Over the Fence....

Sympathy

Our thoughts are with 'Mr G' aka Craig Gmeiner and all the family, on the death of 'G's' father, Peter Gmeiner.

Condolences to Yvonne Treloar and her family on the passing of her brother, Reginald Moulds.

Naremben Photos

A reminder to email in your photos of Naremben please. The FencePost is wanting to feature local pictures of **Naremben Life**.

We have one on the front cover this week from Shohan Hickey. It features her children: Imogen, James and Eimear.

1 Man and A Bike

The television show on GWN last Saturday '1 Man and A Bike' featured Naremben heavily. If you missed it just look it up on the internet and you can watch it again. A great reminder how lucky we are in our town and just how good the Wheatbelt is generally!!

Happy Anniversary

Congratulations to Iris and Mel Bristow on the occasion of their 73rd wedding anniversary.

The Historical Society Annual Raffle

There are several ads for work in this week. Spread the word!

Weather Minimum Gauge

You may notice that there are no minimum temperatures this week?! The gauge is out of action. With the heat yesterday it probably won't be a problem!!

Harvest, Finals, Wind Ups, Christmas Parties, Concerts

This time of year is always crazy! It is a great time to be grateful for everything that we have in our lives.

Many farmers will be finished harvest in the next couple of weeks. ...As you will read there are many other things going on too! Good luck to all....

NAREMBEEN AUTUMN CLUB
CHRISTMAS CELEBRATION

To celebrate the end of year's activities, last Thursday 21 members, along with some husbands gathered at Myola Café to mark the occasion. As usual Taria and Frank of Myola served up a feast.

Carmel Harper welcomed everyone, thanking members for the work done throughout the year. Despite the coronavirus the club managed to deliver parcels to many beneficiaries, with the number of recipients growing noticeably and the feedback from the groups receiving has been very positive.

The success of our first OPEN DAY took pride of place. This could not have happened if it were not for each and every member participating and being totally committed. The hours preparing was evident and rewarded on the day. Appreciation must go to the Narembreen and surrounding communities for their generous support. Special thanks to Rosemary Smoker of Dorcas for her continued support.

A gift exchange followed with all receiving a useful gift. Congratulations to Jan Hills, winner of the "Skip Bo" prize. Lou Maringoni and Halley Cowan winners of the Lucky Number prizes.

As we enjoy the festive season we look forward to another happy and productive year in 2021, we take the opportunity to wish everyone a

FROM THE PRINCIPAL

With just three weeks of school left after this one, there will be only one more Newsletter, it will be put out in Week 10 on the Tuesday so that we can publically recognise all of our award winners. There will not be a newsletter in Week 9. The activities for the rest of the term are outlined in this newsletter so please make sure you keep it or diarise all of the activities ☺. You are about to be inundated with excursion paper work, so please, when you receive it, say nice things under your breath, fill in the return slips and send them back to us ☺. I know that it seems over the top but it is a DoE requirement.

WEEK 7 QUOTE: It is easy to pick faults and mistakes that those in our profession, teaching, may have or make. However, it would be great if we firstly remembered and recognised the effort and hard work that the same teachers put into their students. All the many faults and mistakes they don't have or make, in fact all of the great ideas, strategies and engaging tactics they have for improving learning. So when we notice a mistake, perhaps we could recall the great work they do and just revisit these quotes and ideas, before we criticise:

NAREMBEEN DHS CONCERT AND PRESENTATION NIGHT - ALL COMMUNITY MEMBERS ARE INVITED! IT'S AT THE SCHOOL 😊

The staff and students of Narembeen DHS cordially invite all members of the Narembeen community to their annual Concert and Presentation Night which will be held on **Monday December 14 2020** commencing at **7:15pm** at the school in the quadrangle. This is due to the fact that the state is still in Phase 4 COVID-19 directions and the social distancing for adults must be maintained.

As always, you can expect a great night of entertainment as our staff and students put in a lot of effort to make the night a success. Please take on board our desire to have the students stay at the evening until the end of the night. It is, in our opinion, common courtesy, to remain at the Presentation Night until it is completed. We will be endeavouring to get the evening finished in a reasonable time, without taking away from the importance of the night's presentations. Entry is a gold coin donation with the proceeds going to the P & C Association.

Please note that this is a school event and as such, is **SMOKE AND ALCOHOL FREE**. Please enter the concert from the **OFFICE END OF THE SCHOOL**, so park in the front car park. We will have equipment, wires and performance items at the eastern end of the undercover area, so please do not come in from that direction.

YEAR 10 GRADUATION DANCE: WEDNESDAY DECEMBER 16 2020 PLEASE NOTE START TIME FOR YEAR 6 - 9 STUDENTS IS 8:30PM!

The Year 10 Graduates of 2020 would like to invite all Year 6 - 9 students, and past 2019 students, to the annual Graduation Dance which will be held at the Narembeen Recreation Centre on Wednesday December 16 2020, commencing at 8:30pm with the presentation of our graduates. Students are reminded that the dress code is **GOOD CASUAL**, meaning that **thongs, board shorts, old jeans and singlets are NOT ALLOWED!** I love seeing all of our

students make a terrific effort with their attire on this night and look forward to watching them dance the night away. Although the event is at the Recreation Centre which is fully licensed, we have booked the eastern two rooms and they will be divided off for the evening. **NO ALCOHOL** will be served in this area and nobody drinking alcohol will be allowed into the rooms, the night is a school activity and as such will remain alcohol and smoke free. The evening will finish promptly at 11:30pm and students must be picked up at the end of the night. Excursion paper work will be sent home regarding this activity and must be returned.

Entry for the Year 6 - 9 students is \$2.00.

PRE-KINDY THANK YOU

On behalf of our Pre-kindly students I would like to thank **Ms Erin Lindsay** for her efforts over the past five weeks to deliver a great program to our new 2021 Kindergarten students. It is terrific that our students can have a sneak peak at what coming along to school is all about. HISTORICAL HIGH LIGHTS

The last monthly meeting for the year of the Historical Society was held on Monday 16th November at 11.00am. This meeting was held earlier than usual to accommodate the members having their end of year wind up lunch at Myola.

The scribe must have got too busy enjoying herself that she forgot all about putting in the notice to the Fence Post. Oh well – better late than never.

There were business matters discussed and these included: -

The outcome of the Tidy Town judging inspection of The Road Board Building, Cemetery and Lesser Hall Precinct is not yet known but it will be decided in December. We feel sure that our efforts do warrant a place.

A design for the "Museum Open" sign has not been decided as yet. It needs to be quite large and noticeable for the passing traffic to be interested.

A raffle is to be conducted on Friday 20th November. 2 large hampers of Christmas gifts and a fruit cake on a glass platter are the prizes. Since this meeting the raffle has been conducted and the winners were Joan Cusack, Maurice Harper and Lorraine Lethlean. Over \$300 was raised for our society and this will go towards our signage.

The donors for the cabinets have approved the signage that will display their contribution to the Road Board Building. This sign will be on display for all to acknowledge their contribution.

The History Centre was open to the public on 31st October the day of the market in the town hall. There were several people who called in to have a look around and were quite impressed with what they saw, especially in the Sporting Section.

We are still working on updating the information for the 2024 anniversary of local government in Narembreen. Members have been asked to add their input to the already growing collection of data. If you have an event that has occurred since 1974 when the Golden Jubilee was celebrated, we would love to hear about it. 50 years is a long time to remember back but there must be some significant memory that is triggered. eg. The opening of the new Recreation Centre, the closing of Mt Arrowsmith Tennis Club, the birth of the Thomas Triplets, demolition of the Old School Building etc etc. All contributions are welcome

not matter how large or small.

It was delightful to show the year three/four students through the History Centre. They had some tricky questions to ask but we managed to get them answered. They were seeking information on important people of Narembreen. They were also shown where their family files are kept. Some were disappointed that their files had very little information in them. We can only file what we are given. If you have interesting "stuff" on your family that you would like your great great grandchildren to discover, bring it in and we will file it.

The Old Anglican Church Museum had a visit by the Heritage Architects. They said it is well worth preserving. Funding is being sourced to keep it in good condition.

Although the Society is going into recess until February 2021 there will be members gathering on the THIRD MONDAY of December and January at about 10.00 am for a cup of tea/ coffee and to do the filing and putting into order the photographs. If you would like to help, it would be appreciated. The rooms are air conditioned, so it will be a cool environment to work in.

With COVID19 this year it has been quite up and down and considering all things we have done very well. Next year holds more excitement for us. Come along to the first meeting on 15th February 2021.

Don't forget that we are still seeking **SPORTING ACTION PHOTOGRAPHS** to make life size cut out models for our display. If you have any, please make them available to Lorraine Lethlean, Kellie Mortimore or Margaret Butler. The photos will be returned to you of course.

NEW MEMBERS ARE WELCOME, COME ALONG AND SEE WHAT WE HAVE IN THE MUSEUMS. YOU MAY EVEN BE ABLE TO HELP PUT NAMES TO THE PHOTOS.

Just contact one of our members

The next meeting will be held on **MONDAY 15th FEBRUARY 2021 at 2.00pm at the HISTORY CENTRE – ROAD BOARD BUILDING**

WE TAKE THIS OPPORTUNITY TO WISH YOU ALL A VERY MERRY CHRISTMAS AND A GOOD 2021

Pool News

At last, some warm weather!

The new gates have been installed and are working well. They got a good work out today (Tuesday-it was really hot)

Early morning swimmers are on their way to Saint Aidins Winery Ferguson Valley. In the first week we have done 28km, only 310kms to go.

With the new gates I can enforce the Watch around Water program. If your child is under 10 and has a green band you must be able to see them at all

times. If your child is under 5 and has a yellow band you must be within arms reach. YES...IN THE POOL!!!

See you at the pool

This quote is taken from Chris Arnolds write up in the school newsletter. It is timely and applicable to all of us ...I have reworded it to make it relevant to everyone. Thanks Chris for your great quotes!

It is easy to pick faults and mistakes in people. However, it would be great if we firstly remembered and recognised the effort and hard work that the same people put in. All the many faults and mistakes **they don't have or make, So when we notice a mistake, perhaps we could recall the great work they do before we criticise:**

PRESIDENTS REPORT 2020

2020 has been an unusual year as President due to COVID 19. The inability to hold monthly meetings for the first half of the year has reduced opportunities for new projects however we have actively sought community projects to fund in an endeavour to lessen the financial impact of COVID 19 on our community.

This year we have approved funding for a number of projects:-

- \$5,000 for display cabinets for the Narembreen Historical Society (Road Board Building)
- \$15 000 for the Shire to assist with the future telecommunication project
- \$25 000 to the Narembreen District High School for upgrading all classroom air conditioning systems
- \$70 for every student from year 5-10 towards camp and country week as a one-off payment in light of COVID to help parents who may have been under financial stress, totalling \$3,570
- 1,000 for the Narembreen CRC – Ladies Long Lunch

The Grain Discovery Centre has continued to run without too many issues this year which is a direct reflection of the contribution of Margaret Butler. I would like to thank Margaret for the many hours she has put into this project, cleaning and keeping the centre looking neat and tidy as well as keeping things up to date and user friendly. Margaret has done this voluntarily for many years and we are very grateful for her efforts. Margaret is resigning from this role and she will be greatly missed. On behalf of the committee I thank you.

After discussions about the lack of industrial land in Narembreen, a sub committee was formed to aid in discussions about future possibilities. Much time and effort was put into this and I would like to thank those people involved.

This year, The Co-Op was also impacted by the restrictions put in place by COVID-19. The doors were shut for a few months but since re-opening it continues to be well supported by our locals as well as tourists passing through town. I think it adds so much atmosphere to the main street and is a business we should look after into the future. I thank Sheree Thomas, Amy Hardham, Bianca Currie and Lynda Cornish, who has taken over from Caroline Robinson. The Co-Op would not operate successfully without their support and commitment.

The Roadhouse has taken up much of our time this past year. We are in the process of appointing a property manager and re-drafting a new lease. I thank Sheree Thomas who has done all the work for

**Do you ever just
forget to hide your
expressions for a
minute and then
you're like woah
I did not mean to
make that face out
loud.**

this. It is not an easy task and she has spent many hours and days organising and attending meetings, it continues to be a work in progress.

The cropping program has gone smoothly this year once again. Thanks to Azza Lyon, Thommo (Bevan Thomas) and Dylan Cole for their organisation of this and to all the people who donated machinery and time for the project.

Financially we are still doing really well and we are in a position to take on big projects as needed by the community. My vision for these funds would be to buy a small block of land so that we may in future be able to release the Avoca farmland to sporting clubs or the like.

Looking ahead to next year we have talked about reducing the committee down to a smaller number in order that meetings can be run more efficiently. I think this may be an option worth considering.

Thanks to Peter Hall, our Treasurer, thank you for time and input over the many years you have been in this role. Thank you to my Secretary, Sheree, the time and effort you put into your role is invaluable and very much appreciated. You've been working with a President who at the best of times struggles to keep up, only sometimes gets back to you and probably frustrates you immensely. You have picked up my slack and I cannot thank you enough. Next year we hope to make this a paid position and release Sheree and Peter from their duties.

Thank you to the committee for attending meetings and your continued input, when there is something that needs to be done there is always a volunteer to put their hand up, it certainly makes my job easier. I look forward to 2021 and everything it may bring to us (including rain!).

From the Managers Desk

Hello everybody!

Unfortunately the photo collage from the High Tea from Wednesday, 11th November was missed last week so I have put it in again on the next page. As you can see it was a wonderful morning enjoyed by many :)

Amber Kuhne-Munroe finished her work experience at the CRC last Friday and we would like to thank her very much for all her help during the last couple of weeks. We hope you enjoyed your time with us. We wish you all the best for your future Amber.

Last Wednesday our seniors had some fun playing UNO, Celebrity Head and WHO AM I? at the Morning Coffee Club here at the CRC. We also enjoyed some lovely morning tea and learned many new things—one being that Amber did NOT know who David Beckham was which brought a giggle to the group!

We have one more Morning Coffee Club left for the

Gwenda Pollard, Eilish Bailey, Di Miolini, Vera DeLuis, Maz Beechey

year and the next one is going to be Christmas themed so if you are free on the third Wednesday of the month, pop down to the CRC for some fun and food.

We also celebrated NAIDOC Week 2020 at the Narembeen District High School last Friday. Njaki Njaki Traditional Owner and Aboriginal tour guide Mick Hayden took the Narembeen children on a journey of aboriginal history and culture. He offered an authentic Aboriginal experience, creating understanding, awareness and acceptance of the world's oldest and continuing culture. Thank you to Mick and his family for delivering such a fun day. The day was divided into 5 different activities, ranging from Aboriginal story telling to damper making, dance and didgeridoo, face painting and other art. This day was proudly supported and sponsored by the Narembeen CRC, Narembeen District High School and Commonwealth of Australia, as represented by and acting through The National Indigenous Australians Agency.

Hope you have a great week!

NAREMBEEN TENNIS CLUB NEWS

On Saturday Naremben 2 travelled to Hyden and came home convincing winners. We have now finished our qualifying rounds and Naremben 2 finished in top position with Naremben 1 in second. What a fantastic result for the Club fielding two sides and taking out the two top spots. This means that Naremben 2 proceed straight to the grandfinal and Naremben 1 will take on Hyden at Naremben for the battle to see who will meet Naremben 2. What a great achievement it would be to have a derby grandfinal. COME ON NAREMBEEN 1.

Remember we need to supply afternoon tea.

Emma Miolini, Britt Duncan, Wendy Hooper, Carissa Wanless and Noela Cole.

On Sunday we held our Singles Championships. Although not a very popular event it is one that is important to our Club and always provides great tennis. The Ladies had seven compete and the Men had 13. There were some great contests all day with many games going to 3 sets.

The Ladies winner for 2020 is Holly Cusack and Runner Up was India Nelson. Congratulations Holly.

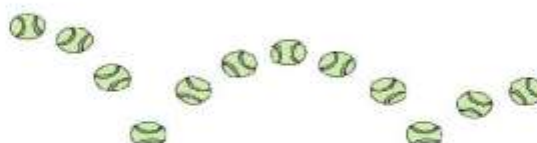

The Mens final was a family affair with Scott Stirrat taking on son Ethan. This was a replay of the 2019 singles playoff. The result was that Ethan is now working extra-long hours this week. But it doesn't matter, he will take that on the chin to take the title from his Dad! Well done Ethan and look out Narem because brother Kyby is lurking in the wings as well. A great effort by the Stirrats.

Congratulation to the Ladies Plate winner-Kel Lyon and Mens-Michael Wanless.

A great day and special thanks to those who played. A very yummy nibbly dinner followed.

This Sunday we have Social tennis commencing at 2pm. There will be a BYO meat and salad barbie.

Don't forget to get your partners organised for the Open Day on Sunday 6th December. Mixed Doubles in the morning and Ladies and Mens Doubles in the afternoon.

(Round 4) Narembreen almost drop the game

After a few weeks off due to a forfeit and a wash out the boys had their first 20-20 on the weekend against Corrigin. Gray managed to lose the toss and we were sent into field on a rather green wicket. Through some precise bowling the Hawks were able to rattle the Corrigin side and have them reeling at 8-73. A notable wicket, especially from Cousins, who was able to send Bootsma's middle stump cartwheeling, as we were all able to breathe a sigh of relief from the nightmare he caused us in round 1. We then however, well and truly let the pedal off and dropped 4 catches for their final wicket which resulted in a 73 run partnership and had the Tigers put up a respectable 126.

Gray and Sprigg started off the proceedings well as Gray got himself off a kegel first ball of the match with a nice cut shot for 4. Gray managed to do the damage early and made a quick fire 39 to put the Hawks well on top by the 10 over mark. With the addition of some late hitting from Fields the Hawks chased down the total in the second last over, although it must be said that 8 dropped catches made the day a lot longer than it needed to be.

This Thursday will be spent out in the field I'm thinking.

Narembreen 2-128 defeated Corrigin 8-126

Mt Walker Tennis Club

Mt Walker were set to come out strong for the last round of pennants, and possibly their first win since re-entering the competition; however, next year must be the year, as unfortunately Kulin forfeited on Saturday morning – a bit of a disappointment for the end of the season; we're assuming after the recent wet weather, it was difficult for them to drag people away from the paddocks/headers.

A fabulous turn out of children for Hot Shots on Sunday, thanks again to Nora Kircher and Sho Hickey (who always help out with this) and the other parents who keep an eye on the younger kids who can't yet join in. It looks like we have a few up and coming tennis player amongst our juniors!!

A quieter social hit on Sunday as many remained harvesting; but the few who were there managed a couple of hits and enjoyed a great barbeque for dinner.

Don't forget it's Mexican tea this Sunday **ole!!**

Always an enjoyable afternoon of tennis and a social evening at Mt Walker!

The Ladies went down again in Pennants on Wednesday.

They were defeated by Tammin.

The men won again in their Pennant matches on Saturday.

Maroon had a good win over Westonia and Gold had a victory over Yilgarn.

Maroon may have gone to the top of the ladder. Keep it going guys.

Singles Champion Anita Cowan and
Plate Winner Julie Miller

Can't let this one slip!!

Apparently one of the Gold players rocked up (after previously complaining that he thought his shirt was getting a bit tight!) and was greeted by his team mates with some sniggers. He realised he had his wife's bowls top on!! Julie Miller very nearly got to play her first men's Pennant match.

On Sunday the Ladies held their **Championship Singles**. This event is sponsored by **Crichton Vale Stud**. Thanks to Dianne and Bill Cowan.

A great day of bowls was played, in pleasant conditions. We had 13 entries, which is the most players we have had for this event in many, many years.

Thanks to all the girls that participated. There was some very close matches in the major event and plate. We all had fun and played in good spirits.

The Championship was won by **Anita Cowan**. Runner up to was **Sylvia Yanidle**. Well done!! They both had some tight matches throughout the day.

It was a fierce competition in the Block Plate. Lots of grudgies here.

The winner was **Julie Miller** (complaining that her shirt had the aroma of men's deodorant!) Runner up to Julie was **Miranda Noack**.

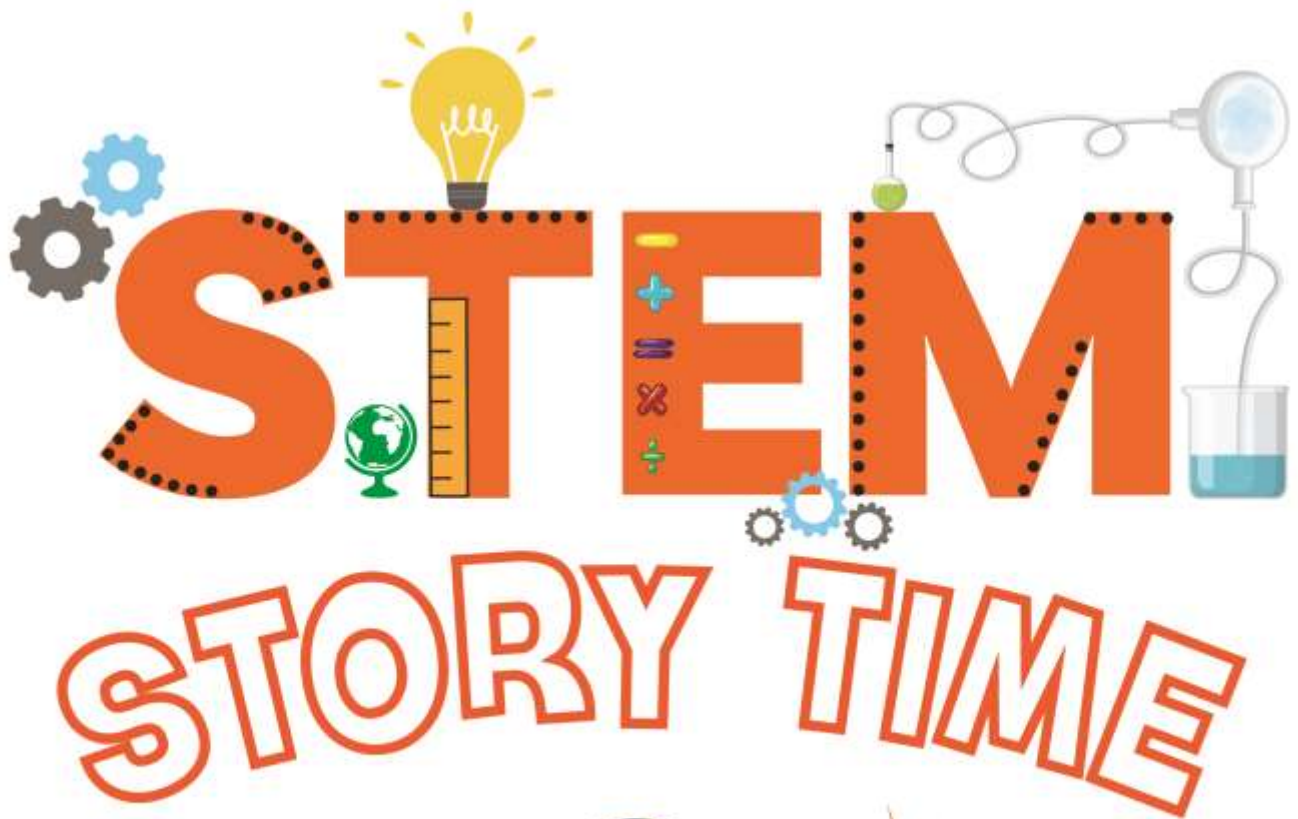

Well done to all the winners.

Many thanks to the girls and guys that came down and marked. Much appreciated.

A few teams of Men travelled to Bruce Rock on Sunday for their Open Fours.

Apparently they came home with less than they went with!!

There will be mixed Social Bowls this Sunday.
