Over the Fence....

Hello Narembeen & the wider community,

I hope you are all having an enjoyable week and enjoying some sunshine!

This is my first time as editor this week under the guidance of another editor. I have enjoyed helping out as typist, then ads person for a few years now so I have been encouraged to move onward and upward to help share the load. I encourage any other willing volunteers out there if you have any computing knowledge and a few hours spare on a Tuesday morning to consider helping out your local paper.

This weeks edition of 'The Fence Post' has us looking forward to some up and coming events as we get into the second half of August already! Take note of the events being organized by the CRC and enjoy reading the included sports updates as many progress to finals. The school newsletter is also included with many looking forward to the sports carnival later next week.

Thank you for supporting 'The Fence Post'.

NAREMBEEN HISTORICAL SOCIETY— Part 4

Story taken from 'The Democrat' October 1, 1963 of Sir Charles Latham by Bill Courtney.

THE NINE-YEAR-OLD ORPHAN MIGRANT WHO BECAME A LEGEND WITHIN HIS LIFETIME.

SHEARERS' COOK

There was the job of shearers' cook on stations up and down the Lachlan—and you had to be good to be a shearers' cook, just as you have now.....a shearers' cook was either good or he humped his bluey within minutes of the first meal.

And, so the record goes, the only time Charles really humped his bluey was in 1902. Brother Dick had taken up a selection, and the boys put in 300 acres of crop.

Not a drop of rain fell until December—that was the end of the crop that year. But it was also the end of the flock.

The brothers drove their sheep to the high country, where the feed was full and green. But these were plains-bred sheep. They died amid plenty, the way sheep sometimes will when they are taken to a new country.

There was the job as baker's offsider—and more often baking than offsidings.

This job came about when another sister—Violet—married a carpenter turned baker for the community of Hay. Charles worked for and with his brother-in-law for two-and-a-half years.

Then the inevitable happened—he fell in love. Charles was 21, and she was Louisa Allworden, daughter of a local dairy farmer.

Charles and Louisa were married in June, 1902. They pooled their savings and invested them in a wood and coal business in the Sydney suburb of Newtown.

Now it is fairly obvious that their guardian angels were on holidays when the young couple made that decision.

Newtown in 1902 was strictly Ginger Mick country—land of the push and the mob, the wide boys. They must have given a whoop of joy when the two young innocents from the blacksoil plains came to make their fortune in the big city.

Their money gone, the young couple decided to try their fortune in New Zealand, always the land of opportunity for the man prepared to take off his coat.

First job for young Charles was swinging a pick and banjo on the new railway through the Main Trunk between Auckland and Wellington.

Louisa had to stay in Auckland, for this was no life or country for a woman.

The pay was high for those times—8/- a day, but there was a catch.

The section they sent Charles to was down in the King country. If you happen to know the King Country, then you know what I mean by it being no place for a young man keen to make his new start as a labourer.

From the Managers Desk

Hello everybody!

The Mental Health First Aid (MHFA) will take place on Wednesday + Thursday, 1st + 2nd of September at the Narembeen CRC. (Lunch provided). Now is your last chance to register for this FREE accredited workshop. This is a great opportunity to learn more about how to recognise common mental health problems and how to provide initial support. So, you always wanted to learn more about Mental Health—now is your time!

Don't forget the Stargazing night is happening on the 3rd of September. We cannot wait.

We are so excited to announce that we were successful with another YCulture grant from Regional Arts WA. This years youth arts project 'Inspiration Studio by Drug Aware' will consist of a series of four different art workshops followed by an art exhibition that will show all the art created in the workshops. These include two different photography workshops, with De Strange from Strange Images, an acrylic pouring workshop with Shannae Jasper from Remote Society and a presentation of a series of art sculptures made of scrap metal from Jordan Sprigg, from Jordan Sprigg Sculptures.

These professional artists who will facilitate these workshops are all from the Wheatbelt region of Western Australia.

This is a fantastic opportunity for the kids to develop new skills. These events will be smoke, alcohol and drug free. It is proudly sponsored by Regional Arts WA and by Healthway to promote the Drug Aware message

If interested please contact the Narembeen CRC on 9064 7055 or comment below.

As you can see there is lots happening.

We have also added a whole lot of new items to our hire equipment. If you need anything for your next event why not see if you can hire it locally first. Hire Catalogue and Price List are available from the CRC, CRC Facebook Page or Shire of Narembeen Website.

Have a great week.

\$500 SMALL BUSINESS & CHARITIES ELECTRICITY GRANT

WA businesses and charities may be eligible to receive a \$500 credit to put towards their electricity costs. The credit is a WA Government initiative to offset the impacts of a mandatory 5-day lockdown in February 2021.

Small businesses and charities on an eligible tariff as at 2 February 2021 already received a \$500 credit to their Synergy or Horizon Power account. Businesses and charities who are billed by third parties and meet the scheme criteria are able to apply to RevenueWA for an equivalent payment. This includes businesses and charities with premises on an embedded network, sub-meter, supplied by an alternate energy supplier or otherwise billed by a third party.

Applications are now open and will close 30 September 2021.

Applicants should visit www.WA.gov.au/energycredit for full eligibility criteria and information about how to apply for the credit. They can also contact the business electricity credit team directly on (08) 9262 1165 or by email at sbcec@finance.wa.gov.au.

NEW BIKE REPAIR STATION AND BIKE RACKS INSTALLED IN NAREMBEEN

Commuting on your bike in Narembreen just became easier with the installation of a new bike repair station located near the Swimming Pool and Netball Courts in Currall Street.

The repair station has a range of tools and a bike pump

Seat a bit low? Raise it with the Allen key. Pedal loose? Tighten it with the handy spanner. Mud guard falling off? Use the screwdriver to secure it. Not enough air in your tyre? Pump some air back in and continue your ride.

New bike racks have also been installed at the Pool, in Churchill Street and at the Recreation Centre.

This project was made possible with funding from the Department of Transport.

Local Government Update Access Arrangements for Harvest

Restricted Access Vehicle Network Access

If farmers are planning to use Restricted Access Vehicles (RAVs) to complete their transport task for the upcoming harvest period, they must ensure the required roads are approved for the appropriate RAV network.

Using the RAV Mapping Tool on our website is the simplest way to identify the approved RAV network for a particular road. Click the icon below.

RAV Map

Approved roads (network tables), restricted structures and agricultural pilot zones are provided in one easy-to-use map. [RAV Mapping Tool »](#)

RAV Access for Previous Harvest Periods

As you may be aware, for past few harvest periods Main Roads has worked with farmers and local governments to assess many first and last mile access requests.

These specific assessments have resulted in RAV network access being approved on a significant number of local roads required by farmers. As such, it is likely the roads they have used in the past are already approved on the required RAV networks.

Adding a Road to the RAV Network

If a farmer and/or transport operator identifies a road that is not approved for the level of RAV access they require, they can simply apply to Main Roads to have it assessed for addition to the relevant RAV Network.

As part the assessment process, Main Roads will liaise with the relevant local government to obtain their support.

www.mainroads.wa.gov.au

*We're working for
Western Australia.*

from the CHIEF

Main Roads will complete the necessary assessments of the road to ensure it is safe and suitable for the requested RAV Network.

If the road is found suitable, it will be added to the relevant RAV network with access conditions (if required) and published in the RAV Mapping Tool, which is updated each Wednesday.

It is important to note that route assessment applications may take up to 3 months to complete, so farmers are encouraged to apply now for roads they may require this harvest.

Applying Access Conditions to the Road

In addition to the conditions identified by the route assessment process, which are primarily to mitigate any safety concerns identified during the onsite assessment, local governments may request other RAV access conditions be applied that they believe are necessary for the ongoing safe and orderly operation of the road.

This may include requesting access conditions such as 'local access', to restrict RAV access to local transport tasks only.

When a local government recommends access conditions, Main Roads will assess the appropriateness of the conditions.

Alternative to RAV Network Access

If the road is deemed unsuitable for addition to a RAV Network following an assessment, the application may be considered for a Restricted Local Access Permit (RLAP) in certain circumstances.

Assessments for an RLAP will be based on providing individual access to a road for a specific vehicle combination, or specific operation, with suitable conditions to mitigate relevant risks.

The RLAP is not intended to replace RAV Network access and will not be considered as a general alternative for approving RAV access.

However, the road manager may request that the application be assessed for an RLAP rather than for RAV Network access where:

- a) the proposed transport task is temporary and unlikely to reoccur, such as building a school or hospital; and
- b) the RAV access application is for 'first / last mile' access only.

How Can Local Government Help?

It is a HVS practice to obtain comment from the relevant road manager, prior to assessing an application for RAV access. In addition to providing comment to HVS, where the application is for new RAV access, it is beneficial for the relevant local government to carry out a preliminary assessment of the road to identify any significant deficiencies that may render the road unsuitable for RAV access, which helps to ensure onsite assessments are not conducted unnecessarily.

To avoid delays with the application, it is important for the local government to provide a response to HVS within the allocated time. HVS requests a response within 4 weeks, which provides sufficient time for local government officers to present the request at an upcoming Council meeting, if necessary. If the road manager requires additional time, it is important they communicate with HVS, otherwise the application may be progressed without the road managers comments being considered.

Sunday 15th August 2021

What a beautiful day for a round of golf.

Was great to see the usual players as a few had been away.

The winner of the day was Colin Ashmore on a countback from Joe Wilson & Phil Treloar all came home with 29 points

Novelty Winners were

LHO #13 Halley Cowan

NP # 7 Phil Treloar

We would also like to gratefully thank the following people after the completion of the clover seeding of parts of the Golf Course.

The donors of the seed, machinery, fertilizer and the labour.

The Hickey Family for the donation of the clover seed.

Frank Lopez and Alex Woodley for Bobcat work and loan of the 3pl ripper.

Greg & Carol Fagan for donation for the fertilizer cartage costs.

Darren & Merle Phillips for donation of fertilizer.

Jeremy Padfield for loan of the fertilizer spreader, Phil Treloar for the loan of the combine.

To all the boys who helped pick up the sticks etc. after the course areas were ripped, some of us couldn't keep up with Charlie.

Thank you all and please don't hesitate to come and have a hit or a coldie.

This Sunday the 22nd August there will be no golf as players are away.

Look forward to seeing you all the following week 29th August 2021

JOKE

Why was the golfer arrested?

She shot five birdies and an eagle!

Narembeen Golf

Well we are at the pointy end of the season. Elimination rounds and finals prevail.

On Wednesday, Miranda Noak and Julie Hayter go head to head to decide the women's champion for 2021. Thirty six hole match play off the stick is a daunting task, so good luck to you both and it is going to be sunny!!

On Sunday the recluse turned up for the last qualifying round, Paul Wanless trophy, and didn't miss a beat. President Greg Vaughan won the gross with 80 and had an eagle but the BIGGEST news was our Colin Ogilvie winning the nett with 65!!- and losing a stroke in handicap. Woohoo Colin it was great for you but not perhaps for Dave Pollard being R/up with a 66 nett and losing a stroke too. Then there was a bit of a gap to good scores with Scott Stirrat 75, Peter Cowan 77, John Currie, Brendan Parsons, Mitch Miolini and Robbie Hayter on 78. Are those new sticks finally behaving Rob? Brian Cusack is a bit sad. Mitch won the Long Dong #1, Best 2nd #2 Hendy Cowan, Best 2nd #12 Brendan Parsons and NP #17 Robert Miolini.

That was the last qualifying round and congratulations go to Robert Miolini for finishing on top of the table for the first time. A great season Rob and thoroughly deserved. The men's elimination rounds are on Sunday and captain, Tim Cusack, will let everyone know what time to turn up and more importantly WHO you have to play. Good luck to you all.

The women played for Gina DeLuis' trophy, a par, and some good scores were put in with Miranda Noak +1, R/up Noela Cole square and Carol Currie -1. The rest weren't good but Carol won NP #15 and Long Putt #6 was Miranda. The women were very grateful to Brian Cusack for surviving freezing conditions, 6 degrees and wind and rain on the mower on Tuesday.

A Grade Hockey

Semi Final vs Burracoppin

The pressure was on after a fantastic shoot out from our B grade team to get into the final! Our men's team put on an amazing performance too and only went down in the dying minutes of the game 4-5 to Merredin.

We couldn't have asked for better conditions under the lights at the Bruce Rock turf. Burra came out strong and had plenty of fresh legs rotating from the sideline. This didn't deter us as we fought strong and linked up well. Every player played their part and kept the ball in our attacking half of the field for the most part of the game. Considering our trusty goalie Sam had already played two games she did an amazing job fighting off the goals. Tayla, Courtney and Mel scored some fantastic goals equating to a 4-1 win and ticket through to the grand final in Bruce Rock on the 28/8! What an amazing season A grade have had so far being undefeated. Now let's bring it home!

Team: Samantha Nation (Goalie), Caroline Robinson, Nat Browning, Kylee Slade, Courtney Hall, Tayla Atkins, Mikaela McCall, Hannah Kerse, Felicity Cowan, Carissa Wanless, Gina Cheetham and Melanie Baldwin

B Grade Hockey

Semi Final vs Bruce Rock

On Saturday we played our semi-final in Bruce Rock against Bruce Rock. Undefeated going in to finals, with our only draw against Bruce Rock, we were excited and slightly terrified of what the day would bring. Both games before us had gone to penalty shootouts which meant delays, that didn't help with the nerves.

There was plenty of attacking pressure for most of the game and we scored early on. Deakan scored a great field goal and we managed to keep 1-0 until the fourth quarter. Special mention to Flick for saving the day on more than a few occasions!! Our defence was strong as usual and we ended the game, one all. Went on to play an extra 15 minutes, with neither team scoring so we lined up for penalty shootouts. Well done to Flick, who again had to face the strikers and saved three of the one on ones!!

Great skills and bravery demonstrated by Bonnie, Kylee, Sam, Deakan and Noah who stepped up for our team for shots on goal! We couldn't be prouder of our B grade team. Bring on the Grand Final!

Team: Flick (Goalie), Kara, Kylee, Sam, Fabs, Jess, Tam, Bonnie, Holly, Deakan, Noah S and Shae

‘How do you bounce’

The Narembreen Footy Club would like to thank the following sponsors for their support throughout 2021

NB Hardware & Ag Supplies, MACA Mining, Varley Transport, Colestan Electrics, Rockdale, Hutton & Northey Merredin, NB Spraying, Nutrien-Total Ag Narembreen, NB Engineering, Elders Narembreen, NB Club Inc, Viterra, Nb Tyre Service, Wheatbelt Ag, Gmeiner Family, Central Wheatbelt OT, Aviso, Bankwest, Lethlean Family, Sonic Boomsprays, McIntosh & Son, Dorcas, Jordan Sprigg Sculptures

Things didn't go according to plan for the Narembreen Footy Club last weekend. Returning to having both sides in the Second Semi for the first time in eleven years the boys in maroon came second in each contest. Beaten by two good sides the boys just weren't good enough on the day. However the true metal of a group and indeed an individual isn't measured by what you do when you win. It's measured by how you get up after you've been knocked down.

The Ressies got jumped early. Conceding four goals in the first quarter it looked like a case of how far the Demons would go. The boys were getting beaten out of the middle and finding it hard to get their hands on the ball to get it out of their defence. Finals tempo against a talented side was a challenge.

Credit where it is due however as the boys did not fold. They regrouped at the break and lifted their intensity to match that of their opposition. Nikau Brown covered a lot of ground off half forward looking to give the boys a way through the middle. While up forward veteran Ben Hunter roamed up and back providing a viable way into attack. Brendan Maher worked hard across half forward as well.

While the Demons had control for large parts of the contest the fact that they were never able to pile on the scoreboard pressure was a credit to the whole Ressie outfit. They were winning their fair share of footy after quarter time but just couldn't penetrate what was a good Demons midfield and defence. Al Rodney led a determined defence while Lindsay Brown and Tom Latham were again at their best when the pressure was on.

The boys would end up losing by 50 points and concede 23 shots on goal. However it was a game where the vanquished could hold their heads up. They had stood up against the best in the competition and earned their respect with the way they defended and the way they refused to lie down and die. It was a strong effort.

Ressies	1-2	8
Nukarni	7-16	58

Best: Nikau Brown, Alan Rodney, Tom Latham, Ben Hunter, Lindsay Brown,

The Hawks started well. They matched it with the Saints early and created enough opportunities to put some pressure on them when it counts. James Kennedy continued a stellar patch of form as he roamed far and wide to create and take opportunity. There was one stretch of play where Kennedy was involved at centre wing. The Hawks switched play to the other side of the ground. Then a wayward long shot on goal was marked by a diving Kennedy near the point post. It was a stirring effort and one of a final.

As the contest turned into an arm wrestle however the Hawks started to get found out. The pace of the Saints on the outside was a problem, as was the marking power of their forward. The defence held firm however with Jayden Hooper, Baden Kennedy and Dean Williams doing all they could to eliminate forward fifty marks. In the contest though the Hawks seemed to be unable to stop the Saints on the outside. The tri colours were just finding too much space and at a small oval like Hyden that can be damaging.

Eventually the Saints would pull away. After half time the Hawks struggled to create scoring opportunities and the Saints would keep taking theirs. The boys would go down by six goals. It would be a result that hurt but a result that should give the Hawks heart that they are capable of football that matches it with the best in the competition. They just need to do it for long enough.

Hawks	6-9	45
Hyden-Kalgarin	13-8	86

Best: James Kennedy, Ben Hislop, Jayden Hooper, David Mortimore, Mike Mortimore

So the Hawks now find themselves in a home preliminary final. The Ressies will take on Burracoppin at 12pm while the Hawks will take on Corrigin at 2.20pm. It promises to be a wonderful day of footy for the club, the community and the competition. The Narembreen Footy Club has come a long way this year and the year is yet to finish.

Saturday will be all about how the boys bounce.

Preparing Students for a Changing World

FROM THE PRINCIPAL

Week 5, almost half way through Term 3 and for our Year 5 – 10 students, only 5 weeks until they leave for Camp and Country Week. More details regarding the needs of the students, with the itinerary, will be sent home in Week 7. I can inform you that we will be aiming to keep the price at or below \$200 for both week long excursions. We will be doing the lunch orders for the Faction Carnival as our last fundraiser, and hopefully you are all purchasing tickets for the amazing monster wheelbarrow hamper raffle that will be drawn at the Faction Carnival.

NAIDOC STORYTIME AT THE CRC TUESDAY AUGUST 17 2021

Tomorrow afternoon our K – Year 1 students will be involved in a NAIDOC story time event at the Narembeen CRC, we hope that they have a great time and thank the CRC for their continued efforts to ensure that our students are provided with a range of activities.

PRIMARY HOCKEY CARNIVAL WEDNESDAY AUGUST 18 2021

Many of our Year 5/6 students and a few of our Year 3/4 students are heading to Bruce Rock this Wednesday August 18 2021 to participate in a Hockey WA CSBP Upper Primary Hockey Carnival. **Many thanks to parents Nat Browning and Carissa Wanless** who are attending as umpires and to **Joey Slade**, who will drive the Community Bus for the event. Staff members **Hannah Kerse and Mel Baldwin** will be attending as coaches and will have the supervisory roles throughout the day. Good luck to both teams, have a great day of sport ☺.

ASSEMBLY THURSDAY AUGUST 19 2021: KINDERGARTEN KIDS WILL STRUT THEIR STUFF ☺

This **Thursday August 19 2021** the High School will run the assembly and provide the report, but the item will come from our youngest cohort, our Kindergarten students. There is nothing better than watching them in their first ever show and I can't wait to see them perform. Join us this Thursday August 19 2021 at 9:10pm and enjoy the show ☺.

OLYMPICS UNLEASHED OLYMPIAN VISIT

Next **Monday August 23 2021**, we have the Olympian visit and our Year 5 - 10 students will be involved in the presentation at school from **1:30 – 2:30pm**. There are further activities arranged by the CRC for **ALL YEAR LEVELS** which will take place after school.

FACTION ATHLETICS CARNIVAL 2021

Yes, it is on again, the rivalry is simmering under the surface, will GOLD come back at MAROON after losing the Cross Country, or will Maroon continue to be dominant? I personally can only hope that the first scenario plays out!! **GET YOUR COLOURS OUT, GET YOUR VOICES READY, THE ATHS ARE HERE AGAIN!!** The day will start with the jumps and throws at 9:00am and you have already had all of the information home. Students are to go straight to the oval on the day of the carnival, buses will deliver directly to the oval. All students must be there 15 minutes prior to their first jump or throw event. A jump and throw schedule was sent home with the excursion paper work for your information, and it is also attached to this email. **PLEASE REMEMBER THAT THE AGE THEY COMPETE IN IS THEIR AGE AS OF DECEMBER 31 2021**, so if they are 7 years old right now, but turn 8 any time between now and December 31 2021, say in November, then they compete in the 8 years events, not the 7 years events. All students, regardless of ability will be involved in the set events:

6 – 10 year olds: long jump; 50m or 80m depending on age and flag race.
 11 – 12 year olds: long and triple jump; 100m and 200m.
 13 – 16 year olds: long and triple jump; 100m; 200m, shot put and discus.

Most students will also be involved in team events such as corner splay, tunnel ball and team flag races for our younger students, and passball and leaderball for our older students.

Students need to be in their school uniform, ready to compete with shorts or a skirt, their maroon or gold t-shirt and school jumper/jacket and track pants for in between events. **PLEASE MAKE SURE YOUR CHILD HAS THEIR NAME ON THEIR JUMPER, TRACK PANTS AND HAT.** They will need their recess snack food and a water bottle, no cool drink or sports drinks will be allowed in the bays. Students will be able to join their parents for lunch ☺.

HAWKIES DASH: WHO ARE GOING TO TAKE THE TROPHIES HOME THIS YEAR? (SPONSORED BY AMAC MECHANICAL)

So, apart from whether the good guys (GOLD) can come back from their hiding in the Cross Country and beat the other guys (MAROON), what we all want to know is **WHO IS GOING TO WIN THE HAWKIES DASH???** The three-legged race, one for high school and one for primary, with the team to consist of a parent with their offspring. Last year in the primary event, **Anita and Mia Parsons** showed their class, but Anita is a scratching this year, due to an ACL reconstruction, she cannot defend her title. In the high school, talented athlete Oliver Miller, teamed up with his dad Sheldon, who has probably won his fair share of trophies in his time, but Ollie has moved onto Year 11, breaking up the partnership and leaving the field wide open for 2021. **WHO IS GOING TO STEP UP THIS YEAR? PUT IN THE PRACTISE, BRING ALONG YOUR PREFERRED TIE AND GET INVOLVED IN THE HAWKIES DASH.** I have a vision of Jess and Noah Smoker sprinting down the track, with maybe Carissa or Michael Wanless with Jack next to them, Mia could have roped in Bardy to take over from Anita, or perhaps Wren has Marcus ready to win his own trophy! In the high school, Jace and KB would be a formidable team, as would Lucy and Mike Currie and Navaeh and Lindsay Brown, but could the pairing of Alice and Andy Hardham be the champion team. The Fidge family could put in a side for both events! So many possible combinations!! **What we do know is, you have to be in it to win it and it adds such great spirit to the aths carnival that we hope to see you all ready to go next Thursday.**

GOOD LUCK IN THE FINALS!! HOW NERVOUS ARE WE ALL FOR THE NEXT TWO WEEKS OF FINALS COMING OUR WAY!

Good luck to the three Narembeen netball teams in the Grand Finals of the C & DNA this weekend. Our high school girls, **Alice Hardham (A2) and Lucy Currie, Makayla Cole, Navaeh Brown, Sarah Lines, Keira Butler and Sari Cusack (B Grade)** will all be taking part in these. Staff members **Bianca, Hannah C, Chloe, Tenille & Ash** are also involved as players with yours truly doing some coaching and **Sarah** umpiring. Fingers crossed also for our two football teams, League and Reserves, who play in the EDFL Preliminary Finals this Saturday. **Cam Hills and Stephen Cummins** will be playing in the Ressies, which is coached by G. Finally, our A and B Grade women's hockey side have made it straight through to their grand finals, which will be played next Saturday August 28 2021. Students **Deakan Miller and Noah Smoker** play in the B grade side, along with staff member **Jess**. The A grade ladies are coached by **Mel**, who also plays in the side along with **Hannah K**. Our junior hockey side will play their cross over final this Saturday and good luck to them, as they try to earn a place in the grand final. Regardless of the results, we have certainly had a great winter of sport as a community 😊. Go the MAROON AND GOLD!!!

CONGRATULATIONS SARI 😊 GREAT JOB!

Huge congratulations to **Sari Cusack**, who has been selected in the **2021 Wheatbelt Goldfields Regional Netball Academy**. Well done Sari, we are very proud of you.

VIRTUE OF THE MONTH - HONESTY

Honesty is all about being truthful and sincere in the things you do and say. It means you can be relied upon and are trustworthy. You accept yourself for who you are.

You are practicing being **Honest** when you:

- Say what you mean, and mean what you say,
- Make promises you can keep,
- Tell the truth tactfully,
- Admit your mistakes,
- Refuse to lie, cheat or steal,
- Are true to yourself and do what you know is right.

As parents and caregivers we hope that you will support students in their endeavours to demonstrate honesty in all that they do.

MR R ARNOLD

PRE HARVEST GETAWAY

Special offer to Narembeen

5 nights for \$1000 valid until August 31st any days/any cottage that is available at the time of booking (excluding Beachfronts)

With only 110km from end to end, the Margaret River Region is one of Australia's most compact, yet strikingly diverse holiday destinations. It's an enticing mosaic of pristine natural wonders, premium wineries, relaxed microbreweries, world-class restaurants, spectacular beaches, towering forests, inspirational artisans, warm and friendly locals, and a laid-back persona all of its own.

From the tranquil waters of Geographe Bay in the north, down the ancient cave-carved Leeuwin-Naturaliste Ridge, through picturesque vineyards and karri forest of the heartland, to the desolate beauty of Cape Leeuwin in the south, this is a place of astounding natural contrasts. There is no doubt you will need at least a few days to explore this extraordinary region.

We are offering you your pre harvest getaway exclusively to Narembeen locals only

SPECIAL RATE \$1000 for 5 nights in any cottage that is available

OR \$1230 4 nights with all an day checkout in our adults only beachfront cottages.

We look forward to hopefully seeing you soon

Seeking casual aged care staff

Catholic Homes has been providing aged care for over 50 years in Western Australia and are looking for people to join our Home Care team.

We are looking for caring and passionate staff to provide transport, domestic, meal preparation, shopping, personal care, respite and social support. A Cert. III in Aged Care or similar experience would be great, but we'd also love to hear from anyone interested in a career in home care as we can offer on-the-job training and buddy shifts. You must have a reliable car, current driver's license and police clearance.

We pay casual rates with fuel and travel allowances. Work as little or often as you like. We're flexible and family friendly.

If you would like to discuss call 1300 244 000 or email your CV to homecare@catholichomes.com
