Over the Fence....

Local

- EDFL Round 3 cancelled.
- ANZAC Day Service held in town. Numbers down on previous years possibly due to Covid restrictions.

Regional

- WA broccolini grower may have to plough 40% of crop after seasonal worker flight cancelled. The State Government will try to reschedule travel for the 150 Pacific workers who had their flight cancelled last week amid changes to the State's hotel quarantine system but this will be all too late for some growers.
- Summer rain leads to "earliest and best" start to WA growing season in years. The region will have more than a golden glow than usual, with growers expected to add more than 15% canola into their rotations.

State

- St John Ambulance paramedic forced into quarantine after possible exposure to COVID-19.
- WA Premier makes 'unfortunate' decision to cancel Anzac Day services for second time.

National

- Australian Olympic gold medallist John Konrads has passed away. He was well known for taking out the 1500m gold medal at the 1960 Olympics in Rome. He was 78.
- Trio of coaches urge AFL to shorten length of quarters. Chris Fagan, Ken Hinkley and Brett Ratten have urged the AFL to consider making a potentially game-changing amendment to the rules.

Global

- The US space agency's Ingenuity Mars helicopter has now made its third successful flight on the Red Planet.
- The boss of networking giant Cisco has said the shortage of computer chips is set to last for most of this year. The chips are used in many items including vehicles.

Media Release - Appointment of new CEO

The Shire of Narembeen Council has appointed Mr David Blurton as its new Chief Executive Officer following the meeting on 20 April 2021.

"We are delighted to announce Mr Blurton's appointment as the CEO for the next three years. Mr Blurton comes with over 20 years' experience in local government, the last seven of which has been in the capacity as CEO. He is an excellent fit for our organisation and our community" said Shire President Rhonda Cole.

Mr Blurton was previously the Chief Executive Officer at the Shire of Collie and has a strong background and relevant qualifications in Accounting and Public Administration. He has been Acting CEO at the Shire of Narembeen since December 2020.

"I am excited to be appointed to the position of CEO at Narembeen and I look forward to working with the Council and its staff," Mr Blurton said.

End.

HISTORICAL HIGHLIGHTS

Our meeting on Monday April 19th saw ten people in attendance including new member Susie Padfield who was warmly welcomed. Susie has already assisted with filing of our archival material.

- The Billericay project will be completed next week.
- Warren Milner has expertly reproduced the map of the Sandalwood Track from a very tattered earlier one. His expertise and time are very much appreciated.
- Electrical wiring in most of the museums has been a problem due to age. The Old Church has been rewired and other buildings are in line.
- A works request to Council for maintenance work on the RSL building has been submitted.
- Some of the cabinets stored in the Railway Shed are beyond repair and others will be advertised. Meanwhile eight new cabinets have been delivered to the RSL building.
- It is hoped to have the War Museum (Spotters' Post) open to the public on Anzac Day.
- Thank you to Jill McGregor for handing on the late Nancy Graham's bowling hat. This exhibit will be given a prominent place in our Bowls Display.
- Ian Forbes noticed that our rope machine was in need of some TLC and has restored it to its former glory. These were an essential farming tool in earlier times.
- Members are delighted that the teachers and students are making use of the museums. Lynda Cornish and students from Years Two and Three visited on March 30th to learn about early to present day communications. From the quill to the computer there were lots of interesting questions. The 'Thank you' speeches were very well delivered too. A follow up email has also been received from the class. Early in May one of our members will visit the Year One class to talk about museums as the children with their teacher, Mrs Lucy Lines are setting up a museum in their classroom.
- Discussion took place on the recognition of other historic sites in the district e.g. Emu Hill Townsite and Hedges Siding . Chris Bray has offered to do preliminary research on these projects.

Our next meeting is scheduled for Monday, May 17th at the History Centre at 2pm.

NAREMBBEEN

We thought you would like to learn a little bit about us and why we do what we do. Over the next few editions we will tell you about our Volunteer Ambulance Officers and our Committee and other helpers.

WHO AM I?

Name: Vanessa Wittstock

How long have you lived in Narembbeen: Since Oct 2014

How old are you: I am 26 years old

What do you do here (occupation and voluntary): Narembbeen CRC Coordinator

Do you have any hobbies: Netball, Tennis, walking Pip, spending time with family and friends, and pre COVID19 it was also travelling and visiting Germany....

Do you have a partner/children: My Jimmy & I are finally getting married next year

Do you have any pets: We have a 5 year old Kelpie X Huntaway called Pippa (Pip), she is a beautiful dog and loyal friend

How long have you been an Ambulance Volunteer: Since 2018

Why did you become a Volunteer: To give back to our community and help the people that need it, as I might be one of them myself one day.

Do you think others in our town could give it a go: Yes, definitely!! Although I understand that everyone's lives are busy with work and family life and we all volunteer a lot of our time to other community and sporting groups already, I truly believe that everyone would enjoy being a St John Volunteer, especially in Narembeen. Besides the laughs and hot chocolates at training (sometimes we even get Ian's famous pumpkin soup) we are lucky enough to live in a town where not many serious incidents happen (touch wood) and many call outs are transfers which do not involve blood and are resolved quickly. There are many people in this community, especially the elderly, who truly depend on us volunteers and the more there is the better!

Anything else about yourself or volunteering at St John's: No matter where you live, where you work, how old you are or what you know already, you can make an incredible difference to the community by becoming a St John volunteer. It takes a bit of time and commitment to become a St John Volunteer, but it will be one of the most rewarding things you have ever done.

2021 RIDE ALONGSIDE INFORMATION PACKAGE

580km Cycling Event : York – Hyden - Collie
10 – 14 May 2021

BACKGROUND

Ride Alongside is a 5 day, 580 kilometre cycling event from York to Hyden to Collie to raise the awareness of Post-Traumatic Stress Disorder (PTSD), depression and other mental health conditions experienced by emergency services sustained in the line of duty.

The goal of Ride Alongside is to bring people together, foster a culture of mental health awareness within emergency services and the wider community. Riders will illustrate through their own experiences the benefits of good mental health and how it is okay to seek help with personal struggles.

Ride Alongside will test the physical and mental endurance of riders and their bikes. Ride Alongside founders Jason Barnes and Rob Seaman felt the need to raise community awareness of the trauma faced by emergency services on a daily basis, having seen it first hand and the seed for Ride Alongside was sown.

Ride Alongside will also shine a spotlight on the benefits of starting conversations about our mental health with those around us and the essential need for resources and support services for partners and families of those serving on the frontline in Australian emergency services organisations.

Ride Alongside will pedal its way through many Wheatbelt, Great Southern and South West communities stopping along the way to start that conversation and publicise the resources and support services available.

EVENT INFORMATION

Ride Alongside is an annual awareness cycling event travelling selected routes throughout Regional Western Australia. The event is operated and managed by Ride Alongside Inc.

2021 Ride Alongside is a 5-day, 580 kilometre cycling event from York to Hyden to Collie to raise the awareness of Post-Traumatic Stress Disorder (PTSD), depression and other mental health conditions experienced by emergency services personnel sustained in the line of duty.

Ride Alongside accompanied by event charity partners, **Silence of Sirens Charity Inc.** reached out to many in regional communities to promote mental health awareness, discuss mental wellbeing and also demonstrate the link between positive physical health and good mental health. Riders met both current serving and former emergency services members who had previously experienced dark times because of their work.

In 2019, 12 adventurous cyclists rode 518 kilometres from Bunbury to Denmark, visiting the communities of Donnybrook, Boyup Brook, Kojonup, Katanning, Gnowangerup, Tambellup, Cranbrook and Mount Barker. The contingent included five returning riders from 2017, seven first time participants and a dedicated group of support volunteers who helped with all event preparation & logistics.

The 2021 Ride Alongside event will commence in York on Monday 10 May 2021.

Day 1 and the official start will take place at York Police Station at 8.00am. On the first day we travel to Quairading then onto Bruce Rock for official stops and stay overnight in Bruce Rock. (146km)

Day 2 will start from Bruce Rock and travel to Wave Rock (Hyden), via Narembeen for an official stop. Overnight stay at the iconic Wave Rock. (133km)

Day 3 will depart Wave Rock (Hyden) to Kondinin, then onto Kulin, with official stops at Kondinin and Kulin. Overnight stay at Kulin. (90km)

Day 4 starts at Kulin, travelling via the original 'Tin Horse Highway' to official stops at Wickepin and Narrogin. Stay overnight at Narrogin. (108km)

Day 5 is the final day and travels from Narrogin to Williams for an official stop, then on the home straight to the official finish at Collie at 3.00pm, Friday 14 May 2021. (120km)

Accommodation is provided for riders at each nightly stop. Accommodation will consist of space within a caravan park for the rider to erect a tent or swag. Riders will have access to bathroom facilities at each overnight camp stop and rider's property will be transported by support vehicles between overnight camp stops. All meals are provided, except breakfast Monday and dinner Friday.

PURPOSE OF EVENT & GENERAL INFORMATION

The aim of this event is to provide opportunity for a great value, fun cycling event and to raise the awareness of Post-Traumatic Stress Disorder (PTSD), depression and other mental health conditions experienced by emergency services personnel sustained in the line of duty.

The goal of Ride Alongside is to bring people together, foster a culture of mental health awareness within emergency services personnel and the wider community. Riders will illustrate through their own experiences the benefits of good mental health and how it is okay to seek help with personal struggles.

Participants are **NOT** required to fund raise for the ride.

CONTACT

Thank you for supporting Ride Alongside and we hope you can join us on our 2021 event raising the awareness of Post-Traumatic Stress Disorder (PTSD), depression and other mental health conditions experienced by emergency services personnel sustained in the line of duty.

NEW CHIEF EXECUTIVE OFFICER

I am truly honoured to be announced as the Narembeen CEO and I am really looking forward to working with the Council and the community over the next three years.

Narembeen is well positioned to capitalise on some great opportunities, particularly with regard to the Ramelius mine which commenced blasting last week. I am also looking forward to delivering on some important Council projects in the near future including the Apex Park upgrade, Latham Road upgrades and main Street improvements. These projects will revitalise our streetscapes and provide an economic boost for our town.

In regards to me personally, I have over twenty years Local government experience across three shires, the last seven of which has been as CEO of Collie. I am married with two teenage kids and I enjoy golf, fishing and motorbikes.

I have been at the Shire in an acting capacity since early December 2020 and I must thank the shire staff for their hard work and commitment during this period of transition.

ANZAC DAY

Sunday, 25 April over 100 people attended the Narembreen ANZAC service to remember the fallen, the wounded and all those who served and continue to serve. The morning consisted of a march from the Town Hall, to the cenotaph where returned service members and community laid wreaths.

The community then enjoyed a light lunch and refreshments at the Shire Chambers after the service. A huge thank you to the P&C for the amazing catering. Thank you also to everyone who assisted with packing away the chairs.

We appreciate all that abided by the COVID-19 requirements while attending the service. It was a successful morning commemorating those we have lost.

From the Managers Desk

Hello everybody!

As you may have read in last weeks report, I went to Perth for a two-day workshop with DPIRD last week. We discussed the future of all CRC's and started a strategic planning process of the new contract for the next five years to look like. It was a very informative day and I got to network with a lot of other CRC's from all over the state.

Although the workshops were facilitated in 'Aloft' and nowhere near the published exposed COVID-19 locations, you will see me around town with a mask on. I am convinced I am not the only one. If you have been in Perth or Peel since 17 April, please wear a mask in public. If you haven't got a mask, there a free masks available from the Shire or CRC office. If you feel unwell, please stay at home and get tested asap. Let's help each other to keep our community safe!

This Thursday & Friday, the Narembeen CRC will take part in the Dowerin Do-Over, a regional showcase event and street party finale will explore what can be achieved when local leaders and government partners collaborate with the aim of creating great places.

The 'Do-Over' is part conference, part hands on placemaking, and will include 1.5 days of interactive activities along Dowerin's Mainstreet. There are still tickets available, so if you want to get involved and learn more about new ideas to re-activate your regional town, including popup activations, presentations, demonstrations, fun shops, community interventions, public space and amenity improvements and other knowledge sharing activities. For more information contact me on 9064 7055 or crcmanager@narembeen.wa.gov.au

A big thank you once again to Michael Lethlean 'MICK CHICK' for taking a group of 21 seniors to the movies in Merredin last week. They enjoyed watching the movie 'The Dry', a 2020 Australian mystery drama thriller. The film is based on the 2016 book of the same name by Jane Harper. Afterwards they enjoyed a wonderful lunch at Lisa's Café. This was sponsored by the Department of Communities through their Age-friendly Communities Social Connectivity Grants Program 2020/2021.

ANZAC Day celebrations took place at the Narembeen War Memorial on Sunday, 25 April. Thank you everyone involved for making it such a wonderful ceremony and service, followed by a wonderful lunch catered by the Narembeen P & C.

Don't forget Story Time is on for the little ones this Friday!! Starting from 10.30am in the library!!

Have a great week!

Narembreen Golf—18/4/2021

Cyclone Seroja –Wind? Rain? Dust?

Opening day was going to be disastrous and then became a fizzogg when most of Seroja decided to give us a miss. Six members turned up to play and decided to open next week but played anyway. Well done you hardy souls.

The women opened with more of a bang, playing 18 holes 4BBB for our Nancy Thomas and Eilish Bailey Trophy. The “winners are grinners” were Noela Cole and Julie Hayter 39 from Nola Parsons and Joan Cusack 35. Noela putted from everywhere and the sledging didn’t have any effect. Beautiful to watch Noela. NP 2 was Julie Miller and Maxine Miolini with best 2nd #14 Noela and Julie. It was warm and the flies##### but gee the beer, wine and food was a real lifesaver.

The off season must have certainly made us off, as some unnamed, long time members complained there was no coffee – were told to take a women’s look and of course found it and then after perusing the fixtures remarked that this new member/sponsor ? S/Ford was very generous in trophies for both the men and women!!! They shall not be named.

The deferred Opening Day began with our Patron Mic Toovey hitting, where else but, down the middle. It was Peter Cowan’s trophy and a very generous one at that and 19 men played a S/ford with two blokes thoroughly enjoying the day .Congrats to Russ Arnold who won on a C/b from Danny Gray with a super 42 pts. Both had attention paid to their handicaps. Good scores were Karl Browning 36, Mic Toovey 35, Mike Currie, &Adam Miolini 34 and Tim Cusack 33. Danny Gray had a win with the Long Dong on #1 (apparently a ripper), Best 2nd #7 Adam Miolini, NP15 Jeremy Padfield and Best 2nd #17 to our long absent Dave Pollard. Great to see you there Dave. Mike Currie won the gross on 79. Next week is a par so enjoy.

As Sunday is Anzac Day we are having a casserole tea so please bring one to share and enjoy the ambience.

Golf coaching is back—he is going to be busy!! If you are interested it is on May 8th at approx. \$10 seniors and \$5 juniors. It is really important that you give your names to either Tim or Maxine ASAP or reply on the club Facebook page.

Please remember to pay your subs ASAP.

What is the golfer’s worse nightmare.....a Bogeyman.

Narembreen Golf—25/4/2021

It was hot and so were some players!

Sheldon Miller picked up from where he ended in 2020 and won the par day, K Browning trophy, with a +6 from a red hot Mitch Miolini +4. Good scores were Brian Cusack and Paul Wanless on +1 and Tim Cusack, Mic Toovey and Danny Gray all square. Handicaps were smashed with Sheldon now 16, Brian 7, Mitch 13, Tim 8 and Danny 22. Admittedly there was a lot of roll but still pretty impressive as was the 78 gross to our new member the shire CEO David Blurton with a handicap of 4. You will keep them all honest David. David cleaned up winning the Long Dong#1, NP#9 and Damon Hayter Best 2nd #13 and Paul Wanless NP #17. It was also great to see the footy coach Sam Bald having a bash. New members are great but we still miss Tye Lumsden and Dean and Jodie Maringoni.

We had a great night with the men really appreciating tea whilst Hendy Cowan snuck out so we didn't sing him happy birthday—so shy Hendy!

The men aren't the only ones with a newbie as we welcomed Holly Cusack putting in her first card with an impressive score. On Wednesday the ladies played a S/ford for the Jill Mc Gregor trophy. A much sort after one at that. Julie Hayter won with 35 on a c/b from Carol Currie and good scores were Gina DeLuis 34, Darien Pascoe 32, Joan Cusack and Anita Cowan 31. Darien won the limit marker, NP #9 Carol Currie, LP#10 Noela Cole and Best 2nd #16 Julie Hayter. We finished off with Jill's raffle which no doubt will do the rounds as people were so impressed with it!

FROM THE PRINCIPAL

Welcome back to all for Term 2. Of course, we are now getting used to sudden changes to our lifestyles, and this weekend was no different. A three-day lock down for the Perth and Peel region, with some restrictions and mask wearing back on the agenda. Still, we do need to keep our perspective and count our blessings. After all, if you follow the news, you will know that COVID-19 cases are being recorded in record numbers in India. Almost 350,000 new cases a day and over 2,000 deaths per day. Given those stats, and the months of lock down the European countries have endured, three days and a mask is not so bad! I hope the students had a great break and are ready for a long term of learning. They all settled in well and are back working hard in class. I still have to get rid of some LSL last terms arrangements continue until Week 10.

WEEK 2 QUOTE: for our service men and women.

'This is a day not of celebration but of national memory. It's a day when we learn, and learn again, of the horror of war. It is a day for looking after your mates, cherishing you home, your neighbourhood and family, It's a day for realising how rare this wonderful country of ours is and how precious it is.' Unknown

COVID-19 MASK RESTRICTIONS

As we are all aware, the government has restrictions in place, at present, until 12:01am on Saturday May 1 2021. This means the following:

- Any staff who have been to Perth since 12:01am on Saturday April 17 2021, must wear a mask but they can take it off to teach.
- High school student who have been in Perth since 12:01am on Saturday April 17 2021, must wear a mask (except for strenuous exercise).
- Parents and community members who have been in Perth since 12:01am on Saturday April 17 2021, must wear a mask.

Thank you all for following these restrictions and hopefully, all will be lifted and we can go back to our normal after this week.

PLEASE NOTE: All sports training sessions and school PE and fitness sessions can go ahead and masks do not need to be worn during these strenuous exercise sessions.

ASSEMBLY - WEDNESDAY MARCH 31 2021

Many thanks to our Year 3/4 class for running a great assembly in the last week of Term 1. Our Year 2/3 class also presented a terrific class report. Thanks to all of the staff, especially Mel and Hannah, for the hard work that goes into preparing for events like our assemblies.

Congratulations to the following honour certificate and award recipients:

Student	Year	Student	Year
James Smoker	Pre-primary	Lyla Hayter	Year 3
Angela Patterson	Pre-primary	Gemma Federici	Year 3
Pippa Cole	Pre-primary	Macy Cole	Year 4

AUSSIE OF THE MONTH: Rebekah Pawsey

Rebekah supported her teammates for the entire Interschool Carnival, despite only being in one race. She is a positive student who encourages others and is a joy to spend time with. Her positivity and enthusiasm is appreciated at Narembeen District High School.

Congratulations

Above: Our medallion winners and below, Rebekah Pawsey, March Aussie of the Month 😊

Many thanks to **Bianca** and the **Student Council** for running our Anzac Day service last Friday. It is important that we continue to respect and pay homage to all those service men and women who have paid the ultimate sacrifice, or served in any capacity in any war or peacekeeping force, for *'in war, there are no unwounded soldiers'*. We must ensure that every generation knows our history and why we pay homage to them. Thanks also to the **CRC and Narembeen Shire** for continuing to have a community ANZAC Day Service, and well done to **Wren Cheetham** who read a poem and **Lucy Currie and Bowdan Cole** who laid the wreath on behalf of the youth of our town.

TERM 2 MEANS CROSS COUNTRY

Term 1 was all about swimming skills and fitness, and Term 2 is all about cross country running and fitness. As always, we will be holding the Faction Cross Country and again, as always, all students will be involved in training for the event both in PE sessions and daily fitness for primary students and TAG fitness on Monday and Friday for high school students. Cross country is part of our physical education curriculum (as swimming was in Term 1) and students will be excused only if they have a medical certificate which indicates they are unable to participate due to an illness or injury. The fact that we have 100% participation in our carnivals is one of many aspects of our school that sets us apart from others, and it has been due to the support of our parents, that we have been able to do it. Our students know that the sessions are good for them, they will not only build fitness through increased activity, they will be building resilience. I look forward to seeing them improve as the term progresses. Medallions will be presented to the first three runners in each age group at the Faction Cross Country and for only the 2nd year, the Stirrat Shield will be fought for by Maroon and Gold ☺.

For your diary:

Faction Cross Country: Friday May 28 2021

Interschool Cross Country: Friday June 18 2021 at Bruce Rock Golf Club

WE ARE GOING ELECTRONIC!!

Yes it's true, we are going to join the 21st century and start putting the newsletter out electronically only, to all parents that have an email address, and that is about 98% of you ☺. We spend a lot of time preparing, printing and distributing the newsletter, and often find out that you haven't received it ☹! We will be, as of Week 4, doing the newsletter electronically. You will still need to check you emails to get it, but this way we aren't killing a tree to inform you of what is going on in the school ☺.

AFTER SCHOOL RUNNING CLUB: GET FIT AND FAST THURSDAY AFTERNOONS FOR TERM 2

Running club will begin for ALL INTERESTED STUDENTS this **Thursday 29 April 2021**, from **3.15 - 3.45pm** at Walker's Lake (the salt lake next to the school). I will be timing the students and having some handicap races and drills throughout the term. Looking forward to seeing you there!

Free mammograms for NAREMBEEN women

BreastScreen WA's **FREE** screening mammogram service is coming to **Narembeen** from **28/05/2021 – 02/06/2021**, and the mobile clinic will be located at the **Narembeen District Hospital, 29 Ada Street**. Women 50 to 74 years are invited to have a **FREE** screening mammogram. (All women 40 years and over are eligible).

Breast cancer is the most common life threatening cancer for women and 1 in 7 women in Australia will develop breast cancer in their lifetime.

Having a screening mammogram (breast x-ray) every two years significantly increases the chance of a woman surviving breast cancer and reduces the amount of treatment required. More than 75% of breast cancers occur in women over the age of 50. Research shows that screening is most effective for this age group.

BreastScreen WA's Medical Director Dr Elizabeth Wylie, said screening mammography was the most effective method for early detection of breast cancer.

"Screening every two years is vitally important to increase the chance of a breast cancer being detected when it is too small to feel or be noticed. Finding a cancer at this early stage often means that the breast cancer is small and more treatable".

"A free screening mammogram is one of the best things that women can do to look after their health. Breast screening saves lives and only takes 20 minutes," said Dr Wylie.

Screening mammograms may detect 70-90% of breast cancers.

Any woman with a persistent change in a breast should contact her doctor immediately.

Dates may be subject to change. If visit dates are not suitable participants are welcome to book at the clinic in a different town or at any of our [permanent clinics](#). For more information please visit BreastScreen WA's website www.breastscreen.health.wa.gov.au.

To make your free screening mammogram appointment – book online
www.breastscreen.health.wa.gov.au or call 13 20 50.

Early detection is your best protection.

ON-FARM EMERGENCY WATER INFRASTRUCTURE REBATE SCHEME EXTENDED

23 APRIL 2021

Farmers impacted by drought will be given another 12 months to apply for funding from the On-farm Emergency Water Infrastructure Rebate Scheme (EWIRS) to help them build much needed infrastructure to make their properties drought resilient.

Federal Member for Durack, the Hon. Minister Price said farmers will now have until June 2022 to utilise the \$50 million in funding secured for the EWIRS by the Morrison Government in the 2020-21 Budget.

"This is a practical scheme that can assist Durack farmers and the funds will now be available for another year doubling the Federal funding available as well as extending the timeframe, bringing the total Federal contribution to support farmers to \$100 million," Ms Price said.

"The scheme can be used to fund on-farm drought proofing water projects, including buying and laying pipes, installing water storage devices, such as tanks and troughs associated with stock watering and desilting dams and water bores," Ms Price said.
