HAPPY EASTER

Best Wishes to the community for a safe and enjoyable Easter. Please take care over this holiday period and particularly when and if you are travelling away from home.

Congratulations

Well done to Mitchell and Emma Miolini on their win over Robert and Maxine Miolini in the Final of the Tennis Mixed Doubles competition last Sunday. The great tennis was followed by the AGM and then a shared dinner which was enjoyed by all present.

WINTER SPORTS

Dear winter sports co-ordinators - even though it doesn't feel like "winter is coming", could we please send in your winter fixtures to us here at the Fencepost to : fencepost@westnet.com.au

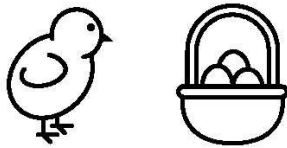

Gold Medal Winners and Proud Grand Parents

Lola Quinn, 2nd daughter of Naree Cowan and Michael Quinn and grand daughter of Halley and Mary, has just returned from the Australian Rowing Championships in Tasmania.

She had a successful carnival winning bronze in the under 21 fours and silver in the under 21 coxless quad (2 oars each) where they lost by 0.1 of a second.

She was also in the state youth eight which won the gold medal for the interstate competition. This is only the second time WA has won this event, the last time was 18 years ago.

Mt Walker Tennis Club

A huge thank you to Nora and Rhiannon for organising the Wind-Up Luncheon at Mt Walker. The kids enjoyed their feast (thanks to Nora and Courtney) and the Asian inspired spread put on by the Co-Op was enjoyed by all. Nora's decorating skills turned the Sports Club into a beautiful dining experience. It seemed like finding a free date in March was going to be the hardest part of organising the wind-up, but members were able to enjoy their lunch then head into the triathlon.

Thank you to our Captains Pete and Courtney for the 2020/2021 season and their Vice-Captains Michael and Shohan for all their hard work; we had a great and enjoyable season on and off court and look forward to next season!

Following the AGM, congratulations to the following for the 2021/2022 season:

Narembeen Bowling Club

Well its another bowls season done and dusted.

We had closing day on Sunday. The Men played pairs for the Ralph Thomas Memorial Trophy.

A great entry of 16 pairs.

The winners were Robbie Gill and Greg Vaughan.

Runners up Tony Miolini and Micky Hall

Third place went to Eric Tenardi and Neil Rogerson

The Ladies played a Drawn Pairs competition for the Helen Copeman and Anita Cowan trophy.

Also a very good entry of 8 pairs.

The winners were Kellie Mortimore and Julie Miller.

Runners up Sylvia Yandle and Noela Cole.

Presentation of the Seasons Championships and Dinner followed the days play.

It was a great evening with everyone enjoying the last hoorah.

Thanks again to our Sharls for a lovely dinner. As usual she excelled.

There was a special presentation on the night to Colleen Crowd and Peter Suckling who have unfortunately left us and moved to Brunswick Junction.

Colleen and Peter have both contributed so much to our bowling club over 25 years.

We wish them both well and know they will return for some open events next season.

It has been a great bowls season.

Thanks to all those involved. We are the envy of many clubs with our increase in membership in both the mens's and Ladies bowlers.

The Gold Men's Pennant team brought home the flag with Maroon runners up.

A derby Grand final. It can't get any better. Congratulations.

NOW.... THE MOST IMPORTANT EVENT OF THE YEAR!!!!

THE ANNUAL GENERAL MEETING WILL BE HELD ON MONDAY THE 12TH OF APRIL AT 6PM AT THE CLUB.

REMEMBERA GOOD CLUB IS A WORKING CLUB

PLEASE ATTEND TO SUPPORT THE COMMITTEE THAT HAVE WORKED HARD THIS SEASON.

Thanks to the Fence Post workers for putting our notes in each week. We could not do without our Fence Post for announcing pennant sides etc.. Much appreciated.

AUTUMN CLUB NOTES

Home Care Assistance for You and Your Loved One

Bonny King from “Right at Home” an Australian in-home care company, addressed members and guests of the Autumn Club about Aged Care at Home.

The main question on everyone’s lips was “Who qualifies for a Home Care Package?”

Bonny advised to find out your Home Care Package eligibility, you will first need to contact the Government through the My Aged Care website to request an assessment. You will then be referred to the Aged Care Assessment Team to arrange an in-home assessment of your needs and determine the Home Care Package level for you.

As a recipient of a Home Care Package, you will be able to choose which provider you would like to have deliver their services, tailoring the services to help you and loved ones to maintain independence and a healthy, fulfilling lifestyle.

FAREWELL MESSAGE FROM RICHIE CONKLING

So it's finally happening. After a few false starts and delays the removal company came on Friday and we're definitely going!

'Where does time go? 4 years ago the Conkling family arrived in Narembreen to embark on the next stage of our nomadic adventure. We'd never lived anywhere as small (or far inland!) and I'd only ever worked in large towns or cities so we had no idea what to expect.

4 years later and it's time for us to move on again. We've loved our time here and want to thank everyone for making us so welcome. Narembreen is a fantastic community and we have great memories of our time here.

Work wise we've looked to target the issues that are of the greatest concern to the community. We've put a lot of effort into an operation targeting the use and supply of drugs, which resulted in us charging 22 people with 65 offences. This has fed into our Community Wellness Plan. We're one of very few towns to have such a plan, developed by the Shire, which identifies the issues that might impact on the health of our community. This has enabled us to get greater provision for drug counselling, which has had a positive effect on the health of our town.

These are just a couple of examples of what we can achieve when the community works together. There are many others, such as SOCK Week, and they all have one thing in common: Local people getting together to target local issues. It's one of the strengths of the town that we have such a strong sense of community here and it's helped me immensely.

Whilst I may be leaving policing in Narembreen will go on. I'm leaving the town in safe hands; my colleague Adriaan has been an integral part of the work we've done and will continue to be involved in the community for some time yet. My successor Steve should be here in a few weeks (if his transfer goes more smoothly than mine!) I'm sure he will be keen to work with the community to keep Narembreen 'a great place to live'. Please make him and his wife as welcome as you did us!

Thank you for everything Narem, we'll be back to visit!

Grain Brokers Australia Weekly Market Report

Modern-day "Suez Crisis" disrupting world trade...

The Suez Canal is a crucial artery in world trade, but its operation suffered a major setback last Tuesday when one of the world's largest container ships ran aground and blocked transit in both directions. The Ever Given was passing through the Suez Canal en route from the Chinese port of Yantian to Rotterdam, the largest seaport in Europe, when it veered off course in a single lane stretch of the canal, about six kilometres north of the Red Sea entrance.

The ship was occupying fifth position in a northbound convoy of 20 vessels when it was reportedly hit by a strong wind gust and dust storm near the village of Manshiyet, causing it to deviate from the intended route. However, the Suez Canal authority has since suggested that technical or human error may be to blame. When it came to a halt, diagonally blocking the canal, the bow was wedged firmly into one bank, and the stern was resting against the other.

At 399.94 metres, the Ever Given is one of the longest container ships currently in service and is operated by Taiwan based Evergreen Marine Corporation. Its hull has a beam of 58.8 metres, a depth of 32.9 metres and a fully laden draft of 14.5 metres. The vessel's deadweight is just under 200,000 metric tonne, and it has a container capacity of 20,124 TEU (twenty-foot equivalent units).

A combination of dredging sand and mud from around the ship's bulbous bow and pulling with as many as 14 tugboats to refloat the stricken carrier had limited success over the weekend. However, following more dredging and favourable tidal conditions, the Suez Canal Authority announced that salvage crews had been successful in partially freeing the vessel just after 5:30am local time Monday.

The Ever Given was completely refloated at 3:05pm local time Monday, and traffic resumed in both directions shortly thereafter. Egyptian officials said that the backlog of vessels waiting to transit the Suez Canal should be cleared in around three days, but experts believe the knock-on effects on global trade will be felt for weeks, or even months.

More than 425 vessels were stalled at either entrance to the canal, including at least 60 dry bulk vessels carrying commodities such as grain, coal and iron ore. The list also includes container ships, oil tankers, LPG and LNG tankers, livestock carriers, general cargo ships, chemical tankers, and car carriers. The blockage is estimated to be delaying up to US\$9.6 billion worth of cargo per day; US\$5.1 billion northbound and US\$4.5 billion southbound.

The Suez Canal is an artificial sea-level waterway connecting the Mediterranean Sea to The Red Sea via the Isthmus of Suez. It is 193.3 kilometres in length and essentially runs in a north-south direction from Port Said on the Mediterranean Sea to Port Tewfik, near the city of Suez, on the Red Sea. The canal divides the Asian and African continents as well as Egypt controlled Sinai Peninsula to its east from the Egyptian mainland to its west.

The canal took ten years to construct and was officially opened on November 17, 1869. It provides a more direct and faster route between the North Atlantic Ocean and the Indian Ocean, eliminating the need to navigate the long and treacherous alternative around the Cape of Good Hope. It reduces a ship's journey from the Arabian Gulf to London by around 8,900 kilometres, or roughly ten days sailing time and saves up to 800 tonnes in fuel consumption.

An extension of the Ballah Bypass in 2014, to 35 kilometres in length, increased the canal's two-way capacity, boosting the number of vessels that can pass through the waterway each day from 49 to 97. However, draft restrictions mean some supertankers still cannot transit fully laden, having to offload part of their cargo onto smaller vessels before entering and then reloading that cargo at the other end.

The Suez Canal saw around 12 per cent of world trade volume navigate its waters in 2020. A record 18,880 vessels traversed the waterway last year carrying a combined cargo of more than one billion tonnes and a combined value of more than US\$1 trillion. Approximately 30 per cent of the world's shipping container trade utilises the canal, with fees paid to the Suez Canal Authority totalling US\$5.6bn last year.

Nearly 10 per cent of total seaborne oil trade, 20 per cent of global LNG trade and 16 million TEU passed through the waterway last year. According to the Suez Canal Authority, around 55 million metric tonne of grain is shipped via the channel annually. The vast majority of the grain traffic originates in the US, Europe and the Black Sea regions and enter the canal via the Mediterranean Sea on their way to destinations in the Middle East and the Far East.

In 2019 a total of 54.135 million metric tonnes of cereals transited the canal in dry bulk vessels, of which 53.043 million metric tonne, or 98 per cent, moved in a north to south direction. The total volume of oilseeds was 7.800 million metric tonne, with 5.908 million metric tonne, or 76 per cent, moving from the Atlantic basin to the Indian basin.

Data out of the US last week revealed almost 768,000 metric tonne of US inspected grain cargoes were on their way to Asian customers via the Suez Canal. Around 80 per cent of that was corn, 60 per cent of which was on six vessels destined for China. The other corn destinations were Indonesia, Saudi Arabia and Jordan. The remaining 20 per cent were a cargo each of sorghum, soybeans and wheat destined for China, Bangladesh and Djibouti, respectively.

The suspension of traffic through the narrow waterway has intensified problems for container shipping lines. They were already facing disruption and delays in supplying retail goods to consumers due to the coronavirus pandemic and pricing anomalies that have emerged in the global freight market in recent months.

The impact on energy markets is likely to be mitigated for a short time by subdued demand for crude oil and liquefied natural gas (LNG) as a result of the pandemic and the traditional low season. Additionally, stockpiles that have built up across the globe over the last twelve months will provide a short-term buffer. The Sumed pipeline can also pump 2.5 million barrels of crude oil per day across Egypt from the Red Sea to the Mediterranean Sea.

The uncertainty of passage meant dozens of bulk carriers, oil tankers and container ships have already rerouted via the Cape of Good Hope, adding substantial cost and more than a week to most journey times. Just a week into the crisis and the effects on global trade and sea freight rates have been building. However, freeing the vessel so quickly has avoided an exponential escalation in global shipping costs across almost all categories.

Are you interested in the biosecurity of Western Australia's agricultural industries?

The deadline for expressions of interest from Western Australian producers and stakeholders to join committees to oversee biosecurity funding schemes has been extended to 9am Monday 12 April.

Western Australian producers and other stakeholders in the dairy, beef, grain/seed, hay, sheep and/or goat industries and respective supply chains are invited to apply for positions on Industry Funding Scheme Management Committees and/or the Industry Funding Scheme Review Panel.

Industry Funding Schemes enable agricultural industries to raise funds to address priority pests and diseases at a whole-of-industry level.

The schemes are industry-driven and overseen by a Management Committee made up of producers and others with appropriate industry knowledge and expertise.

The Review Panel reviews applications for payments made under the Industry Funding Scheme regulations.

The Minister for Agriculture and Food appoints members for a period of up to three years. The Department of Primary Industries and Regional Development provides support to the schemes, committees and panel.

During 2021, there will be vacancies on the following Management Committees:

- Cattle Industry Funding Scheme (4 vacancies)
- Grains, Seeds and Hay Industry Funding Scheme (4 vacancies)
- Sheep and Goat Industry Funding Scheme (4 vacancies)

From 1 July 2021, there will be three vacancies on the Industry Funding Scheme Review Panel.

The Management Committees meet quarterly on dates agreed by members. The Review Panel convenes when a review of an application for payment, made under the Industry Funding Scheme regulations, is requested.

Members of the Management Committees and Review Panel are remunerated, including sitting fees and travel expenses.

More information, including the terms of reference and selection criteria, is available on the Department of Primary Industries and Regional Development website at <http://www.agric.wa.gov.au/ifs-how-to-apply>.

Expressions of interest can be made online at <https://agric.smartygrants.com.au/IFSEOs2021>. Alternatively, you can submit your expression of interest by email. This should include a (maximum) three-page letter addressing the selection criteria and a current resume of a maximum of two pages.

Online applications are the preferred method for submitting an expression of interest. Emailed applications can be sent to Rebecca Heath.

Expressions of interest close at **9.00 am Monday 12 April 2021**.

NEWSLETTER 05/21 March 29 2021
IMPORTANT DATES

Day and Date	What's Happening
Wednesday March 31 2021	Assembly 9:10am: Year 3/4 and Year 2/3 class report
Thursday April 1 2021	Last day of Term 1 2021
Tuesday April 20 2021	First day of Term 2 2021

FROM THE PRINCIPAL

Term 1 comes to a close this **Thursday April 2 2021**. It has been a busy term with all of the swimming lessons and two carnivals but productive. We have at least not been put into lockdown (touch wood) like we were in Term 1 2020 and our students are able to learn in the classroom not at home. We hope that our new students in Kindergarten have enjoyed their first nine weeks of school and that any new students to our school have quickly fitted into their classes and that the transition has been a smooth one. On behalf of the staff of Narembeen DHS, I would like to wish you all a **happy and safe Easter**, followed by a terrific break from the school routine. We have an eleven-week term coming up, which is a long one, so hopefully the students can enjoy the mild weather, get out and about, enjoy some time outside, play, exercise, use their imaginations and learn through interacting. Of course the odd movie is great, but let's remember to put down the devices and be active in our lives ☺.

WEEK 9 QUOTE:

'Don't allow gadgets to replace games.'

Amit Kalantri, Wealth of Words

The one below is because we all know that we need our technology, we just have to know how to teach our children to use it appropriately ☺

'Every time there's a new tool, whether it's Internet or cell phones or anything else, all these things can be used for good or evil. Technology is neutral; it depends on how it's used.'

Rick Smolan

AN OBSERVATION AND A REFLECTION HOW LUCKY ARE WE!!

I have been a teacher now for 42 years, and yes that makes me old. However, in the years I have been involved in education, I have seen changes, many of these around the change in what is considered acceptable behaviours from students, and obviously, because it is the area that I teach in, high school student behaviours. I also get to go to other schools and see other students! Now, I may have seen these changes, but I have never accepted them. I have never once thought that we should accept poor behaviours, sulky attitudes, bullying, mobile phones, and a 'I don't have to do that' frame of mind. Once upon a time, we did have students who certainly pushed the boundaries of acceptable behaviour, and teachers spent time dealing with these poor behaviours! Thankfully, since becoming Principal, **the staff and parents in Narembeen have agreed with my ideas regarding acceptable behaviour and how to deal with it, and between us we have created a special school with some amazingly well mannered, well behaved, resilient students, full of pride for their school and community.** Students in our high school thank you every time they leave the room, their behaviour is almost always outstanding, and we as teachers get to teach, not spend time managing behaviour. This doesn't happen everywhere, this is pretty unique and I for one, am glad that I get to spend my time in this great school 😊. We should all reflect on this and aim to ensure that we maintain our outstanding standards due to our shared vision and values. Thank you one and all for your support 😊, we really cannot do it without you.

SCDHSSA INTERSCHOOL SWIMMING CARNIVAL 2021

There may have been a pennant or shield for the past 16 years at this event that has come back to Narembeen with us after the carnival, **but that does not mean that the 2021 team did less to strive for the win that the past 16 teams. We had every swimmer in our team work as hard as they could for the best possible result that they could.** No one shirked the issue, they were in events, they were at the carnival and they were there to do their best! We were super proud of both **Toby Bald and Holly Mortimore** for the manner in which they approached the event, they knew that they were not going to be up with the leaders, but they came to training and put in a huge effort to be the best they could be on the day. While there were teams who had swimmers pulling out of events, with one exception due to illness on the day, and Bowdan was very disappointed to miss out on his events after spending so many months in training, **our team did not even ask the question (probably because they know the answer!).** We have lost some talented swimmers and do need a few more families to join our great club, but the swimmers in the **2021 Interschool Swimming team can hold their heads high. You were terrific.** Having said that, Kulin must be congratulated on the manner in which they have turned their results around. They have the largest handicap because they were the weakest school in 2016 & 2017. Some of their parents got a club up and running and it is now reaping rewards, as I said on the day, there were two winners, swimming and Kulin. **Well done to Kulin DHS, a great result due to committing to improving performance.**

OVERALL RESULTS:

SCHOOL	HANDICAP	OUTRIGHT POINTS	HANDICAP POINTS
Kulin	206	354	560
Narembeen	0	300	300
Corrigin	187.75	162	349.5
Bruce Rock	171	99	270
Southern Cross	206	21	227

MEDALLION WINNERS:

Congratulations to the following swimmers. Since most of you are club members, I see first-hand how hard you have worked in the pool to be prepared and you thoroughly deserve your success. Bowdan, sorry you missed out but there is always next year ☺. Mia and Rhienna Parsons are missing from the photograph.

CARNIVAL THANK YOU'S

Obviously holding the Interschool Swimming Carnival means that there is a power of work done before hand. Huge thanks to **Jo Slade, Ashleigh Hunter and Amanda Hall** for their efforts to have all of the paper work done and ready to go for a smooth event on the day and for their work on the recording table throughout the day. Thanks also to the following:

- **Carissa** for having the knowledge required to keep up with the changing program and for entering the data into Meet Manager throughout the day ☺
- **Azza** for the loan of his trailer both Thursday and Friday.
- **Mike, Chick, G, Russ, Dylan, Jo, Amanda, Hannah, Sam, Tim, Holly and Andy** for setting up Friday morning.
- **Holly** for announcing
- **Mike and Tim** for doing the running for the timekeepers' sheets through-out the day, and **Bardy** for assisting and stepping up into a timer's role when needed.
- **Anita** for her work as starters marshal. A tough job given the changes!
- **G** for marshalling, possibly the hardest one he has had, and he has done a few!
- All of the parents who timed throughout the day, including those who took up the timepieces for Lane 6, which was used a great deal more than it was originally going to.
- Our School Board members who gave our ribbons out.
- **Hannah and Mel** who looked after our team in the bay.
- **Sarah and Amy** for the thankless task of stroke judging, with explicit instructions not to unless we had to! They are both also life guards and assisted us as qualified supervisors.
- **Russ** for starting.

P & C CATERING COMMITTEE THANK YOU

A huge thanks to **Holly Burns** for organising the amazing morning tea for the Interschool Carnival. Thank you to all of the parents who provided the terrific food to sell. Cheers to **Rhiannon** for assisting **Holly** throughout the morning. It is great to see so many working so hard for our P & C Association.

Thanks also to **Kim Thorn** for organising the lunches and having them all at the pool ready to go in plenty of time. There were no problems, no missing food and the schools were very grateful. Thanks to **Kylee Slade** for assisting her on the day, we appreciate both of your efforts.

THANK YOU SARAH: FUNDS FOR COUNTRY WEEK AND CAMP

Sarah Kuhne-Munroe is always looking at ways to make money for the clubs she is involved in and the school, and we would like to thank her so much for donating an Easter prize she won in a raffle towards a raffle that was held on the day of the Interschool event. The raffle was run by the Narembeen Swimming Club, with all proceeds donated to Narembeen DHS for **COUNTRY WEEK AND YEAR 5/6 CAMP**. So thank you Sarah, and thank you Pauline for selling the tickets, \$500 was raised for our Year 5 – 10's week long excursions.

THANK YOU LUCY: FUNDS FOR COUNTRY WEEK AND CAMP

At our Faction Carnival, Lucy Lines once again organised the lunches, and with Karen Bormolini, prepared them. The profit from this activity was \$621 with Lucy donating the bread, salad, cheese and muffins. This is a terrific sum of money for our CAMP AND COUNTRY WEEK activities, and once again, we thank Lucy for her efforts 😊.

CONGRATULATIONS SARAH LINES: ACADEMIC SCHOLARSHIP SUCCESS

Sarah Lines (Year 9) has been successful in winning two academic scholarships. She won one to MLC and one to Penrhos. After visiting both schools, Sarah has decided to attend Penrhos College for her final three years of study (year 10, 11 & 12). She has accepted the 'Nancy Thomas Academic Scholarship' and we congratulate her on this achievement. Sarah will head to Perth in 2022 fully prepared to continue achieving at a high level and thoroughly equipped for her difficult courses.

Sarah Lines, Year 9, our latest scholarship winner 😊

HONOUR ROLL SUCCESS FOR PAST STUDENTS

Congratulations to past students **Nash Cheetham** and **Sari Wilson**, who in their first year at Guildford Grammar, have made the Term 1 Honour Roll. **Nash and Sari started Year 10 at Guildford at the start of this year** and have done very well to achieve this in such a short time. Of course, they are capable students, but have an amazing work ethic as well. Congratulations also to **Jolie Cheetham**, who is in Year 11 and her 2nd year at Guildford, and made the honour roll again for Term 1. **Keep up the good work 😊**.

OUR YEAR 9 & 10 STUDENTS DO US PROUD AT LADIES LONG LUNCH

Firstly, before I thank any of the students, I have to say a massive thank you to **Mrs Lucy Lines**, who gave up her ticket to the recent Narembeen Ladies Long Lunch to **supervise a team of students from our Year 9/10 class, who gave up their Saturday to wait tables at this event**. These students and Lucy, have earned **\$1,000** for the Narembeen P & C Association with the funds given directly to our Year 5/6 Camp and high school Country Week (on top of the P & C donation). The students were outstanding all day and are to be commended on the manner in which they worked and interacted with the clientele. **Your maturity, excellent manners and strong work ethic were all evident. Thank you so much Lucy and students, we appreciate your efforts.**

The workers 😊: Alice Hardham, Cameron Hills, Stephen Cummins, Makayla Cole, Keira Butler & Sarah Lines

ASSEMBLY: YEAR 3/4 AND THE YEAR 2/3 CLASS REPORT WEDNESDAY MARCH 31 2021 AT 9:10AM

Just a reminder to the school community that our 2nd assembly for the year in on this **Wednesday March 31 2021 at 9:10am**. The Year 3/4 are running the assembly and putting on the item while our Year 2/3 will be supplying the class report.

INTERIM REPORTS

All students in **Year 1 – Year 10** will receive Interim Reports on **Thursday April 1 2021**. These are brief reports that will give you an indication regarding how your child/ren are going. Full reports are sent home at the end of each semester. If you have any concerns regarding these, please arrange an interview with their teacher(s) as soon as possible.

POSITIVE REWARDS

Positive rewards Day activities will take place this **Thursday April 1 2021**, commencing after recess with a scavenger hunt and escape room, then an Easter Egg or chocolate hunt after lunch and culminating with ultimate tag. **All students are at present involved in this event.**

THANK YOU SHIRE OF NAREMBEEN AND CHICK

Now that the swimming season has finished, we would like to say a big thank you to the Shire of Narembeen for the wonderful aquatic centre that we get to use for both PE lessons, run, swim, run and the afterschool swimming club training. Thanks also to Chick for continuing to be available to help the staff and students out when needed in his role as the Aquatic Centre manager. A long season has drawn to a close but swimming is great for fitness, muscle tone and general health, and it is great to see the centre being used ☺.

VOLUNTEERS NEEDED - LUNCHTIME LIBRARY ROSTER

CAN YOU HELP OUT THE SCHOOL BY GIVING UP 30 MINUTES OF YOUR TIME?

Our parent volunteer Library Roster needs more volunteers! On **Tuesday and Friday lunchtimes** parents volunteer to come to the school library and supervise the students who come into the library so that they have the option to go in the library at lunchtime. If you can spare 30 minutes at lunchtime and would like to be part of the roster from Term 2, 2021 onwards; please call **Adelle Ashmore** on (08) 90617007. Thank you very much to those who are already volunteering, you are very much appreciated. If you are able to help, please let Adelle know.

From the Managers Desk

It has been another busy weekend for the CRC with the Triathlon last Saturday. 25 adults and 65 children participated in the 2021 Narembeen Triathlon. Thank you to all participants, spectators and volunteers who somehow played a part in the 2021 Narembeen Triathlon! With 90 competitors it was a great day enjoyed by many!! This day would not be possible without the help and commitment of Shire and CRC staff and all volunteers involved! Thank you so much! Thank you also to the Narembeen Hockey Club for catering, Mick Chick for all he does at the pool and Mr G for getting everyone from the footy development camp involved in the event. It was a great day and wonderful evening to enjoy a celebratory drink together.

The XERO Workshop is happening this Thursday, 1st April and we have two spare spots, so if this is something you want to upskill in, it is not too late to sign up!! Contact us at the CRC today!!

We are closing the doors for Easter and will be closed, Friday, 2nd and Monday 5th April and reopen on Tuesday, 6th! We hope you have a great break and can enjoy some quality time with your family. HAPPY EASTER!

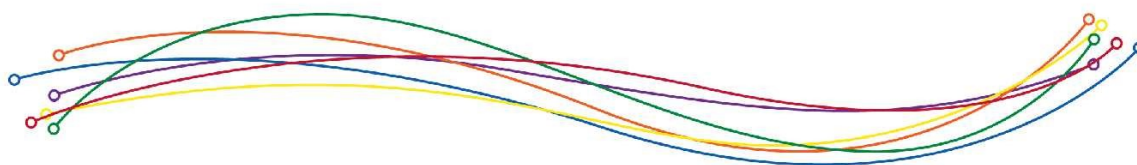

Our School Holiday Activities for the little ones are back and we have some fun arts and craft activities planned for Thursday, 8th in preparation for Mothers Day. If you are around these school holidays and need a couple hours to yourself, we will happily take care and entertain your children ages 6 and up.

Have a great week!

EASTER DAY

I saw Him standing in the garden,
He spoke so softly—I could hear -
“I am the Resurrection and the Life,
in me have trust, and do not fear.

I have risen to save all men
who sin, as humans do.

Never be afraid again;
my love is very great for you”.

I heard these words with joyous heart,
as I looked upon his glorious face.

If man would only heed His words,
the salvation of the human race.

I knelt before the beloved Christ,
He placed His hands upon my hair;

“Go in peace, and love, my child”.
When I looked again—He was not there.
