 per cent above the same period in 2019 and up from 880,00MT in June.

Wheat imports in July were reported to be 930,000MT, up a mammoth 323 per cent year-on-year, sorghum imports were up 148 per cent to 520,000MT and barley imports climbed 37 per cent to 410,000MT.

Year-to-date import figures reflect the staggering pace of this year's purchase program. Soybean imports surged 18 per cent in the first seven months of the year to 55.14MMT and corn arrivals were 4.57MMT, 31 per cent higher than the same period last year.

By the end of July, wheat imports were running 116 per cent ahead of 2019 at 4.28MMT, sorghum discharges were a staggering 941 per cent higher at 2.29MMT and barley was 16 per cent ahead of last year's imports at 2.86MMT. And the unprecedented pace of grain purchases continued in August.

China has been selling corn from its state reserves since May 28 in a bid to douse a very heated domestic market. Total reserve sales currently stand at 56MMT with the weekly program expected to continue until October when new-crop supplies come online. Last week's auction cleared 89 per cent of the corn tendered for sale, the first time in 14 weeks that 100 per cent of offered stocks failed to clear.

Cumulative international purchases of corn for the 2020/21 season are now estimated at more than 11MMT. This is comprised of 8MMT from the US, including 1.2MMT over a two-day window last week, and 3MMT from Ukraine. However, despite the substantial reserve sales and the import purchases, corn is still trading close to contract highs on the Dalian Commodity Exchange, suggesting deeper issues with the corn balance sheet in China in 2020.

The Middle Kingdom has been draining corn reserves since Donald Trump took office three and a half years ago. It is almost impossible to determine stocks in China, but some recent analysis suggested that ending stocks could fall to as low as 95MMT by the end of the 2020/21 season. That is less than 40 per cent of the stockpile in early 2017.

The recent auctions have been from the country's temporary reserve, and it is said to be nearly empty. So too the strategic reserve, and the national reserve stocks are also down sharply. Recent flooding is reported to have destroyed stockpiles in some low lying warehouses in the Yangtze basin, downstream of the Three Gorges Dam.

And with demand from the livestock sector increasing China now has the highest priced corn in the world at around US\$100 above import parity.

In their August update, the USDA pegged Chinese corn imports for the 2020/21 marketing year at 7MMT. But purchases have already surpassed that estimate, so a significant increase is expected in the September report. Most analysts are expecting imports to be at least 15MMT, some are as high as 20MMT, and even 25MT is considered a possibility if the strong demand continues and global prices remain low relative to domestic values.

The Chinese were also forced to draw down soybean stocks when the tariff war began with the US. This was diluted somewhat by lower soybean meal demand as a result of ASF. But the pig herd is recovering strongly, and that means increased demand for stockfeed inputs.

The relentless soybean purchasing program out of Brazil this year has been phenomenal. In just four months they have essentially milked that country dry of their exportable surplus, despite record production. With the strong Chinese demand and a plunging Real, Brazilian farmers have already sold 40 per cent of their forecast 2020/21 soybean production before the crop is even in the ground; up from 20 per cent at the same time last year.

Some interesting directives from the government in August have added to the market confusion. Early in the month, the state agency in charge of its strategic grain stockpiles moved to ban all photo-taking devices from its granaries, raising anxiety over the quality of national reserves. And then mid-month President Xi Jinping sparked concern of a food crisis when he announced the "Clean Plate Campaign" aimed at reducing the country's food waste.

The restocking program has now turned firmly to the US, with frequency and size of purchases of soybeans, corn and sorghum going to a new level in the last month, as it should at this time of the year. In terms of barley, China has reportedly been buying from Argentina after the imposition of exorbitant tariffs on Australian barley imports.

Chinese purchases of US wheat have been less aggressive with elevation capacity limited due to the massive row crop export program. China's appetite for US wheat is also limited as they prefer quality from other origins if competitively priced. This led to a spate of purchases from France in recent months.

However, a much smaller exportable surplus and rising export values in France are expected to turn Beijing's focus to other origins. With a big crop in the making and a substantially increased exportable surplus, Australia should figure prominently in second half 2020 wheat transactions and first half 2021 wheat shipments to China.

Call your local [Grain Brokers Australia](#) representative on 1300 946 544 to discuss your grain marketing needs.

Narembreen Golf

The contests are over, the results are in and we acknowledge a new men's champion of the Narembreen Golf Club.

Congratulations Dean Maringoni and well done on beating that crafty older bloke John Currie who certainly is hard to triumph over. A great game with some awesome shots- some disappearing into the stratosphere they were so big!

The other successful winners were in B Grade Shane Biddulph over Brendan Parsons, C Grade Cody Duncan over Stephen Padfield and D Grade Paul Wanless over Russel Arnold. All worthy winners and some great golf was played by all. Match play certainly tests your resolve and concentration.

The ladies have only played their B Grade final and again the Maringoni name triumphed when Jodie defeated Maree Campbell in a terrific game. Congratulations Jodie. The A Grade will be played this Wednesday.

The leftover men played an Ambrose and Aaron Lyons blitzed some holes and together with Brian Cusack took home the bacon with 49pts from Scott Stirrat and Karl Browning 42, from Tim Cusack and Peter Cowan 41. Gee Karl, you should have started at the beginning of the season.

Last Wednesday the ladies played for the prestigious Patroness, Di Miolini, Trophy and Nola Parsons won the day with 39pts from Jodie Maringoni 36 and Julie Miller 34 who also won NP#15. A real honour.

Many thanks to our great sponsors Brownley Plumbing, NB Engineering, Sonic Boomsprays, NB Medical, Motive Travel, Varley Transport, Bernie Vallance, S&C Padfield, The Cusack Family, IGA Narembreen, Elders Narembreen, Total Ag Narembreen, Liberty Fuels and Narembreen Roadhouse.

From the Managers Desk

Hope everyone has had another great week!

On Sunday, Alli Butler and Nicholas Flanagan facilitated the first workshop as part of the 'Colours of Life' by Drug Aware project here at the Narembeen CRC. It was great to see such positive response to the project with 14 participants. Thank you to our facilitators for dedicating a day to teach the kids all about creating scripts, rehearsing them, shooting films and editing. We are sure there are some very impressive videographers in the making!

The next workshop is a Photography workshop with De Strange from Strange Images. Please RSVP to the CRC as soon as possible to get all the tricks and tips to be a great photographer!! See the Colours for Life poster over the page for the last workshop, and the Art expo information!

If you haven't completed the Community Education Feedback Survey yet —please do so as soon as you can. Our mental health and wellbeing are extremely important, therefore the more education we can offer to the community, the better. Let us know what community workshops you think we should be providing. To complete the survey, head over to the Narembeen CRC Facebook page. If you have any issues, please don't hesitate to contact the CRC for alternative ways to complete the survey - it will only take 5 minutes out of your day :)

Have a great week everyone!

NAREMBEEN

RECREATION CENTRE

Our Heat & Dust Carnival that was cut short from COVID, is soon to be back. ABBA and Jon Lennon tribute bands will be here on Oct 23rd and our outdoor movie night in November. We are working closely with the CRC this year, and we hope to receive some additional funds to continue the Heat and Dust Carnival into next year.

We've now got a revolving keg line. Once a keg is finished, a new type of craft beer will be put on tap. Broken Shackles by James Squire is now ready for a taste. It's a refreshing lager that should definitely be sampled by the pint.

Coming soon, James Squire Ginger Beer will be on tap. A perfect summer drink, just in time for the tennis and bowls season!

The EDFL grandfinal will be held in Narembreen on 19th September.

Penrhos Ladies College will be holding an information night at the Narembreen Recreation Centre on 23 September. If you have a daughter you are considering sending to boarding school, this a great opportunity to find out more. Bring your daughter along too.

Our AGM is September 14. As the Narembreen Recreation Centre is managed by a volunteer committee, we would appreciate the support of our associate sporting clubs to send two delegates to the AGM. This year we have some important decisions to make, and the committee would value your input.

If you love to cook for a crowd, we would love to hear from you. We're a little short handed in the kitchen at the moment, and we may possibly extend our restaurant hours. So if you or someone you know has experience in a commercial kitchen, please give us a call on 90 648 373 or email admin@narembreenclub.org.au

This weeks Jackpot hits \$750. Last week Kim Butler missed out on the Jackpot and Hannah Smoker is our mug of the week. Raffle winners were Shae, Thommas and Gwenda Bow.

NEWSLETTER 13/20 August 31 2020
IMPORTANT DATES

Day and Date	What's Happening
Wednesday Sept 2	Assembly - Yr 1 & Kindy item; Yr 5/6 class report

FROM THE PRINCIPAL

Week 7, doesn't time fly when you're having fun!! Spring is upon us, and hayfever ☹! Only three weeks left for our Year 5 – 10 students, who are off to Camp and Country Week for the entirety of Week 10. This week we have the Year 10 OLNA testing and Wayne Wallace is coming down on Tuesday from Merredin College to talk to the Year 10's regarding future pathways. Parents should also have received the information regarding these interviews with the time Wayne will be talking to your child, should you wish to come in and ask some questions. Don't forget we also have an assembly on Wednesday at 9:10am.

WEEK 7 QUOTE: with the recent news coming out about the grooming by offenders of many young people on social media, perhaps this is both **important to remember** and very relevant.

2020 FACTION ATHLETICS CARNIVAL CONGRATULATIONS MAROON - ANOTHER GREAT WIN 😊

Well it was a hot one, that's for sure! However, the competitors didn't seem to notice, they worked hard from the first event through to the inaugural 'Three Legged Race' at the end of the day. Once again we can be proud of the fact that every student who was well enough to attend, was present at school and every one of them participated in the event (and we only had two students unwell). The day ran well, we had a great number of parents and grandparents in attendance and we finished on time. Thank you to the students for providing us with a great days' sport, **you should be very proud of the manner in which you competed, displaying great sportsmanship as you supported your faction and opposition.** Congratulations to MAROON faction on an outstanding win in a close competition.

Congratulations to the following medallion winners, who received their medals from P & C President Mrs Amy Hardham and Shire President Mrs Rhonda Cole:

AGE	CHAMPION	FACTION	RUNNER UP	FACTION
6 years girls	Norma Jackamarra	Maroon	Daisy Hooper	Maroon
6 years boys	Chase Smoker	Maroon	Charles Robinson	Maroon
7 years girls	Imogen Hickey	Gold	Abbi Conkling	Gold
7 years boys	Aden Smoker	Maroon	Benji Mortimore	Gold
8 years girls	Macy Cole	Gold	Rhienna Parsons	Gold
8 years boys	Jack Wanless	Maroon	Charlie Cusack	Maroon
9 years girls	Ebony Garlett	Gold	Xhiarn Brown	Maroon
9 years boys	Noah Smoker	Maroon	Stephen Sherwood	Maroon
10 years girls	Mia Parsons	Gold	Isla Conkling	Gold
10 years boys	Noah Browning	Maroon	Levi Fidge	Maroon
11 years girls	Michelle Collard	Maroon	Portia Fidge Wren Cheetham	Maroon Gold
11 years boys	Bowdan Cole	Gold	Alby Miller	Maroon
12 years girls	Sari Cusack	Maroon	Lucy Currie Sara McIntyre	Gold Gold
12 years boys	Jace Browning	Maroon	Nicholas Oldcorn	Maroon
13 years girls	Rachael Padfield	Maroon	Alma Blurton	Gold
13 years boys	Cameron Hills	Gold	Cameron Oldcorn	Maroon
14 years girls	Cobie Stirrat	Gold	Taya Garlett	Gold
14 years boys	Albert Eades	Gold	Nash Cheetham	Gold
15 years girls	Madison Collard	Maroon	Lahkeisha Brown	Maroon
15 years boys	Oliver Miller	Maroon	Stephen Cummins	Gold
16/O girls	Zali Smeed	Gold	No Competitor	
16/O boys	Levi Duffy	Maroon	Zac Maringoni	Gold

RECORDS:

Imogen Hickey	Girls 7 years long jump	2.93m
Rachael Padfield	Girls 13 years shotput	7.97m
Madison Collard	Girls 15 years discus	22.56m

Our medallion winners (missing Cameron Hills and Sara McIntyre)

OVERALL RESULTS:

Maroon	486 points
Gold	446 points

Captains of Maroon, Levi Duffy and Madison Collard, accepted the H R ‘Chick’ Lethlean shield from Michael Lethlean, on behalf of their team.

INAUGURAL AMAC MECHANICAL HAWKIES DASH THREE LEGGED RACE:

This was a great event to finish the day and there were a lot of competitors vying for the trophies. The winners were stand outs on the day but well done to all who had a crack, loved it! Thanks to **Marcus and Joey Cheetham** from **AMAC MECHANICAL** for sponsoring the event and of course, to Joey, who as always, came up with a fun, positive way to finish our carnival ☺.

WINNERS:

PRIMARY: Anita and Mia Parsons

HIGHSCHOOL: Sheldon and Oliver Miller

THANK YOU'S

Obviously we do not run a day like the athletics carnival without a lot of assistance from both staff and parents. Thank you to the following for their input to the success of the day:

- **Jo Slade** for the organisation of the administrative paper work (letters to parents and bus drivers, jump pit sheets, program, results sheet, championship sheet and ongoing score sheet) and ensuring we had ribbons and medallions for the day.
- **Andy Hardham, Dylan Cole and Cody Duncan** for helping **Russ** to mark the oval.
- **Jo Slade, Amanda Hall and Rebecca Gmeiner** for recording on Friday.
- **Tim & Holly Cusack, Andy Hardham, Mike Currie, Mel Baldwin, G, Jo Slade, Lauren Van Dongen, Russ Arnold, Hillary Sedgwick, Lynda Cornish & Amanda Hall** for assisting in the 7:30am set up.
- All parents who manned a jump pit during the morning.

- **Holly Burns** and her team of helpers for the wonderful morning tea.
- **Lucy Lines** and **Peta Hall** for their work to organise and deliver the lunches (more on this later).
- **Lynda Cornish** and **Amy Hardham** for timing.
- **Mike Currie**, **Brendon Parsons**, **Kyla Padfield**, **Tim Cusack**, **Scott Stirrat** and **Sheldon Miller** for judging.
- **Holly Cusack** for announcing.
- School Board members **Nat Browning** and **Carissa Wanless** for giving the ribbons to the placegetters.
- All of the parents and staff who had the gear packed up ready to go back so quickly after the event.
- The **Shire of Narembreen** for the venue, the oval was in great condition.
- **Mike** and **Bianca Currie** for the loan of their trailer both Thursday and Friday.
- **Craig Gmeiner** and **Hannah Kerse** for all of the work they do to get the students prepared for the carnival.
- **All of the staff** for their efforts in the bay, marshalling or organising throughout Friday (it was hot and windy making for a tough day!).

CARNIVAL LUNCHES FUNDRAISER

A huge thanks to **Mrs Lucy Lines** for her organisation of the fundraiser for Camp and Country Week. The profit from these lunches was **\$724.70** after an income of \$929.60 from your orders, **so thank you for your support**. The school community would like to thank **Lucy** for not only her hard work but for **donating all of the food for the lunches with the exception of the pies, sausage rolls and soup**. Thanks also to **Bianca Currie** for making the soup, which was very delicious, **Peta Hall** who worked with Lucy from 7:00am that morning and **Kim Gough**, **Trista Federici** and **Holly Burns** for assisting in the handing out of the lunches.

DRUG AWARE YCULTURE

Project Coordinators **Lucy Currie** and **Sari Cusack** (Auspiced by **Narembreen Community Resource Centre**) were recently successful with their Drug Aware YCulture Regional application to run the Colours of Life by Drug Aware project, which will provide an opportunity for Narembreen youth to participate in a series of workshops with local artists **Alli Butler**, **Nicholas Flanagan**, **De Strange** and **Margaret Teasdale**. Well done girls!

ASSEMBLY: WEDNESDAY SEPTEMBER 2 2020

Don't forget that we have another assembly in our 'COVID-19 catchup' term! This Wednesday our Year 1 and Kindy students will be providing us with the entertainment while the Year 5/6 class will present their class report.

POSITIVE REWARDS POINTS

The following students received 10 points for their faction. Well done!

Logan Penning	Gold
Cheyenne Cummins	Gold
Sari Wilson	Gold
Tahlia Ashmore	Maroon
Jace Browning	Maroon
Paige Parsons	Gold
Charles Robinson	Maroon
Tyrese Takuiria	Maroon
Ricardo Brown	Maroon
Kate Smoker	Maroon

NETBALL WA HIGH SCHOOL FEVER CUP

We took three teams to the High School Fever Cup in Northam on Thursday August 20 2020 and a good day was had by all. The Year 9/10 team were undefeated in their block and played off in the **Grand Final** against Kalgoorlie/Boulder Senior High School. It was a high quality game with the girls going down in a tight contest by 4 goals. Our Year 7/8 team only lost one game in their block, this being to eventual winners Kalgoorlie/Boulder Senior High School. Our boys played hard, enjoyed the experience and got better as the day went on. Many thanks to parents **Anita Parsons** for volunteering to coach for us, as well as driving one of the buses, and **Holly Cusack** who umpired. Thanks also to staff members **Jo Slade (bus driver)**, **Hillary Sedgwick (coach)**, **Bianca Currie (scorer)**, **Bev Hunter (umpire)**, **Amy Hardham (umpire)** and **Lynda Cornish (scorer)** who also gave up their time to support the sides.

THANK YOU NAREMBEEN P & C: \$40 PER STUDENT FOR CAMP AND COUNTRY WEEK 😊

On behalf of the Narembreen School community, I would like to thank the Narembreen P & C Association for **donating \$40 per student for both the Year 5/6 Camp and high school Country Week**. This is a direct benefit to 50 students and their families, so thank you very much.

FAREWELL MRS PETA HALL AND THANK YOU ☺

It is time for Mrs Peta Hall, who has been with us for the past few years, to leave us to prepare for the arrival of her baby boy. This Friday will be her last day at Narembeen DHS before she moves to her new property down south. Peta has been an absolute asset to our staff, working as part of a team to implement new programs and improve student outcomes. She has also been active in the community, involving herself in the netball club and surprising herself with her improvement. We wish Peta and Ash all the very best with their move to Cowaramup in the near future and with their new bub due mid-October ☺. Thanks for everything you have done as part of our staff Peta, we will miss you! We will be expecting lots of pictures of your boy when he arrives, and you can run but you can't hide, as many of us will be calling in on you down south over the holidays ☺.

WELCOME TO MISS MELANIE BALDWIN

Swings and roundabouts! We lose Mrs Peta Hall on Friday and gain Miss Mel Baldwin on Monday! Mel has spent considerable time in the Year 3/4 to ensure that the transition is as smooth as possible. She has also completed a variety of professional learning over the past few weeks to go with the completion of her Masters of Education. We certainly hope Mel enjoys her first appointment at our school in the Year 3/4 room and develops her pedagogy in our great school. She brings with her a myriad of skills in the physical education area as well, and we will be using these in the future. Mel is already involved in many community clubs and we look forward to having her both on staff and in our town.

MRS CHRIS ARNOLD PRINCIPAL PROJECT ROCKIT

We're excited to announce that Narembeen DHS was a successful recipient of the @PROJECTROCKIT and @GoogleAustralia (cyber) bullying grant. The grant was awarded to 40 schools across Australia as a response to the dire impacts of the global pandemic on school communities and student wellbeing. The grant will provide our Year 5/6 students with PROJECT ROCKIT's empowering (cyber)bullying webinars in Semester 2.

Narembeen Medical Centre
U5/19 Churchill Street, Narembeen
Ph: 90647145

VISITING OPTOMETRIST

NEXT VISIT – Morning, Tuesday, September 15

If you have found it difficult to travel out of town to have your eyes tested Graham Shipway – Bunbury Optometrist will be visiting again.

Eye tests will be bulk-billed to Medicare (must have valid Medicare card)

A range of frames will also be available to choose from if required.

NAREMBEEN LADIES HOSPITAL AUXILIARY

GENERAL MEETING

Thursday September 10th, 2pm

Due to continued COVID-19 restrictions at the Hospital, the meeting will be held at Di Pollards home. Any new members are welcome to attend. Please contact Di for afternoon tea catering.

Apologies to Di Pollard 0488647222 or Kerry Fricker 0436 472 731

Field Day UWA Future Farm - Bio-amendments

Can straw, compost or biochar fast track your soil health?

Join us at the UWA Future Farm in Pingelly to see a demonstration of land restoration options using straw, compost and biochar.

How can we use organic materials to restore soil function?

Get your hands dirty looking at the results and contribute to a 'How to' manual that will assist in the use of permeable biomass barriers.

Event Details

When: Thursday 10 September, 10am-2pm with lunch provided

Address: Ridgefield, UWA Future Farm, West Pingelly WA 6308

RSVP is Essential

Contact Jacquie Lucas on jlucas@wheatbeltnrm.org.au or 9670 3113.

Participants will receive a map and materials prior to the event.

We will be back....

Footy season 2020 came to its conclusion for the Narembreen Football Club on Saturday up in Merredin. The three teams of the club all lost on the scoreboard which is disappointing, but it is far from the main take away of the day. The take away for all in sundry should be pretty simple. The footy season has been tough for the Hawks for a variety of reasons. Many of which were out of control of the club. They have found themselves severely under resourced in comparison to their opponents both on and off the field. They have been struck by injury when they didn't have any depth and would you believe they also lost a player who had to travel and then come back and serve his time in quarantine. All this being said however the Hawks will be back.

The Ressies fought hard on Saturday against the competition leaders. They defended hard all day and their willingness to work hard when they didn't have the ball was a testament to their character. They found it hard to score however and eventually were over run. The Demons had just too much class spread across the ground and were simply too good.

While beaten on the scoreboard the Ressies should be proud of their efforts and their season. They picked themselves up after two beltings and got within reach of a finals berth. The kids like Steven Cummins, Oliver Miller, Levi Duffy, Judd Major and Zac Maringoni all developed their footy. The Scotsmen Straun Stevenson and Lewi Goodwin improved their understanding of how the game works. Then finally they also beat Bruce Rock.

The League side got beaten again by a Nukarni team which was in with a chance to play Finals and as such had much to play for. Smashed with injury and with three blokes backing up from the Ressies the boys had little to play for, except for pride. They fought hard through the game but, as had been the case all year but they struggled to score. Until the third quarter.

In the third quarter the Hawks found a period of control they had been searching for since the return of footy. They got on top in the middle of the ground and going down hill with the aid of the breeze moved the ball fast and scored frequently. Then when they lost possession they were able to win it back and put the Demons under pressure again. It was a small win but win none the same and you could sense the enjoyment the players got out of it.

Footy season 2020 will unfortunately not be one that is looked back on fondly by those wearing the maroon and gold. We just didn't get the results and that is what people remember, results. However there looking past the results, looking deeper into the contests of the past seven weeks one thing can be certain. The Narembreen Footy Club will be back. Good luck in the finals to all.

League

Nukarni	16-19	115
Narembreen	6-7	43

Best: Duncan, Sewell, Miolini, Mortimore, Kennedy

Reserves

Ressies	2-6	18
Nukarni	14-16	100

Best: Naton, Keeble, Green, Hunter, Major

A True Leader

As the Narembreen Football Club puts another season results would suggest that little credit for effort needs to be delivered. The league struggled to even come close to winning a game while the Ressies won three but missed out on the finals again. We give credit for results don't we, and fair enough too for that breeds competitiveness and one of the reasons so many love footy is because it gives us a chance to be competitive. There are however many reasons why 2020 wasn't a failure for the Narembreen Footy Club and people who deserve credit for the success that was achieved. None though deserve more credit than Mitchell Miolini.

Miolini, still in his twenties, begrudgingly took on the position of League coach over last summer as the club was simply out of options. Begrudgingly may be a misconception on my part but it's easy to forget just how much load Miolini has taken for his footy club over the last five years. He ran training in town for three years while the club had a Perth based coach and he was in his early twenties. He had leadership roles while the club was coached by Keith Miller in 2019 and then found himself coaching in 2020. He has rarely played any footy in his twenties without heavy responsibility on his shoulders. It would be easy for him to shake that off and keep his hand down last summer, but he put it up again to help again when the club needed it.

While there are many people who run a country footy club and there are others at Narembreen who do a mountain of work, the league coach is always the tip of the sword. He is the face of the story. Miolini put together his playing list, still trying to put his faith in local players, he organised his pre season and had his practise match lined up. Then the pandemic hit, and we all stayed indoors. After that the season got going again and Mitchell worked out how to attack it.

As footy started in July numbers became an issue as some players from a successful 2019 didn't return. Other clubs became bolstered by recruiting from Perth and also other communities where footy wasn't being played. Narembreen missed both these boats due to their location and also their tight finances. Then injuries hit and things got tougher. Miolini however never faltered.

He did a hamstring early and then smashed an ankle chasing sheep later on, however he refused to give up. He ran solid training sessions and kept painting the positives for his players. He got his club through the season and he and his club will be the better for it. 2020 wasn't a failure for the Narembreen Footy Club. There are many who deserve credit for that. Mitchell Miolini is at the front of the list.
