Congratulations to Nikki-Lee Fagan and Matt Norris on the arrival of a little girl Stevie Lee. Stevie was born on 22 January 2021 weighing 2980g at Darwin Regional Hospital. Fourth grandchild for Greg and Carolyn Fagan.

\*\*\*\*\*

Well done to Brit Duncan who completed the Rottneest Channel Swim on Saturday 20th February. Brit teamed up with Kaidee Arnold and 2 other girls from the city and they completed the 19.71km swim in just over 8 hours. GREAT EFFORT GIRLS.

For those of us who do not go to school, or do not have people involved in it to keep us abreast of the goings on, it is lovely to read their newsletter that is now published two weekly in our publication. Our last issue in December and the first issue in 2021 had lovely photographs of the graduating students for the 2020 year. From the Fencepost photograph in the school news from 3rd February 2021, the names of these students are listed below from left to right:-

Zac Maringoni, Lakeish Eades, Oliver Miller, Lahkeish Brown, Alicia Hills, Caleb Garlick, Zali Smeed, Levi Duffy, Leiyah Butler.

Omitted from Historical Society notes last week:

A donation of a metal bucket found at Wadderin by Dr Peter Lines was made to the society.

Rather battered but largely intact, the bucket contained quite a residue of cement and was no doubt used in the construction of the Wadderin Dam. Thank you Peter.

**From the Editor.**

Last Tuesday , as editor , I had great intentions of contributing an editorial but things did not quite go to plan. The gremlins had been at the computer (that's what I will say anyway - not my incompetence or the fact that me and computers and becoming further and further apart in ways of thinking) and my "Outlook" wasn't operating as it should, eventually we managed to get on the same wavelength and proceed as normal to get the Fencepost published. Then off I go to the bank - it was closed - again - and the Fencepost money had to wait for a few more days until the bank opened. One of the bank staff was sick and you can't operate a branch with only 1 staff member. That was not such a great hardship but... when I went to go to the public toilet in the community precinct and found them locked - well that was a different matter. Luckily the CRC and Medical Centre toilets were able to be used. The Shire Council did not have any cleaning staff for the toilets in the precinct or in Jones Park. The Shire Council have now employed someone to do this job. We don't have to run around cross legged until the CRC opens, or run up to Apex Park. To top it all off, the telephone call from the Shire Council to say that the due to electrical problems, the Town Hall is not able to be used therefore badminton is cancelled until further notice, was just about the last straw.

Oh well life goes on and it is the joy of living in the country.

# VOTE **1** **THE NATIONALS** *for Regional WA* in the Legislative Council

**NO NEED TO NUMBER BOXES BELOW THE THICK BLACK LINE**

## The WA Labor Party want to **ABOLISH** more regional seats in Parliament !

The WA Labor Party have secret plans hidden deep within a 146 page dossier outlining their policy to abolish more regional seats in the State Parliament, further diminishing your voice in the Parliament.

Their desire to move parliamentary seats to Perth have resulted in the loss of seven country seats and seven voices standing up for you. Regional electorates are now comparable in size to European countries with some stretching for thousands of kilometres. If Labor gains control of the Upper House on March 13, their plan is to abolish another 9 country seats relocating them to the metropolitan suburbs.

Your Nationals team in the Legislative Council has fought hard for farmers, small business and families over the last four years. We stopped the closure of the Moora Residential College and School of the Air and fought against budget cuts to our country schools and community resource centres.

**Don't risk being governed by Perth politicians.  
Vote 1 The Nationals on both ballot papers.**

## **THE NATIONALS** *for Regional WA*

## **Only The Nationals** **will deliver *Royalties*** **for Regions in full.**

## From the Managers Desk

Happy Wednesday everyone!

The new public computers have arrived!! With successful funding from the State Library of WA the Narembeen CRC has purchased two BRAND NEW public computers. And the best thing about them? They are ready to use FREE OF CHARGE! Yes, you read this right. The CRC now offers FREE computer and internet access! Whether you need to use the internet or just the computer or need a quiet work place the Library is the perfect place for you.

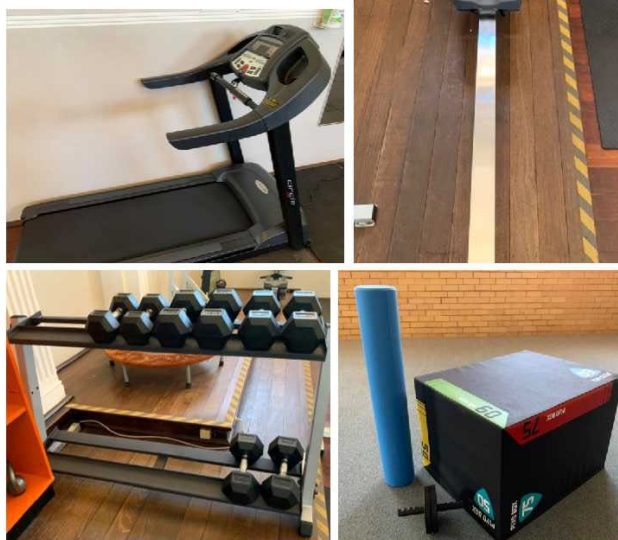

We are committed to improving digital connection and technology so more people in our small regional community can access computers, the internet and online information and services.

If you would like to use the public computers but are unsure how to, that is not an issue as we can provide free One-on-One training to all community members on how to use computers, how to access information/resources, government services, online banking and social media as required and tailored to individuals.

And don't forget the first Story Time session of 2021 is happening in the library this Friday, 26 Feb at 10:30am!

A big thank you to Danny Gray, Seb Cowan, Morgan Cowan and James King who installed the new gym equipment at the Narembeen Community gym over the weekend. The gym now has another brand new treadmill and rowing machine as well as a heavy dumbbell rack, foam roller, ab wheel and 3 in 1 foam Plyo! Enjoy the new equipment!

Please ensure the utmost care is taken in the Gym and with the equipment provided. Please report any defective or damaged equipment immediately to the CRC. Please also remember that the gym and equipment are for members only. Allowing non-members access into the facility will not be tolerated and will result in cancellation of your membership.

## PUBLIC NOTICE

### NAREMBEEN TOWN HALL

The public are advised that the Narembeen Town is closed until further notice, effective 16 February 2021.

A recent electrical inspection identified a number of issues relating to wiring, cabling and earthing not complying with current standards.

Council have allocated external grant funding for this project and following the necessary reports, urgent works will be undertaken.

The Shire apologises for any inconvenience the closure of this building may cause; however these works will ensure the future safety of patrons using the Town Hall.

# Mt Walker Tennis Club

It certainly was a hot hit on Sunday, the two courts we had going resembled a salt lake after members sweated it out. There were some long and competitive hits and the introduction of 'fast tennis' to help get members fitness back on track. We did end up with a few members cooling off in the coolroom after being on court and quenching their thirst with iced water only!

Junior coaching had another great week. Thanks to all the parents who helped with the K-2 group who rotated through stations to improve their hand-eye coordination and basic racquet skills. The Yr3-6 group are backing good progress and working on different shots. Thank you to Bill & Diane Cowan for the delicious watermelon straight from their garden, it was enjoyed by all. There is no coaching this Thursday due to the long weekend, but we look forward to seeing everyone back at Mt Walker the following week. Thanks also to Debbie for dropping the kids at the club.

Welcome to the newest Mt Walker emu, Orla Maeve – we look forward to seeing the Hickey family at the club with Orla soon.

## CENTRAL WHEATBELT

Dear Central Wheatbelt resident

At this election, every single vote will be important.

**We know the way the COVID-19 pandemic has been managed is important, but how you vote at this State election is about more than one issue – especially in regional WA.** If the Labor Party increase their vote they will introduce one-vote-one value in the Upper House and cut the number of regional representatives. There will be no check and balance for regional WA, we will lose our voice.

In addition to this threat, the Labor Government has slashed *Royalties for Regions*, short-changing our communities. They've collected record iron ore and gold royalties and are sitting on a \$3 billion budget surplus, but our region still struggles with high power and water bills, poor mobile phone connectivity, a lack of aged care services, crumbling roads and rail and no plan to fix it.

**Only The Nationals WA have promised to restore *Royalties for Regions* in full.** We are fighting to return your fair share of funding to the Central Wheatbelt for projects that are important to you and your community.

**The way you vote is important – don't leave your future in the hands of Perth politicians.** I'm asking for your support so The Nationals WA can keep fighting for you.

Yours sincerely

## **NAREMBEEN BOWLING CLUB**

On Wednesday the Ladies played Bruce Rock in Pennants and won.

Well done girls. Last week it was stated that we were good losers. I can tell you ,we are far better winners!

The Men played Pennants at home on Saturday against Corrigin with lots of “fill ins”. Thanks to all the guys that made up the teams. They obviously did well as Maroon drew and Gold won. Maroon are now cemented in top spot with Gold in third.

One game of pennants to go before the finals.

On Sunday we hosted the Men’s Champion of Champion pairs.

It ended up being a very long day as one team did not front up, so they had to play one block. Five games in very warm conditions saw survival of the fittest.

Merredin Civic were the winners.

Also a long day for the Ladies catering. Thanks to our helpers and thanks again to Sharlene, always obliging.

A few members enjoyed a social roll on the back greens later in the arvo.

Our Ladies have been on the circuit of Open Days. No news of winners but enjoyed playing different towns.

Good luck to all the Men off to Perth for the weekend to Country Week Bowls.

Congratulations to Greg Vaughan who will play for the Country side versus the State side on Thursday night.

Greg will be skippering a side and we know he will do well.

There will be social bowls this Sunday starting at 1.30pm

*Farmers and advisors are invited to a hands on workshop to hear the latest frost research findings and strategies to minimise the impact of frost on profit. Farmers attending have the opportunity to develop a personal frost management plan with input and guidance from the experts in the room.*

Presenters will include the State's leading frost researcher, frost strategies consultant, grower group executive officer, a grower sharing their experiences and local agronomists. Farmers attending are encouraged to bring your Yield & Elevation maps and 2021 Paddock Plans. Using the new information presented on the day, along with input from the experts in the room, participants will leave the workshop with a plan employing the latest tools to reduce the impact of frost on their profitability.

#### Workshop Instructors:

Ben Biddulph - Leader, GRDC National Frost Initiative "Management Node"

Garren Knell - Consult Ag Frost Management Strategies

A Farmer from a frost hotspot - frost experiences & implementation strategies

Facilitator - Sarah Hyde (Facey Group)
