Over the Fence....

25 Cheetham Way has new owners and we sincerely hope they enjoy living in this lovely house as much as we did. Thank you so much to all of the people in Narembeen who made our ten year stay here so memorable. We look forward to visiting and keeping in touch with you. With our very best wishes to you all.

Nev & Jill McGregor

We wish Nev and Jill happy travels and look forward to hearing the stories along the way.

Historical Highlights—Correction

For those that read the highlights in last weeks Fencepost the date of the Sporting grand finals success was 2007 not 1970.

WEATHER

Day	Date	Max (°C)	Min (°C)	Rainfall (mm)
Tuesday	20th July	15.2	9.5	16.2
Wednesday	21st July	16.4	9.8	0.6
Thursday	22nd July	13.7	5	
Friday	23rd July	15.6	6.5	
Saturday	24th July	16.4	5.9	1.4
Sunday	25th July	17.8	4.9	
Monday	26th July	16.9	8.8	4.4

As I sit here at the Fencepost today it is another cold, windy, rainy day and by the weather reports it seems it will stay this way this week. We are all loving the rain but a few hours of sunlight on the crops would be great.

On this day—

1914 Austria-Hungary decides against mediation and declares war on Serbia - first declaration of war of WWI.

1977 Legendary England cricket all-rounder Ian Botham on debut takes 5 for 74 in the Australian 1st innings in a 7 wicket 3rd Test win at Trent Bridge

NAREMBEEN COMMUNITY DIRECTORY

2021 – 2022

NAREMBEEN HISTORICAL SOCIETY—

Over the next few weeks we will be publishing this story taken from 'The Democrat' October 1, 1963 of Sir Charles Latham by Bill Courtney.

THE NINE-YEAR-OLD ORPHAN MIGRANT WHO BECAME A LEGEND WITHIN HIS LIFETIME.

This is the story of a nine-year-old orphan migrant—and how he became a symbol and a legend within his lifetime.

This new series of ours about people who have helped to build our nation, and especially this western third of ours, will not be cold biography.

We will bring you stories of people who are still with us—some have risen to eminence, others may have pioneered the outback and still be pioneeringwho can say which has given greater service to posterity.

We have chosen the orphan migrant as our first study because his life is the warm and human cameo of a man who has risen because he put service to the community before self.

It is also the story of a migrant who made good against immense odds; a statesman who has earned a niche in our national history, a farmer who pioneered new country and an infantry sergeant who fought in France with one of our greatest battalions.

The Hon. Sir Charles Latham, Kt., today has 24 lines of personal history in "Who's Who in Australia." He has been knighted for service to Australia, he has become a symbol that those who serve with the Country Party serve Australia.

FIRST JOB

The nine-year-old orphan who arrived in Australia in 1891 could not have foreseen even a fragment of that future—certainly his first job in the country of his adoption would have given no indication.

It must have been a bewildered child who started his career by milking and tending cows for the town supplier of Hay, in New South Wales4am until 8pm, seven days a week, for food and clothing—and the bonus of a quick flick with a leg rope if he dozed off while milking.

But let us start at the beginning, and find out why young Charles came to be milking cows when most children with his background could reasonably expect to look forward to a career within an empire that was then the most brilliant the world has yet known.

Young Charles was born at Hythe, on England's east coast—an area noted for its school of army small arms training, its mudflats, and military barracks and training areas.

Many famous regiments still have their depots in the area, and it is highly likely that Charles would have entered the service of Queen Victoria had tragedy not struck.

Thomas Latham was a coastguard officer stationed at Hythe when he died suddenly— Charles was two years of age, and there was a young family of eight children.....the baby was only 11 months old.

Now the Lathams are a name long associated with service to the British Crown—and to Parliament.

Sir Charles in his robes as President of the Legislative Council of W.A.

EULOGY MICK MOPPETTS FUNERAL.

We are here to celebrate the life of Mervyn Harold Moppett better known as Mick.

Dad was born October 2, 1928 in Bruce Rock Hospital, the 3rd child of Baden and Hilda Moppett. Iris and Ivan were born in South Australia and after Dad came Gloria and Kingsley.

Dad grew up around Bruce Rock, Ardath and Naremben as Pop Moppett was share farming this area. He eventually bought a 1000 acre farm south-east of Naremben called Rexland.

Dad left school at 14 to work on the farm and a few years later Pop purchased a school bus. For a while Dad used to drive out to Mt Walker dropping kids off, stay the night and come back in the next day. Dad suffered with asthma bad when he was young but seemed to get less after moving from the farm.

One time Dad was ploughing using a Lanz Bulldog tractor which had a hopper for cooling. He parked on the dam bank to fill the hopper and was down getting his bucket of water when the tractor rolled down the bank into the shallow dam, sitting in the water popping away. They had to get a team of horses to pull it out.

Pop Moppett bought a vauxall car for the boys and dad and my uncle Neil Wilson were travelling to Merredin on a wet rainy day when dad lost control and tipped the car on its side. Lucky they were going pretty slow so not much damage They pushed it back on its wheels and continued on to footy.

As life went on dad met and married our mother Margret Wilson in 1952 and they had 4 children myself Lyn, Debra and Michael. Dad had 6 grandchildren and 7 great grandchildren.

In 1962, Naremben had a lot of rain with wide spread flooding. Driving to town one Saturday afternoon we saw 2 boys playing on the railway bridge when one fell into the fast flowing water and went under the road bridge and got stuck in the barb wire fence.

Dad showed a lot of courage climbing out in the water on the fence to try and save him while Mum went into town to the Pub to get help. He freed the boy who went on down the creek while the men from town used ropes to get Dad out. He got cut up by the barb wire quite bad.

In 1969 Mum moved to Perth with the girls and Michael. Dad and I stayed on the farm working with Kingy or Pud as he was known. Dad and Pud were close brothers but we had some funny times especially with Pud and his dogs who he treated like kids.

One time trying to get a mob of sheep in the yards Puds dog stood in the gateway blocking there path. Dad started throwing paddy melons at the dog which upset Pud who threw paddy melons at Dad.

EULOGY MICK MOPPETTS FUNERAL. continued

Another time we were drafting rams and dad was telling Pud to get his dog out of the yards. Pud ignored dad and the dog stood between Puds legs. The next thing the rams went the dog and Pud was on the deck rolling around with a sore knee . Dads the other side of the fence saying I told you so. Pud and his dog created a lot of barneys.

Mum passed away in 1973 and Michael, Lynny and Debra came back home to the farm. Dad was a great father to us all and we settled in to family life once more.

As time went on we kids left home and dad moved to town. Dad and Faye got friendly and Faye eventually moved in with Dad. They shared a common interest playing bowls and golf most weekends as well as baby sitting our kids when they were small.

In 1995 we sold the farm and dad and Faye did a caravanning trip around Australia.

One time I rang and Faye answered. She said dad could not speak as he was having a panic attack. Apparently they took a wrong turn and were in peak hour traffic in Sydney trying to get off some highway.

In 1996 Dad and Faye retired and bought a house in Busselton. For the next 15 years the did a lot of caravanning seeing most of Australia going different places every year.

In 2013 Dad and Faye sold the house and bought a unit in Nova Care retirement village Busselton.

Dad played golf at least once a week up until a few years back . Shaun tells me Pop didn't like to lose. One Christmas when Shaun and Marie where over he and Laurie had a game with Pop and it was pretty hot but he still took the honours.

In the last few years dad had a few health issues which made him a bit grumpy but he always had a sharp mind and enjoyed his sport on Fox. He and Faye have been very fortunate to have kept there wits about them and live independently all this time Dad was still driving down town up until 3 weeks ago.

A lot of thanks must be given to Lyn and Laurie for always being there for Dad and Faye looking out for there needs, especially these last few years.

To sum up Dad had a pretty good innings to still be fairly fit and sound of mind at nearly 93.

We will miss you Dad

Love & Goodbye.

Stephen MOPPETT

COUNCIL WRAP UP - JULY 2021

The Shire of Narembeen Councillors met 20 July 2021 for the 675th Ordinary Council Meeting.

Preliminary Report – Proposed Rural Industry (Temporary Emergency Bulkhead) on Lot 278 Hyden Mount Walker Road, Mount Walker.

Cooperative Bulk Handling Limited (CBH) owns and has established a Rural Industry on Lot 3119 Hyden Mount Walker Road, Mount Walker. CBH intends to lodge a future development application seeking temporary approval for emergency storage to occur on adjacent Lot 278 Hyden Mount Walker Road, Mount Walker.

The 2021/22 Annual Budget was adopted on 20 July 2021

Some of the major projects that will be delivered to the community this year include:

- Apex Park Redevelopment
- Churchill Street Beautification
- Brown Street / Ada Street Shared Pathway
- The Old Church Restoration

A multimillion program of civil works expenditure including:

- Townsite Blackspot Road Improvements
- Narembeen South Road
- Soldiers Road
- Narembeen Kondinin Road Widening

The budget is available on the website.

For more details, please visit the Shire website to view minutes of the meeting.

HOCKEY

Men

This year the Narembreen's Men's hockey team have struggled to field a full team each week but have played all but one game thanks to some of Narembreen's hockey player's playing more than one game each week and the support from other towns providing extra players. The Men have had mixed results but of late have had a few wins and are now positioned in 3rd position on the ladder.

"Adrian Smoker Memorial Game" 24/7/21 NBN vs BK

Narembreen had a full quota of players for this game on Saturday and it turned out to be a very competitive match against Bruce Rock. It was great to see Michael & Luke Smoker back out on the field and there were plenty of Smoker's on the sideline cheering too. I even heard Rosemary Smoker encouraging Ray Smoker to get out there for next years game. The score see-sawed through the game from 1-1, 2-2, 3-3, 4-4 until the last two minutes. A real nail biter. In the last 2 minutes Nathan Sprigg sent a ball across the base line which was slotted into goals by Connor Sargeant which sealed the match for Narembreen 5-4.

Great team play by the whole team.

Team: Layne Thornton (Goalie), Jordan Sprigg, Nathan Sprigg, Angus Latham, Wes Taylor, Luke Smoker, Michael Smoker, Deakin Miller, Sam Nation, Courteney Hall, Xavier Rajagopalan, Connor Sargeant, Sheldon Kuhne-Munroe

Goal Scorers: Sheldon Kuhne-Munroe 1, Deakin Miller 1, Connor Sargeant 2, Jordan Sprigg 1

Thanks also to Trevor Sprigg for umpiring.

A Grade

A-grade has continued on its winning streak, defeating Bruce Rock 3-0 on the weekend. After a tough, flat game last week against Merredin the team lifted its intensity and maintained it for the whole game. The girls held together their game plan, utilising short passes through the whole field to dominate the game, the majority of the play being in our attacking half. Work on short corners at training really paid off. Felicity and Nat barely broke a sweat in the back line. Sam made some great saves when Bruce Rock did manage to break through. With only 2 rounds left before finals the Narem girls are working hard to go into the finals strongly. If you are able to come along and cheer the girls on - it is great hockey to watch.

Team: Sam Nation (G), Nat Browning, Mel Baldwin, Gina Cheetham, Carissa Wanless, Tayla Atkins, Caz Robinson, Courtney Hall, Hannah Kerse, Mikaela McCall, Felicity Cowan.

B Grade

It was a slow start for Narembreen B grade on Saturday. We were all feeling a little bit lost and had our first goal scored against us in the whole season. We soldiered on and after half time really picked up the tempo ensuring that we were all going for those second and third attempts. At the beginning of the last quarter we were still 1 nil down but something had changed, we were finally hungry.

The first goal for Narembreen was scored by Tamara who was perfectly placed at the post and our second goal by Jess. One of our best quarters so far and winning the game to 2-1.

Team : Felicity Cowan (goalie), Kylee Slade, Bonnie Taylor, Sam Nation, Kara Morrone, Holly Burns, Fabs Gracia, Jess Smoker, Deakin Miller, Shae Biddulph, Tamara Clarkson, Noah Smoker, Noah Browning and Jack Wanless.

Junior

Round 10 saw our juniors play a hard game against Bruce Rock on the turf. We had a few quick breaks but played a mostly defensive game. All goals were scored in the first half, unfortunately all of them to Bruce Rock. Narembreen played an excellent defence in third quarter. Lots of hard work with our players on their knees tackling. Well done juniors, and keep working together as a team! Thanks to Mitchell, Emma and Taya from Bruce Rock who filled in for us.

Score: 0-4.

Team: Lyla Hayter, Ava Wanless, Daisy Hooper, Noah Browning, Noah Smoker, Deakin Miller, Charles Robinson, Chase Smoker, Aden Smoker, Dakota Miller with Mitchell, Emma and Taya from Bruce Rock.

Narembeen Golf

The serious stuff has started!

The women played their elimination rounds on Wednesday with great conditions (read no rain). Due to illness and family matters the field was smaller than usual -but no less competitive.

Congrats go to Darien who played A grade this year. It was a baptism of fire but she survived intact. It was match play, off the stick, which is a great game. Our congratulations go to the two who came out on top Julie Hayter and Miranda Noack-they did qualify 1 and 2 so well done girls. The final will be played at a later date over 36 holes match play.

Due to men playing in Bruce Rock and Justin Fidge's 50th birthday, only a small number hit off on Sunday though the result didn't vary much with Danny Gray winning with 35pts from Brian Cusack on 29. I'm not allowed to go any lower!

Of those that played at Bruce Rock, Mike Currie and Damon Hayter were R/up to nett with 43 and Robert Miolini and Greg Vaughan R/up to the gross.

Please don't forget to get those buggies/sticks that don't belong to regular members out of the buggy room ASAP. Also a reminder that all non-members need to pay \$5 green fees each time they play.

Many Thanks to our sponsors

Congratulations to MC Sharks who have Secured Top Spot on the League Ladder (and with it a Home Game in the First Week of the Finals) with One Week of Fixtures Still to Play

Class

The Narembeen Footy Club would like to thank the following sponsors for their support throughout 2021.....

Narembeen Hardware & Ag Supplies, MACA Mining, Varley Transport, Colestan Electrics, Rockdale, Hutton & Northey Merredin, Narembeen Spraying, Nutrien-Total Ag Narembeen, Narembeen Engineering, Narembeen Club Inc, Viterra, Narembeen Tyre Service, Wheatbelt Ag, Gmeiner Family, Central Wheatbelt OT, Aviso, Bankwest, Lethlean Family, Sonic Boomsprays, McIntosh & Son, Dorcas, Jordan Sprigg Sculptures.

The saying goes that form is temporary, but class is permanent. Things can go well and things can go bad but one your good your always good. This runs true in many different steps in life but is especially true in football. Not only in how a player can catch it and kick it but how they can help out their team as well. As the Hawks fought their way to two hard earned wins against the most traditional of opponents on Saturday some really classy performances stood out.

With both sides significantly undermanned the Ressies contest was always on a knives edge. Both sides had their effort levels and intensity up and both had moments of real control but neither was able to shake the other off right throughout the day. It was a game that went right down to the wire as a young Bruce Rock player had a shot after the siren to try and win the game. Lucky for the Ressies he didn't make the distance and the boys would win by four points.

This was a win that was earned by everyone in the side and was a credit to the commitment and effort of all player. Young tyros Cameron Hills, Stephen Cummins and Oliver Miller all overcame physical injury to keep competing. Danny Conway did a great job on Leigh Strange and Dan Waldorf was once again a workhorse in the ruck. There were however a couple of classy efforts that stood at the top of the pile and helped the boys get over the line.

At 11:15am Brendan Maher was fighting with am uncooperative boom spray the other side of Muntadgin. He rang the coach and asked how many players he had. When the reply was only eighteen, with Maher on the list, he said he would be there soon. He left the boomspray and made it to the ground part way through the second quarter. He went on and then had a role in giving the side some mor experience and class around the contest. He could easily have said that he needed to get another tank out but he chose not to, he chose to help out his mates. It was a classy effort.

As the game continued to be tough and tight both Lindsay Brown and Ben Hunter moved themselves up the ground from their positions in the forward line. As the both went on the ball they both had an influence. Hunter's ability to read the play has always been a highlight of his football. This combined with supreme foot skills saw him repel several Bruce Rock sorties in the last quarter. While Brown just brings toughness. He got himself on a back flank and mixed an ability to understand where the ball was going with an ability to win it when it's tough to see the boys through. This was classy from both Brown and Hunter.

It was a close win earned but a wonderful team effort from a side which was undermanned and lacking experience. It was a team effort topped off by some classy contributions from some senior footballers, just as every team needs from time to time.

Ressies	9-3	57
Bruce Rock	8-5	53

Best: Ben Hunter, Lindsay Brown, Oliver Miller, Danny Conway

Cody Duncan used to live across the street from the oval. He was seven when I arrived in town in 2001. By the time he was maybe ten or eleven to the time when he left to go away to school five years later it was rare that you didn't see Duncan, along with whoever he could find, kicking goals from the boundary line. As most left footers do he developed a sublime kicking action from these hours of practise and fun kicking the footy.

Now in his mid twenties and standing close to six foot Duncan has developed in a very good footballer. He brings size and pace to his footy and those foot skills have become quite the weapon. With his team in need of a win to keep pushing towards the final four Duncan stood up to be counted in what was a quite dominant display for the Hawks against the Pies.

Across the middle of the ground initially and then forward at the end Duncan found space to be damaging and read the ball well when it was going the other way. He took contested marks to get the ball back in the middle of the ground and was a seventy metre footballer when he found space. Then there was the final part of his effort that made it all the more classy. He kicked five goals.

It was a classy effort from Duncan and had a big influence on the end result but it way for a strong team effort by the Hawks on Saturday. The game was tough in the contest for the first two and a half quarters. Ben Hislop and Mitch Miolini won contested footy through the middle and a rejigged forward line which included the returning Kyle Della looked dominant early but couldn't shake the determined rock off.

A four goal lead at the long change was more testament to the work of the Rock than the dominance of the Hawks. The first ten minutes after the long break would have a big influence on the result. In what are good signs at this time of the year the Hawks dominated from there. Not only did Duncan get more and more space. Jimmy Kennedy made the most of some wonderful delivery and down back Jay Gill had perhaps his best game of league footy in what is still a short career. Gill, who could run a 100 metres in under 12 seconds as a sixteen year old, started to attack more and more off half back. He then used that pace the other way to get back and maintain his position and help out at half back. It was a highly encouraging display from a growing Hawk.

Hawks	18-9	117
Bruce Rock	10-7	67

Best: Duncan. Hislop, Gill, Kennedy, Boughton, Davis

The New Inclusions

Every year a footy club needs and often looks for new inclusions. While the stalwarts and the veterans are vital to a club, bringing fresh ideas and fresh faces are just as vital to keep the place exciting and fun. New ideas can show some new ways to success and they also can bring new ideas to have some fun. Funnily enough such change can often bring success with it as well, and everyone likes a winner.

2021 has seen a large injection of new faces to the Narembeen Footy Club and the club and community are all the better for it. The freshness of the coaching staff in Sam Bald, Justin Baldwin and Clint Butler has brought a noticeable bounce to the playing group. New drills and new voices at training have seen the ball move fast and the players really commit to what training has been about. Those new voices and new ideas have seen a different style of football from Narembeen and the club has been the better for it.

As all clubs in the bush do, the Hawks looked to recruit from Perth over the summer. This drive saw the return of ex-locals Jayden Hooper, James Kennedy and former coach Steve Boughton who have all contributed strongly. It has also seen the inclusion of Ben Hislop. Drew Pierman, Spencer Beatty and Bryce Aggis. All four have played good football through the season and have also been good blokes around the club. While the former is important the latter is even more so as it makes for a happy changeroom and when you have a happy changeroom you are half way there.

Narembeen has also had some new faces come to town and got themselves involved in the footy club on arrival. Connor Spinks came to town earlier in the year to take up an apprenticeship at AGFRI Narembeen. Spinks, only 21, has held down centre half forward and got better the further the season has gone. He has shown wonderful skills and his growing confidence has made him very important to the league side. His willingness to aggressively consume Espressos off the field has endeared him to player and supporter alike.

Paratente Cooper and Gus Esposito also found themselves in town earlier in the year. They then found themselves down at the footy club getting know the lads. Esposito, only 16 has moved to town to also work at AGFRI and has shown a wonderful zest for life and the footy club. His smiling approach to his footy and to the people around him has made him a wonderful addition. Cooper, who bares a striking resemblance to a significant South American businessman, works at the pub and has brought an easy going approach to his footy and his dancing in the changerooms before and after the game.

Rejuvenation is important in anything, really important in footy clubs. Clubs need the bricks and mortar, the stalwarts, the veterans who commit themselves for years and ride the ups and downs of a footy club. However, along the journey the inclusion of new faces and new ideas is vital for clubs to prosper and succeed. Rejuvenation doesn't always work, sometimes it can go wrong. At the Hawks in 2021 however it has been a big success.

Roll up for WA

COVID-19 Vaccination

rollupforwa.com.au

We've all worked together to keep Western Australia one of the safest places in the world.

To protect our lifestyle here in WA, there's one more thing we need to do. We need to roll up our sleeves and get vaccinated for COVID-19. The more people who do, the more we protect our families, friends and community.

Private School Boys

I'm an old Private School boy. It was a long time ago, but I was lucky enough to spend five years at one of the most prestigious boys schools in Perth. Private School boys have been referred to in the news a bit in the last couple of days. They've been referred to as being young men of character who more often than not come from a background of stability. The coach has obviously copped a bit of flack for that, those that have thrown the mud have however missed the point a bit I think.

Simpson was referring to how his club was going to handle the continually squeeze that the pandemic is placing on AFL clubs. The once financial powerhouses with ten coaches, remember that photo of the Essendon coaches box, now don't have the money to provide as much assistance to players as they come through the system. No longer can clubs provide the welfare they once did to the young men coming into the system. That's just a fact I would have thought.

Simpson was wrong to make his Private School comment. The idea that you have to go to such a school to be a young man of character and commitment is obviously wrong. Again it was a long time ago but in my years at that boys school on the hill in the western suburbs I saw plenty of fellahs who came from stable back grounds who were mad as cut snakes. They made choices that were bad and you would often wonder how they got away with a lot of it. He was wrong, he knows it, however perhaps we are missing the point.

The heat shouldn't have been going for the coach but should have been going to the players that made him draw such a conclusion. It must drive coaches like Simpson and clubs like West Coast spare when they offer young men an opportunity to set their lives up over the prime of their lives and then some just make a mess of things. Then look to the club to help them out. Is it possible they should be taking more responsibility for their own actions?

Now don't get me wrong I understand that there are talented kids who need and deserve assistance to get the most out of what god gave them. I believe that they should be given help and given opportunities. However where do we draw the line and turn the responsibility from the club back to the player. Are clubs really supposed to assist players who flaunt the law? Or should they be expected to back players in who are violent or socially irresponsible away from the footy club? They do at the moment, and they should be commended for a lot of it but I think the time has come.

How would the world look if these elite sporting clubs presented opportunities that young men had to not only earn but work hard to keep. What if they knew going into it that a great life was there for the taking but they also had to meet standards to hold it. I understand it could be a risk but it could also create a new breed of footballer.

It could create footballer who are more respectful of the opportunity they are being given by their talents and by the club that puts faith in them. Then it could create a culture in young people that they aren't owed anything, that just because they're talented doesn't mean they get looked after it means they get a chance. It would take a bit of time but I think that would be exciting. Exciting for footy but also for society,

You don't have to have gone to a private school to be a person of character. You don't have to have gone to a private school to come from a strong family background. You don't have to have gone to a private school to be trustworthy and resilient. You can have these characteristics no matter where you are from. Maybe it's time that AFL draftees should start understanding that is indeed the case.

Narembeen Community Resource Centre

From the Managers Desk

Hello everybody!

I hope you had a great week. It's been a busy week for me trying to catch up on a lot of things but I am very excited on what this new financial year holds.

We have some new merchandise available for purchase here at the CRC office: A variety of six different magnets for only \$5.00 each (sneak peak below) and two different keychains for \$8.00 each. The perfect gift to send to loved ones interstate or overseas. Pop into the CRC and grab yours this week!

The new 2021/22 Narembeen Community Directories /Phone Books have also arrived

and are available for sale for only \$16.50! BUT did you know you receive a FREE one with your CRC membership? Please enquire about them at the front desk.

The Seniors Movie is on next Monday, 2nd August from 1.00pm, why not pop into the CRC in this rainy weather, enjoy a movie with others and enjoy a warm cuppa, delicious afternoon tea and nice chat afterwards! Everyone welcome!

Enjoy the rain! Hope you have a great rest of the week.

*Vanessa Wittstock
CRC Coordinator*

Upcoming CRC Events 2021

Preparing Students for a Changing World

FROM THE PRINCIPAL

Welcome back to school to our students, we hope everyone had a great break. The weather has turned it on for the first day back with some heavy showers this morning. Just what the cleaners would want after a holiday clean, including polishing floors and shampooing carpets! Still, what a great start to the growing season we have had, I cannot remember a better start in a couple of decades ☺. This term is already starting to look busy, with the Faction and Interschool Athletics carnivals (and the Interschool event is in Naremburn, lucky us!), an excursion to Merredin for a drama performance for our Year 7 – 10 students; primary hockey clinics; visits from Dr Yes for our high school and Rob Adams for the whole school. We also have Izzy coming in for our ECE students. We have our **Public School Review** report which will be placed on Schools Online as well as be available to read in our front office. I can officially say that we have done very well in all areas of the review and will have our next Public School Review in Term 2 2026 ☺. Once again, huge thanks to the parents, community members and our Board representatives for coming in for the review. To the staff thank you for all of your efforts, a more professional hard working bunch I am yet to meet, you guys seriously put in the hard yards to keep up standards in all areas! Love your work ☺.

SEMESTER 1 REPORTS

If you wish to make a time for an interview with any teacher(s) regarding the information you received home on your child/ren's Semester 1 report, please ring the front office and arrange a time. It is important that you are fully aware of how your child(ren) is/are progressing, so if there are any concerns, please address them through the interview process.

PARENT OPEN NIGHT: THANKS FOR COMING ☺

Week 10, Wednesday June 23 2021, saw a great evening out with the students, parents and staff. Some great work was on show, with terrific activities to be done. Once again, a huge thank you goes to the staff for their efforts to ensure this was a great evening and it was great to see so many parents in to enjoy the tour of the rooms. Another Joey Cheetham idea that has become a keeper ☺.

KINDERGARTEN AND PRE-PRIMARY PORTFOLIO'S

I just loved seeing these and I hope that the parents also got a buzz out of seeing the improvement and efforts of our younger students. Thanks **Joey and Chloe**, with help from **Terri and Sarah**, for your efforts to make these documents such high quality, and a real indicator of ongoing learning and improvement.

HIGHSCHOOL NETBALL CUP

A great day out was had by our Year 7 – 10 netballers in Merredin at the Wheatbelt/Goldfields Fever Netball Cup. The girls played five games in their block, losing just one, their first, to St Joseph's Northam, before then playing off in the 2 v 2 final against the 2nd placed side in the other block. The final against Kalgoorlie-Boulder Community College was a closely contested game, such that it was all tied at full time, the game then had to be continued until one team held a two goal advantage. We held on to win, finishing 3rd in the Year 9/10 division, out of 12 sides from many schools in the Wheatbelt and Goldfields region. Well done to all of the girls, we took 8 players,

three of them actually in Year 7/8 but required to field a team. You were all a pleasure to coach and as always, represented your school with pride, sportsmanship (often in the face of very negative comments from some of the opposition) and fine behaviour. Many thanks to Amy Hardham who provided transport and also umpired for us all day, and then we didn't get her in the final as she had to umpire the actual grand final of the two top teams in each division. Cheers also to Holly Cusack who assisted with scoring and supporting.

THE TEAM: Alice Hardham (Captain), Makayla Cole (Vice-captain), Keira Butler, Sarah Lines, Navaeh Brown, Sari Cusack, Lucy Currie and Angela Andrews

PRIMARY NETBALL CUP

The inaugural primary Wheatbelt/Goldfields Fever Netball Cup was held on Friday June 25 2021 and was a great success. We took up a Year 3/4 and Year 5/6 mixed team and both sides did their community proud. The Year 3/4 side, won all of their round robin games and came up against Kondinin in the grand final. This was a closely fought game with Kondinin coming out on top. Well done to our team of little netballers, great job on the day to come home runners-up. **Huge thanks to Anita Parsons for coaching and Bev Hunter for umpiring and driving the bus for the day.**

THE TEAM: Bailey and Mason Kuhne-Munroe, Rhienna Parsons, Lyla Hayter, Macy Cole, Gemma Federici, Jack Wanless, Noah Smoker and Charlie Cusack

Our Year 5/6 team, under rookie coach **Han Chitty** took on all-comers in the round robin matches, winning their way through to the grand final. A great game followed with Narembreen coming out winners against Cunderdin DHS in a tough final. A great result for the first primary carnival and a **well-deserved win by our young mixed side**. Many thanks to Han for coaching, she loved it more than the kids (very proud of her medallion ☺), and to **Sarah Kuhne-Munroe** for umpiring for the day. Congratulations to the team of champions, we hope you enjoyed the day ☺.

THE WINNING TEAM: Mia Parsons, Wren Cheetham, Rebekah Pawsey, Xhiarn Brown, Levi Fidge, Archie Federici, Jack Cusack, Aden Cole and Noah Browning

SOCK WEEK: WELL DONE NAREMBEEN CRC AND COMMUNITY

Congratulations to the CRC on a wonderful week of activities aimed at educating us all about the dangers faced by our youth on rural roads. Prior to SOCK week, thirteen of our students were selected by staff to be involved in a creative clip to be viewed at the culmination of SOCK week, the memorial at the Recreation Centre on Friday July 2 2021. **If you have not viewed this video, then find a copy and have a watch. It is bloody awesome!!** Our students did a wonderful job, but an impressive work was done by the cinematographers, who put together a terrific video, using our town as a background and our students as the stars. Well done **Vanessa Whittstock**, a great idea and a fantastic final product. Hats off to the author of the poem, the creative **Ashleigh Hunter**, our school officer ☺. Early on in SOCK week, the Year 5/6 students put out the 'reminder signs' on our fence line. On Wednesday, our Year 7 - 10 students were given the opportunity to participate in presentations from Holyoake on 'How to say no!' and making correct decisions when in different situations. **Many thanks to Vanessa** for her organisation of this. On Friday, we all donned our fluoro gear and in the afternoon, our staff members had put together some SOCK week activities for the students. **Many thanks to the staff once again for their efforts to go above and beyond to be involved in community events.**

YEAR 5 - 10 MONSTER HAMPER RAFFLE DONATIONS

The final fund raiser, the monster wheelbarrow hamper raffle is on this term and we intend selling from next Monday. To do this, we need the parents of the Year 5 - 10 students to send in their hamper donations. Currently we have only a few who have sent in their contribution and we cannot sell until we have the produce. Can all parents of students in Year 5 - 10 who will be involved in **CAMP or COUNTRY WEEK** in the final week of this term, **PLEASE SEND IN THEIR HAMPER DONATION BY FRIDAY JULY 23 2021 (THIS FRIDAY) PLEASE!**

PREPRIMARY ASSEMBLY & YEAR 3/4 CLASS REPORT

Looking back it really was a busy end to term, Weeks 8, & 10 were full of activities and extra-curricular events and one of the last ones was our final assembly for Semester 1. It was, as always, very creative and our students did a great job both running the assembly and providing a class report. Good job Joey, Terri and Mel, we appreciated some terrific entertainment in our last week 😊.

ASSEMBLY HONOUR CERTIFICATE WINNERS 😊

Congratulations to the following Honour Certificate winners:

Student:	Year:	Student:	Year:
Neve Cowan	Kindergarten	Eira Palompo	Year 3
Elliott Hunter	Kindergarten	Aden Smoker	Year 3
James Hickey	Kindergarten	Nellie Collard	Year 3
Raine Cheetham	Kindergarten	Rhienna Parsons	Year 4
Mia Starceвич	Pre-primary	Noah Browning	Year 5
Grace Lyon	Pre-primary	Ava Batty	Year 6
George Hayter	Pre-primary	Cheyenne Cummins	Year 8
Chloe Browning	Year 1	Tyrese Takuira	Year 8
Alfie Cowan	Year 1	Lucy Currie	Year 8
