FENCEPOST AGM

Friday, October 15, 2021

Meeting commencing at 5.00pm

At the Recreation Centre

Dinner to follow

CONGRATULATIONS

To Michael Mortimore and Fabienne Gracia on their engagement on Friday, September 3.

I believe Fabs was very surprised with the effort Mike had gone to— helicopter, videographer, paddock sprayed out with ‘Will you marry me’ and drinks on the top of Wadderin Rock while the sun went down.

Thanks to the Netball Club for sending in their winners for the 2021 Season. Hopefully next week we will have the Hockey and Football Awards also.

NAREMBEEN HISTORICAL SOCIETY— Part 7 Final

Story taken from 'The Democrat' October 1, 1963 of Sir Charles Latham by Bill Courtney.

THE NINE-YEAR-OLD ORPHAN MIGRANT WHO BECAME A LEGEND WITHIN HIS LIFETIME.

HONOURS

He remained M.L.A. for York until 1942, and became Deputy Premier and Minister for Lands and Health between 1930-33.

He was Leader of the Country Party 1930-42; Leader of the Opposition 1933-42; represented the W.A. British Empire Parliamentary Association at the Jubilee of King George V in 1935.

The history that Charles Latham made in those years will become part of our heritage.

In 1942 he went to Canberra as a Senator from Western Australia, and in 1943 became the Deputy Director of Commonwealth Loans and National Savings—in charge of W.A.

In 1946 he became the Member of the Legislative Council for the Central Province—and President of the Legislative Council in 1958.

The Hon. Charles Latham became Sir Charles in 1948.

Sir Charles was now retired from the role of active statesman. He lives in West Perth today with two great interest remaining.

The first is the Country Party—for in the Country Party he sees the true stability of Australia, the vital importance of giving the primary producer a strong voice in the Parliament.

The other is children. Sir Charles has served as chairman of the Save The Children Fund and other organisations that devote their time and energies to helping underprivileged children.

Sir Charles is today treasurer of the Country Party; he is our senior member—but above all he is an inspiration.

If he can create the record that stands behind his reputation, then so can any other young man—if he has what it takes.

Few today can begin with so many handicaps—and the opportunity for service still remains.

We will always need men of the calibre of Sir Charles Latham in Australia.

Sir Charles was an early visitor to the 1963 Perth Royal Show.

We caught him at the Wesfarmers' stand with Bert Armstrong of Wesfarmers and Fred Frank, Salesmanager for the firm manufacturing these ali metal mesh sheepyards, ARC Engineering, of Welshpool.

Sir Charles, a foundation Wesfarmers Shareholder, is a keen advocate of W.A. produced products.

WILDFLOWERS—WHAT'S FLOWERING AND WHERE?

Granite rocks and reserves are starting to be awash with colour as orchids and other shrubs start to bloom. Now's the time to head out to our local reserves to take a look at this spectacular sight!

Local flower enthusiasts report a variety of orchids blooming at Roe Dam, Anderson Rock Reserve, Hidden Hollow including orchids such as donkey, spider, dragon, snail and jug to name a few!

Patches along roadsides have also been sighted with orchids spotted along the Narembeen-Merredin Road, Narembeen-Kondinin Rd and Narembeen-Corrigin Rd.

Narembeen Golf

Well the season must be winding down.

On a cold, wet and windy Wednesday only four women fronted up and then retreated to the club house after 7 holes. Drinks and food were far more appealing. We at least went to golf!!

On Sunday, after the footy, netball and hockey windup and being Father's Day we had 8 men and 3 women able to play a round. Apparently there were many sore heads on Sunday. The winner of the men was Pete Cowan with 41 though how he navigates the bush is a mystery. R/up was Dan Gray 35 on a c/b from Brian Cusack and I think that was it. It was a challenge to find the ball amongst the dandelions. The golf course is a picture with everlastings, orchids and flowering jam trees. For the intrepid women Miranda Noack was winner on 27 on a C/b from Carol Currie.

Just a few reminders:

Men please note that the "TOTAL AG SUPER SCROUNGERS" is on this Saturday 11th September-so ensure everyone has a partner. Try to get someone from another town to double the numbers and showcase our great course and hospitality. It is a 4BBB Stableford and shotgun start 11.30 sharp.

Please a reminder to make sure your walking bags and buggies go home at the end of the season as we need the buggy room empty.

Ladies Closing Day is on Wednesday 15th

Club Closing Day is on Saturday 18th followed by the Windup. Please let Joan Cusack know if you and how many kids are attending. There is a list on the board too. Adults are \$40 a head and kids are free.

Please pay directly into Golf Club BSB 306 026 Acc no 515 957 9

Also there is a list on the board to nominate for any position at our upcoming AGM. Some positions will definitely be vacant so see what you can do for your club.

Many Thanks to our sponsors: G Brownley Plumbing, B C Cusack & Co, Liberty Fuel, S & C Padfield, Varley Transport, Hutton & Northey, Elders, Sonic Boomsprays, Trans Plus, Narembeen Medical Centre, Narembeen Hardware, Total AG Nutrien, CSBP, Narembeen Tyre Service, Narembeen Roadhouse, Narembeen Hotel, Narembeen Engineering

SOUTH CENTRALS DARTS

NBKDA Make Good Use of Home Ground Advantage

The Narembeen & Bruce Rock Darts Association played host to the Annual South Centrals Darts Championship on Saturday 31st July at the Bruce Rock District Club, featuring teams of 6 A-Grade and 6 B-Grade players from six Associations from the region. Everyone was keen to play following the cancelation of last years event due to the COVID-19 Pandemic.

The Associations represented were: Beverley/Brookton; Corrigin & Roe Districts; Kellerberrin; Narrogin & Districts; Narembeen & Bruce Rock; and we welcomed for the first time to the South Centrals, Northam Men's Darts Association.

Play got underway at 10.00am and continued for the next 10 hours, with each match limited to a 2 hour duration, each Association playing the other in a round robin in both A & B Grades, across 6 Boards. The NBKDA gratefully acknowledges the support of our Board Sponsors for the day; Eastway Food Supplies, Merredin; QC Ultimate Clean, Kellerberrin; ComfortStyle Furniture & Bedding, Merredin; Wheatbelt Uniforms, Signs & Safety, Merredin; Marley's Transport, Merredin and M & W Kitchens & Cabinets, Merredin.

In the A Grade NBKDA were undefeated, dropping only 15 Legs for the day, taking out the Title from Beverley/Brookton.

The B Grade guys went just about as well, dropping only 16 Legs for the day, again remaining undefeated, taking the honours from Narrogin & Districts in second.

NBKDA retained the A Grade title having won it for the first time ever, last time out, two years ago in Kulin, with the B Grade regaining the title lost then for the first time in 5 years, back then by the narrowest of margins, 1 Leg across the entire day.

Thanks to our many volunteers, both on the day as well as prior to and after the event, setting up, scoring, recording and packing up, without you days like this would never happen. Also thanks to Jill and Keelin behind the Bar and Michelle and her band of volunteers in the kitchen, keeping everyone well fed & watered for the day.

In closing the NBKDA wishes to acknowledge the support of Bullseye Darts, Yatala, QLD, The Bruce Rock District Club, Graydon Dawson and the many other Raffle Prize Donors for helping to make the Raffle held on the day a great success.

Apologies from myself, Recorder for the day, giving incorrect results for the Most Pegs in both Grades on the night. I would also like to thank Sally Brandis for her assistance throughout the day.

Finally thanks to all the players for turning up on the day, contributing to the great success the day was, see you next year in Corrigin, last Saturday in July.

Mike Darby – Recorder NBKDA

Hello everybody!

WOW! What a busy week we have had at the CRC: We started off with our arts project 'Inspiration Studio' by Drug Aware on Wednesday with an Abstract Black and White Photography Workshop. Thanks to De Strange from Strange Images Photography for coming to Narembeen to show the kids your amazing skills.

On Friday night we hosted the Stargazing Night 'Narembeen Night Sky Wonders'. Richard Tonello from the Gravity Discovery Centre spent the morning at the school giving different presentations to the NDHS students.

In the evening, everyone gathered at the oval, as we waited for the clouds to disappear, everyone enjoyed a BBQ dinner and hot drinks. Thanks to Steve and Adriaan, our local police officers, for cooking the BBQ and making sure no one left hungry. Soon after we had a laser guided tour of the night sky and got to look at Jupiter, Saturn and other stars with telescopes.

This event was sponsored by the Inspiring WA Small

Grant.

Then on Saturday, the arts project continued with an Acrylic Pouring Workshop organised by Remote Society. Thanks to Shannae!

16 teenagers from Narembeen were lucky enough to learn some new acrylic pouring skills! Lucy Currie and Sari Cusack were the two youth coordinators who helped throughout the day, and what a huge help they were! We started out introducing each other and what interests us. Sports, crafts and farming were among a few. We then ate some delicious food which we sourced locally, ate our delicious special cookies and

listened in to our wonderful Acrylic Pour host.

If you would like to admire their art, you can do so at the art expo next week!

This project was proudly sponsored by Regional Arts WA and Healthway to promote the Drug Aware message.

Have a great week!

GEOLOGY – NORTH AND SOUTH

Mineralisation:

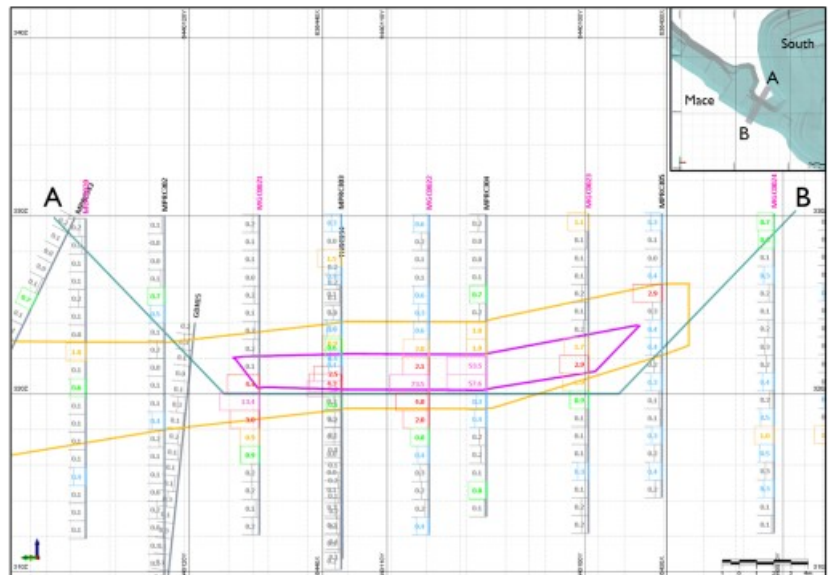

- Gold is hosted in mafic gneiss unit
- GC results have provided better definition of the main lodes in the North Pit – red polygons (new) vs brown polygon (old).
- Upside hanging wall lodes – blue polygons.

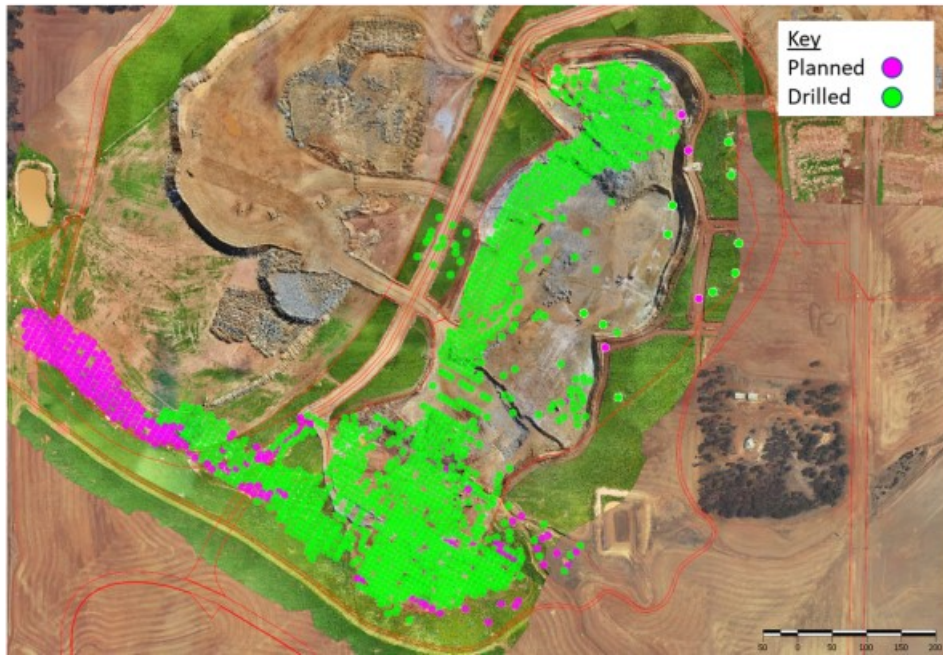

GEOLOGY - MACE

Mineralisation:

- Creek that drains the Tampia resource.
- Gold sits in quartz gravels and cobbles, predominantly at the base of the channel. Visible gold has been panned from chips.
- Initial GC results have highlighted that the mineralisation extends deeper in parts of the pit.

GEOLOGY - GC DRILLING PROGRESS

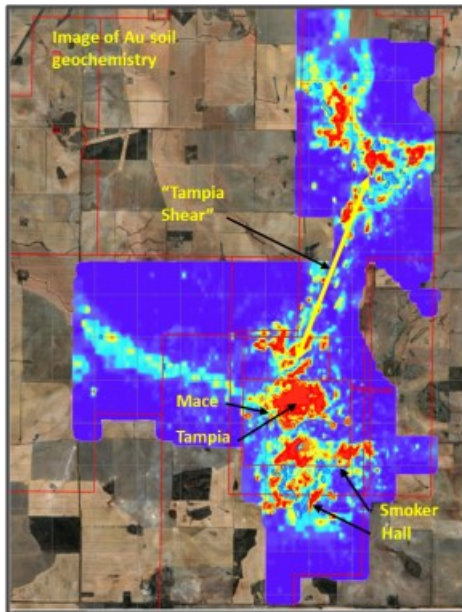

GEOLOGY – DRILLING TAMPIA NORTH

GEOLOGY – DRILLING TAMPIA SOUTH

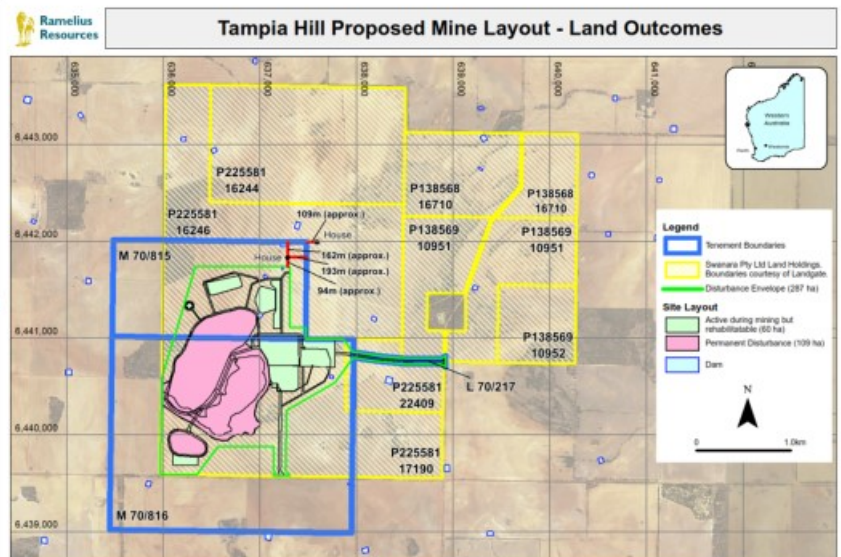

TAMPIA EXPLORATION - GENERAL

- Have started to re-engage with landholders, obtain LACA's following hiatus due to Swanara transaction
- Ground access hindered by crops, Q1 field season
 - In short term can increase resources (need people, rigs)
- Priority drill targets

MEDIA RELEASE

31st August 2021

Government must act to ramp up vaccination rates for Wheatbelt, says Davies

Local Member for Central Wheatbelt Mia Davies MLA has called on the Labor Government to ramp up efforts to increase vaccination rates in Wheatbelt communities.

She said vaccination rates needed to rapidly improve, calling for alternative delivery methods to be considered to ensure people living in all corners of the State could get the job.

“The fact that only 19.4 percent of eligible people are fully vaccinated in Merredin and 25 percent in Northam is simply not good enough,” Ms Davies said.

“Low vaccine rates and a struggling health system are a recipe for disaster.

“The Government should consider implementing measures like targeted pop-up clinics in rural and remote areas to quickly boost accessibility and uptake of the vaccine.”

Ms Davies said the Opposition had made suggestions to set up walk-in clinics at major regional events, but the Labor Government had rejected the idea.

“We know a majority of West Australians want to roll up their sleeves and get the job done, but that is difficult to do when we have regional clinics that are only open a few times a week,” she said.

“It needs to be made as simple as possible for everyone, and the figures released over the weekend demonstrate there’s more work to be done.

“The Health Minister says that targeted walk-in clinics may eventually be part of the solution and I’m asking why it isn’t part of the solution already.”

“Vaccination and investment in our crumbling health system are key to WA avoiding what’s happening in NSW, and we should be making every effort to do this while we are COVID-free,” Ms Davies said.

“Labor must be more creative when it comes to vaccine accessibility, otherwise we will continue to see these low rates in communities.”

Town	% fully vaccinated	Town	% fully vaccinated

KIDSPORT

COMMUNITY SPORT IN THE EASTERN WHEATBELT

BACKGROUND

The Wheatbelt Provision of Community Sport project was initiated in 2019/20. The project identified the **common factors of success in rural Winter sports clubs and associations**; specifically how competitions and governance could lead to **improved participation both on and off the field and reduced volunteer fatigue**. In 2021 the project now offers on the ground, local support to develop and implement solutions local Winter sports clubs and associations face.

2021 ACTIVITIES

- Case studies presented to Wheatbelt Winter sports clubs and associations focusing on **different competition and governance arrangements**
- A **Community Return to Sport workshop** in Narembeen to address challenges and develop solutions to Winter sports participation (volunteers, players and spectators) in the eastern district.
- Formation of a **Winter Sports Working Group** to further progress whole of community solutions in sport in the eastern Wheatbelt.
- **Three rounds of one day sport in season 2021 were achieved**
- **Presentations** to local clubs and associations to continue the conversation about strengthening community sport

WINTER SPORTS WORKING GROUP

The WSWG met for the first time in early August 2021. The purpose of the group is to activate Winter sports participation in the communities of Kellerberrin, Merredin, Southern Cross, Narembeen, Bruce Rock, Corrigin, Kulin, Kondinin, Hyden and Lake Grace.

Members of the group include: Tanya Butler (Bruce Rock), Craig Mayfield (Hyden), Allen Smoker (Kondinin), Yvonne Bowey (Kulin), Tash Crees / Brodie Roberts (Southern Cross), Craig Last (Merredin), Kate Crees (Merredin), Tim Cusack (Narembeen), Jason Syred (Kellerberrin), Tracy Taylor (Lake Grace), Nicole Connelly (Corrigin), Jaime-Leigh Strickland (Netball WA), Paul Reid (W AFC), Kristen Jerkovich (Hockey WA), Chair - Jenifer Collins (DLGSC Wheatbelt), WSWG Support - Caroline Robinson (150Square)

At the meeting there were three agreed actions:

1. Teams and grades for each sport in the catchment area to be collated
2. Hockey WA, Netball WA and WACFL to write to associations in the project catchment area to encourage flexible fixturing and game times in season 2022 and beyond and encourage one day sport at the same venue
3. Develop a set of guiding principles for Winter sports fixtures in season 2022

The WSWG will meet in person again in October to develop a series of draft fixtures for clubs and associations to consider and comment upon for season 2022.

Seeking casual aged care staff

Catholic Homes has been providing aged care for over 50 years in Western Australia and are looking for people to join our Home Care team.

We are looking for caring and passionate staff to provide transport, domestic, meal preparation, shopping, personal care, respite and social support. A Cert. III in Aged Care or similar experience would be great, but we'd also love to hear from anyone interested in a career in home care as we can offer on-the-job training and buddy shifts. You must have a reliable car, current driver's license and police clearance.

We pay casual rates with fuel and travel allowances. Work as little or often as you like. We're flexible and family friendly.

If you would like to discuss call 1300 244 000 or email your CV to homecare@catholichomes.com

MEDIA RELEASE

7th September 2021

LABOR REJECTS CALL TO IMPROVE G2G APPLICATION PROCESS

The Minister for Police has today rejected calls from the Opposition to improve the transparency of the G2G application process following questions in the Parliament.

Opposition Leader Mia Davies called on Labor to explain why G2G pass applications made by West Australians complying with entry requirements were being rejected multiple times.

“The Minister for Police dodged questions in Parliament today and refused to consider a suggestion from the Opposition that an independent and transparent appeal process be introduced,” Ms Davies said.

“We pointed to just one example of a woman in Sydney who had to resort to calling talkback radio to share her frustration and we know she’s one of many.

“This is just one example of someone trying to return home for compassionate reasons yet was rejected multiple times within minutes of applying.”

Ms Davies said it should not take speaking to the media and raising these issues in the public sphere to get an application reviewed, particularly to see a relative in palliative care before they pass.

“The Opposition had been calling for an independent appeal process to be instated for months to ensure the G2G application system was operating as efficiently as possible,” Ms Davies said.

Shadow Emergency Services Minister Martin Aldridge also raised concerns in Parliament regarding the lack of transparency and consistency for G2G passes being approved.

“We know around 160,000 applications have been rejected or remained pending since the beginning of this year,” Mr Aldridge said.

“Unfortunately, we don’t know how many of these requests have been for compassionate circumstances, or how many have subsequently been reviewed and approved, as the State Government is unwilling to release detail around G2G applications.”

Mr Aldridge also took exception to the Minister for Police labelling unsuccessful G2G applicants as “talk back radio whingers” after many had taken their stories to the media in recent weeks.

“When you hear the often tragic and desperate circumstances these people are faced with, the last thing they want to do is share their stories publicly, but the lack of transparency or fair appeal in the G2G process leaves them with no choice.

“It shows a Government and Minister lacking in compassion for West Australians in need and reiterates the need for an independent appeal process which can review G2G applications in a fair, consistent and compassionate manner.”
