NEWSLETTER 17/20 November 9 2020
IMPORTANT DATES

Day and Date	What's Happening
Thursday November 12	Year 7 Orientation
Sunday & Monday November 15 & 16	Student Leadership trip

FROM THE PRINCIPAL

Term 4, Week 5, we are fast coming to the end of a year that we are probably all glad to see the back of!! With the interstate borders opening next Saturday, I am hoping that we can keep a 2nd wave of COVID-19 at bay so that we can all enjoy a break with family and friends. I know that we have it pretty lucky here, our isolation having been a bonus to us in the fight against the pandemic and I have my fingers crossed that we don't have to battle through what European countries are right now.

We have a few activities coming up in the next two weeks, which I have outlined in this Newsletter. With six weeks to go this term, we are starting to prepare for the Concert. Just so you have prior warning, **this will be taking place in the quadrangle at the school**, with a portable stage to ensure that we stick to the COVID guidelines that the state government mandates.

WEEK 5 QUOTE: Remembrance Day falls this week on Wednesday so the following quote is fitting:

"And they who for their country die shall fill an honoured grave, for glory lights the soldier's tomb, and beauty weeps the brave."
 Joseph Drake

YEAR 7 TRANSITION DAY

Our current Year 6 class will be involved in a Year 7 Transition Day this **Thursday November 12 2020**. They will be moving through some high school sessions to get a taste of life after primary school. We certainly hope they enjoy their day ☺.

REMEMBRANCE DAY ASSEMBLY

The school will be holding a short Remembrance Day assembly on Wednesday November 11 2020 at 10:50am. Community members are welcome to attend.

**They shall not grow old
As we that are left grow old.
Age shall not weary them
Nor the years condemn.
At the going down of the sun
And in the morning...
We will remember them.**

STUDENT LEADERSHIP EXCURSION

Our Student Councillors are lucky enough to be involved in a day of Leadership activities, organised by Mr G next **Monday November 16 2020**. They will head off on Sunday to have an afternoon of leisure at Broadwater, before heading out for dinner and a movie. Monday will see them have several meetings with community leaders discussing different aspects of leadership. I would like to thank 'G' for his efforts in organising and attending this activity and **Hillary** for giving up her time to attend as the 2nd supervisor.

THANK YOU DELUIS FAMILY

As most of our community would know, 2021 would have been the year that we welcomed a young Lucy DeLuis to our school as a Kindergarten student. However, she will now never be a part of her class, never get to play and learn amongst her peers at this terrific little school. Joel and Rhiannon are acutely aware of this and have therefore donated \$500 to the school to purchase books for our library in Lucy's name. These, once purchased, will each have a sticker in them so that Lucy still becomes a part of our school. We thank them very much for this donation and our librarian Mrs Carolyn Fagan, will do a display of Lucy's books when they all arrive.

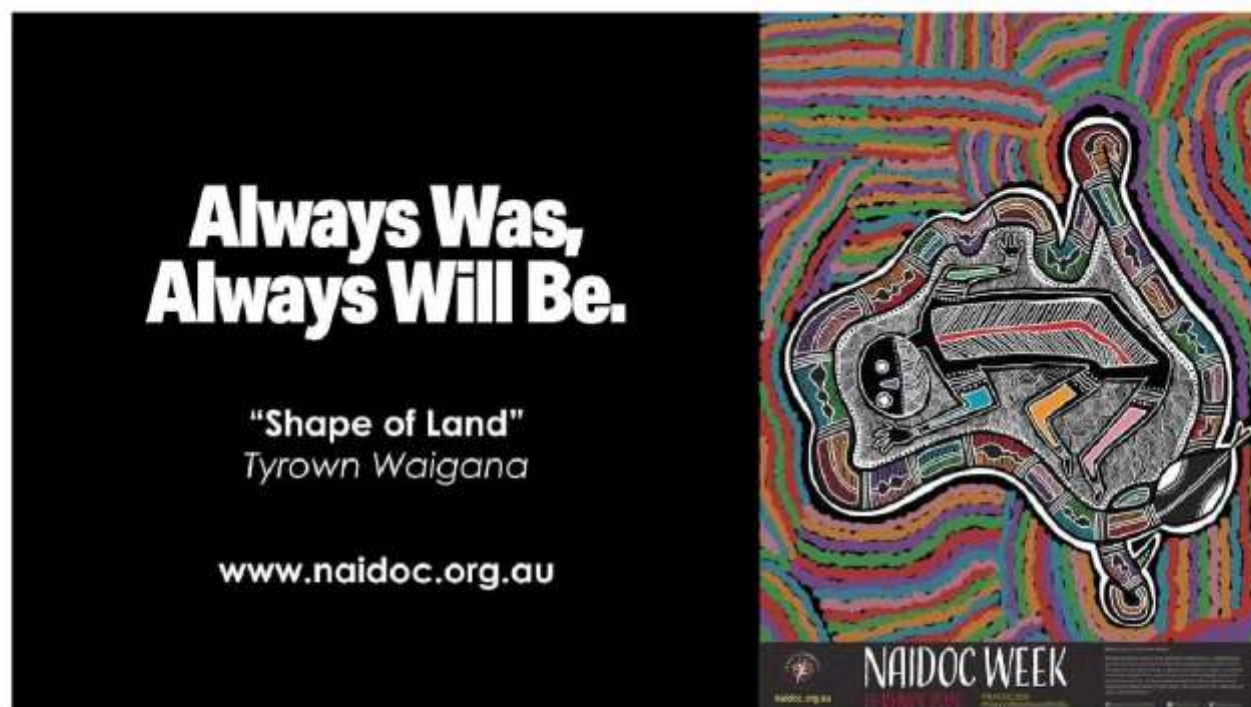

NAIDOC WEEK

This week is NAIDOC week and the 2020 theme – **Always Was, Always Will Be** – recognises that First Nations people have occupied and cared for this continent for over 65,000 years. This week is an opportunity for all Australians to come together to celebrate the rich history, diverse cultures and achievements of Aboriginal and Torres Strait Islander people as the oldest continuing cultures on the planet.

'Always Was, Always Will Be', acknowledges this nation's story, began at the dawn of time and didn't begin with documented European contact. NAIDOC 2020 invites all Australians to embrace and acknowledge the true history of this country, a history which dates back thousands of generations. The very first footprints on this continent were those belonging to First Nations peoples and they have maintained ongoing spiritual and cultural connections to the land and sea.

All Australians should celebrate that we have the world's oldest oral stories and that our First Peoples engrave the world's first maps, made the earliest paintings of ceremonies, invented unique technologies and built and engineered structures that predate well known ancient sites such as the Pyramids or Stonehenge. Aboriginal and Torres Strait Islander people were Australia's first explorers, navigators, engineers, farmers, botanists, scientists, diplomats, astronomers and artists. It is about seeing, hearing and learning the 65,000+ year history of this country, a country that was criss-crossed by generations of brilliant nations.

The county will be celebrating with various activities and ceremonies this week. However, our school celebration will not be until next **Friday November 20 2020**. This is due to our wonderful CRC accessing funding for us to be able to have some wonderful aboriginal elders in the school on this date, to run five workshops for all of our students, PP – Year 10. We thank them very much for their continual support of our school community. The students will be involved in dance/didgeridoo, face painting, making damper, art and story time.

CONGRATULATIONS SARAH LINES

VIRTUE OF THE MONTH - IDEALISM

Idealism is caring about what is right and meaningful in our lives. It means you follow your beliefs and don't just accept things the way they are. You want to make a difference. Idealists have big dreams and try to act upon them.

You are practicing **Idealism** when you:

- Really care about what you value in life,
- Dare to have big dreams,
- Have a vision of what is possible,
- Have a plan to make your ideals real,
- Take action to make your dreams come true,
- Do something to make a difference in the world.

As parents and caregivers we hope that you will support students in their endeavours to have big dreams and work towards achieving them.

2020 TIME CAPSULE

The NEAT students, this semester, have been working on collecting items from each class for a time capsule. We would like to sincerely thank Mrs Smoker, and the team at DORCAS, for contributing funds to purchase an official time capsule. We are always very appreciative of the support we receive from Dorcas and local businesses in the community. Thank you.

From the Managers Desk

Hello everybody!! I hope you have had a great week!

Only a bit over 6 weeks till Christmas - how crazy and exciting at the same time! Christmas is definitely my favourite time of the year - my family and friends would say I am an absolute Christmas fanatic and IF my fiancé wasn't such a Grinch the Christmas decorations would already be up - but, the deal is 1 December and no earlier so I guess I have to wait a little longer..

The Narembeen CRC is busy organising as many fun Christmas events and activities as possible before we close for the year and we can guarantee you there is something for everyone! Just have a look on the next few pages and come along to whatever interests and suits you best.

Did you also know that we can help you with your Family Christmas Cards or even Christmas Gifts. Shop local and get some of your favourite family photos printed, we can do any size and even print them on Canvas. Get in early though as we need a few weeks to get them framed!!

We also have a new 'staff member' in the office at the moment, Amber Kuhne-Munroe, who is doing her two weeks work experience here at the local CRC and we are glad to have her! Amber is doing a great job so far and if you see her behind the front desk or speak to her on the phone, please

be kind :)

The Morning Coffee Club is on next Wednesday so please come along for some coffee, morning tea and great conversation. Everyone is welcome to attend!

We are also looking for a new CRC trainee to start in mid-February 2021. If you know of anyone that might be interested, please get them to give me a call on 9064 7055 or come in to see me for a chat in the office :)

Hope you have a great week!

Prodding the system.....

Footy clubs are good at a lot of things. From the small bush club out in the middle of nowhere right up to that big one on Punt Road they all do a lot of things well. A lot of things well. They provide a wonderful place for people to do so many things that they are rightly lauded for doing so. There is no doubt thought they need to keep evolving, keep changing and getting better. The thing is though wouldn't it be better to try and make that happen from the inside rather than the outer.

I read with great interest about the recent application of netball legend Lisa Alexander for the vacant senior coaching role available at the North Melbourne Football Club. It was a bold move by a high performance coach with a wonderful record. It was obviously a left field idea and one that was as intriguing as it was ambitious. Alexander was quoted in the media as saying that since North Melbourne wanted to win and few had more experience in winning than her then why wouldn't they consider her application. As soon as I read that I sighed and realised this wasn't what I thought it was.

Lisa Alexander's application for the North Melbourne coaching job was a mistake. It was dismissive and it was disappointing. She said in the article I read that she felt since she was a high performance coach, had watched footy and even played it made her a suitable candidate for the job. That's a terribly disappointing statement about how the biggest sport in Australia operates. It's also dismissive and disrespectful of the people who are working hard to get in the process and earn their stripes. Alexander said in the media she was ok with prodding the system. What a shame.

WOD'SIDE

With respect, what Alexander should have done to 'prod the system' was to get on the inside and lead the change. She should have decided to get the accreditation she needed. Get the experience the clubs require and then make her statements. Imagine the story behind the former elite netball coach working her way through the coaching education program of the AFL with a desire to gain a head coaching position. She would have been rushed through and given all the support she needed. Maybe she still will, I hope so.

Sometimes systems need prodding, no doubt. There is a lack of female representation in high performance AFL coaching and administration from the bottom to the top. There are however women all over the country working hard to develop the skills and gain the knowledge required to break that ceiling and change that status quo. It's no doubt tough, tougher than it should be, but they will get there. Lisa Alexander missed an opportunity today, she could have helped all of these ladies by taking the lead and paving the way. She didn't do that and that's a shame.

THE HEAD BUTT

Craig Gmeiner

Why it mattered.....

Donald Trump has been voted out of office. I was so happy with this revelation during the week that I let out an involuntary but audible expletive. Then later I wondered why, why did I care so much about the political workings of a country I have never visited or had anything to do with and probably never will, did it really matter. The answer is yes, it mattered.

It mattered because the Trump Presidency suggested that bully's win. That if you say enough nasty things and push people around you will win. It legitimised the idea that the biggest and the toughest should always be listened to and we should all just believe their every word. The fact that he lost proved that his way isn't the only way. That a bully can be stood up to and that just because your big rich and white doesn't mean people should and will shy away from you.

It mattered because women should be treated with respect and class. During his time as a politician Trump has said things to and about women that just can't be accepted. However, when he was President of course they were. The fact that he lost though will mean such actions and such words will surely no longer be accepted. They will be widely seen for what they were and that's a good thing. This will make it easier to teach young men the right way to treat women. This reason alone is enough to say how much it mattered.

It mattered because inclusion is important. One very level we should all be working towards finding ways to work together. Finding ways to bring others along. Especially if we are in positions where we can help. Trump didn't do that, and people suffered needlessly as a result. There are so many challenges in the world we need everyone working on the same page to fix them. An inclusive world makes that all the more possible. Considering the challenges, the world face sat the moment it mattered a great deal.

It mattered because pluralism is important. They need to listen to people no matter what they are and what they look like. It's hard not to see as an advertisement for the power of rich white guys and the hiring of former models with degrees. Although I admit to not being across every decision ever made but from afar it is certainly looked like it was hard for minorities to get a look in. We can't operate like that, we shouldn't operate like that. We need to listen to more than one idea and be willing to make changes for the greater good. Hopefully, Joe Biden will show the world how that is done.

It may have happened on the other side of the world but it mattered. It mattered because we can't let the bullies win, anywhere. It mattered because women should be treated with respect and class, everywhere. It mattered because if we have the opportunity to help we should help, everyone. It mattered because we need to all understand that there is more than one way to do things, always. It mattered because the world can be better than it is and that change starts on Pennsylvania Avenue.

Mt Walker Open Day

Sunday saw some of Wimbledon's finest at Mt Walker with white spread over the courts like a Scottish tan. With splendid tennis and even more fabulous food, the PIMMS were going down a treat! A great turn out from Hyden, Narembeen, Bruce Rock, Perth, Muntadgin and surrounding towns; with 44 players living out their Wimbledon dream, unfortunately a few down on last year's numbers. A fun and competitive day of tennis was had by all.

Thank you for supporting our event and congratulations to the winners:

A big thank you to those who provided scrumptious salads and afternoon tea. To Shohan – head caterer; Nora, Amanda & Kara and all the helpers in the kitchen, THANK YOU - your assistance is very much appreciated. Thank you also to Tammy and Karen who manned the bar for the day and nailed the PIMMS jugs, also to Karen as treasurer and our captains Courtney and Pete for their efforts before, during and after the Open Day. Paul & his sidekick Jessie did a great job keeping the day running smoothly from the Captains' Box. Also, to all those who helped get the club ready it was greatly appreciated and led to the day running so well.

Cake Stall: Thank you to everyone who baked or donated to the Mt Walker Cake Stall held on Friday. Nora did a fantastic job of organising this and it was very successful for the club raising a bit over \$900.

Mt Walker Tennis Club

We had a tough round of pennants away at Kondinin on Saturday going down 7 sets – 25 sets. The bad haircuts were a feature but proved not enough distraction to the opposition! It sounds like we will have to come out firing against Narembeen 2 this Saturday after they cleaned up in their derby on the weekend.

We had a smaller than usual turn out for social tennis on Sunday and the juniors had a great go at Hot Shots in the heat. It was great to see some new faces come down for a hit – we look forward to seeing you there again.

This Sunday is our Singles Champs followed by Asian dinner – make sure you get your names in to either Courtney or Pete.

NAREMBEEN TENNIS CLUB NEWS

Once again we had a busy weekend at the Club.

On Saturday we played our Pennant Derby with Narembeen 2 running out winners. The battle of the sexes was a draw so no money changed hands. Not good for the drinks at the end of the year. A sausage sizzle was enjoyed by all.

On Sunday we had the Doubles Championships. With 40 players the courts were busy all day and the tennis was fiercely contested. With fairly warm conditions the kids and parents made use of the short trek to the pool to cool off. Some great games were held leading up to the finals and the finals did not disappoint.

Ladies

Winners: Kel Smith and Em Miolini
 Runners Up: Amy Hardham and Noela Cole
 Plate winners: Hmm bit of confusion here - TBA

Mens

Winners: Kye and Scott Stirrat
 Runners Up: Nick Cheetham and Robert Miolini
 Plate winners: Cody Duncan and Ben Hunter.

Congratulations to all winners. Thanks to Kel Lyon and Noela Cole for a very yummy arvo tea and thanks to Kel for organizing the pizzas from the Roadhouse. They were delicious.

Both pennant teams are away this week.
