# Over the Fence....

## Hospital Day

Narembreen Tennis Club hosted this annual event. Well done to all, raising over \$2000. This money goes to the Hospital Auxiliary and is spent on our hospital.

## Ex Narembreenys Sporting Achievements

Two of our local girls scooped the pool in the awards at the Safety Bay Bowling Club. Coralie Shattock (nee Bristow) won the Singles Championship and Maureen Beard won the Plate.

There are 350 bowlers playing at Safety Bay.

## Snapshot from the Past

Elsewhere in this edition of The Fencepost is the back page of a "Rural Isolated Schools" publication. It is interesting to note the names of families at the early Central Kumminin School and how many descendants are still in the district. The Jessie Veitch who was the first teacher has great, great, great grandchildren at our school and the Bow, Garmony and Draper names still feature prominently.

It is also interesting to note how the Kumminin/Cumminin seems to interchange. Cumminin Rock always seems to remain spelt with a 'C'. However then you get South Kumminin and Cumminin Road!

## Social

The Narembreen Recreation Centre was busy on Sunday evening after the cricket semi-final, the tennis Hospital Day and the ladies bowls Triples Championship. A great crowd of happy people.

Incidentally, its good to have the local pub back operating with positive reports on the meals and service. Well done guys, keep up the good work.

## Congratulations

Gail Duffy (daughter of Anna and John Duffy from Muntadgin) got married on Saturday, 27<sup>th</sup> February in Bremer Bay. She married Cameron Bailey.

The ceremony was at the Little Boat beach with the reception at the Telegraph.

Gail and Cameron announced at the wedding that they were expecting their first child.

## Numbats now REED Narembreen

Our local Numbats is now known as REED Narembreen. The centres phone number is 90647 250 and phone bookings to ADMIN 68 323 825.

## Rain

How good was the rain last week! It depended where you were in regard to amounts, but it seemed pretty general. Certainly perfect conditions for ripping up. Some water in dams too!!

**IMPORTANT DATES**

Day and Date	What's Happening
Thursday March 11 2021	Assembly: Year 1 (item) and PP Class Report
Friday March 19 2021	Interschool Swimming Carnival at Narembeen Aquatic Centre

**FROM THE PRINCIPAL**

Well this is a quick week for the students. While we were in Kulin yesterday, attending the Lakes Network combined School Development Day, our students had an additional day at home. Then, after just two days back in the classroom, on Friday, they have the first sporting event of the year, the 2021 Faction Swimming Carnival. **Good luck to all competitors, and don't forget, it is not about winning, it is about sportsmanship, team building and participation.** We have the Interschool event for our more elite swimmers. Yesterday, the staff were involved in a full day learning event at Kulin, relating to our own mental health and working on a work/life balance.

**WEEK 5 QUOTE:** with the first of the sports events, these are relevant.

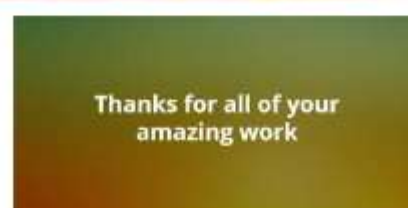

**ROTARY WHEATBELT SWIM FOR READING LEGENDS!**

**ROTARY WHEATBELT SWIM FOR READING LEGENDS!  
THANK YOU TO THESE ELEVEN LEGENDS FOR THEIR FUNDRAISING EFFORTS FOR  
OUR SCHOOL! WE REALLY LOVE YOUR WORK 😊**

On Saturday February 20 2021, this group of 11 Narembeen DHS students took up the challenge to 'swim for reading'. They participated in the Rotary Swim for Reading, an event that sees them fundraise, through sponsorship, for our school and not only do we get their sponsorship funds, we also get additional funding from E-rotary due to their efforts. **On behalf of the Narembeen DHS community, I would like to both acknowledge and thank them for their efforts, they are all absolute legends in my eyes 😊.** It is a big ask to give up a day of the weekend to travel to Bruce Rock and swim laps for their school to raise funds, but this group did just that and we should all be appreciative of their efforts. I cannot thank them enough nor commend them on the manner in which they put their hand up to represent their school. I owe each swimmer \$10 (which seems such a paltry sum given their efforts), and will give that to them today! The laps swum are listed below:

NAME	LAPS
Abbi Conkling	60
Lucy Conkling	100
Aden Cole	100
Alice Hardham	100
Isla Conkling	102
Jack Cusack	114
Wren Cheetham	115
Makayla Cole	130
Keira Butler	150
Sarah Lines	162

## SCHOOL BOARD VACANCY

We now have **one vacancy on our school board** and would like to call for nominations from the parent body to fill this vacancy. All nominations need to be **emailed** to me at [christine.arnold@education.wa.edu.au](mailto:christine.arnold@education.wa.edu.au) by the close of business **Thursday March 11 2021**. Should we receive more than one nomination, a ballot may be required.

**We have currently received two nominations, both of which will be accepted to Board due to changes that will occur to it throughout the year.**

## MENTAL HEALTH - IT IS SO IMPORTANT!

Mental health is one of our Business Plan priorities and we are continuously looking at ways to ensure that we are looking after the mental health of our students, striving to build resilience and inclusivity and engaging them in activities to build their overall mental health and well-being. Our team have a few incursions organised and these will be advertised as they come up. Since we are striving to ensure that we know what is involved in improving and maintaining positive mental health, a little bit of sharing of information is important. For your information:

### WHAT IS MENTAL HEALTH?

Mental health includes our **emotional, psychological, and social well-being**. It affects how we **think, feel, and act**. It also helps determine how we handle stress, relate to others, and make choices. **Mental health is important at every stage of life, from childhood and adolescence through adulthood.**

Over the course of your life, if you experience mental health problems, your thinking, mood, and behaviour could be affected. Many factors contribute to mental health problems, including:

- Biological factors, such as genes or brain chemistry
- Life experiences, such as trauma or abuse
- Family history of mental health problems

### Mental Health and Wellness

Positive mental health allows people to:

- Realize their full potential
- Cope with the stresses of life
- Work productively
- Make meaningful contributions to their communities

Ways to maintain positive mental health include:

- Getting professional help if you need it.
- Connecting with others.
- Staying positive.
- Getting physically active.
- Helping others.
- Getting enough sleep.
- Developing coping skills.

### Early Warning Signs

Not sure if you or someone you know is living with mental health problems? Experiencing one or more of the following feelings or behaviours can be an early warning sign of a problem:

- ✓Eating or sleeping too much or too little.
- ✓Pulling away from people and usual activities.
- ✓Having low or no energy.
- ✓Feeling numb or like nothing matters.
- ✓Having unexplained aches and pains.
- ✓Feeling helpless or hopeless.
- ✓Smoking, drinking, or using drugs more than usual.
- ✓Feeling unusually confused, forgetful, on edge, angry, upset, worried, or scared.
- ✓Yelling or fighting with family and friends.
- ✓Experiencing severe mood swings that cause problems in relationships.
- ✓Having persistent thoughts and memories you can't get out of your head.
- ✓Hearing voices or believing things that are not true.
- ✓Thinking of harming yourself or others.
- ✓Inability to perform daily tasks like taking care of your kids or getting to work or school.
