## UNEXPECTED VISITOR

We had an uninvited guest on Saturday night! After a barked warning from a scared dog we saw an echidna in the dining room. It promptly tried to bury itself under a heater with its quills all standing up thus trapping itself. Iris quickly rang the rec centre and thanks to the cavalry that came to the rescue, Gary, Jeremy and Aza! Welding gloves and a broom handle finally removed it from its buried corner into a bucket and then released again out in the bush.

Not a common experience! Coralie Shattock

## Presidents Report for the Narembeen Hospital Ladies Auxiliary for 2021

Welcome to the Narembeen Hospital Ladies Auxiliary's Annual General Meeting for 2021 and thank you all for your continued support of our local Hospital.

For such a small group your contribution is invaluable.

I am so grateful for the commitment of the Auxiliary members who give their time to support the Hospital.

It has been a pleasure to serve as your President.

This last year we have welcomed new members Susie Padfield, Annette Main, Carmel Harper, Rhonda Hickey and Dawn Sedgwick.

It is so nice to see some new faces and we hope you have a long association with the Auxiliary.

Thank you to Dianne Pollard Secretary/ Treasurer who handles all the correspondence and social media for us.

Also thank you Lynda Cornish for taking on the role of vice president when Colleen Crowd resigned. And as always a big thank you to Di Miolini for your extra support.

It was decided to make our June meeting open to the public and hold at the Rec Centre as Wendy Hooper had a guest speaker who would speak on My Aged Care etc.

Thank you Wendy as this topic is confusing for older people. The meeting was very well recieved.

We once again thank Dorcas and the Narembeen and Mt Walker Tennis Club's for the generous donations they make to the Auxiliary each year.

This is really appreciated.

With Covid-19 restrictions still ongoing i want to thank St Paul's Anglican Church for allowing us to hold the Auxiliary's St Luke's Day Candle Lighting Service in their Church Hall again this year.

Pat Latham and Lorraine Lethlean thank you for your help with this service and to everyone who took a part in the service.

Another meaningful and successful service to remember those people who have passed in the Narembeen Hospital in the past twelve months.

This year we also lit a candle for Irene Edwards a past President of the Auxiliary.

I have had a request from Bruce Rock for information on how we went about setting up St Luke's Day as they would like to start it there.

This year the Hospital hasn't required much from the Auxiliary however at our last meeting we have had a request for new dining room chairs for Koolberrin Lodge and new curtains for the lounge and dining room at the Lodge which the members agreed to support.

We had our annual hamper raffle in September and it raised \$675-00 so thank you to the Narembeen community for supporting this.

Thank you to the Hills family at IGA for allowing us to sell the raffle tickets there and to have the collection basket there and to our members who give their time to sell the tickets. It is much appreciated.

The children from the 2020 school year designed Tea Towel and Tote Bags for the Auxiliary's fundraiser this year. We did make a small profit but it wasn't supported as good as we hoped. Thank you Susie Padfield for your effort to sell the last of them.

We now look forward to what 2022 holds for us.

Take care in these uncertain times and treasure all the memories you make with your family this festive and holiday season.

## Narembeen Bowling Club

Our dear Tommy Thomas used to say years ago that this time of the year was “Silly Season” with all the bowls and harvest. Hmmm.... She was right, although the Ladies Captain is not quite as silly as the Men’s Captain. She did put Diesel in the car the other day and not Petrol!!

Yep, a busy week of Bowls again. On Wednesday the Ladies played Pennants at home to Bruce Rock. Same ole story coming away with one point, but that is better than four zip. Calling ourselves the oneies.

Friday was our Ladies Open Fours Day. It was a great day with 20 teams competing. Lots of accolades of our beautiful salads and camaraderie. The Winners of the Day were a team from Kalgoorlie. Runners up were Kath Whyte’s team from Corrigin. Third place went to Sharon Jacob’s team also from Corrigin. Cunderdin were in Fourth place.

Well done to Rhonda Cole and Julie Miller for organising all the Catering and working all day. Great job.. Kellie Mortimore is our very efficient Treasurer and did a lot of extra work other than money matters for the day. Thanks Kell. Thanks to the guys that gave a hand in the kitchen. Thanks to Hendy Cowan for preparing the back green for us and to Al Wright for his usual help. Barb Schwartz and Eleanor Brayshaw manned the Raffle table for the day which we were much appreciative of. Carol and Gina were the flower girls and they looked great. Thanks to Robert Hayter for running the day and keeping scores up to date. He did a great job. Special thanks to Anita Cowan here from the Ladies Captain. Anita is the mastermind of draws, especially when you only want the teams to have one game on the back green and try not to have teams playing other teams from their league. She can do it!

The Men’s Pennant teams are the Wonsies. Both had a good win over Yilgarn and Westonia on Saturday. The Maroons are creeping up the ladder with Gold on top. Great effort Fellas.

On Sunday the Men held their 100 up. Yep definitely the silly season. Entries were down a bit but probably some not so silly!! A great Major and Plate competition. The final was all about the hot Curries. John and Mike played off in the final with John running out the winner in a very close encounter and enjoyed by many Spectators. Well done John. The Plate final was also a good game with Bunk Butler winning over Gary Johns.

Some Ladies enjoyed a social roll up on Sunday, while four went to Westonia to play in a very different format of play. Miranda Noack was happy with the competition as she came in as one of the winners with a BIG divvy. Well done Miranda. Julie Hayter came in as one of the fourth place ,with not such a big divvy! Julie won a raffle and lots of honey. We were a bit silly over there. An enjoyable day, well run by Westonia.

Please note that Scroungers Bowls will start **next** Thursday. Social Bowls at Home this Sunday for the Ladies and for the Men not travelling to Bruce Rock for their Open Fours. Social will be a **2.30pm** start. Now that is not silly!

## Mt Walker Singles Championship

Sunday the 14<sup>th</sup> November saw the annual singles championships take place at Mount Walker. Great to see so many familiar and new faces taking part. Special shout out to the handful of “athletes” who were slightly under the weather (self-inflicted) from the night before. Great to see their faces...even if they were a bit green.

The experienced Felicity Cowan and young gun Cloe Moriau got the ball rolling in the ladies draw and set the tone for the day. Meanwhile Maddi Noack and Shohan Hickey got down to business on court 1. The two matches were chalk and cheese that’s for sure. With Flick and Cloe having at least 10 shots on every point and ACTUALLY sweating. Meanwhile on court 1 there was a lot of “yeah great shot”, “yep not running for that”, questionable amounts of sweat and multiple aces. Well done on the win Mads N and well done to Sho who went on to win the plate. Cloe managed to come away with the win after a three-set extravaganza.

Top spin queen Jessie Davis did battle against Mount Walkers female Nadal showing us that those leftie serves are coming along very nicely. The heat proved too much for our little pom and the experienced Jess managed the win. Well done though Alex for taking the veteran Flick to 7-5 in the next plate match. A solid effort against a great opponent.

Next, we had Courtney Bormolini face up against Kara Morrone. Two ladies playing some beautiful tennis this season. Very different physiques with these two athletes. One being like Maria Sharapova and the other built more like Ash Barty. I’ll let you decipher who’s who...Plenty of running done in this game as well, accompanied by glorious ground strokes. Well done Kara on notching up the win against a tricky opponent.

To my knowledge the Kyle Della vs Steven Pascoe match is becoming an annual event and yet again it did not disappoint. The longest match of the day was played in the back blocks so unfortunately couldn’t be watched as easily as on Rod Laver and Margaret Court. The match had it all; tiebreaks, aces, water & sun-screen runs, some questionable language I hear and even some decent pace from Steven. Well done Kyle on coming away with the win. Height and fitness (better than Pascoe) proved to be too strong.

Trent Davis took on Marty Farrell in round 1 and showed that he hasn’t lost a lot of his footy fitness running around all day. Fitness again proved stronger in this match up, as opposed to a powerful second serve (when it goes in) and a Bundy rum. Well done on going on to win the plate Marty!

Michael show-pony Marrone came up against a tricky opponent in Bryce Lansdell who clearly knows his way around a tennis court with a lovely forehand and a solid situational awareness to the game. Pocket rocket Mike proved too experienced this time around but I’m sensing big things for Bryce in coming years.

# Mt Walker Tennis Club Continued

The last round 1 match saw the young Angus Latham face-up against reigning champion Pete Cowan. Roughest match up of the day and I think I'm right in saying Gus was probably one of the roughest feeling players out there too after a quiet night in at the pub. Pete showed the crowd why he is the reigning champion ticking off a round 1 win in record time.

With round 1 complete it was down to the business end of the championship. On the women's side we had the fit Cloe take on the all-round legend and reigning champion Maddie Della Vedova. The second Semi saw the powerful Maddi Noack go head-to-head against rival Jessie Davis. Over on the men's circuit, pennants team mates Trent Davis and Michael Morrone were scheduled to do battle and finally the battle of the big boys Pete Cowan and Kyle Della Vedova was set to be a sell-out...you know...if we were at Melbourne Park that is.

When Maddi and Jess came up against each other during pennants the match was split right down the middle (7-5, 7-5). So, it was clear it was going to be a nail-bitter. At one set a piece and needing a water break onlookers enquired about the score, when learning that it was one set a piece the crowds grew in preparation of a big third set...well the crowds crew in their minds anyway. Jess even threw herself to the ground (tripped apparently) and made herself bleed just for the fans...or putting the opposition off...or both actually. Well done Mads on coming away with the win.

Top seed Maddie Della Vedova slid right into the semi's and was fresh as a daisy to take on the increasingly confident Cloe after her three-set victory. Who will walk away victorious. The fiery up and coming leftie or the cool calm and collected veteran of the game (I say veteran not because your old but because you've been around for years!) Plenty of running was had between these two athletes both at peak performance fitness wise, however experience proved too strong with Maddie having a convincing win over the up and comer. Well done Cloe on a gallant effort throughout the day.

On the men's side the winner of Kyle and Pete would prove to be who ever hits the hardest AND most accurate ball. No shortness of power between these two absolute units that's for sure. You know Pete is serving fast when Kyle standing at a whopping 6 foot 4 is three metres behind the baseline. Big PC was too powerful and accurate over young pup Kyle Della, it's clear though if big Della could play a bit more regularly he would take it to PC and him and Maddie would be the tennis power couple of the district.

While the battle of the big boys took place, the battle of the smaller boys was unfolding on the back courts. Unlike Pete and Kyle, Mike and Trent showcased what the smaller boys can do better. That being, running at a decent pace and actually getting those feet more than 3 centimetres off the ground. With Michael and Trent being the number 3 and 4 respectively in pennants the scene was set for an absolute ripper of a game. Another marathon of a match saw the three setter get awarded to under-dog Trent who is hitting a marvellous ball.

# Mt Walker Tennis Club Continued

The end of the semi-final's were complete. The sun snuck behind the clouds and the breeze was perfect for an evening of grand-final tennis under the lights...The crowd grew and grew in size (unsure if there for the quality tennis or the Mexican dinner that followed) and the schedule was set. Reigning champions Maddie Della and Pete Cowan would do battle against two up and comers new to the grand-final scene in Mads Noack and Trent Davis.

Maddie and Maddi got the ball rolling and it wasn't long before Maddie showed why she is the reigning champion. The consistency queen giving Mads Noack a tour of the court, taking her to parts she's never been before. Maddie even tried to wake Mads up on the net with a volley to the chest/face but even that couldn't get her going. Some good rallies were had but Maddie Della proved too strong and showed why she is the number one seed walking away the gracious champion that she is. Good stuff Maddie you're a legend.

Next up on Rod Laver was the man, the myth, the legend Pete Cowan arguably playing his best tennis to date up against Trent Davis. Trent being the young underdog of the match who is a fierce competitor that will run every single ball down. Just when you think you've one a point it comes flying back over the net, Djokovic like if you will. Some amazing points played between these two polar opposite players. Trent with some lobs that even got the big man Pete running at a very impressive pace for a man of his calibre. Despite Trent's attempts to get Pete to play the running game, the big man proved too powerful coming away a winner. Hats of Trent to get this far, most improved bloke by a long shot this season I would say! Well done Pete on another win champ, you're a legend of the game and like Maddie very gracious and deserving of another championship.

There you have it boys and girls Maddie Della Vedova and Pete Cowan crowned champions for back to back (to back to back to back I believe) years. As stated, very two deserving winners who love their tennis and are great competitors and very inclusive of new players. Well done to Maddi Noack and Trent Davis for runner up champions and Shohan Hickey and Marty Farrell for taking out the plate competition. Great to see so many people take part in singles champions this year! Mount Walker tennis is certainly looking bright for the years to come.

Over and out for another week.

## Myola End of Year Lunch for Historical Society

An excellent attendance of 17 members gathered for our last meeting of 2021 last Monday November 15<sup>th</sup>.

Highlights from the meeting were:

- A lot more filing has been done and we are hoping to make inroads in 2022 into the accumulated material still in cupboards.
- The school bus at the Community Shed has been partly covered to prevent sun damage and it is hoped to get it running so it can be turned around.
- The shire has asked if there are any old plans of the Old Church as they would be useful for conservation measures.
- Chris Bray, Lou Maringoni and Gary Johns have inspected the house and shearing shed at Avoca Farm. The house as far as we know is the last standing mud brick building in the area. Generally the house is in good repair but intervention is necessary in the near future to avoid inevitable wear and tear as some of the posts are beginning to show signs of damage and parts of the roof need attention also. The shearing shed has parts of the roof lifting and wind is creating damage as well. A report will be made to the shire.
- There may be grant money available to us and we discussed life sized cut-outs for sporting or other notables as a good project should we be successful in our application.
- President Lorraine thanked our Secretary Kellie Mortimore for the articles she had published in the Fencepost regarding Pioneer families and the Brass Band. Lorraine then thanked all for their contributions throughout the year.
- A lovely lunch was enjoyed by members and partners at Myola. We were delighted that Joan Flint was able to be with us after her lengthy stay in Perth receiving medical treatment.

We wish all members of the community a very happy and safe festive and holiday season.

### NAREMBEEN APEX PARK

The Apex Park re-development is really taking shape. We are loving the new BBQ and seating area. Still a work in progress, but we are getting there! Staff are currently working on finalising the content for the new information bay signage, which will be an exciting addition to the park! It would be appreciated if children could refrain from using the public toilet block as a playground as the toilets and sinks are being blocked regularly through mis-use of toilet rolls and sand, which we don't want to see down our drains. Thank you.
