NAREMBEEN HISTORICAL SOCIETY— Part 1

Over the next two weeks we will be publishing this story written by Hazel TOOVEY (nee FRENCH).

Hazel is today the person who has lived the longest in Narembreen.

PIONEER FAMILY OF NAREMBEEN.

John Isaac FRENCH	Harriett FRENCH (nee FRANCIS)
Born—December 6, 1867	Born—December 31, 1868
Shea-Oak Log (South Australia)	Buckaringa (South Australia)
MARRIED—December 25, 1888 in Arden Vale, South Australia.	
Arrived in Narembreen in 1923.	

They had 9 children.

Daughters	Sons
Susan (Mrs CANDY)	John
Jessie (Mrs ROGERS, Mrs HOOD)	Victor
May (Mrs HAYWARD, Mrs YOUNG)	Herbert
Florence (Mrs PRICE)	Walter
Bessie (Mrs COOPER)	

Golden Wedding Anniversary 1938

'The Boys' - John, Victor, Herbert and Walter (in no particular order)

The "French Family" arrived in Narembreen in 1923, coming from Narrogin where they had settled in 1902 after coming from South Australia by boat. The menfolk came first with their teams of horses to do dam sinking and clearing in this new and fast growing district. The women followed (some now married and living elsewhere) some came with husbands and families.

The first dam they sunk was on Mr Bill KETTERINGHAM's property—now belonging to Mr Phil TRELOAR. Many dams were sunk

and clearing done over the years and the teams worked on the Wadderin Dam.

A farm was purchased and worked east of Narembreen and later one at Cramphorne—both these were sold.

G'day folks,

Life Threatening Emergency	000
Require police assistance	13 14 44
Narembeen Police Station	9045 6050
Crime Stoppers	1800 333 000

National Firearms Amnesty If you have any unregistered or unwanted firearms including parts or ammunition this is an opportunity to hand it in with no questions asked, no unregistered firearm in our community is safe. Every Firearms Act offence is arrestable meaning DNA, photo, fingerprints and a meeting with the magistrate.

Please call us for an appointment so we know someone carrying a firearm towards us has good intention, otherwise it may get a little awkward for you lying face down in the dirt, arms out to the side with you palms facing up have them in the case, bag or wrapped so as not to alarm.

Firearms Storage Wheatbelt police have been conducting storage inspections with some non-compliance issues in the community. Just a suggestion for now, check your storage complies, use the storage and keep your storage locked. We appreciate those holding a firearms licence have a need but, there's always a but, should a non-secured firearm get stolen well there's a whole lot of unpleasant flowing on from that.

Safety & Security Rebate WA Seniors Card holders can apply for a rebate of up to \$400 on the purchase and installation of approved home security & safety items. The application is available either from the police station, online at seniorscard.wa.gov.au or from the CRC. The form provides items which are eligible, should you have any doubt feel free to give us a call.

Road Safety Narembeen has been allocated an additional 60% increase for the number of random breath tests so expect to see us out and about doing this more often. As police officers we simply do the testing, the driver dictates the reading!

We stopped two local drivers over the past fortnight on the wrong side of the road one the crest of a hill towards us. Regional WA has an over representation when it comes to our road toll which is why I target speed & drink driving. I can tell you the carnage is caused by two opposing vehicles with a combined relative motion of 200+ k/ph = no survivors and years of pain, come on folks you're better than that, be safe please.

Illicit Drugs Whilst media portrays the large drug busts, we need to also recognise the local users and dealers that impact our immediate community. We have a variety of tools at our disposal but this needs to be a whole of community effort to identify so we can isolate and disrupt offenders.

Police play another role in this space and whilst we remain staunch against illicit drugs in our community, we are also committed to long term strategies toward recovery for those whom seek it. Police can provide an avenue to supports and services and invite anyone that cannot see a way forward to please contact us for help.

Kind Regards

Steve SZOKOLAI

Narembreen Bowling Club

We opened the bowls season on Saturday with a great roll up for social bowls.

Vice President Mike Currie opened the season in the absence of Arthur Cousins.

Mike made mention for all members to pull together and help out with preparing the greens for bowls. Peter Suckling has been doing all of this for many many years and we will miss his input. Brunswick have certainly gained a valuable member here!.

Mike asked the Men's Patron in Gaynor Latham to roll the first bowl to open the season.

36 bowlers played a triples competition in chilly conditions. Lots of laughs and not too many "wronguns."

The winners of the day were Eric Tenardi, Chris Padfield and Phil Treloar.

Runners up were the team of Alan Wright, Frank Copeman and Miranda Noack

It was great to see Chris and Steve Padfield back on the greens. They fronted the bar after the days play **unscathed!**

A few weeks ago Alan Yandle held a 2 day umpiring clinic.

This was well attended by our members. Thanks to Alan for coordinating this.

Alan also arranged for Noelene Abby to come over for some coaching for the Ladies.

Those that attended really enjoyed her tips, drills and expertise.

12 Ladies will be going to Corrigin this Thursday for more coaching from Noelene.

A State player and Coach virtually on our door step. Vey lucky!!

This Sunday the Ladies will play social bowls while the Men will have a pennant roll up of Captain v President competition. 1.30pm start for all.

Subs are now due and we would like to have these paid ASAP.

Kellie does not want to be chasing subs for weeks on end.

Membership is \$160 Pensioners \$120 and Social \$60

Mt Walker Tennis Club

Whilst most clubs in the EDTA played their first round of pennants on the weekend, Mt Walker had some more 'preparation time' as we were fixtured to play Kulin who had the Bush Races. This game has been rescheduled to Sunday, 31 October.

We have our busy bee this Thursday, 7 October from 9am. We hope to see as many members there as possible to have the club looking great prior to our start of season on Sunday, 10 October.

We have been fortunate to again secure SunSmart funding to run junior tennis coaching for local children on Wednesdays for Week 1, 2 & 3 of the school term. It'll be great to see our kids continue to develop their tennis skills and engage in healthy, active afternoons at Mt Walker.

COMING EVENTS:

From the Managers Desk

Hello everyone!

Hope you had a great week!

We hosted the first school holiday activity last Thursday and started with a movie morning where more than 20 kids enjoyed some movie snacks and juice while watching 'ONWARD'.

We loved having them, thanks for coming everyone! And don't forget the MasterChef bake-off is happening this Thursday from 10.30am at the Pop-Up Shop.

On the weekend 9 students from the Curtin University visited Narembeen for the annual John Curtin Weekend (JCW). They arrived on Friday and started off with some work at Wadderin. Peter Lines, some Wadderin volunteers and the students spend 4 long hours in the wet weather, but even the rain couldn't stop them from working. Afterwards we enjoyed a BBQ dinner with Shire Staff and Councillors at the Mortimore farm (thank you to Kellie & Ian for hosting) before the students went on a night spotlighting tour of Wadderin. A big thank you to Brian Cusack and Michael Mortimore, it was definitely the highlight of their trip.

On Saturday the students went to the Seniors Citz Centre and helped with the cleanup of their gardens. Thank you for the wonderful morning tea that was provided to us. It was truly amazing! Thank you also to

Sebi for doing a trip to the waste station for us so the students could continue their work.

Before the students went back to Perth Saturday afternoon we enjoyed some lovely soups for lunch (cooked by CRC team member Georgia – they were delicious). Everyone really enjoyed their time in Narembeen and they loved meeting some of the Narembeen people and appreciated their warm and welcoming nature.

Don't forget the Pre-Harvest Community Sundowner is happening tomorrow. Everyone welcome. Come down and enjoy a Community BBQ and Catch-up from 5.30pm at the Lesser Hall.

We still have a few spots for the upcoming Kokedama Workshop next Tuesday. Register by Friday!

We still need your feedback! If you have 5 minutes, please please please give us your feedback on our services. You can even access the public computer or iPad at the CRC free of charge to do it, and we can help you!! The surveys are confidential AND You will also go into the draw to win one of five eGift cards valued at \$100 each. If you can help that would be much appreciated. Thank you for your support.

Have a great week!
