First day of Spring

Spring is here. While we had a very wet start to the season a bit more rain now and no frosts would be a blessing.

Bowls Coaching

Noleen Abe coached about ten bowlers on Sunday. By all accounts this was a very enjoyable and productive exercise. Strategies and drills were taught.

Grand Finals

Narembeen did very well with the amount of grand finals over the past two weekends. Out of eight we were winners of four premierships!

This also signals the end of summer sports and the beginning of summer ones

Life Members

The Narembeen & Bruce Rock Dart Association also played their grand final at the Rec Centre on Saturday night.

Life memberships were awarded to Craig Roissetter and Andrew Nation at the presentations afterwards. A big congratulations to these two on this achievement!

Plenty on In Narembeen

Have a look through this weeks edition to see all the upcoming events. Between the CRC organising workshops, star gazing, art classes and movies; the golf tournaments, music.....its all happening!

Local Government Nominations

Please consider putting your name down for a shire councillor job. This is very rewarding and you get to know how our community runs! The council is what drives our town and shire, so be a part of it!

NAREMBEEN HISTORICAL SOCIETY— Part 6

Story taken from 'The Democrat' October 1, 1963 of Sir Charles Latham by Bill Courtney.

THE NINE-YEAR-OLD ORPHAN MIGRANT WHO BECAME A LEGEND WITHIN HIS LIFETIME.

SON BORN

On the day they heard the land was theirs, Gordon was born. Gordon was the second son, Arthur came first.

The young family reached their land—160-acre homestead block and 965 conditional purchase—along the roads of those days, the winding tracks made the sandalwood cutters.

by

Anyone going out in those days would have a hard job to recognise the country today. Today it is rich and prosperous—some of our wealthiest farmers live in the area.

In those days—1910—the timber was thick and heavy, water had to be carted from Emu Hills, a great granite outcrop six miles away.

Charles backed out a corner of the homestead block and built their first home in Western Australia—four rooms of corrugated iron and hessian linings.

Then he started on the crop. The first year he fell and grubbed ten acres and put in his first crop. The kangaroos ate the lot—at least what came up.

Next year he put in 50 acres of wheat and waged war on the roos—the only source of meat for the family in those days. He also learned that his country needs super.....it got it; and Charles took off his first crop.

The Latham family was away to a good start. Then came World War 1.

Charles Latham volunteered for the A.I.F., and sailed to join the 16th Battalion. He returned in 1919 to find his farm had slipped back to the point of despair.

An axe, government aid, a strong back and a questing mind eager to absorb the science of farming, put the land back into heart.

The Latham farm became land to talk about, and farmers were talking about young Latham.

Soon they asked him to stand for Parliament as M.L.A., for the York seat in 1921—two years after he returned from the war.

He did—and won.

Preparing Students for a Changing World

FROM THE PRINCIPAL

A cold but well contested Faction Athletics were held on Friday and all the details are in this Newsletter. We are now in Week 7 of Term 3, so four weeks of the term left and for our Year 5 – 10 students, three weeks of actual tuition as they have camp and Country Week in Week 10. We do have a bit coming up between now and the end of term.

FACTION ATHLETICS 2021

It was a cold day but that did not curb the enthusiasm of the athletes. We have a large number of our students in our K – 3 classes, and it looks like there will be some great competition continuing over the next few years. The **Lethlean Shield** was presented by **Ms Lorraine Lethlean** to **Alice Hardham and Stephen Cummins**, the captains of the winning faction **GOLD**. It was a close contest all day, with gold coming out on top in the last few events. To our students, well done! We only had one absence and although we did have some injuries throughout the day, we had outstanding participation. Congratulations to every single competitor in every event for the effort that they put in. It should be noted that we had Year 2 students in our leaderball and passball, and there may have been a few dropped balls, but imagine how good they are going to be by the time they are in Year 6!! Running is not everyone's forte, but to our credit, **we continue to have students who will give it their best shot, and that is what we ask for, and what they give! WELL DONE TO YOU ALL!**

WHEATBELT PRIMARY HOCKEY CARNIVAL

On Wednesday August 18 2021 we took an Upper Primary boys and girls team to the Wheatbelt Primary Schools Hockey Carnival in Bruce Rock. It was a fantastic event with plenty of opportunity to test out some skills on the turf over the day.

The girls team, who had majority non-hockey players, won their first game in their final match. Mia, Wren and Ava were all excited to score a goal each throughout the day!

The boys played off in the grand final losing 1-0 to a very skilful Corrigin. It was awesome to see the progression of skills and passing that developed throughout the day. Archie, Noah, Mia and Ava were awarded sportsmanship awards, although all our players were fantastic competitors on and off the field. A huge thanks to Nat Browning and Carissa Wanless for umpiring and to our spectators Jess Smoker and Jodie Batty who also helped out with the goalie gear. Most appreciated. We look forward to seeing our teams in the competition next year.

From the Managers Desk

Hello everybody!

A special thank you once again to the Wheatbelt Business Network (WBN) for organising the Mental Health First Aid (MHFA). Thanks to WBN Narembeen will have 5 newly trained people who will have the skills to help someone they're concerned about. Many people are not knowledgeable or confident to offer assistance. Physical first aid is accepted and widespread in our community, however most do not cover mental health problems. Since its inception in 2000, Mental Health First Aid has evolved into a global movement that shows no signs of stopping:

4 M+ OVER 4 MILLION PEOPLE TRAINED GLOBALLY AND COUNTING...

25+ OVER 25 COUNTRIES HAVE NOW ADOPTED MHFA!

900,000+ OVER 900,000 AUSTRALIANS HAVE COMPLETED OUR COURSES.

4500+ OVER 4500 MHFA COURSES ARE RUN IN AUSTRALIA EACH YEAR.

Thank you for bringing the MHFA to Narembeen! And thank you for those who took the first step!

The art workshops are under way with the first photography workshop with De Strange from Bruce Rock this Wednesday. The acrylic pouring workshop is happening this Saturday and we still have 5 spots left! All teenagers Year 5 and up welcome (up to 25 years old)! So if some of the boarders are home this weekend, why not send them into the CRC! These are all free workshops funded by Regional Arts WA and Healthway to promote the Drug Aware message, so why not use this opportunity to learn some new skills while having fun?!

The Stargazing Night is happening this Friday!! A free community BBQ will be provided beforehand!! Don't miss out on an opportunity to learn more about the Wheatbelt night sky! Everyone welcome!

The seniors movie is happening Monday and we have a hilarious movie for you!! This one isn't one you want to miss.

CRC Memberships are now due, if you would like to become a member, please visit us at the CRC. Thank you to our 2020/2021 members! We are grateful for your support and hope you will renew your membership with us once again.

Have a great week!

Narembeen Police
September 2021

G'day folks,

You don't need it until you need it, please update your contacts.

- Life Threatening Emergency – **000**
- Require police assistance – **131444**
- Narembeen Police Station – **90456050**

Safe & Found is a joint initiative between WA Police and MedicAlert Foundation should you have concern for a loved one or person in your care who could go missing? The service provides a platform in which family members or carers of those at risk can register known behaviours, patterns and habits of loved ones, or person at risk in your care. This database will enable searchers to respond in a rapid and coordinated effort to that person's circumstance rather than spending considerable time gaining information when that time could be spent looking. If interested please go to safeandfound.org.au where you can register for less than \$1 per week.

I had heard prior to coming to Narembeen this was a sporting community. I must say what an impressive effort by those involved in all codes of country sport, be it as a participant or supporter. Just as impressive was the way in which town conducted celebrations without disruption to others, well done and thank you.

Policing in Narembeen, I continue to steer the police effort toward harm reduction within the community.

- **Family Violence** – Police and the CRC through numerous service providers can help in this space. Upon police involvement make referrals as part of business, but there are supports available should to reach out before things escalate.
- **Road Safety** – for those that might risk that extra schooner, or wine before driving, Excess 0.05% previous monetary penalty of \$400 has increased to \$1000, that's an expensive beverage. Points range from 3 to 5 dependent upon the reading, if you plan to drink, plan not to drive *'and well done to the owners of vehicles left at the licensed venues, it doesn't go un-noticed'*.

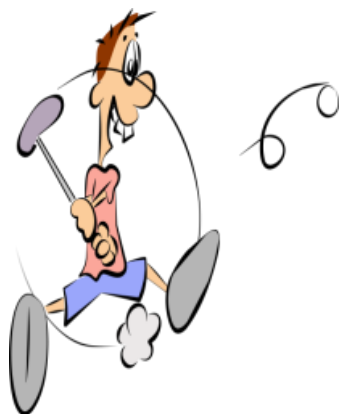

We've increased RBT's locally and Drug testing remains targeted with two recent positives headed to court.

Bicycle helmets are nothing new and we should all be wearing them, we need adults to 'model the way' so it becomes the norm for the kids and one of those unconsciously competent behaviours. Not long after SOCK, we really shouldn't be seeing this. We don't fine kids, we do however adults, please make the adjustment.

- **Illicit Drugs** - Crime Stoppers 1800 333 000. That one snippet of information you provide may be all that's needed. It is evident drug harms live within this community so be it via police action, or pro-actively seeking counselling and other supports, the aim needs to focus on recovery for those whom select to use. We have some referral material at the station or people can access endless online supports for help, all offer hope to those seeking recovery.

Kind Regards

Steve SZOKOLAI

Narembreen Golf

It was a battle of the rellies and the younger one won out. Congratulations go to **Mike Currie** winning another Golf Championship and commiserations to Robert Miolini on being runner up. It is a big day with a lot of concentration and super golf when the top men battle it out over 36 holes.

In B Grade **Brendon Parsons** triumphed over Paul Wanless and in C Grade Mr Reliable **Russel Arnold** came in ahead of Peter Cowan. Congratulations to these men for being the best of the rest. It was great to see so many people up at the golf club to share in the day and support the players. Some very weary footy/ golf players braved their previous night to come up. We topped it off with a drink for Robert Hayter for his 70th!

Congrats also go to the A Grade hockey girls for winning a very tight match and commiserations to the B Grade and juniors for coming second. Also, well done the Narembreen Hawks for putting on an awesome display and along with the Ressies representing us so well.

Last Wednesday the women played for the Chris Padfield trophy and it was won by who else but **Miranda Noak** with 36 from Nola Parsons 33 on a C/b from Julie Miller 33 Miranda won NP#2 and Darien Pascoe LP#16. Obviously practise does make perfect because Miranda plays more the rest of us.

Men please note that the **"TOTAL AG SUPER SCROUNGERS"** is on Saturday 11th September-so ensure everyone has a partner. Try to get someone from another town to double the numbers and showcase our great course and hospitality. It is a 4BBB Stableford and shotgun start 11.30 sharp.

Please a reminder to make sure your walking bags and buggies go home at the end of the season as we need the buggy room empty.

Also there is a list on the board to nominate for any position at our upcoming **AGM**. Some positions will definitely be vacant so see what you can do for your club.

Many Thanks to our sponsors **G Brownley Plumbing, B C Cusack & Co, Liberty Fuel, S & C Padfield, Varley Transport, Hutton & Northey, Elders, Sonic Boomsprays, Trans Plus, Narembreen Medical Centre, Narembreen Hardware, Total AG Nutrien, CSBP, Narembreen Tyre Service, Narembreen Roadhouse, Narembreen Hotel, Narembreen Engineering**

Pride is a funny thing. People over play it as a negative often suggesting that it is pride that pushes you over when you fall. People underplay it as a positive not admitting to the fact that sometimes no matter what the result an individual or indeed a group deserve to feel pride in how they have conducted themselves in a situation or perhaps through a journey. People perhaps don't express enough the pride they might feel in watching the efforts of those close to them. Pride should be the overriding emotion for anyone connected with the Hawks in 2021.

The Hawks started the Grand Final clearly matching it with their more fancied opponents. The pace they had across the ground was playing the role it needed to in challenging the Hyden midfield. The undersized defenders of Hooper, Kennedy and Williams were matching it with their bigger opponents and the boys were in the game.

A pulsating second quarter where the inevitable response came from the classy Saints saw the Hawks hold and respond. Cody Duncan and James Kennedy were working hard off half back and through the middle playing a role in keeping the Hawks with the Saints. An after the siren bomb of a goal from Spencer Beatty not only drew a roar from

the pro-Narembeen sections of the crowd but also meant the Hawks would go into the long change with a four point advantage.

Premierships are won in the third term or so they say and the simple reason for this is that it is oh so hard to run a team down when they are in front and trying to win a flag. The Saints dominated the third term, they kicked six goals and had eleven shots at goal. The size of their midfield and the size and class of Matt Elhers and Izacc Haslam was proving too much for the Hawks. The Saints threatened to break the game open once and for all.

This is where the pride kicked in. Desperate to not miss their chance the Hawks had the better of the last quarter. Duncan went to full forward and provided a new challenge for the Saints to defend. The defenders showed dare and dash and the midfield led by Ben Hislop and Trent Davis just kept running. It was a stirring display by a committed group of individuals. The further the quarter went the clearer it was that the Hawks were finishing the stronger. However, they would eventually run out of time and Hyden-Karlgarin would end up worthy premiers.

Hawks	14-10	94
Hyden-Karlgarin	15-15	105

Best: Cody Duncan, Jimmy Kennedy, Connor Spinks, Ben Hislop, Trent Davis

So, season 2021 comes to an end with a losing Grand Final. However, to brand the season a failure is so obviously a mistake. Everyone associated to the Hawks should feel an immense sense of pride in what their players and coaches have achieved this season. While the players, well the players deserve to walk around with the heads up and their chests out and have great pride themselves, in what they have done.

Craig Gmeiner

Oh how far they have come'

Grand Finals are funny things. Funny things for a lot of reasons. They excite people in a beautiful way and make people come together in a manner that a regular season game just doesn't. The other thing that Grand Finals do is give you a chance. A chance to create the most wonderful of memories and have the most wonderful of experiences.

The Ressies rolled up to Corrigin on Saturday excited by the chance they had earned for themselves. Their opposition was a side that hadn't lost a game all season and at one stage had a percentage in excess of 1000. The thing was the only side that had come anywhere near them had been Narembeen. It wouldn't be easy but the Grand Final gave the boys a chance to knock them off.

The Ressies kicked the first goal of the game and it was clear early that the boys were in it up to their eyeballs. The midfield was matching it with the Demons as Nikau Brown led the way with dare and dash off half forward. Down back the boys absorbed the pressure that came from the strong Nukarni side with Al Rodney directing things well from the last post and the two Latham boys stepping up to the big stage.

At half time the game was delicately poised. The Ressies were nine points down but had had enough control of the first half to be in front. They just hadn't been able to hit the scoreboard to make the most of it. Which is a credit to the Demons. As is so often the case in Grand Finals the start after the long break would have a big key to the result.

As good sides do, the Demons stepped up in the third quarter and stretched the lead out to seventeen points at the last change. They started to win the ball out of the middle of the ground with regularity and their forwards started to spread the

Ressies out too thin. The thing was they didn't blow the Ressies away. Once again, the maroon and gold absorbed the pressure, kicked a goal to stay in touch and set the tone for the last quarter.

The last quarter wouldn't go the way of the Ressies but it wasn't through lack of commitment or effort. The boys kept running and kept competing right to the end. Two last quarter goals were a testament to the group. They refused to lay down and proved just how far they had come through the season. There were contributions right across the ground. Sometimes the opposition is just better.

Ressies	5-4	34
Nukarni	9-10	64

Best: Nikau Brown, Kyle Della, Tom Latham, Ben Latham, Jake Garlick

While the Ressies couldn't take the opportunity that the Grand Final had offered them their efforts in the Big Dance were a testament to all of them. After losing their first game easily to a young Hyden side the boys had improved every time they had played and done it all with a smile on their face. They have certainly come a very long way.

Grand Final

The Junior Narembeen Hockey side successfully made it in to the grand final on Saturday. The first half we played really well and used all the skills that Caz has taught us this year. We linked up well and played as a team, we kept wide on our wings and we all played our positions. Every player on our team tried their hardest. Unfortunately, Bruce Rock got the better of us on the day and they won 3-1. We would like to thank Caz Robinson for coaching us this season and teaching us so much about hockey and also thank Caz and Jess Smoker for not giving up on us.

2021 Hockey Grand Final vs Burracoppin

(A and B Grade)

at Bruce Rock

B Grade

On Saturday the 28th of August, both the A grade and B grade women's hockey teams took to the turf to verse Burracoppin on Grand Final day.

The B Grade Women's team were matched by Burracoppin who were strong in each contest and had worked hard to make our players take the ball around the outside of the ground. Our fullbacks, Kylee Slade and Bonnie Smoker, made many intercepts through the middle of the ground. Samantha Nation hit well on short corners, but did not score. While 2 goals down in the 4th quarter, the players were asked to dig deep, give it all they had and attack at all costs. Unfortunately, while in pursuit of pushing up the ground and attacking tirelessly, they conceded another goal leading to a 3-1 loss.

Players: Felicity Cowan (G), Kylee Slade (Captain), Kara Morrone (Vice Capt), Samantha Nation, Fabienne Gracia, Jess Smoker, Bonnie Taylor, Tamara Clarkson, Shae Biddulph, Holy Burns, Hannah Smoker, Deakin Miller, Noah Smoker and Noah Browning. Coaches: Nat Browning and Mel Baldwin

A Grade

In the A grade, after a 4-1 win against Burracoppin in the second semi-final, Burracoppin brought a whole new level of intensity and passing efficiency to the Grand Final. Both teams scored off penalty corners early in the first quarter. Both goals were disallowed, and the arm wrestle continued. Narembreen attempted many variations on short corners throughout the game and created some great goal scoring opportunities through passing and leading from our strikers Tayla, Courtney and Mikaela. The game was tough. It was full of counter attacks, gut running and challenging contests. At full time, the score was nil all. We were faced with extra time. As explained by Caz Robinson, the extra

time could be finished in the first minutes if we made the ball work for us. I believe that each of us took a moment to tell ourselves to find something deep within because fatigue was a huge factor. Within the first 2 minutes, we found ourselves in the left side of our attacking half. The ball made its way from Caz to Mel at the top of the goal circle who drew the defender and passed it to Tayla who put it beautifully in the right hand side corner. Although it was too close for comfort, a premiership fought hard for broke a drought of 13 years. 14 girls dressed in Maroon and Gold amassed in one pile with poor Tayla beneath the weight. Exhaustion, relief and tears. The appreciation for each other and every person who volunteered their time for our club to get us to that very moment was made evident in the emotion of our players.

Players: Nat Browning (Coach/player), Mel Baldwin (Coach/player), Gina Cheetham (Capt.), Carissa Wanless (Vice Capt.), Tayla Atkins, Felicity Cowan, Hannah Kerse, Courtney Hall, Caroline Robinson, Mikaela McCall, Fabienne Gracia, Kylee Slade and Kara Morrone.

The Narembeen and Bruce Rock Darts Association

Wrap up of the 2021 Season

The Narembeen & Bruce Rock Darts Association Season has drawn to a close with the playing of the Grand Final on Saturday 28th August 2021, this was followed by the Presentation of Trophies for the entire Season and the Windup, with finger food provided by the Narembeen Recreation Centre (Narembeen Club) and Pizzas by the Darts Association.

The Grand Final saw the Minor Premiers, the MC Sharks from the Merredin Bowling Club taking on the second on the Ladder, Jets from the Bruce Rock District Club. Nerves seemed to prevent the high standard of darts seen throughout the Home & Away season being produced consistently on the day, with only small glimpses of the quality showing through.

The MC Sharks ran out eventual winners 6 – 3, congratulations to them taking out the title in their first season in the NBKDA, and commiserations to the Jets who were going for back-to-back titles, having won in 2019, then with 2 of the MC Sharks players in their Grand Final winning side and another helping get them there during the Season (The 2020 season was cancelled due to COVID-19).

The MC Sharks were represented in the Grand Final by Craig Roissetter (Captain), Kriss Hayden, Justin Watts, Rodney Oakley Jnr, Kaleb Roissetter and Mick Hayden, their other qualified players for the Season were Nathan Black, Dale McKinnon and Mitchell Roissetter. During the season they also called upon the assistance of Josh Roissetter, Marcus Dorlandt, Matty France, Christian Roissetter and Kerry-Lee Booth.

The Jets Lineup for the Grand Final was Mike Darby (Captain), Dean Butler, Neville Brandis, Lindsay Hill, Lee Griffiths and Mark Brown, their other qualified players for the Season were Keith Butler, Des Houston, Bruce Loveday and Sally Brandis, with Marcus Dorlandt helping out once during the season.

The Kelly Plate for the Highest Peg in the Grand Final was shared between Rodney Oakley Jnr (MC Sharks) and Dean Butler (Jets) with 40.

The Award for the Most Improved player of the 2021 Season was a very clear-cut decision, with Rhys Cousins from the Royals being almost everyone's choice, the Runner-up however, was a different story, with those voting not being able to split between Nathan Black from the MC Sharks (formerly of the Rebels) and Josh Irving from the Royals, so two Runner-up Trophies were presented.

The Schwartz Memorial Trophy for the Sportsman of the Year was awarded to Mike Darby, for his tireless efforts throughout the season, organizing Sponsorship, New Association Shirts, organizing the hosting of the South Centrals, re-locating the Honour Boards from the old Narembeen Club, (now Dorcas Clothing) to the Bruce Rock District Club and having them updated for the last 9 years! Oh, and being the Recorder for the Season, publishing weekly results to Facebook and the Local Papers of Narembeen, Bruce Rock and Merredin.

The End of Season Awards, were awarded as follows:

Runner-up: Kriss Hayden (MC Sharks) 56.89

Equal Most 100's (100 Club): Ron Rojas (Wizards) 42

Two Life Memberships were awarded on Saturday night, firstly to our President for 6 years (2004 to 2009) CRAIG ROISSETTER, who has done much for the Association over the years, lately being instrumental in the spreading of the Associations wings into Merredin. The second Life Membership was awarded to our Secretary of 2 years (2005 to 2006) and our Treasurer of 13 years (2005 to 2016, and currently our Treasurer again) ANDREW NATION, who has given up many hours (and Teeth!) for the Association. Lastly, thank you to you, the Dart Players, whom without there would be no Darts Association or Competition, we've had more Financial Members this Season, than for a long time, its good to see the Association growing in strength, after a year off and a shaky start to this Season. Looking forward to the 2022 Season, which we hope to have some exciting news about in the coming weeks!
