Over the Fence....

A ship of the desert made of scrap metal!
 Narembeen artist Jordan Sprigg is back in the workshop with his latest creation.
 “Half way through big mumma here,” he said.
 “She stands 2.5m at the top of the hump and is expected to weigh 700kg.
 “She will be looking for a home once finished.

We have had a few milestone Birthdays in the last week.

Congratulations to Dave Blurton (CEO) on his 50th Birthday and Sheree Thomas who also celebrated her 50th on the weekend. To Graeme Teasdale on his 70th Birthday and to Bob Bailey for achieving 90 years.

Good to see Jodie and Dean Maringoni back in town over the long weekend.

Left at the Doctors Surgery a school jumper (Primary school size). If this is yours please call and collect.

NAREMBEEN

We thought you would like to learn a little bit about us and why we do what we do. Over the next few months, we will tell you about our Volunteer Ambulance Officers and our Committee and other helpers.

WHO AM I?

Name: Georgia Cowan

How long have you lived in Narembreen: I have been in Narembreen most of my life.

How old are you: I'm twenty-nine.

What do you do here (occupation and voluntary): I am currently working as a nanny/ farm hand.

Do you have any hobbies: Love to hike and camp, would love to pick up climbing.

Do you have a partner/children: I have a child who loves to keep me on my toes.

Do you have any pets: We have four chooks, drumstick, pedals, cute (she's a devil), and Ginger Girl

How long have you been an Ambulance Volunteer: I have just finished up my three-month probation, which is overly exciting.

Why did you become a Volunteer: I love to be of help so why not spend my time helping the whole community. To think that a difficult situation sometime involves our family, friends and knowing that I could be the one to be there and help is a comfort. I also hope I can be a role model for the younger generation.

Do you think others in our town could give it a go: Yes of course. I think that most people would love to help but think they are unable to because of time, work, families and/or are too far out to be of any assistance. All I say is give it a crack, if it does not work out at least you know that you gave it a good go. Being from different jobs and cultures, genders and different ages is what makes volunteering more interesting it gives us a different experience that in turn can be an asset for all different roles and situations. We can gain so much from more volunteers and the more we work to a better our community means a better future for Narembeen.

Anything else about yourself or volunteering at St John's: I love having a good yarn, so if ever you need a friendly face to say hi to or just need someone to bounce ideas off, I am all ears.

**Everyday people doing everyday things for people in
our Community**

The Foreign Legion

One of the great strengths of the Naremben Footy Club over the last twenty years has been the annual involvement of the foreign legion. For years the club had an annual intake of four or five exchangees who had been told by the farmer they were working for, to expand their Aussie experience by playing footy. They however haven't been the only internationals who have been part of the legion. The way the club has also been improved by Kiwis who are in town shearing has been just a beautiful part of so many Hawks seasons since the turn of the century.

Who remembers Dario? In 2005 Dario, who as Brazilian and sorry I have forgotten his last name, came to town as an exchange worker for one of the big Mt Walker famers and was the most wonderful addition to the club. He was larger than life both on and off the field and from memory had the most infectiously positive outlook on life. I have thins memory of the whole crowd going absolutely bananas when he kicked his first, and only, goal at Naremben. He was presented with a ball at the wind up that year and the whole joint erupted into chanting his name. I wonderful bloke.

Then there was big Eon Smith. Eon was a big blonde Afrikaaner who worked for the Cowans in 2008. With a background in Rugby Union, Eon was quick to get a handle on the physical side of the game. He was also quick however to become one of the better kicks I have seen of the legion. Billy Cowan tells a story of Eon kicking a footy at work watching it bounce and trying to control it on the run. Eon played in a Ressies flag that year I am pretty sure and was a wonderfully addition to the footy club.

Gareth Okane was a little Irish bloke with a heart that filled his chest. He worked for the Cowans as well, maybe we should buy Billy and Pete a beer, and was perhaps the quickest international to get his hands on our great game. Gareth did play in a flag and also played some league footy. He was tough, ran in straight lines and applied his understanding of Gaelic footy to our footy wonderfully well.

Of the Kiwis that have played for our great club Lindsay Brown has led the way. Now, in what is a wonderful part of country footy, he finds his two eldest boys playing good senior footy for the club while he plays as well. Linds is as tough as they come and has always been the ultimate team man. Linds has played good league footy and in a couple of Ressies flags. He will play his 100th game for the club soon which will be a tremendous effort by a quality blokes.

I could go on forever as I know I have left out many great blokes from all over the world that have played footy for the Hawks. So many from Europe, so many great Kiwi fellahs and even a coupe of fellahs from South America. More than once if it wasn't for the Foreign Legion the Hawks would have struggled to field a Ressies side. Unfortunately, the pandemic has limited the inflow of internationals for the second season now but a couple have still made their way down to the footy. The whole club is a whole lot better for it.

GRANT OPPORTUNITY—POWERING COMMUNITIES

Grants of \$5,000 to \$12,000 are available to help **not-for-profit** community organisations reduce energy use, improve energy productivity and reduce greenhouse gas emissions.

Up to 12 projects in each federal electorate will be funded to a total value of \$67,700.

Who is eligible?

Organisations must have an ABN and be either an incorporated not-for-profit or an incorporated trustee on behalf of a trust with responsibility for a community asset or property.

What can the grant be used for?

The grant can be used for:

- energy generation projects including solar photovoltaic panels and battery storage
- new split system air conditioners to replace some older types of units
- solar and heat pump bathroom and kitchen hot water heaters to replace older units
- replacement of non-LED lighting with LED lighting
- control upgrades for air-conditioning and lighting
- appliance replacements including induction cooktops and commercial refrigeration
- other activities including energy audits and installing metering equipment.

How do I express interest?

Expressions of interest close at **5pm on Friday 18 June 2021**. Late applications will not be accepted.

To be nominated, please complete an expression of interest form and return to Melissa Price via email: melissa.price.mp@aph.gov.au. The form can be found on Melissa's Price's website www.melissapricemp.com.au

A local committee will consider organisations and nominate projects. The Department of Industry, Science, Energy and Resources will then contact nominated organisations to invite them to apply for a Powering Communities Program grant.

Additional information on the grant program can be found here: <https://business.gov.au/grants-and-programs/powering-communities-program>

Courtesy Speed Display Signs

Do the right thing and SLOW DOWN!

New speed signs set to help reduce travel speeds on Latham & Merredin-Narembeen Road, Narembeen

The Shire of Narembeen is continuing its commitment to creating a safe environment for all road users by installing the courtesy speed display signs on Latham & Merredin-Narembeen Road in Narembeen during the month of June 2021.

Excess speed has been an issue in this area, with road accidents and death tolls increasing in country towns and the courtesy speed display signs, on loan from WALGA's RoadWise, aims to help reduce average travel speeds in Shire.

By recording the speed of approaching vehicles, displaying the recorded speed, and informing the driver if they need to change their driving behaviour (using a 'thank you' or 'slow down' message), the courtesy speed display signs serve as an immediate reminder for drivers to slow down.

The courtesy speed display signs will support other road safety activities in Narembeen including SOCK (Save Our Country Kids) Week 2021. An initiative by the Narembeen Community Resource Centre to promote road safety and inform children as well as all other members in the community and surrounding communities of the importance of doing the right thing on the roads.

Find out more about the courtesy speed display signs and other local road safety initiatives by visiting the Shire of Narembeen's Website.

Be aware of your own speed when travelling on our roads.

Slow down, enjoy the ride in Narembeen.

Narembeen Golf

The grass continues to grow and many thanks to the mowers who cleaned up around the greens for Sunday which helped with making the course playable.

On Wednesday the ladies played a Stroke round for the Captain's Trophy. With a very good round of 85 hits; 74 nett, Julie Hayter was the winner, also winning the gross and a novelty ball. The runner up, Noela Cole, had a 97 gross and 78 nett. Good score to Maxine Miolini and long putt, Anita Cowan.

Sunday's stableford round was won by Miranda Noack and runner up was Joan Cusack. One player's only consolation was a feed of mushrooms.

The men played a stroke round, second qualifying, and President's trophy, and with 80 hits Dean Maringoni was the gross winner.

Damon Hayter with a 71 nett was the nett winner and Scott Stirrat was the nett runner up with 75. Good scores to Dean Maringoni, also 75 nett, Dave Campbell-76, and Tim Cusack-77. Novelty golf balls went to Tim Cusack, Dean Maringoni, (2), and John Currie.

Golf balls are like eggs. They are white and sold by the dozen and after a week you often need to buy 12 more.

Golf tip: If slicing with a square stance, try a closed stance.

Please remember to pay your subs ASAP. Full-\$160, Country-\$60, Social-\$25 online at BSB 306-026 Acct No 5159579.

From the Managers Desk

Hello everybody!

I hope you have all had a great long weekend! I certainly did with a 70th birthday surprise lunch, a baby shower and a 50th surprise birthday party!

If you need some help around the house or think it's time to look into aged care services, 'My Aged Care' is how you get started.

My Aged Care is the Australian Government's starting point on your aged care journey, with three simple steps. After last weeks information session at the Rec Centre it has come to my attention that there is a lot of uncertainty about these services and if you are unsure or need assistance in any way please let us support you! That's what we are here for!

We have a busy Monday next week, with Rhyme Time happening in the morning at 10.30am for the little ones followed by the Seniors Movie at 1.00pm! We hope to see you

there!

The Morning Coffee Club is going on another adventure next Wednesday, 16th! This month we are heading to the Ardath Pub, for a delicious lunch, bus leaving will be leaving from the CRC. If you are interested in coming please contact the CRC and secure a position on the bus!

We are very busy with SOCK Week preparations, SOCK week this year will take place from 28 June - 4 July. We have a busy week with different activities planned for each day, so stay tuned to see what will be happening for SOCK Week 2021.

Applications close this Friday for the Customer Service Position at the CRC. If you are interested in applying please contact us, we would love to have you part of our team!

Enjoy the rest of your week!

More funds flow for Durack's Local Governments

8 June 2021

Durack Local Government Shires and Councils have been receiving very good news of their further budget allocation of the Morrison Government's Local Roads and Community Infrastructure (LRCI) Program.

Federal Member for Durack, the Hon. Melissa Price said local councils will directly benefit from the funding boost.

"All 51 Shires in Durack will receive a share of an additional \$1 billion through Phase 3 of the Local Roads and Community Infrastructure (LRCI) Program. By now local councils would have received confirmation of their extra LRCI funding which means even more money for upgrades to local roads, bike paths, community halls, playgrounds, parks and sports facilities, as well as improved accessibility to public facilities," Ms Price said.

"Providing more time for planning and construction will enable local governments to consider a broader range of priority projects and potentially undertake larger, more complex developments to deliver even great benefits for their communities," she said.

"The extra funding from the Morrison Government is all about supporting the resilience of regional local economies like Durack, by delivering even more jobs to help communities bounce back from COVID-19, with the additional funding and a longer delivery window to provide greater flexibility for communities to address local priorities." Ms Price said.

Councils will be able to access funding through LRCI Phase 3 from 1 January 2022, with Phase 3 projects to be completed by 30 June 2023.

For more information, visit the Department of Infrastructure, Transport, Regional Development and Communication. [Local Roads and Community Infrastructure Program](#)

Ends.
