*An interesting story of Brian was relayed to the Fencepost by Iris Bristow.*

*“At the inaugural meeting of the Fencepost in 1978 Joan McCutcheon was elected as President with Iris Bristow as Editor. Brian Federici was at that meeting and it was he who suggested the paper be called “The Fencepost”. Ross Patterson (who was a former Policeman & later owner of the Delly) made the Fencepost insignia that is used on the cover”*

### **HISTORICAL HIGHLIGHTS**

A productive meeting was held on Monday 19<sup>th</sup> July with 10 members attending. We are grateful to the people who make up our membership and work so hard to preserve our history.

At the recent busy bee the railway shed was almost cleared of items belonging to the society.

Some cabinets will be offered for sale in the near future. Thank you to the shire for providing this storage space as our renovations were carried out.

The sign for Billericay has been ordered. Thanks again to the shire and to Sheree Thomas for coordinating this project.

In conjunction with the shire we hope to accommodate plaques from the foyer of the Town Hall as they relate to Shire and War Service. There is one separate plaque erected to the memory of William Anderson. He was killed in a horse and buggy accident in 1921 and the plaque was erected by his friends. It is known that he farmed for a short period on what is now Mortimores' farm.

Rosemary Smoker from Dorcas has again generously given our funds a boost with a \$2,000 donation. Sincere thanks to you and staff.

M. Butler showed a group of caravan travellers through all museums recently. This tour took several hours and the visitors were very complimentary in their comments. L. Lethlean took Steph from Roe Tourism through as well. Steph is interested in highlighting focal points of the area for tourists. Sincere thanks to Margaret and Lorraine for the time invested.

We are grateful to Joan Cusack for supplying us with the date of the sporting grand finals success. It was 1970. Joan had also saved relevant paper cuttings and has donated these along with the item and picture of the mural on the railway shed. Thank you Joan. Thanks also to Maree Sprigg for the 2 calendars from 1982 with pictures of vintage machinery. Bill Flint compiled a list of early telephone exchanges from a 1970 phone book. This created much interest. Chris Bray is planning to research earlier exchanges which were manually operated and would welcome any information people may have.

Busy bee dates to get the RSL Hall in order are 9th August and 13<sup>th</sup> September at 10.30am and the next meeting date is 16<sup>th</sup> August.

At Narembeen the windows are getting spruced up. The putty is coming adrift, and the paint work is peeling off. Graham is now doing the tedious work of cleaning it up, and getting them all painted. Thank you Graham!

At Narrogin we had the racking removed from the furniture shed, which meant that the shed was left in a mess. So, a quick trip to Narrogin during the week, with three ladies working for four hours, got the place looking quite respectable. Many thanks to Louise Cameron and Deb Morgan, and also to Annette Main, who held the reins at the Narembeen shop, so I could go.

We held an online auction, of a nicely framed autographed Powderfinger Poster. Kylie Di Fulvio from Corrigin won it, with the funds going to Endometriosis Australia. This \$2,000 that we are raising is now going to Endometriosis Australia. Many thanks, to the person who kindly donated picture for this cause!

# Narembeen Golf

***B C would have been pleased!***

***The day was dry. The clubhouse was pumping. The food was terrific. The course great and some very good scores were recorded.***

***On Saturday the B C Cusack Cup and Traders' Cup were contested by the men and they produced some wonderful golf. Robert Miolini won "The B C Cusack Cup" with nett 42 (74 off the stick, his best ever score). For someone who works endlessly around the club it was a very popular win. Robert won from Peter (on a roll) Cowan with 40 and Mike Currie 39. J Boyd won the gross with a 69. It keeps the tradition of Narembeen players winning the cup with only two exceptions in 25 years.***

***"The Traders Cup" was a combined stableford and Brendan Parsons and Mike Currie were winners with 74 from Robert and Brayden McCubbin 73, Scott Stirrat and Dave Blurton 71 and Glen Sands and B Mutton 68. The combined gross winners were Robert and Brayden.***

## 'Cracking Day at the Footy'

*The Narembeen Footy Club would like to thank the following sponsors for their support throughout 2021.....*

*NB Hardware & Ag Supplies, MACA Mining, Varley Transport, Colestan Electrics, Rockdale, Hutton & Northey Merredin, NB Spraying, Nutrien-Total Ag Narembeen, NB Engineering, NB Club Inc, Viterra, Nb Tyre Service, Wheatbelt Ag, Gmeiner Family, Central Wheatbelt OT, Aviso, Bankwest, Lethlean Family, Sonic Boomsprays, McIntosh & Son, Dorcas, Jordan Sprigg Sculptures.*

It was cold, it rained a bit, the sun never really came out, it was a day where many would have stayed inside. Those that did however would have missed a cracking day at the footy. Nukarni and Narembeen are two proud clubs in the Eastern Districts Football League. Both clubs have been successful through their history and as a result there is an expectation that their players play a certain way. On Saturday as the two clubs descended on the Been for a late season contest those expectations, those traditions, those cultures made for that cracking day at the footy.

The Nukarni Ressies are a juggernaut. They have played in ten of the last eleven grand finals and in 2021 they are undefeated with a percentage of over 1000. Simply put they have been belting the living daylights out of everyone. The Ressies had copped a twelve goal belting in Merredin earlier in the year and had their work cut out for them on Saturday. When the first ten minutes of the contest was fought out in the Nukarni forward line that job looked huge.

To the credit of the players though, they slowly got themselves into the game. Ben Latham and Joel Deluis led a midfield that started to get the ball back and move it quickly through the ground. This quick movement gave key forwards Kallen Parsons, Ben Hunter and Rhys Cousins a chance to get one out and take strong marks. After being jumped the Ressies were back in it at the line break.

A dominant third term saw the Ressies in front at the last change. It had been a strong effort in defiance and resilience as they were playing for each other and never backing down to the pressure when it came. The Nukarni Ressies aren't on top for nothing though and they showed that as they dominated a final term with pace and pressure which the Ressies couldn't respond to. The Ressies would go down by three goals to a team had won all but one of their previous games by over fifteen goals. It was a cracking game of footy.

Ressies	6-8	44
Nukarni	9-8	62

Best: Ben Latham, Dan Waldorf, Joel Deluis, Kyle Della, Lindsay Brown

The main game was to define the seasons of the two clubs in it. Win and the finals are there for the taking and a strong position in the four is a chance. Lose and just making the four becomes all the more difficult. The tension was high right from the start.

Control of the contest swung between the two sides throughout the day. The Hawks were on top early with Connor Spinks having a day out across half forward and Dean Williams and Mike Mortimore holding down key positions in the back half with a determination that spoke to the gravity of the contest.

While the Hawks were able to stay in front all day they were also challenged throughout. Nukarni's hard running midfield was able to open the Hawks up at times and asked the Hawks to get back and help out to hold them at bay. This was perhaps the most important takeaway from the contest for the boys in maroon and gold. For not only were they challenged throughout they responded each time. Numerous times it looked like the Demons would get on top and more importantly get in front and numerous times the Hawks responded and kicked goals. The Coach, Sam Bald, had his most impactful game for the season while James Kennedy once again played taller than his stature kicking three of the Hawks eleven goals.

The final quarter was another example of this. The Demons were coming hard at the Hawks looked to be faltering. They were getting beaten out of the middle and the Demons were kicking goals, they kicked the last three in a row. The Hawks looked out on their feet and the Demons running on top of the ground. Then there was a period of four or five minutes where the Hawks got the ball stuck on the far side.

Repeated ball ups and throw ins slowed the momentum of the Demons and gave the Hawks a chance to recharge and restock. In the end the Demons would run out of time, fair to say ten more minutes and it may have been a different result. It was a cracking day at the footy.

Hawks	11-8	74
Nukarni	9-9	63

Best: Connor Spinks, Mitchell Miolini, Rhi Green, Michael Mortimore, Spencer Beatty.

### The Beauty of Leadership.....

Grant Mills, Michael Currie, Brendan Parsons, Ben Hunter just to name a few. In my time watching the Narembeen Footy Club the Hawks have had some wonderful fellahs and footballers assume the role of the captain of the club. These blokes were not only good players but they were men that others wanted to be around and wanted to follow. They were all good to those around them but demanded a standard of their footballers which would often set the Hawks in good stead. Although it has probably been the case for some time, yesterday, as his Hawks fought hard to defeat a good Nukarni side, Mitchell Miolini solidified his case to be added to that list.

Known as 'Rip-tear' by some as a younger bloke, there are few that have done more or who have been more committed to the Narembeen Footy Club. A committee member from a young age, he's also held down positions as a coach, vice president and treasurer. As the Hawks have tried hard to hold their relevance in the community Miolini has been at the front of the pack finding a way to keep things rolling and to get the Hawks to rise again.

2021 is proving to be one of the closest seasons in local footy history and the Hawks had a season defining contest on Saturday. With six sides all with a chance to make the four Nukarni were equal with Narembeen on points and close on percentage, the winner would break away while the loser would fall behind. What was needed was a Hawk to show the way, to set the tone and show others how things needed to be done. Miolini was that man.

Starting in the middle of the ground Mitchell was at the coal face throughout the day. He set the tone for contested football wins and was instrumental around the stoppage early. He ran hard both ways and was as willing to help out in the back half as he was to get forward of the footy when the Hawks were in control. The way he ran when his team didn't have it was a standard that his fellow midfielders were keen to follow.

Play footy in this manner and it asks a lot of your body. As you work aerobically and also physically and towards the end of the game it becomes more about heart than anything else. Running on heart is what the good leaders do and as the Hawks got on top late in the third it was Miolini who was finding space thanks to his running volume and getting shots on goal as a result. Then as the Demons responded in the last it was Miolini who was around the stoppage trying to slow the wave and turn it around.

Leaders are very important in footy teams and in footy clubs. In the twenty years I have been watching the Hawks the club has been lucky to have some great ones both on and off the field. With a tremendously tough effort against a tremendously tough opponent on Saturday Mitchell Miolini has rightly put himself on that list of leaders of the Narembeen Footy Club.

## From the Managers Desk

Hello everybody!

After three weeks couch rest I am excited to be back in the office. Great job to Savannah and Georgia who manned the office without me, they did a great job. You might see me hobbling or skipping along for a further three weeks, as I am still not allowed to weight bear, so please have patience with me as everything seems to take a little bit longer at the moment. Netball can be a dangerous sport, but I am missing it already!

Georgia had already mentioned it a couple of weeks ago but I wanted to take the chance to say it again: SOCK Week 2021 was a great success!!

Thank you to everyone who participated in any way and helped us spread the important Road Safety messages. Thank you to the Narembeen District High School and the teachers for organising many fun but educating activities. And a special thank you to the Road Safety Commission for supporting SOCK Week 2021 with \$11,198.00 which allowed us to develop the incredible SOCK poem video!! A video that was watched over 20,000 times!!! on Facebook and shared by more than 300 people!! A video we are extremely proud of and thank all the students and their families involved. A special thanks must also be made to Ed and Paulina Hobbs from Fisheye Production for creating such a wonderful piece, we had a vision and they brought it together and even better than we expected! If you haven't had a chance to watch it please let us know and we would be more than happy to show it to you here at the CRC!

On another exciting note, this week we are welcoming a new Staff member; Nora Kircher will be joining the Narembeen CRC team as the new Customer Services officer two days per week. Nora has been in Narembeen since 2014. She was three beautiful children Maya, Haylee and Abbie with her partner Jay

Della Vedova. Nora is looking forward to get back into the work force and we are looking forward to welcoming her. If you come into the CRC over the next few weeks please make sure to come in and say hi! Please also remember to be patient, Nora will have a lot of new things to learn and staying calm and patient is essential when welcoming a new staff member.

We have a lot of important and interesting workshops/ courses happening over the next few months. Our mental health and wellbeing is a priority to the Shire of Narembeen and we will be hosting three mental health workshops three months:

- Rural Minds Workshop - July (3.5h)
- SafeTalk– August (4h)
- Mental Health First Aid—September (2-day)

These workshops are a great way to improve awareness and understanding of mental health issues and giving you the confidence and strategies to support your family and friends. Please take this opportunity to learn more about mental wellbeing and you might be able to help someone in need one day.

Our monthly seniors (Movie days + Morning Coffee Club) and children activities (Rhyme Time + Story/Stem Time) are also still going ahead in this second half of the year. A list of upcoming dates can be found on the next page!

Enjoy the rain! Hope you have a great rest of the week.
