Thank You

Thanks to all the people that attended the passing of my darling Alan and for all the lovely cards of love and support from you all. Big thanks to the ladies of the P&C for the catering. Thank you all from my family and myself, Dawn Sedgwick

Sympathy

We at The Fence Post would like to extend our deepest sympathies to Greg and Mandy Moppett, Shelley, Lisa and families on the passing of their mother, Gwen Moppett.

Congratulations

Congratulations to Paul Hudnott (Kerry Fricker's son-in-law) who was a runner up in the walk up section at Nambung Country Music Muster.

Two of Paul's song were original's written by him in the memory of Danelle's great grandfather William Henry Fricker.

They are about when William came out from England in 1910 as a first pioneer of Narembeen and the hard times they had to endure.

One song is called "A Long Time Ago" and the other is " New Life on the Land."

If anyone gets a chance to listen to them on Danelle's Facebook page or Paulie and Nel's Never Ending Tour Page they are very special songs and tell of the hardship the pioneers.

Also another runner up with Narembeen connections was ex Muntadgin farmer Jeanette Hatfield.

Some days I amaze myself.

Other days, I look for my phone while I'm holding it.

Narembreen Bowls Club

The busy bowling time continues.

The Ladies Pennant team are on the board.
A very close win against Westonia. Well done girls.

The Men continued on their winning run with a not so close victory against Merredin Civic. They are good!

One and three quarter teams of Ladies went to Tammin on Saturday with mixed results, but still won naff all other than Kellie who picked up \$10 in the raffle.
We took the smaller bus this week. Thanks Kel.

On Sunday the Men played the 100 up. Wow. Some brilliant games. Bowls at its best.
We had the Father and Son final of **John and Mike Currie**.
Mike got the old man here, in a very close encounter. Great bowls to watch in very cool conditions.
Well done Mike.
The plate was also a great final with **Alan Yandle** defeating **Hendy Cowan**.
Thanks to Gaynor Latham for Sponsoring this event.

The Ladies had a social roll up with **Wendy Wilson and Maree Campbell** taking the winnings.

This Weekend

This Sunday the Men have 5 teams travelling to Merredin, while back at the Ranch the Ladies will be playing the Championship Pairs.

10.32am start for the Ladies unless otherwise notified. Names in by Saturday arvo please.

Just a few thankyou's for those working behind the scenes in our club.

Thanks **Chris and Steve Padfield** for continuing on with getting Sponsorship.
Unfortunately they are unable to play bowls at the moment due to injuries. I guess sitting at a computer applying for Sponsorship... not **much** can go wrong other than if the office chair collapses or they injure their fingers on the key board!!!

Thanks also to **Peter Suckling** who continues to look after the Ladies and Men's Captain by putting up flags... mats and kitties out and cleaning ditches. Good Man.

COULD YOU PLEASE ADJUST YOUR FIXTURES - Singles are now on Sunday 22nd November.

What a great weekend was had by all the kids at the Club for the Zone Coaching weekend. Kids travelled from far and wide to take advantage of the coaching by Brad Bassett and Keith O’Brien. Special thanks to Holly and Tim for the organizing of the weekend. Thanks also to all our members who contributed in any way to make the weekend such a success.

On Sunday the majority of the club ventured out to Mount Walker to participate in their Open Day. Congratulations to all winners. (please see Mt Walker notes for results)

On Saturday in the pennants Narembreen 1 travelled to Kulin and Narembreen 2 were host to Corrigin. Both teams were winners. Yay. The battle of the sexes saw the girls victorious this weekend.

This weekend is the DERBY. It has been a few years since we have had a Derby and from previous experience, things can get pretty nasty leading up to and on the day!! Over the years there has been many food hoaxes with cakes filled with shaving cream, sandwiches laced with cayenne pepper and some rather strange things have happened to vehicles. A word of advice - Narembreen 2 would be ill advised to accept an invitation from Britt to bring your morning tea out to the paddock on Friday as there may have been a packet of laxettes “brewing” in the cupboard for a few years.

Good luck to both sides. Good fun and great tennis is assured. A sausage sizzle will follow

NEWSLETTER 16/20 October 28 2020
IMPORTANT DATES

Day and Date	What's Happening
Thursday November 12	Year 7 Orientation
Sunday & Monday November 15 & 16	Student Leadership trip

FROM THE PRINCIPAL

I just have to say it once again... how good are the teachers we have here and how far above and beyond do they go for our students and community! Last week's activities, which will be outlined further in this Newsletter were outstanding, and for that we have a terrific staff to thank!! **Thank you, thank you, thank you!!** As a leader, who did absolutely nothing to contribute to these, I am in awe of your creativity, work ethic and genuine desire to ensure that our students do not, in any way, miss out due to our location in regional WA. Parents, your children are in good hands ☺. Yes, you may have had to purchase your child's art work, but I agree with Rhiannon on this one, well played guys ☺! I cannot wait to see what ideas you have for the funds you raised.

I have been in Perth for a two-day conference and I am glad to be back on deck at school. We are well into Week 3 of term and that means that the silly season will soon be upon us!! For us that means reports, concert practice, senior cits dinner, singing practice, grad dance organisation and of course, the usual teaching and learning programs. We will survive (#resilience ☺).

WEEK 3 QUOTE: I am not sure who Mary Malloy is (or was), but I believe I know how she felt, and I can include our EA's, admin, librarian, cleaners and gardener.

"I'm very humbled, I work with a great team of teachers."

ART EXHIBITION AND BOOK WEEK EVENT

Wednesday October 21 2020 was the unveiling of the collaborative art works as well as individual class art projects from all classes from Kindergarten to Year 8. I have been here for a few years (try decades) now, and I have never seen the Art room look so good! The staff had then put the other pieces on a trail to the Library. What an amazing transformation had occurred in this room! There were little reading nooks and tents, fairy lights, pillows and of course, so many books to read! Mrs Lines then read all of the students a story, they also watched the YouTube video of the winning ECE book for 2020. To finish the night off, everyone could have a milo to take home.

Anyone who was there, and lots of parents took the opportunity to come along to see the fine art display and read some stories to their child/ren, must have been impressed with the efforts of both the students, who completed the art work, and the staff who had the creativity to design the tasks and set up the outstanding display and make the library look so great. I know that a lot of work went in to this event and I cannot thank **Joey, Chloe, Lucy, Karen and Emily** for their efforts in their Art lessons and to **Loz and Mel** for their assistance in the setting up.

We also hope that the students enjoyed the many stories put on our Facebook page read by different members of staff and some of our student leaders (thanks Levi, Lahkeisha and Nash for stepping up ☺).

MENTAL HEALTH WEEK ACTIVITIES

With mental health being one of our new Business Plan focus areas, our team of Hannah, Lynda, Russ, Mel and Hillary have been very busy both planning, accessing PL and looking at

different ways to keep our student's mental health at an optimum. They have been very busy getting the 'Happiness Hub' completed, last week Russ and Hannah painted all of the doors in both the girls and boy's toilets and then the team put printed affirmations on them, and what a difference it has made! They had already put A4 notice boards on the inside of the doors, allowing us to change the affirmations on a regular basis. On Thursday, the students had mental health week activities which started with a whole school scribble first thing in the morning, then before lunch, the whole school did **Konga with Kasse**. For lunch, our chefs (the boys in blue for blue day ☺) served up a sausage sizzle, and we thank both **Richie and Adriann once again for their commitment to our school and community**. They were lucky to have an icy pole for dessert, thanks to the kind donation by **Lynda**. Both primary and high school students have been on some 'walk and talk' sessions around the salt lake while the weather has permitted. This group of teachers are working hard to improve their understanding by accessing quality Professional Learning as well as researching the best whole school programs to implement in the future.

The girl's toilets have been transformed, we love it! Cheers Andy and Amy for the donation.

OUR PRE-PRIMARY STUDENTS ARE LEARNING HOW TO CARE FOR IMPORTANT THINGS IN THEIR COMMUNITY!

I just loved the activity that the Pre-primary students were involved in yesterday. They went, with Jo, Anita and Elaine, to our War Memorial, for the sole purpose of cleaning it. Apparently it is 'shiny clean' now ☺. Great job guys, keep up the good work. The parents of the Pre-primary students got to see these on their closed Facebook page, but I think they are worth sharing with the whole community ☺.

THIS WEEKS THANK YOU'S

- Thank you to **ANDY & AMY HARDHAM FROM NAREMBEEN HARDWARE AND AG SUPPLIES** for the donation of all of the paint that was used in both the boy's and girl's toilets. Your continued support of our school community is greatly appreciated, thank you very much.
- Thanks to **LYNDA CORNISH** for donating the icy poles for the Mental Health day, they went down nicely I am sure ☺.
- Thank you once again, to **RICHIE & ADRIANN** for cooking up a storm for our students, supplying them with a sausage sizzle lunch after they worked up an appetite doing Konga.
- Thank you for the last time, as she is leaving us to head to Perth, to **KASSE McCUMMISKEY**, for coming in and running the Konga session with the whole school last Thursday. Your work in Health and Fitness in our community has been outstanding and we here at school, are going to miss you. Good luck Kasse.

MENTAL HEALTH DAY ACTIVITIES

Mental Health Day at our school was a hit! And it wouldn't have been possible without our school's mental health focus group. A huge thank you to **Russ** for doing the majority of the paint work, **Hillary, Lynda, Chris and Mel** for helping apply the affirmations and **Lynda** for donating icy poles. Also, a huge shout out to **Amy and Andy** from Narembeen Hardware for donating the paint for the doors and to **Kasse** for her fantastic Konga, we are sure going to miss her! It was also great to see some parents come and get their groove on! Lastly to **Richie and Adriann** for the delicious the sausage sizzle. We are truly lucky to live in such an amazing and positive community!

Narembeen Cricket

Hawks get the chocolates in round 3

The Hawks got the job done on the weekend to win a hard-fought battle against a tough Nukarni outfit. Gray once again won the toss and sent the boys into bat on a new look Narembeen pitch, which offered plenty to both bat and ball. The hawks started off very shaky after losing 4 early wickets, all of which were from questionable cricket shots as far as I'm concerned. Both Happy and Sprigg however managed to settle the ship with a 111 run partnership and got the boys to a very respectable 208 in some hot, windy conditions. Highlight of the innings were several cover drives from Happy in a tightly packed offside field that left Nukarni answerless.

Nukarni were up for the fight and put on a strong opening partnership, with the addition of Merredin's new policeman who also turns out to have played top grade cricket in Perth. Both Kennedy and Cousins toiled hard and beat the edge on both openers although were unable to make the break-through.

Happy once again proved pivotal in the battle and was able to dislodge the dangerous Nukarni policeman for 50 odd and create a landslide of wickets to get the Hawks well on top. Handy bowling contributions from Miller, Kennedy and Newman who helped the Hawks to a comfortable 50 run win. Special mention to Riley Maringoni who had a very tidy debut behind the stumps, now solidifying his place as resident keeper.

Team: Rhys Cousins, Jordan Sprigg, Danny Gray, Stuart Yandle, Chris Fields, Glen Sands, Riley Maringoni, Jake Newman, Nathan Sprigg, James Kennedy, Ollie Miller

Narembeen 208 defeated Nukarni 159

REX PULKER

To the Narembeen Community,

Following a recent visit to Narembeen and a subsequent chat with your CEO Chris Jackson, I would like to offer our many thanks for such an inspiring short stop in your beautiful town.

On arrival, one immediately sensed the dedication to detail of all aspects of planning, organisation, presentation, (loved the Alstroemerias) and maintenance of Narembeen.

This displayed the obvious teamwork ("Together We Grow") and community spirit that underlies the desire to produce a lifestyle to envy. In a world that is obsessed with views of the beach, rivers and mountains, it is refreshingly rewarding to be exposed to the ambience of such a "gem loaded" environment that offers a welcome contrast to all that is City life.

To objectively judge our praise of your outstanding township, our visit had followed an eight day round trip from Perth to Albany, via Kojonup, Katanning, Walpole and Denmark. Then east through Jerramungup, Hopetoun and Ravensthorpe to Esperance. Moving north through Lake King, Newdegate, Lake Grace and then to Narembeen. Our trip continued to Merredin, Cunderdin, Northam and home to Applecross.

With the recent establishment of Perth's Council and plan for the City's future: although on a different scale, one could certainly recommend the "Narembeening" of some of their proposals. (cleanest toilets in the Southern hemisphere for one!!!)

This evening Basil Zempilas will appear on the famous Telethon Show and it will receive plaudits from all over, a wonderful generous outpouring of W.A.'s sense of charity. How many though are aware of the extraordinary work done by the untiring staff of the Narembeen "Dorcas" Clothing Group?

To the Shire Council, staff and community of Narembeen, your collective human spirit is inspiring.

Thank you all, may our "Creator's Love and Light" be with you always.

From the Managers Desk

It's been another busy week/weekend for the CRC:

On Thursday we were invited to a lovely morning tea with the Fencepost volunteers to 'celebrate' another year of the wonderful partnership we have.

On Friday we hosted another STEM Story Time session, this months theme was 'Trucks & Tractors' - just in time for harvest. Safe to say the kids have been listening to their dads: They knew all about trucks and tractors! We had a fun session singing, reading books, followed by some fun activities! Thanks everyone for coming! The last STEM session for this year will be held on Friday, 27th November.

It was a busy Saturday for the Narembeen CRC with hosting the Narembeen Community Market Day at the Town Hall in the morning and the HaLLoWEeN Disco at the Narembeen Rec Centre in the evening.

The new location for the markets was very well received, feedback was fabulous, the markets well attended and the stall holders reported 'record breaking' sales - could it have been a better morning with coffee, sausage sizzle and shopping? We had a variety of 16 different stalls ranging from skin care to jewelry to candles and cakes plus Mick Chick with his Ice Cream machine, the Lions Club with a sausage sizzle, the CRC with some lolly bags and soft drinks and Sam from 'Lizzy's Beans'n' bar' with her incredible coffee van. Thank you also to Amber and Alisha who volunteered their morning to provide FREE face painting for the Narembeen children. It was truly a great morning.

In the afternoon we started setting up for the HaLLoWEeN disco with the help of the local police officers Richie and Adriaan, and Mary - Adriaans wife. AND halleluja - apparently 7kg of lollies only last 10 minutes! I certainly got a shock and learned my lesson for the future, with 30 kids from the tennis camp and an additional 70 kids from the Narembeen community it was certainly a well attended night with many great costumes and smiling faces - not sure if this was because of the lollies, popcorn and sausages or the groovy dance moves we provided.

Hope you have a great week!
