ROSTER

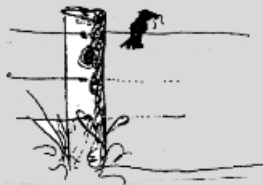

29/06/2021 Editor Gina DELUIS

The Fence Post is a weekly (45 weeks of the year) voluntary publication in A4, printed mainly in black and white, the email edition is in colour. The newspaper is printed by our local CRC on a Wednesday. There are no summer holiday editions. Advertisements received by email will be invoiced to that address.

Disclaimer

The views expressed in articles in this newspaper are not necessarily the views of the Editor or other volunteers who produce this newspaper. The Editor has the right to withhold, edit or abbreviate any items.

- Life Member of The Fencepost IRIS BRISTOW -

Over the Fence....

LOCAL

- Lots of farmers around with smiles on their faces with more good rain over the weekend.
- Over 60 COVID needles becoming available at the Medical Centre
- Great win for our local Footy on the weekend
- SOCK WEEK commences Monday, 28 June

REGIONAL

- More than 1000 homes are still without power in the Great Southern region after flash flooding brought down power lines. Roads are also being repaired after the powerful storm left a trail of destruction on WA's south coast on Monday.
- New agriculture visa welcomed by WA's horticulture industry, but "fails" grains sector

STATE

- A prominent Perth property identity has queried state spending on projects fringing the CBD while its centre goes begging, creating a sprawling city without a heart.
- Wildcats lose 2nd game in best of 5 Finals

NATIONAL

- Barnaby Joyce regains Nationals leadership after successful spill against Michael McCormack

GLOBAL

- Iranian President-elect Ebrahim Raisi has backed talks between Iran and six world powers to revive a 2015 nuclear deal but flatly rejected meeting US President Joe Biden, even if Washington removed all sanctions.
- The Tokyo Olympics will go ahead with local spectators after organisers, the International Olympic Committee and Japan's government agreed on a cap of 10,000 fans at events.

HISTORICAL HIGHLIGHTS

10 members braved the elements on Monday to attend the meeting.

With the Billericay statement completed, signs for the approaches are now being arranged.

A busy bee was held last Monday and work was done on the schools display.

Kellie has done a great deal of filing so we hope now to keep up to date as Fenceposts are printed .

Lorraine and Warren will attend the Historical Societies Conference in Kalgoorlie in September.

The guttering and a few other repairs have been completed at the RSL building.

On Monday morning 3 ladies from the Museums Collections arm of the Government Tourism promotions visited and photographed a few items in our displays. These will be used to show on a website to encourage tourism. They were shown the Old Church with which they were very impressed. (A power upgrade has been completed on this building).

Warren Milner has restored a very old "SHUT THE GATE" sign which we will soon display.

Donations received: An old style hand held fly sprayer – quite effective in its day from Lorraine Lethlean; Maureen Beard sent several items of sporting memorabilia relating to herself and husband Ray as well as some won by her parents Mr and Mrs Ketteringham and a book on how to play golf.

Margaret Butler has made an excellent copy of the sporting groups in the year in which Narembreen scooped the pool winning in every sport played in that year. This photo will be an excellent cover story for our sports display.

A letter was received from Shane Cassidy requesting details of train travel in the area.

Our application for grant funding for computer, printer and camera has been conditionally approved. Thank you to the shire.

HELP!!

As we do not recall the year the sports teams won all the grand finals could someone please put us right on this. Please call Lorraine, Kellie, Margaret or Rhonda.

Also we are looking for a handle to hold the nib of the old 'dip and scratch pen' used by many of us in school in the 30's and 40's.

Next meeting July 19th at 2pm at the History Centre. All Welcome

NAREMBEEN NETBALL CLUB

PO BOX 133
NAREMBEEN WA 6369

PRESIDENT: BRIT DUNCAN 0417 612 045
SECRETARY: KELLY LYON 0427 647 635

OFFICIAL NAMING OF THE NETBALL COURTS

The Joan McCutcheon Courts

On Saturday 12th June 2021 past and present netballers, councillors and freeman gathered at the Narembeen Netball Courts to officially name the courts after former councillor Mrs MJ (Joan) McCutcheon and her contribution to the Narembeen Community.

Joan McCutcheon was elected to the Shire of Narembeen Council in 1984 and served 12 years until 1996, during these years Joan represented her community and helped to shape Narembeen. Joan McCutcheon was the first female Councillor elected to the Shire of Narembeen and Council would like to acknowledge this achievement.

Thank you to Mrs Rhonda Cole, President Shire of Narembeen for her kind words.

Thankyou to everyone who travelled far and wide to be there today to witness the naming of the "Joan McCutcheon Courts"

Narembeen Netball Club President Brit Duncan responded with a brief description of Joans involvement in the Narembeen Netball Club, Narembeen Junior Netball Association & Corrigin & Districts Netball Association.

“Welcome to the McCutcheon family, Shire President Rhonda Cole, Past & Present councillors, CDNA & Narembeen Netball Club Life Members, Patronesses, Past & Present Members.

To say that Joan was a driving force behind country netball would be an understatement, she began with the establishment of the Narembeen Junior Netball Club in 1970 along with the Junior Association. This in itself was a huge accomplishment, Narembeen kids weren't getting to play the game and so what did Joan do, start up a club and form an association, that's the type of woman Joan was. So off she went dragging any kids along to surrounding towns to get them on the court.

Her coaching continued well into the 80's with both juniors and seniors being taught the skills and passion for the game. That passion for the game extended into the passion Joan had for the club. She believed no job was too small or too big, whether it was picking up a whistle or being part of the grading committee which she was throughout the 80's and early 90's or simply cheering on from the sideline Joan did it and boy was she good at it!

Narembeen Netball Club awarded Joan with the highest honour of life membership in 1981 this was of course followed by a life membership with Corrigin & Districts Netball Association and finally to round out the hat trick a life membership for Narembeen Junior Netball Association was awarded in 1993, not a bad effort really! Safe to say the success on and off the court for the Narembeen Netball Club began with Joan. It did not lie solely within the match score but lay within what it meant to be a part of a team and a club. To support, encourage, participate and of course have a bloody good time doing it! This is a legacy that Joan has passed down and instilled within our club and one we will endeavour to continue for generations to come.

We are very honoured to step foot and play on the Joan McCutcheon Courts.”

Chris Arnold daughter of Mrs Joan McCutcheon also Responded,

“Mrs Rhonda Cole, President Shire of Narembeen, councillors, and netballers past and present. While Joan McCutcheon was alive, she needed no-one to speak for her, she was assertive and confident in her opinions on most matters, as all who knew her can no doubt attest to! Therefore, speaking on her behalf does not come easily. However, today I do speak on behalf of her family, and present today is my brother Andrew, sister Lex, my kid and Mum's granddaughter Kaidee, and her kid and Mum's Great Granddaughter Alex. We would like to thank the Shire of Narembeen for, on this day, one day past what would have been her 92nd birthday, acknowledging Mum as the first female on council, a commitment she dedicated 12 years to, and honouring her by the naming of these courts the 'Joan McCutcheon Courts'. By doing this, you have coupled two of her most passionate pastimes over her years in Narembeen, her work as a councillor and her netball. She will always be remembered for working hard for her town and its people, whether through shire duties, JP responsibilities, her many years of service on the hospital board, her efforts at the Fencepost, her coaching roles for netty and swimming and of course how could we forget the years of yelling at us from the sidelines, never happy, even if we were up by 20! A hard lady to please, but she set the standard and we have continued to have outstanding success as a club.

She is remembered as an intelligent, tough, outspoken and hard-working community member, and I am sure I am not alone in believing that this honour is thoroughly deserved. So to our Shire, I thank you once again. To all of you who are here for the netball reunion, enjoy the final game, spend time catching up with friends and we look forward to a night of celebrations.”

Roll up for WA

COVID-19 Vaccination

rollupforwa.com.au 

We've all worked together to keep Western Australia one of the safest places in the world.

To protect our lifestyle here in WA, there's one more thing we need to do. We need to roll up our sleeves and get vaccinated for COVID-19. The more people who do, the more we protect our families, friends and community.

KEEPING AUSTRALIA COVID**SAFE**

COVID Vaccine

We have been approved, along with other General Practices across Australia to be involved in the COVID vaccine roll out. Vaccinations for patients **over 60** will be available at our surgery.

Appointments are available by phoning the surgery on **90647145**.

Consent forms need to be completed prior to vaccination.

(Consent Forms are available at reception)

Seeking casual staff

Catholic Homes has been providing aged care for over 50 years in Western Australia and are looking for people to join our Home Care team.

We are looking for caring and passionate staff to provide transport, domestic, meal preparation, shopping, personal care, respite and social support. A Cert. III in Aged Care or similar experience would be great, but we'd also love to hear from anyone interested in a career in home care as we can offer on-the-job training and buddy shifts. You must have a reliable car, current driver's license and police clearance.

We pay casual rates with fuel and travel allowances. Work as little or often as you like. We're flexible and family friendly.

If you would like to discuss call 1300 244 000 or email your CV to homecare@catholichomes.com

care with purpose

NAREMBEEN GOLF CLUB

The Ladies played a Stableford on Wednesday for the Joan Cusack Trophy. The course was in perfect condition. But the scores once again didn't match the course!!

The winner with 31 pts was Julie Miller. Runner up Julie Hayter 30pts. Noela Cole got a ball with 28.

Four Ladies travelled to Kulin on Wednesday to play in the Nona Wilson 4BBB. Julie Miller and Julie Hayter came home with Runner up to the Gross Trophy. A great day at Kulin and a beautiful course.

On Sunday the Men played a Stroke round for the Azza Lyon Trophy. Good scores in Showery conditions.

The Miolini boys had a clean up here. Their coaching lesson obviously paid off. Mitch won the Nett with a great score of 71. Robert was Runner up with 73. Robert won the Gross with 81. Other better scores were Scott Stirrat, Paul Wanless and Dave Pollard.

Mitch Miolini had a good weekend. On Saturday the Hawks defeated the undefeated in Hyden/Karlgarin at Hyden. Great effort our Hawks... keep it up.

Brayden McCubbing held another coaching clinic on Sunday morning. Thanks to Brayden for coming up.

Not many braved the elements but were given very good tips.

Members were saddened to hear of the passing of Greg Hadlow. Greg spent many years at our Golf Club. He was Club Champion. Always entertainment at the 19th hole. So many great night spent with him.... Just loved it when he would break into song. A great bloke who will be sadly missed. Sympathy to his family.

A Course busy bee will be held this Friday . This will commence at 9am for those that can help out.

MEMBERS OF THE NAREMBEEN GOLF CLUB THANKS OUR SPONSORS FOR THEIR CONTINUED SUPPORT.

G Brownley Plumbing, B C Cusack & Co, S & C Padfield, Varley Transport, Hutton & Northey, Elders, Sonic Boomsprays, Trans Plus, Narembeen Medical Centre, Narembeen Hardware.

Sunday 20th June

Well who enjoyed seeing the rain. It made for a bit of a soggy mess on the metals, but we all managed to finish the round.

This week we played the Phil Treloar Trophy.

The Winner was Carolyn Fagan with 33 points

Runner-up was Merlene Phillips with 32 points

Third was Colin Ashmore with 28 points

Novelty were: NP # 7 Merlene, LHO #13 Merlene

A gentle reminder of our Cup Day coming up on the 4th July this is a running Draw starting at 11am.

Look forward to seeing you all. \$30 per person Lunch & Tea included.

BUSSELTON CITY CONSTRUCTION

WORKERS WANTED

Busselton City Construction is currently seeking Carpenters, Labourers and General All-rounders in the Narembeen and surrounding areas.

If interested, please contact Glenn - 0410 857 246.

Beating the best.

Narembeen Football Club would like to thank the following sponsors;

Nutrien, Elders, NB Spraying, Narembeen Workers Bar, Jordan Sprigg Sculptures, Varley Transport, Central Wheatbelt OT, Wheatbelt Ag, Gmeiner Family, Narembeen Engineering, McIntosh and Son, Hutton and Northey, Aviso, Midwest Agribusiness-Craig Walker, Rockdale, Narembeen Tyre Service, Miolini Family

The Hyden/Kalgarin Footy Club are one of those country footy clubs who deserve nothing but respect. They are challenged by geography in that they are a long way from Perth in a time where recruiting from the metropolitan area is close to essential in country footy. They are a small community that is primarily based around an industry that, while experiencing a good start at the moment, is an increasingly marginal practise. Like all country footy clubs, the Saints are constantly presented with reasons to fail, yet they don't.

They have a culture that is driven by three things, not in any kind of order it seems, success, fun and class. They win more than they don't as they play a brand of attacking football that stands up under pressure. This brand is often hard to stop and seems to be quickly instilled in the young players at the club. They all seem to do things with a smile on their face. A trip out to Hyden is always enjoyable as the people out there welcome you with open arms and seem genuinely happy to be at the footy. Then finally they play with character that can only be admired. They run hard at the ball, compete like the club is everything and then once the siren sounds, win,lose or draw they shake hands and look forward to a well earned drink. You have to respect that.

The quality of the opposition both on and off the field makes the success the Hawks were able to earn on Saturday all the more noteworthy. A wonderful game of junior footy started the day with both clubs showing their commitment to their juniors. Then the Ressies rocked up with 23 players, 23 players in a year where there were genuine concerns about the club's ability to field two sides. Then the league boys knocked off the undefeated ladder leaders on their home oval. It was a successful day for the Hawks against the highest of quality opponents.

The Ressies started the game in complete control. Bryce Aggis showed his class through the middle of the ground and led a keen midfield which kept supply up to a forward line that was full of class. Danny Gray enjoyed a return to the Hawks with a dominant display out of a forward pocket. While Sheldon Miller also blew off the cobwebs off a half forward flank. By quarter time it was clear the Ressies were on top but the question then turned to how they would get the job done.

Hyden being what they are responded and lifted their rating after quarter time, the Ressies had to respond. Respond they did with an even number of contributors across the ground. Stephen Cummins had his best game for the year as he showed a growing willingness to compete hard against men. Sunny Kumura found his spot on a half back flank and Dan Waldorf continued a strong year in the ruck.

The win keeps the Ressies in the hunt for a top four spot at the end of the year. More importantly though it was another example of the club continuing to grow. Numbers were good on a weekend where many players were unavailable. The boys at 12:30pm competed hard and played a growing brand of footy against an always tough opponents. Some players new to the game, like Sunny Kumura, Paora Wharepapa and the Conway boys showed great improvement while the two yellow shorters, Cameron Hills and Stephen Cummins, displayed growing confidence playing against men. Interesting times for the Ressies.

Ressies	17-17	119
Hyden-Kalgarin	1-3	9

Best: Bryce Aggis, Dan Waldorf, Danny Gray, Stephen Cummins, Jordan Garlick

The main game started at a cracking pace. It was a top of the table clash which was fitting the bill early as the ball flew up and down the ground. Hyden were dominant early as their pacy midfield was spreading the Hawks thin and their potentially powerful forward line looked to be warming up for a big day.

To their credit the Hawks steadied themselves at the first change. Their midfield got involved in the contest more and applied more pressure on the ball as it moved. At half back Jayden Hooper got on top of the dangerous Dave Elhers and Baden Kennedy got in an intriguing battle with Alex James. They created more opportunities for their forwards and were able to lock the ball into their half for long periods of time. They just couldn't kick straight. There were fears that lightning may indeed strike twice, were the Hawks to have all the play and get beaten again.

Sometimes there are moments in seasons where sides make statements. One wonders whether the third quarter of this contest may have indeed been one of those moments. With the game there for the taking, against the best side in it, the Hawks took control. The midfield won clearance after clearance and the forward line kicked goals. Games a giggle really. With a bit more freedom on a wing Cody Duncan was able to become a real threat. Mitch Miolini and Ben Hislop led a fired up midfield and the Hawks went into the final change with the biggest lead of what had been a pulsating contest.

The final quarter saw the inevitable fight back from the Saints. They got back on top in the middle and their half back line turned the ball around with regularity. The Hawks were under the pump and the Saints did get within two goals. You have to be good to beat a club like Hyden. The maroon and gold steadied though. They started to get back in the contest through the middle and the backline got back on top. A goal from coach Bald would eventually put the result to bed. You have to be good to beat the Saints and last Saturday the Hawks were exactly that.

Hawks	10-13	73
Hyden-Kalgarin	7-8	50

Best: Jayden Hooper, Ben Hislop, Connor Spinks, Mitchell Miolini, Baden Kennedy

From the Managers Desk

Hello everybody!

This month the Morning Coffee Club group headed to the Ardath pub for a delicious lunch! We had a small group of people , but it was great fun with lots of laughs and a few games!

A big thank you to Mick Chick for driving the bus again! We appreciate all that you do for our community! This has been made possible with funding from the Department of Communities.

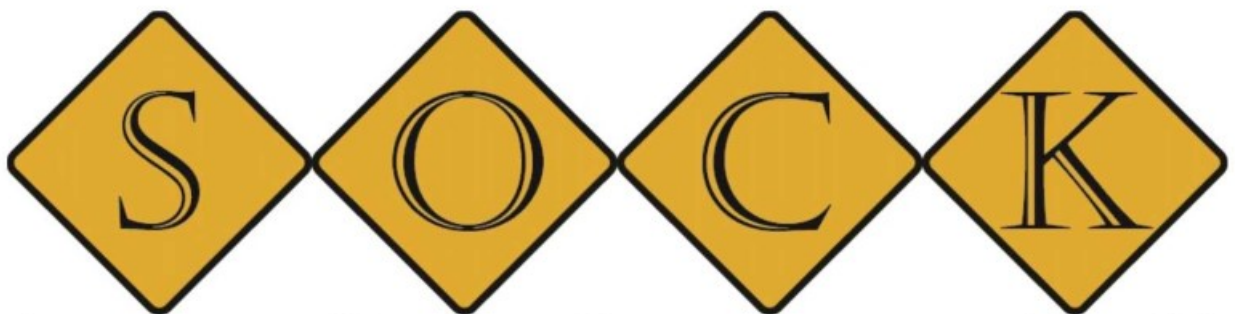

It is SOCK Week next week and there are many ways you can get involved! Have a look at the next few pages or visit the CRC Facebook Page or Shire Website!

This year the local Pub and Rec Centre will be providing free soft drinks and water bottles for drivers. The local Roadhouse and Café will also be offering different SOCK specials. We love how our local business are getting involved in such an important campaign to help raise awareness and #SaveOurCountryKids.

Remember to use the hashtag #SaveOurCountryKids throughout the week of SOCK Week to get the message out to others and surrounding communities on the importance of SOCK Week.

Enjoy the rest of your week!

*Vanessa Wittstock
CRC Coordinator*

Preparing Students for a Changing World

FROM THE PRINCIPAL

Well we are in the penultimate week of Term 2, week ten of an eleven-week term and I would hazard a guess that the students and staff are tired and about to hit the wall. At least our cross country athletes are able to have a break from their ongoing training, and testing should be over for our high school students by the end of this week. Last week was a big one for the school and one day took many hours of work to prepare for, **so we can relax and enjoy the last couple of weeks** 😊.

PUBLIC SCHOOL REVIEW 2021

Many thanks to all who were involved last Wednesday in our Public School Review. This is the first of this type of review we have had, as our previous ones were Independent Public School Reviews. All schools now have the same reviews. Most of the work was done prior to the day, with staff and myself working through our Business Plan and documenting reports as well as collating other evidence of our progress in the six domains the review is based on:

- ✓ Relationships and partnerships
- ✓ Learning Environment
- ✓ Leadership
- ✓ Use of Resources
- ✓ Teaching Quality
- ✓ Student Achievement and Progress

Our evidence, including our Business and Strategic Plan, achievement data, targets, reports on progress in all focus areas in the plans and other self-assessment strategies, was uploaded onto the Electronic Schools Assessment Tool (ESAT) one week prior to the visit. The reviewers, a Director of Public School Review, Vicki McKeown and a Principal of a like school, in our case Bernard Beattie, Principal of Boyup Brook DHS, then had a week to examine the evidence and then come to the school to verify that what we put on the ESAT, was actually happening in the school. Meetings, without the admin of Russ, Lynda and myself, took place between the reviewers and our staff focus group teams, parents, community members, Board and students. Amanda our MCS, Russ and myself met with them to go through our use of both human resources and the management of our One Line Budget. At the end of the day, the admin then met the reviewers and were given feedback. **We were very pleased with the excellent feedback, with a couple of recommendations that we received.** This result is thanks to the **outstanding work of our staff, and the great job we, the school community and the wider community of Narembeen, are doing with our students, with the setting and demanding of high standards across all areas of their development.**

We could not have implemented all of the strategies we have over many years, if you did not support us. We demand that our students are engaged in all sporting activities, wear only one uniform, maintain satisfactory attendance, complete set homework tasks and show respect, resilience and a high level of behaviour at all times, and to do this we needed a great partnership with our parents and wider community. **So thanks to all of you for this support.**

To the admin, teaching staff and education assistants, who have had a couple of months of stress leading up to the review, thank you not only for your efforts this term, but at all times, to ensure our students are engaged in learning and improving. **You are a team of professionals and you**

impressed with your excellence last Wednesday. Cheers to our ECE team for giving the computer room a new look as part of your learning environment upgrade. Thank you also to **Amanda Hall**, who is an outstanding MCS, ensuring that we had no problems breezing through the use of resources domain. To **Joey Slade** for ensuring that the reviewers had sustenance and water and for ensuring that the office and staff room were looking great, thank you. Finally, huge thanks to **Sandra, Sharon, Laurinda, Sapphire and Maria** for their work around the school to make it look its very best for the special day. Our school is always clean and our gardens awesome, but you put in that bit extra to support us, so thank you.

Lastly, on a personal note, huge thanks to **Amanda, Joey and Ash** for putting up with the ongoing pressure of having to work with me whilst I was under stress ☹️. **Not an easy task!** Ditto to Russ and Lynda, and then to poor old Russ who had to put up with me at home as well. I believe that we are all relaxed again and I know now, that I will only have to go through this **one more time in my role as a Principal, as we will not have a review again for five years** 😊.

Thank you to the following parent, Board and community representatives, who came in to meet with the reviewers to verify our self-assessment, I was not in the meetings but heard some of the great things you said in our feedback session.

Narembeen DHS Board:

Nat Browning (Board Chair); Hendy Cowan (Board community representative); Ebony Miller; Holly Cusack; Tammy Garlick; Renee Lynch; Carissa Wanless; Trista Federici and Amy Hardham (also P & C President)

Community Partnership representative:

Rhonda Cole, President Shire of Narembeen and Vanessa Wittstock, Narembeen CRC coordinator

Parents:

Kelly Lyon, Sam Bald, Gina Cheetham, Liam Hickey & Felicity Cowan

Well done NAREMBEEN DHS, WE DID GOOD 😊

THANK YOU MR HENDY COWAN: RETIRING BOARD MEMBER

I would like to take this opportunity to **acknowledge and thank Mr Hendy Cowan** for the work he has done on our Board for the past six years. He has been a wealth of knowledge, assisting our growth as an effective group and ensuring that we have full understanding of our role. You have been patient and we have certainly evolved through your input into each of the meetings. You were ready to retire at the end of last year, but I asked you to stay on until the Review, so I thank you also for making yourself available for the first six months of this year. All the best Hendy, thank you once again for your efforts. Narembeen is lucky to have you 😊.

BOOK WEEK: THANK YOU ERIN AND HELPERS

A huge thanks to **Ms Erin Lindsay** for organising and working throughout last week in the Library for Book Week. It is such a great week for our students, they are able to select books that suit their interests and it would not have been possible without Erin and her group of volunteers. **Thank you to all who assisted.**

COMBINED SCHOOLS CROSS COUNTY: CONGRATULATIONS NAREMBEEN DHS TEAM ☺ THE MAROON AND GOLD BRING HOME THE SHIELDS

Last Friday, our team of 30 runners headed to Bruce Rock for the annual Combined Schools Cross Country. Our team had been training hard since our Faction event and did us all proud. Every competitor ran to the best of their ability, did not walk and finished the course. **Many thanks to G for taking the training sessions in TAG for the last three weeks and to both G and Hannah for their efforts in PE to ensure that our runners have the fitness level required to successfully compete.** There was no interschool event in 2020 due to you know what, so it was great to get involved again and bring back the **Jonathon Butler Memorial Secondary and Overall shields**, the two shields we have a great history of winning and came in a close 2nd in the Primary Shield. Since 1996, not counting 2020, in the span of 25 years, we have won the Overall Shield 21 times, every year since 1999, and the Secondary Shield 19 times. **A pretty good record and one we should be very proud of.** As always there were runners who received medallions so congratulations to them, but this is a team event, and every runner got a point for their side when they finished and every point counts ☺.

RESULTS

PLACE	PRIMARY	SECONDARY	OVERALL
1	KULIN 72	NAREMBEEN 71	NARMEBEEN 149
2	NAREMBEEN 68	BRUCE ROCK 46	KULIN 108
3	MERREDIN COLLEGE 67	KULIN 36	BRUCE ROCK 73
4	ST MARY'S 66	YILGARN 27	MERREDIN COLLEGE 67
5	CORRIGIN 48	CORRIGIN 11	ST MARY'S 66
6	YILGARN 34		YILGARN 61
7	BRUCE ROCK 27		CORRIGIN 59

Event	Medal	Student
8 & Under girls	Bronze	Imogen Hickey
8 & Under boys	Bronze	Aden Smoker
10 & Under girls	Bronze	Macy Cole
10 & Under boys	Gold	Noah Smoker
11 & Under girls	Gold	Mia Parsons
13 & under girls	Silver	Portia Fidge
13 & Under boys	Silver	Dieter Bennell
14 & Over girls	Gold	Keira Butler
14 & Over boys	Gold	Cameron Hills
	Bronze	Lauchlan Poot

OUR 2021 WINNING INTERSCHOOL CROSS COUNTY TEAM

OUR 2021 MEDALLION WINNERS

HIGH SCHOOL CAPTAINS WITH THE SHIELD: CAMERON HILLS AND KEIRA BUTLER

HIGH SCHOOL AND PRIMARY CAPTAINS WITH THE WINNING SHIELD: LEVI FIDGE, CAMERON HILLS, KEIRA BUTLER AND MIA PARSONS

THANK YOU

Huge thank you to **Kylie Cummins** who had a big clean out at home and was able to donate a heap of art and craft supplies to the school for use. These will come in very handy and your generosity is greatly appreciated.

SAVE OUR COUNTRY KIDS (SOCK) WEEK: GET YOUR FLUORO OUTFITS SORTED!

Next week the CRC are running their annual SOCK week and the school will be involved in many activities. Some of our students have already spent time being a part of a video which will be shown that week, saying a poem written by our very own Ash Hunter. We have Holyoake doing 'Driver Distraction and Decision Making' interactive presentations to our high school students on the morning of **Wednesday June 30 2021**, and on **Friday July 2 2021**, we will be participating in **FLUORO FRIDAY**, a whole town initiative. On this date, we will also be holding an **afternoon of SOCK** week activities in three groups, our ECE, upper primary and high school.

PARENT OPEN NIGHT: SEE YOU THIS WEDNESDAY FROM 5:00PM - 7:00PM

This Wednesday June 23 2021, we invite all parents to come in and check out the great work that has been happening. All primary classes will be open, the Art Room will have high school art and other design projects displayed, the Resource room will be the place to go to check out the PE that they primary students are doing, while there will be some Digital Tech activities set up in the Computer Room. **We sent home the catering sheet last week and it was due back in today, so please, if you want soup or a sausage, email naremben.dhs@education.wa.edu.au immediately to get your order in!!**

DONNA WRIGHT AUTHOR VISIT

Last Thursday, during Book Week, we were lucky enough to have a visit from **Mrs Donna Spurgeon** from Kulin, who has written and published a children's book called 'If Lou Can, You Can', under her maiden name of Wright. She spent about 40 minutes with each primary class, sharing with them not only a reading of the book but how you actually go about the process of becoming a writer. Since she has an educational background, being a primary teacher and currently substantive DP at Kulin DHS, her presentations were terrific and the book is certainly worth a read. I am certainly ordering one for my grandies. It is about children finding their inner strength (similar to resilience) and doing the right thing. It is not available yet due to shipping hold ups, but it will be out soon, so do yourself a favour and get it for your child or grandchild ☺.

HIGH SCHOOL SCIENCE UPDATE: FINAL TESTS ARE THIS FRIDAY!

It has been awhile since I did one of these and I apologise to both the parents and students for my lack of reporting. It is nearly the end of the semester and this week, both classes will have their final test on **FRIDAY JUNE 25 2021**. There have been some great results from students throughout the term. Well done in Year 7/8 to **Lucy Currie, Zack Garlick, Portia Fidge and Sari Cusack** who have scored 90% or above in both of their Chemistry tests to date. **Sarah McIntyre** is just behind them

with one over 90% and one of 88%. I would also like to commend **Aidan Whitley-Sherwood** on his efforts in this unit of work, scoring over 80% in both of his tests. Finally, huge congratulations to **Cheyenne Cummins**, for working so hard to score a 75% in her last Chemistry test, this is a terrific result for her and she committed fully to her study to achieve it. These are great results, but there are students in this class who also need to spend a lot more time reviewing their notes for tests and improving their work ethic to score better results.

What do I say about the Year 9/10 class? **In general, they are just doing wonderfully well.** In the first test for Term 2 on Sound, **Sarah Lines, Stephen Cummins and Tahlia Ashmore** got great marks of 95%, **Lauchlan Poot** was just behind with 93% and **Cameron Hills** achieved 91%, while **Alice Hardham and Keira Butler** scored 87% and 85% respectively. **Makayla Cole** also is to be commended on putting in the hard yards to ensure that she achieves satisfactory results in all assessment tasks. **The standard has been set, the pressure is on for the 2nd test, on Light, this Friday.** In this class, most students are committed to their learning and achieving to their potential, and that is all we can ask of them.

Well done to all high school who are committing to their studies, but for all of those who still need to step up to secondary maturity and increase their work ethic, **now is the time, you have had six months to settle in, so Semester 2 needs to be one of improvement.**

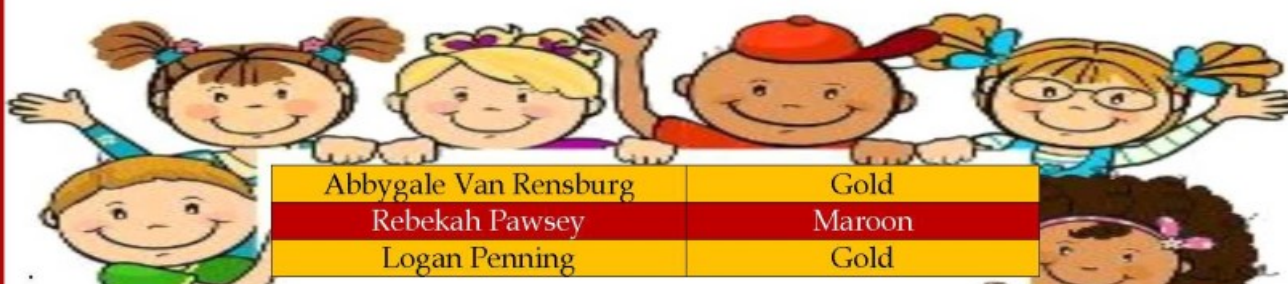

CONGRATULATIONS: SPORTING SUCCESSES

Congratulations and good luck to **Sari Cusack and Lucy Currie (Year 8) and Angela Andrews (Year 7)** for being selected in the **Wheatbelt Goldfields Athlete Development Squad.** Well done also to **Sari Cusack**, who was named the **MVP** for the **14 & Under C & DNA** team, which contested both the **WBGF Regional Championships and WA Member Association Championships.**

**MRS CHRIS ARNOLD
PRINCIPAL**

POSITIVE REWARD POINTS

The following students received 10 points for their faction. Well done!

An old station hand named Billy was overseeing his herd in a remote pasture in the outback when suddenly a brand-new BMW advanced toward him out of a cloud of dust.

The driver, a young man in a Brioni® suit, Gucci® shoes, RayBan® sunglasses and YSL® tie, leaned out the window and asked the old man, "If I tell you exactly how many cows and calves you have in your herd, will you give me a calf?"

Billy looks at the young man, who obviously is a yuppie, then looks at his peacefully grazing herd and calmly answers, "Sure, why not?"

The yuppie parks his car, whips out his Dell® notebook computer, connects it to his Cingular RAZR V3® cell phone, and surfs to a NASA page on the Internet, where he calls up a GPS satellite to get an exact fix on his location which he then feeds to another NASA satellite that scans the area in an ultra-high-resolution photo.

The yuppie then opens the digital photo in Adobe Photoshop® and exports it to an image processing facility in Hamburg, Germany ...

Within seconds, he receives an email on his Palm Pilot® that the image has been processed and the data stored. He then accesses an MS-SQL® database through an ODBC connected Excel® spreadsheet with email on his Blackberry® and, after a few minutes, receives a response.

Finally, he prints out a full-color, 150-page report on his hi-tech, miniaturized HP LaserJet® printer, turns to Billy and says, "You have exactly 1,586 cows and calves."

"That's right. Well, you'll be helpin' yourself to one of me calves, then, since you won it fair en-square." says Billy.

He watches the smartly dressed yuppie select one of the animals and looks on with amusement as the man gingerly picks it up & stuffs it into the boot of his car.

As the yuppie is carefully brushing the dust & hair off his suit, Billy says, "Hey, if I can tell you exactly what work you do & where you come from, will you give me back my calf?"

The yuppie thinks about it for a second, wondering what this wrinkled up dirt encrusted uneducated old man could possibly know? He grins and then says, "Okay, old fella, why not? I'm a believer in fair play."

"You're a politician & you work in Canberra." says the old timer.

"Wow! That's correct," says the yuppie, "but, tell me how on earth did you guess that?"

"No guessing required." answered Billy "You showed up here even though nobody called you; you want to get paid for an answer I already knew, to a question I never asked. You used millions of dollars worth of equipment trying to show me how much smarter than me you are; and you don't know a thing about how working people make a living - or about cows, for that matter. This is a herd of sheep.

Now give me back my dog."

AND THAT FOLKS IS WHAT THE PROBLEM IS ALL ABOUT.
