Opening Days

What a lovely time of year! Several sports are having their opening days to their season this weekend. The bowls, the Narembeen Tennis

Summer Fixtures

Can all the summer sports or activities please send in your fixtures or timetables? It would be great to see some news of what is happening with your group too! Thanks in advance.

Gopher Rules

On Thursday 10am, 30th September, Sergeant Steve Szokolai, from Narembeen Police Station will be attending the Narembeen Autumn Club to explain Gopher road rules.

AGM— AGM—AGM—AGM—AGM

Its that time of year again...annual general meetings of organisations! Some of them are The FencePost, The Wadderin Wildlife Sanctuary, Mt Walker Sports club

CONDOLENCES

Shirley Whyte from Kondinin has passed away. Sincere condolences to her family and friends. Shirley was the mother of Laura, Al and Neil Whyte. She was the sister of local, Glenis Maringoni.

Apologies on incorrect date

School starts on Monday October 11th, not the Tuesday as written last week!

New accommodation in Narembeen

A new business is opening in Narembeen. There is an article further on in this edition.

Have you voted yet?

If you haven't already, please go to the Narembeen Shire offices and cast your vote for your local councillors. These are the people who run our town and it is very important that you have say in who will be representing you.

FENCEPOST AGM

Friday, October 15, 2021

Meeting commencing at 5.00pm

At the Recreation Centre

Dinner to follow

Local Artwork

Please look at the art published further in this weeks edition

Front Cover

The photo of the sun setting over Lake Walker is by Vanessa Wittstock from her back yard. Jimmy King and her moved in last week to their new home on Hilton Way. Best wishes to them both!

From the Managers Desk

Hello everyone!

Shire President Cr Rhonda Cole accepted a Road Safety Award for our SOCK – Save Our Country Kids project. We would like to thank all past and present Narembeen CRC and Shire of Narembeen Staff and Councilors who have been involved with SOCK in any way. A lot of time and effort goes into this important initiative and we can proudly hold up this award as a mark of all our hard work. We hope the campaign has influenced and will continue to influence many minds, both young and old. Thank you for the recognition WALGA RoadWise.

Feedback - We need your feedback!

The Narembeen CRC is proud to be part of the CRC network and to help continue to provide services to our community.

If you have 5 minutes, please please please give us your feedback on our services. You can even access the public computer or iPad at the CRC free of charge to do it, and we can help you!!

The surveys are confidential AND You will also go into the draw to win one of five eGift cards valued at \$100 each.

We really want a strong response that demonstrates the value of the CRC network, so if you can help that would be muchly appreciated.

Thank you for your support.

Over the next few pages you will see some more of the beautiful artwork created during the Flat Lay photography art workshop with De Strange, from Strange Images, earlier this month.

Have a great week!

This week we saw the opening of The Morning Sun Motel, Narembeen’s newest motel. The project is a private venture of local farmers Des and Rosemary Smoker, who saw a need in the Narembeen community for additional visitor accommodation that is clean, quiet and comfortable.

The Open Day attracted a crowd of well over 100 visitors, who had the opportunity to view the Deluxe, Twin, Standard and wheelchair accessible rooms.

With the opening speaker being an introduction by Mr Smoker on why he built the motel and the processes he went through to have the building completed. Followed by asking the crowd to stand for *God Save the Queen* and *Advance Australia Fair*.

Mr Bevan Thomas, the President of the Roe Tourism Association, commended Mr Smoker on his initiative and explained how accommodation such as The Morning Sun Motel, could offer an opportunity for a different type of traveller to visit our region, besides the traditional caravan and campers.

Shire President, Cr Rhonda Cole, opened her presentation by explaining the meaning behind the name of the business, the opportunities private investment in small communities can provide and congratulated Des and Rosemary Smoker for their community spirit. Cr Cole declared The Morning Sun Motel open, with the ribbon, strung across the carpark, cut by the nine grand children of Des and Rosemary.

Grain Brokers Australia Weekly Market Report

September 28, 2021

Pakistan overachieving in the wheat import space...

Pakistan wheat tenders have been a regular occurrence in recent months, but the government's international procurement campaign has gone up a notch in September, despite the country's farmers harvesting a record crop earlier in the year.

Wheat is one of Pakistan's four main agricultural crops and is the largest crop by area, taking up around 40 per cent of the country's total cultivated land. The other main crops are rice, cotton and sugarcane. Wheat is grown in the 'Rabi' or winter season, with planting in the October to December period and harvest from March through to late May.

The area planted to wheat late last year increased by 4.2 per cent to 9.2 million hectares compared to 2019, and weather conditions throughout the growing season were generally favourable. In crop fertiliser applications were higher than usual, with urea sales increasing 17 per cent year-on-year. Damage due to disease was relatively limited, and there were no reports of locusts. As a result, production increased by 9.6 per cent from 24.9 million metric tonne to a record 27.3 million metric tonne.

Around 60 per cent of the wheat produced is retained by farmers for their household consumption and seed for the next crop. The government buys 23-25 per cent of the crop, with private traders lifting the rest of the output. The government increased the wheat support price for this year's production to 1800 rupees per 40-kilogram bag (US\$271 per metric tonne) from 1400 rupees per bag (US\$209 per metric tonne) last year.

The Pakistan government has approved the import of up to three million tonnes of duty-free wheat during the 2021-22 marketing year to fill the gap between production and consumption. The latest USDA forecast has them pencilled in for 2.5 million metric tonne after more than 3.6 million metric tonne was imported in the previous year.

The government also plans to increase domestic reserves to four million metric tonne in the current year in a bid to contain inflationary pressure caused by higher domestic prices. However, the government import program has failed to curb the alarming rise in the domestic price of wheat flour. Ramping up imports in a high global price environment and when the rupee is losing ground against the US dollar has compounded the issue.

Wheat prices in Pakistan have been relatively high since 2020 due to elevated production costs and lower-than-expected production years from 2018 to 2020, which tightened domestic supply. The country prioritised the accumulation and maintenance of a large wheat reserve after a spike in demand following the COVID-19 pandemic, and the threat of a locust plague last year raised internal wheat values.

Wheat flour is a staple in the Pakistan diet but hoarding and then profiteering from the resultant supply disruptions has been a market issue for years. The buffer stocks will be used to limit shortages of wheat and wheat flour in the domestic market by smoothing out supply to domestic millers and consumers when stocks tighten.

Another challenge for Pakistan has been the export of wheat by private traders and dishonest merchants who, in turn, profit from the tighter domestic supply outcome. It has forced the government to increase imports to meet demand and keep prices and inflation in check. Exports spiked to almost two million metric tonne in 2018/19 but have been much lower in recent years. However, Pakistan was a notable exporter following their harvest earlier this year.

The Trading Corporation of Pakistan (TCP) issued a tender mid-way through last week to purchase 640,000 metric tonne of wheat for January and February 2022 shipment. Offers are sought in a minimum of 100,000 metric tonne consignments from optional origins, and the deadline for submissions to the tender is September 29. As is the custom with most international tenders, the TCP reserves the right to purchase more or less than the specified tender volume.

Offers for the previous tender of 500,000 metric tonne November 11 to December 30 shipment only closed on Monday of last week. Reports emerged at week's end that the TCP had purchased 575,000 metric tonne, exercising their right to buy more than the tender quantity.

The price is believed to be US\$383.50, including cost and freight (C&F), after several global exporters agreed to match the lowest price offered in the first round of the tender. Trading houses Cargill, Agropcorp, Falconbridge and CHS are understood to have been the successful sellers.

The previous tender for 550,000 metric tonne for October 1 to November 30 shipment had closed just ten days earlier on September 10. Reports suggest that the TCP settled on 405,000 metric tonne of optional origin wheat at US\$369.50 C&F with Cargill and CHS the victorious tender participants.

The irony of the situation for Pakistan is that its eastern neighbour, India, is an active wheat exporter this year. While India is exporting to other countries in the Indian Ocean rim and southeast Asia, Pakistan is spending large sums to import from the world's major exporters at prices far higher than India is offering to other countries in the region.

Article 370, which relates to the autonomy for the Jammu and Kashmir regions, is the sticking point. The Economic Coordination Committee (ECC) is responsible for the country's economic security. In April of this year, the Pakistan cabinet overturned an ECC decision to allow imports of agricultural commodities from India "until article 370 is restored" by India.

The spate of large wheat tenders by the TCP in September put Pakistan on track to surpass both the USDA import estimate and ECC's duty-free import threshold. The overt nature of Pakistan's import program is an apparent attempt to appease its people, instead of addressing the ground realities relating to inventories at mills and warehouses, better domestic pricing mechanisms and the ongoing hoarding and profiteering by stakeholders. Not to mention the precious foreign reserves being eaten up by such an expansive import program.

Call your local Grain Brokers Australia representative on 1300 946 544 to discuss your grain marketing needs.

Follow the brown signs out of town, only 1km past the Golf Course.

Please contact Adelle on 0427953905

to confirm dates.

Historical Highlights

An attendance of 12 members made for a productive meeting on Monday 20th September 2021.

We are still giving thought to a name for the Jubilee Book.

Very good progress was made at the recent busy bee at the RSL Hall. The Dorcas plaque will be placed acknowledging the donation for the new cabinets.

The Merredin Mercury cuttings have been completed and are ready for filing.

The bike and cart will again be displayed in the ex Ramelius office. Computer has been installed.

Donations received from Edwards Family - records of Girl Guides and Darts associations.

Maurie Harper took the busload of visitors from Kellerberrin who attended the Autumn Club Open Day on a tour of the town including the museums. They were full of praise and said how fortunate we are to have the support of the Shire. They have emailed their thanks. One of the ladies was a member of the Holland family from Kwolyn, remembered for their football prowess.

Carmel Harper met Mr John Steed who was keen to see inside the Senior Citizens Centre. He was a Methodist Minister and had officiated at a marriage ceremony there in 1965. He will advise Carmel of the name of the couple. He was pleased that the building was being utilised so well.

Margaret Butler reported that six couples visited the Community Shed on Saturday morning and were interested to see the surrounds of the town. Margaret has also been given a book of the Massam Family History which will be added to our collection. Mr Massam said the family owned the first T.Model Truck in the district.

Chris Bray spoke about a well near Santaleuca which could possibly be developed as a tourist attraction.

The Wadderin Well information sign is being upgraded by the Fry Family. It is hoped that there may be an opening day when this is completed.

Rhonda Hickey showed Eva Collins and her

daughter Sandra Larosa the site of the former Romaioir farm at South Kumminin which is now part of the Thomas farm. Eva's husband Ted worked for Alec Romaioir in the early 60's.

Lorraine Lethlean gave an interesting and comprehensive report on the Royal West Australian Historical Society Conference, which she attended with husband Warren in early September.

Next meeting October 18th at the History Centre at 2pm.

Rhonda Hickey

"A generation which ignores history has no past and no future."

NOTICE OF AGM

NAREMBEEN VOLUNTEER BUSH FIRE BRIGADE

The AGM for the Narembeen Volunteer Bush Fire Brigade will be held on Thursday **30 September 2021** at the Narembeen Volunteer Emergency Service Facility, Latham Road, Narembeen commencing at **4.00pm**.

RAMELIUS RESOURCES TO INJECT MONEY INTO THE NAREMBEEN COMMUNITY THROUGH A COMMUNITY GRANT PROGRAM

The Shire of Narembeen with the support of local gold miner Ramelius Resources Limited (ASX: RMS) has established the Ramelius Resources & Shire of Narembeen Community Benefit Fund. The purpose of the fund is to provide grants to Narembeen community groups for programs and/or community infrastructure.

The Community Benefit Fund Advisory Group has been established with membership comprising of the Shire President or his or her nominee, the Mine Manager of the Tampia Gold Mine or his or her nominee and a Go Narembeen representative who acts as a community member. The Shire of Narembeen will facilitate the program by providing administrative management and support.

Cr Rhonda Cole, Shire President said “the fund represents a great partnership between the Shire of Narembeen, Ramelius Resources and the Go Narembeen Progress Association to support local projects and events.”

Projects should provide long term benefits to the community and involve local participation through volunteers. Projects may be jointly funded through other funding streams.

Mark Zeptner, Managing Director, Ramelius Resources Limited said “Ramelius recognises that financial and in-kind contributions are a critical aspect of community investment and support. Our community investments are carefully considered to ensure they create a positive impact on the communities we operate in and their members, as well as aligning with our business priorities”.

There will be two grant rounds per year, the first grant round opens on 1 October 2021 and closes on 31 October 2021.

Local Government Elections

16 October 2021

Department of Local Government, Sport and Cultural Industries

WALGA

Local Government Professionals AUSTRALIA WA

WESTERN AUSTRALIAN Electoral Commission

ARE YOU ELIGIBLE TO VOTE IN THE NAREMBEEN LOCAL GOVERNMENT ELECTION?

To be eligible to vote you **MUST** be enrolled on the State Roll or on Council's Owners/ Occupiers Roll.

If you own property in Narembeen and you are not on the State Roll or Council's

HOLLY CUSACK

BROADACRE FARMER

I have nominated for the position of Shire Councillor in the upcoming local government elections for the Narembeen Shire.

Please have your say and vote!

I am a passionate, caring and organised broadacre farmer with decades of hands-on-experience, both on-farm and as a financial officer in our business.

Family, my strong work ethic in our business and my community focus drives me. My ability to see a view from all angles is one of my strongest attributes.

My long standing desire to have a positive impact on our local community, together with my ability to take action and accomplish projects and tasks, would be a benefit to the Narembeen community.

- Early voting is available at the Shire of Narembeen from now until October 15th.
- Absent votes can be cast at any local government office in WA until October 15th.
- Postal vote application forms are available from emcs@narembeen.wa.gov.au.

It would be amazing to have your support.

Together we grow.

Authorised and printed by Holly Cusack, 593 Soldiers Road, Narembeen WA 6369
