LOCAL

- Sunday saw many locals gather at the Rec Centre to farewell Sgt Richie Conkling and his family.
- Saturday saw the Narembeen Hawks Cricket team come away with a win to play in the Grand Final on Sunday. Unfortunately they fell 12 runs short.
- Narembeen Mens Bowls teams secure 1st and 2nd on the ladder to play each other in the first semi-final in Narembeen
- The Narembeen Seahawks Swim Club held their annual invitation meet on Sunday. Numbers were up and the weather was kind.

REGIONAL

- Voters across the Kimberley, Pilbara, Gascoyne and Goldfields have delivered Labor an unprecedented 57 per cent of the vote in the Mining and Pastoral region
- A 30-year-old man has died in a skydiving accident in Western Australia. The experienced skydiver was jumping solo in Jurien Bay. Police say his parachute failed to deploy.
- Lawson Grains farmland parcels hit the market, sale predictions to 'truly eclipse \$500 million'. Macquarie's Lawson Grains owns 105,000 hectares of farmland in WA and NSW. The land is on the market with an expected price tag of about \$600 million. Agents say there is strong interest from a range of sectors in agricultural land

STATE

- WA's Liberals decimated as Labor Premier Mark McGowan romps home in historic landslide. Western Australia has witnessed one of the most crushing election victories in all of Australia's history, with the government of Labor Premier Mark McGowan reducing the Liberal and Nationals to what could be as few as five seats between them in the state's lower house.
- WA Police launch major operation believed to be linked to killing of Rebels bikie boss Nick Martin. Police formed a ring of steel to protect a police station where detectives questioned a man over the execution of a Rebels bikie boss.

NATIONAL

- Australians rally for justice for women as alleged rapes shake government. Across the country on Monday, tens of thousands of women marched to protest against gendered injustice.
- WA, Victoria, Tasmania issue health alerts in response to new NSW coronavirus case. WA's Chief Health Officer is among the states issuing a strict new rule for anyone in the state who has recently travelled from NSW.

WORLD

- US President Joe Biden has signed his \$US1.9 trillion (\$2.4 trillion) stimulus bill into law, commemorating the one-year anniversary of a US lockdown over the coronavirus pandemic with a measure designed to boost the economy.

HISTORICAL HIGHLIGHTS

Our second meeting of the year was attended by nine members.

At the commencement of the meeting President L.Lethlean welcomed Sergeant R. Conkling who had arranged to hand to the society a map from the Police Station which had been marked with the names of farm owners in the district. This will be a valuable tool for us when researching for those who are looking for information on where their families had once farmed. The notations on the map date back several decades. Richie was thanked for donating this piece of history and was given good wishes for his future appointment and sincere thanks for his services to the community.

Liaison regarding the Billericay signage is continuing and no doubt the project will be completed before long.

The 'MUSEUM OPEN' sign was on display outside the museum and this will be placed in turn at our other museums as required. Thank you to Kellie for all the research on this item.

The other sign which was formerly in place has been reinstated and displayed to advantage. Thank you Lou and Chris.

The Centenary of local government book update planning continues to circulate in readiness for this important date in 2024.

Warren Milner will re draw a map of the Sandalwood Track. (Warren has done a great deal of work for us and it is much appreciated).

A busy bee was held last week at the War Museum and the RSL building. New cabinets have been purchased for the latter as this is the only museum which has not been refurbished. Grateful thanks to Ian and Michael Mortimore for the removal of the old furniture. We hope we haven't worn you out over recent months Ian. On this same day our filing received a boost as Susie Padfield spent quite some time on this job at the History Centre. Thank you Susie.

We had an offer of voluntary work to replace the RSL guttering but unfortunately due to insurance protocols this cannot be accepted but we sincerely thank the volunteer for his generous offer.

Hazel Toovey donated several photos of her family and others in sporting attire.

The Museums Workshop in Merredin which was attended by three members was deemed a great success and we will implement ideas from there as we move forward. One of the priorities is the digitization of our catalogue of exhibits.

The society continues to receive requests from people requesting details of family/friends who lived in the district. A busy aspect of our work.

The meeting studied a progress sheet drawn up last year and it is pleasing to see that many of the aims have been achieved and of course new ones are forever appearing.

Security is always a concern and several options are being considered in this regard.

On our busy bee days we plan to incorporate cleaning. It is difficult to keep abreast of this job, particularly as some of the buildings being old, let in a great deal of dust. An updated cleaning kit is to be purchased which can be moved to each museum as required.

NAREMBEEN AUTUMN CLUB

Last week Danelle Hudnott (Fricker) had a busy week delivering parcels sent from the Autumn Club - Beanies to the Seafares, blankets and teddies to the Port Hedland Hospital. We are grateful to Danelle for her support and we know that the parcels have been well received. In addition to the Seafarers and Hospital parcels, trauma teddies and blankets were given to the South Hedland Police.

Wadderin Wildlife Sanctuary – President's Report March 2021

It gives me pleasure to present my report for the previous 12 months.

First of all I extend my thanks to our Secretary, Peter and Treasurer, Steve for their sterling efforts in keeping the members informed and the finances balanced. They make the position of President a breeze.

To everyone who has given their time so generously in the extremely important task of maintaining the security of the fence, and keeping the feeders stocked, I offer my sincere thanks. This is probably the most important task we have, in that one incursion, can mean a huge loss in numbers of our all- important inhabitants – after all the reason we are doing what we do in the first place is protect the animals! On the same topic – well done Eddy Dixon for keeping the roster up to date and functional. Many thanks to all the fence checkers- Eddie and Dale Dixon, Don Cheetham, Noel Fudge, Bevan and Sandy Eyles, Helen and Frank Copeman, Dick Slade, Gaynor Latham, Joe and Wendy Wilson. Roger Padfield, Peter Lines, Brendan Johns.

During the year Yongernow offered us five Mallee-fowl which were released into Wadderin. However, to date, there haven't been any sightings, so unfortunately, it would appear the re-introduction appears to have been unsuccessful.

Jeff Short continues his excellent work in monitoring the health and numbers of our furry friends. In my opinion his continued involvement is a huge bonus to our project. I should also point out that he has been doing this work voluntarily since the grant money ran out some time ago.

Peter Lines, in addition to his secretarial work, has kept himself busy on many weekends cleaning debris from catchment channels which has, not only, resulted in a considerable increase in the dam level already, but has also prevented a large degree of damage to internal tracks as a result of overflowing channels. This should also result in alleviating the issue of asbestos sitting on the bottom of the dam.

Debbie Hall continues her task in looking after the needs of our rarest of creatures, the Banded Hare Wallabies, a job she has undertaken for a number of years.

Rhiannon and Brent Stewart have been extremely generous once again in donating chaff for the feeders within the Reserve. We are also indebted to Ray Sedgwick for transport of the chaff.

Earlier in the year Steve Fry was successful in applying for a grant to create walk-trails outside the boundary of the reserve so that locals and visitors alike can enjoy the stunning flora (especially in the wild-flower season). The grant also included funds to create an information rotunda that will provide details of the area's flora and fauna as well as some of the history surrounding the construction of the dam and catchment channels. There is still some work to be done to complete this, but it is scheduled to be completed before August. I congratulate Steve on this achievement and thank everybody who assisted on the busy bee.

The last of our achievements this year has been the installation of concrete fly-overs on each of the catchment channels. A big thank you to Craig Kennedy who provided the concrete at a very reasonable cost and Peter Hall, Joe Wilson and Michael Mortimore who helped in setting up form-work. I wish to offer special thanks to Peter Hall who provided a telehandler, six-wheel trailer and several day's work in installing the fly-overs.

On a more sombre note, I wish to acknowledge the tragic loss of one of our most active and valued members, Alan Sedgewick. He is sorely missed and our condolences are extended to Debbie and her family. Our sympathy is also offered to Steve on the loss of his mother.

In my opinion we have concluded a very successful year and, looking forward, I see the coming year presenting challenges to complete the gravelling the tracks that need attention, investigating the introduction of rock-wallabies and possibly a predator (western quoll?). Perhaps we could also initiate a 1080 programme on Frank Gould's property to control foxes and preserve Mallee fowl for a future project.

In closing, there are sure to be a number of people that deserve to be acknowledged that I have missed. Your efforts are certainly appreciated.

Brian Cusack (President).

Narembreen Bowling Club

The Mixed Fours Championships were played on Sunday. Six teams and a lot of fun.

John and Carol Currie teamed up with **Greg and Narelle Vaughan** and won with 9 points, or three wins.

Runners Up with two wins and 10 shots up were Eric and Terri Tenardi and Alan and Sylvia Yandle from Hendy, Anita and Bill Cowan with Sherrie Heather, two wins and two shots up.

The trophies will be presented at the Windup.

The men played their Champion of Champions Fours on Sunday and it was won by Civic.

Next Saturday Narembreen Gold and Narembreen Maroon play off in the first round of the finals, at Narembreen.

Congratulations to all players for finishing first and second this year. Spectators are welcome to come and watch.

In the Preliminary Final, the loser of Gold and Maroon plays the winner of Corrigin Blue versus Westonia, at Merredin on Sunday morning. The Grand Final, in the afternoon will be an exciting game. Good bowls and good luck.

EMPLOYMENT OPPORTUNITY

Part – Time Practice Manager

The Narembeen Medical Centre is a busy medical practice servicing the Narembeen community and surrounds.

We are looking for a motivated and organised Part-Time Practice Manager to look after our team. Ideally the successful applicant will have some experience with medical and accounting software, managing staff and general day to day running of a business. We are looking for someone who is organised, efficient, and who is a great team player. This is a role that is crucial to the day to day running of the practice.

The position has flexible hours/days and has the ability to complete some tasks from home. There are some relief hours at reception and these are mostly 8am-5pm with the occasional 8am – 1.30pm.

We use the Clerks (Commercial, Social & Professional Services) Award for wages and entitlements and this will be negotiated with the suitable applicant.

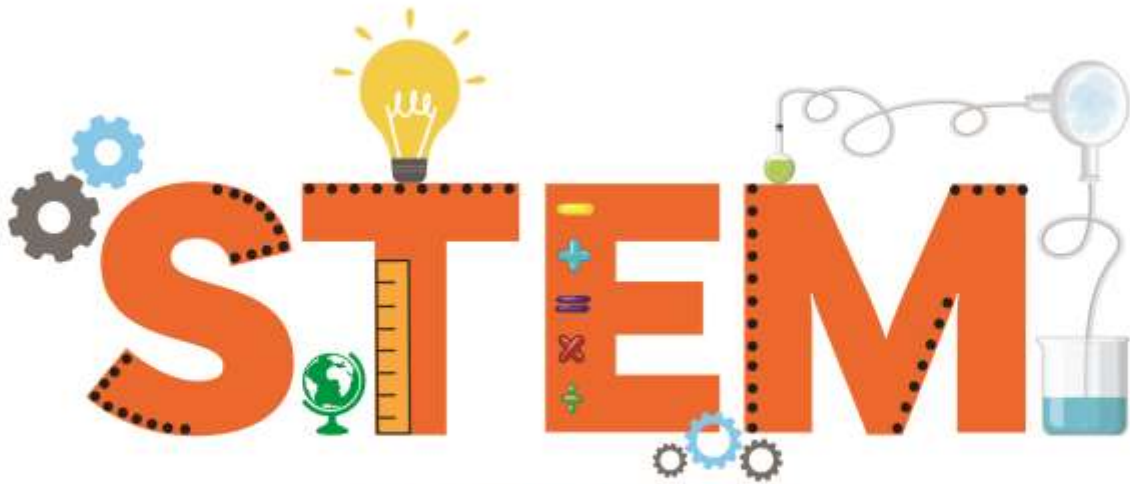

If you think you are the person for the role please email pdlines@westnet.com.au with your resume and cover letter.

Closes: 5pm, Friday, March 26, 2021.

From the Managers Desk

I hope everyone is having a good week so far.

We have been extremely busy over the last couple of weeks leading up to the Narembeen Ladies Long Lunch (LLL) 2021, but the day is nearly here!!! The 2021 Narembeen LLL is happening at the Narembeen Recreation Centre this Saturday, 20 March. Doors open from 11.30am and a day filled with fun and inspirational entertainment is guaranteed.

The CRC staff as well as LLL Committee have been working tirelessly to make this event happen and we couldn't be more excited, this event will be like no other! BUT an event of this size would not have been possible without the support and funding of all the amazing bronze, silver, gold and platinum sponsors and we can not thank you all enough!

BUT even if you aren't attending the LLL, please remember to pop down to the Club from 6.00pm and enjoy Live Music from PROOF—The Band, who will be performing for everyone 'under the stars' outside on the grass!! PROOF have been entertaining audiences at high profile corporate events in Perth and overseas for over decade. All members of PROOF are WAAPA (Western Australian Academy of Performing Arts) graduates and most have completed further studies in the arts.

They have shared the stage with many artists of the Australian & International music industry, supporting artists like Guy Sebastian, Daryl Braithwaite, Hunters and Collectors and even worked with members of INXS.

It is not often a 6 piece band comes to Narembeen so why not bring the family down and enjoy! Pizzas will be available for purchase as well.

The Triathlon is also fast approaching on Saturday, 27 March 2021, and because we were unable to have it last year, we are hoping to get as many people involved as possible. This is the perfect chance for

some pre season fitness for the upcoming winter sports season and just a bit of fun. Cost to enter is \$10 per person or \$5 for under 16 years of age. Like previous years, it will be at the Narembeen Aquatic Centre starting at 3pm. We have decided to change it up a bit this year and have the awards and dinner at the Aquatic Centre instead of the Narembeen Recreation Centre. Refreshments will be available for purchase, thanks to the Narembeen Hockey Club. Entry forms are available at the CRC office or on the Shire of Narembeen Website, please don't hesitate to call us if you have any questions. Make it a fun family day out, we cant wait to see you there :)

Last but not least — HAPPY HARMONY WEEK! Harmony week is a week where we celebrate Australian Multiculturalism! The week is all about inclusiveness, respect and belonging for all Australians, regardless of cultural or linguistic background. Research indicates that businesses perform well when employees feel included and their workplace is strongly committed to supporting diversity. At the Narembeen CRC we acknowledge cultural diversity and celebrate it, this week we want to showcase the cultural diversity here at the Narembeen CRC. Why not tell us a bit more about your background when you come into the office next, we look forward to hearing about it.

MEDIA RELEASE

Local producers set to shine with the Wheatbelt Food and Beverage Guide

Selling and sourcing local food products will soon be easier than ever thanks to a new guide that will showcase the Wheatbelt's local produce, to be released in 2021 as a joint project of the Wheatbelt Business Network and the Department of Primary Industries and Regional Development. The Wheatbelt Food and Beverage Guide will bring together and highlight the best of the Wheatbelt region's produce, creating one go-to place for local food and beverages and allowing caterers, restaurants and wholesalers to select quality local ingredients at a glance.

The call-out for Wheatbelt food and beverage producers to submit their product range opened this week. Producers of all shapes and sizes are invited to promote their products whether it is brewed, baked, caught, grown, or harvested, and inclusion in the Guide is free.

The Guide will be an important resource to assist the Wheatbelt community and beyond in supporting local businesses right through the supply chain, as well as giving locals the chance to enjoy the best of what the region's food and beverage businesses have to offer.

Wheatbelt Business Network CEO, Caroline Robinson said The Wheatbelt is well known for the quality grain, livestock and wool it produces, and through the Guide, we can now showcase the incredible and diverse range of food and beverage value-add products that have and continue to emerge throughout the region.

"The outcomes of the guide could be a game-changer for the smaller producers in the region. Increased brand awareness and local buying will mean profits are channelled into new jobs, equipment or product development."

"The Wheatbelt region is renowned for its natural assets, but let's not forget that we have unique products that you can't find anywhere else; a distinct advantage for the region. This guide is a great opportunity to take stock and make sure we are making the most of the talented producers in the region."

"By identifying and promoting well-established producers and up-and-comers who are thinking outside the box, the Wheatbelt can provide a diversified offering to domestic and international markets. The more we can help producers reach new customers, the better."

With the impact of COVID-19 shut-downs still lingering, a push for buying local could not come at a better time. With uncertainty around what 2021 will hold, a free opportunity for producers to promote themselves could prove valuable in reaching customers.

"Following COVID we know the importance of buying local and this initiative will make it easier for buyers to take action in supporting local businesses" said Ms Robinson.

The Guide will be a digital document that is hosted online and includes links to producer websites. Each producer will receive a professionally designed, double-page spread that features their product offering, company story and sales information.

Further information can be found and submissions made by visiting www.wheatbeltbusinessnetwork.com.au/wcg or emailing admin@wheatbeltbusinessnetwork.com.au for more information.

NEWSLETTER 04/21 March 15 2021
IMPORTANT DATES

Day and Date	What's Happening
Friday March 19 2021	Interschool Swimming Carnival at Narembeen Aquatic Centre
Wednesday March 31 2021	Assembly 9:10am Year 3/4 and Year 2/3 class report
Thursday April 1 2021	Last day of Term 1 2021

FROM THE PRINCIPAL

Week 7 Term 1! This week we are hosting the SCDHSSA Interschool Swimming Carnival and it is our last week in the pool ☺. Apart from lots of work prepping for the big day, it is business as usual ☺. Only two weeks left of term one after this week and it has literally flown by.

WEEK 7 QUOTE: I realise that about 50% of our parents are men ☺ but last week was International Women's Day and these are a couple of sayings regarding women that I like, mainly because if we are after gender equity, we need to know that it is not at the expense of anyone else, and it is up to women ☺. Both are anonymous.

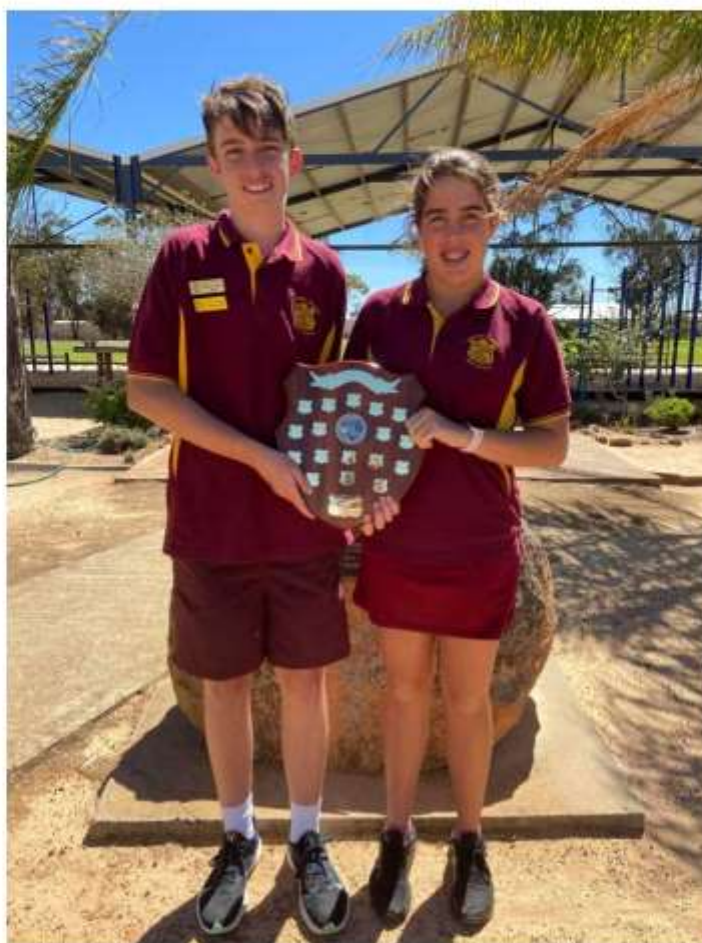

'A strong woman stands up for herself. A stronger woman stands up for everyone else.'
'The question isn't who's going to let me; it's who's going to stop me.'

FACTION SWIMMING CARNIVAL

The Faction Swimming Carnival was a great success and once again we were all impressed by the sportsmanship and resilience of our students to just have a go. In the long run, all we want is for the students to have the confidence to give it a go, maybe doing 50m of freestyle and finishing could be the catalyst to getting involved in another sport, getting fit or joining the swimming club next year to get better. Well done to Gold who won the day and to the medallion winners in the individual age groups. Many thanks to all of the parents for their assistance, to G and Hannah for their work at school and to the staff for their efforts on the day. Great job all of you ☺.

Parker Lynch	Year 3	Stephen Cummins	Year 10

Congratulations

AUSSIE OF THE MONTH: ALBERT EADES

Albert received the first Aussie of the Month for showing considerable care about not only his fellow classmates, but also the values of the school. Albert is always willing to help others when he can, and makes a concerted effort to display behaviour which marries in the with the ethos of Narembeen District High School.

NAREMBEEN DHS IS A PEANUT AWARE SCHOOL

Anaphylaxis is a life-threatening allergic reaction and we have a student in our Kindergarten who has this reaction to peanuts. I would like to remind all parents that our ECE area is **PEANUT FREE**. Please **DO NOT SEND PEANUTS, PEANUT PRODUCTS OR PEANUT BUTTER TO SCHOOL WITH YOUR CHILD**.

IN OUR ECE CLASSROOMS WE HAVE

All snacks/treats must not have traces of nuts, please check the ingredient list prior to placing them in the lunch box.

PLEASE NOTE: On days that our school has whole school activities, **ALL STUDENTS must adhere to this ruling as the kindergarten students are interacting with all students**. However, we are **nut aware**, so therefore, on any other day, students from Years 1 - 10 can have food with nuts, but they must be aware that they do **NOT SHARE** food, and must **WASH THEIR HANDS AFTER EATING**.

VIRTUE OF THE MONTH - PERSEVERANCE

Perseverance is all about being steadfast and persistent. It means you set your goals and work towards achieving them until they are completed. You pace yourself and don't give up, you just keep going.

You are practicing **Perseverance** when you:

1. Choose your commitments carefully,
2. Set goals and stick with them until completed,
3. Pace yourself, and take one step at a time,
4. Don't let doubts and tests blow you off course,
5. Stand by your friends and loved ones.

As parents and caregivers we hope that you will support students in their endeavours to persevere when they are faced with challenges.
