# Over the Fence....

## Lock Down

Last week we saw a Covid 19 case in Perth and this resulted in a lock down being implemented in the Perth, Peel and South West regions.

Our local IGA reported only a couple of days of panic buying with the mandatory toilet paper rush!

Mac Cole and Kelly Smith had to postpone their wedding!

Good luck to them with their new date!

Britt Duncan's 30th celebrations were cancelled.

## The Morning Sun Motel

The building is progressing "nicely" according to Rosemary Smoker.

## The Co Op

Our café has new seating thanks to Tenille Cole and her wonderful Dad, Neville Barrett. Go in and try it out.

## New Businesses in Town

It is always great to see new businesses start up in the community. Good luck to you all.

Laura Cala- For the Country Kids. See the ad further on in this edition.

Britt Duncan- Locally Grown Fitness. Britt is studying to become a fitness instructor. Watch this space.

Sam Bald- Wheatbelt AG. See the ad further on in this edition.

## Water Aerobics

Our "Citizen of the Year" Mr Chick aka Michael Lethlean, pool manager, is running water aerobics on Wednesday and Friday at 11.30am for an hour at the pool. Entry and coffee is \$5

## Volunteers Always Needed

A report from one of our Historical Society volunteers is that the filing is still way way behind! She was filing old FencePosts, and has just filed the article on the arrival of Colleen Crowd and Peter Suckling to the Deli (this was where the Newsagency was; the lovely old building next to the east of the IGA car park). That is over twenty years ago!!

Any time you have would be appreciated to help with filing old records.

## Fencepost Helpers

Also we need people here too...yes an ongoing call for help!

Patti Latham and Marj Coverley are our distribution people and we need some more. This job is about 20 minutes a week and you get a free coffee at The CoOp afterwards!!

## Farewell and Thankyou Julie

Thanks to Julie Miller for her support of the FencePost over the years!

## From the Managers Desk

The Splash Test Dummies visited Narembeen last week. With sponsorship from the Shire of Narembeen & Ramelius Resources, they provided an hour of comedy and circus entertainment for all ages. Approximately 110 people attended and enjoyed Nachos, Hot dogs and Popcorn while watching the Show. The following day the 'Dummies' visited the Narembeen District High School and provided four Circus Skills Workshops, thanks to Dorcas, the NDHS, Go Narembeen and Dummies Corp who sponsored those workshops. Feedback received was fantastic. Thanks to everyone who made this possible!! We appreciate your support!

If you or anyone you know is interested in any of the below workshops, please contact myself or any other staff at the CRC! If you are seeking any other personal or professional development opportunities, please let us know also!

- XERO Workshop
- Introduction to Welding Workshop
- HR, HC or MC Truck Licence

This week we farewell Julie Miller. Julie has been part of the CRC Team for the past seven years. Julie has decided to move across to the Narembeen Medical Centre. Georgia, who has been working at the Medical Centre will take Julies role here at the CRC. Our new trainee, Savannah Garlick, will start next week.

Thank you for all your hard work over the past seven years Jules. I am sure we will see you around :)

The Morning Coffee Club is starting next week! With the extra funding from the Department of Communities we will be able to do lots of extra things, so don't forget to pop into the CRC next Wednesday! We look forward to seeing you.

## NAREMBEEN AUTUMN CLUB RETURNS AFTER SUMMER BREAK

Narembeen Autumn Club got off to a great start last Thursday with members enthusiastically planning many projects for the year ahead.

Some of our members continued to meet over the break, they turned out so many more - Blankets, Teddys, Prem Baby outfits and Cushions.

A bundle of cushions were delivered to the Narembeen Pre Primary/Kindergarten by Carmel Harper, Diane Miolini and Kerry Fricker. They met with Mrs Cheetham who allowed each child to pick their own cushion.

The [Narembeen](#) Autumn Club is a Senior Citizens Club that aims to assist residents in the Narembeen area. To provide a meeting place for people who wish to participate in social, educational and recreational activities by encouraging an active and healthy lifestyle. Members have the opportunity to participate in handicrafts, outings, fundraising and listen to interesting guest speakers. It's also a great way to meet new people who share similar interests.

If you are looking for the company of likeminded people who enjoy getting together once a week for social interaction and craft activity. No skills required just come along and join us for a chat and morning tea.

Autumn Club meets Thursday from 10am - 2pm in the Seniors Citizens Hall,  
Thomas Street, Narembeen  
*Everyone welcome*

# Blast from the past

This article is from January 1994.

Our CRC (Community Resource Centre) was originally called a Telecentre.

## Hyden, Narembeen and Katanning to get telecentres

TELECENTRES will be established in Hyden, Narembeen and Katanning following grants made by the Federal Government.

The three new centres will bring to 11 the number in WA.

Telecentres provide remote communities with access to information technology such as multi-purpose computing and telecommunications facilities including word processors, photocopying equipment, facsimile and electronic mail services.

Announcing the grants for the centres Primary Industries and Energy Minister Simon Crean said the grants would help increase

local employment and improve business management and marketing of local products.

In some cases the centres, he said, would help local people gain access to distance education and other training helping them gain new skills and qualifications.

The new Hyden Resource and Telecentre will be located in a new community resource centre currently nearing completion.

In conjunction with TAFE the centre will be used to facilitate delivery of distance education program to the community.

The facility will also be used to

provide IT training to local students.

The telecentre will provide support to small businesses in the area, particularly for marketing initiatives such as those related to promoting local tourist attractions such as Wave Rock.

The centre will also be used to help local farm management including administration of seasonal labour contracts.

The new Katanning centre will serve the town and surrounding districts of the Central Great Southern region.

Building on Kanwork's existing record in the field of distance edu-

cation and IT training the telecentre will address these needs using up-to-date technology.

The new facility will be located at Reidy House providing facilities for training and individual computer use.

The telecentre will be a multi-function facility and will therefore also provide opportunities for teleworking as well as administration support for small businesses and access to data communications networks.

The Narembeen telecentre will be located in the former shire buildings in Latham Street.

The centre will be used in conjunction with TAFE to deliver distance education programs and there will also be local programs for improved IT training aimed at providing local workers better skills in the use of modern computing and management information technology.

The centre will also support local small businesses and primary producers including the use of desktop publishing facilities to promote local marketing efforts.

The centre is also expected to provide teleworking opportunities for the large number of unemployed women living in the area.

## Expressions of Interest - Industry Funding Scheme committees (Biosecurity)

Are you interested in the biosecurity of Western Australia's agricultural industries?

Western Australian producers and other stakeholders in the dairy, beef, grain/seed, hay, sheep and/or goat industries and respective supply chains are invited to apply for positions on Industry Funding Scheme Management Committees and/or the Industry Funding Scheme Review Panel.

[Industry Funding Schemes](#) enable agricultural industries to raise funds to address priority pests and diseases at a whole-of-industry level.

The schemes are industry-driven and overseen by a Management Committee made up of producers and others with appropriate industry knowledge and expertise.

The Review Panel reviews applications for payments made under the Industry Funding Scheme regulations, where the applicant is dissatisfied with the outcome of their application and requests a review.

The Minister for Agriculture and Food appoints members for a period of up to three years. The Department of Primary Industries and Regional Development provides support to the schemes, committees and panel.

During 2021, there will be vacancies on the following Management Committees:

- [Cattle Industry Funding Scheme](#) (4 vacancies)
- [Grains, Seeds and Hay Industry Funding Scheme](#) (4 vacancies)
- [Sheep and Goat Industry Funding Scheme](#) (4 vacancies)

From 1 July 2021, there will be three vacancies on the [Industry Funding Scheme Review Panel](#).

The Management Committees meet quarterly on dates agreed by members. The Review Panel convenes when a review of an application for payment, made under the Industry Funding Scheme regulations, is requested.

Members of the Management Committees and Review Panel are remunerated, including sitting fees and travel expenses.

More information, including the terms of reference and selection criteria, is available on the Department of Primary Industries and Regional Development website at [agric.wa.gov.au](http://agric.wa.gov.au). Search for 'Committee membership EOIs'.

The Western Australian Government is committed to ensuring diversity on Government boards and committees and, in particular, increasing the representation of women to 50 per cent.

Expressions of interest can be made online at <https://agric.smartygrants.com.au/IFSEOIs2021>. Alternatively, you can submit your expression of interest by email. This should include a three-page letter addressing the [selection criteria](#) and a current resume of a maximum of two pages.

Online applications are the preferred method for submitting an expression of interest. Emailed applications can be sent to Rebecca Heath.

Expressions of interest close at **9.00 am Monday 22 March 2021**.

## Round 12: Hawks hold onto another nail biter

On a very cold and windy Saturday the Hawks came up against the Hyden Saints, which in the past has created some very close games. Danny Gray once again won the toss and decided we will have a bat on a grassy and variable deck. The Hawks managed to scratch together a reasonable total of 156, although felt they could have done with another 20 or so runs up their sleeve. Jordan Sprigg nudged his way around for an unconvincing 78 whilst also being supported by Sam Bald and Chris Fields with 24 & 19 respectively. A tough deck none-the less with variable bounce being the main concern, a factor the Hawks would soon take full advantage of.

The Saints however started very strongly with the bat and were coasting at 1-116 at the 30 over mark, it would have seemed the game was all but done. The Hawks had other ideas fortunately and through again some slow-def bowling from both Sprigg and Gray the Hawks put a strangle on the Saints run chase and caused an avalanche of late wickets. The Hawks went on to take the remaining 9 wickets for a total of 33 runs and leave the Saints 8 runs short of the desired total.

Narembeen 6-156 defeat Kalgarin-Hyden-Pingaring 149

(Sprigg 78, Bald 24)

Congratulations to **Greg Vaughan**, the Club Champion. Greg defeated **Jeremy Padfield** in the final.

Well done Jerro, a newer bowler who played very well over the two days.

The plate winner was **Damon Hayter** who defeated **David Campbell** in a thriller. Well done guys.

This Sunday the Men have the Triples Championship. Please get your teams together with names in by **Friday at 5pm.**

Please note that the Men's Ralph Thomas pairs and the Ladies Drawn Pairs for the Helen and Anita trophy will be held on the closing day, **Saturday 27th** of March.

The Presentation and Wind up will follow the days play.

This night will also be a very sad send off for Colleen Crowd and Peter Suckling.

Sharlene has offered to provide us with an evening meal. That Sharly is a gem. Always looking after us, always pleasant... nothing is ever a problem. We are so lucky to have her and Taylor at the club.

Congratulations to Greg Vaughan who was chosen as Skipper for the Zone team that was to play in Busselton last weekend. Unfortunately due to the COVID restrictions it was cancelled. An opportunity missed. Damn.

Well done also to Sylvia Yandle and Anita Cowan who played in the ILRR fours in Merredin last weekend.

## Mt Walker Tennis Club

The 2020 calendar ended with our community Christmas Party, thank you to Shohan Hickey and Kara Morrone who led the catering and to all those who brought along a plate to share – another Christmas feast was enjoyed by all. Poor Father Christmas had a bit of trouble with his transport, but once that was sorted the large group of children sang carols to make sure he found his way to them.

Well done to all those who competed in the mixed doubles champs.
