A note from the Narembeen Ladies Hospital Auxiliary.

The Narembeen Hospital Ladies Auxiliary President Kerry Fricker, and members Annette Main and Carmel Harper along with Narembeen Lion's Club member Robyn Henderer made a visit to Koolberrin Lodge to deliver the residents new bedcovers.

The Auxiliary would like to thank the Lion's Club for their generous donation towards this project.

Also thank you to Annette Main for purchasing the bedcovers for the residents while in Perth.

The residents had fun selecting the cover they wanted.

While there we had a look at the new Gopher bay that is in progress.

The palm tree has been removed ready for the concrete.

We would like to thank Dorcas for their donation towards this project.

The residents will now be able to keep all their Gophers undercover.

Thank you to everyone that supports the Auxiliary.

Two recent donations that have come in from Go Narembeen and Mt Walker Tennis Club....we say thank you.

Your donations help us to make the residents and Hospital patients stay more comfortable and enjoyable.

Pulse oximeter

What you need to know!

- ☐ Are you non-Aboriginal and over 65?
- ☐ Are you Aboriginal and over 50?
- ☐ Are you pregnant?

If you answered YES to any of the above – collect a free pulse oximeter from your local government today!

What is a pulse oximeter?

It is a small, peg-like device that clips onto your fingertip to read your heart rate and blood oxygen level. It takes only one minute to work, is reusable and can be shared between other people in your household.

Why do I need one?

If you become COVID-19 positive, you may need to be remotely monitored through the WA COVID Care at Home program. By having a pulse oximeter already in your home, a health professional can assess you and provide health advice from the comfort of your home.

Visit [WA COVID Care at Home](#) for more information.

Where do I get one?

Visit your local government to collect a free pulse oximeter for you and your household (each eligible household can receive one pulse oximeter but supplies are limited).

Do **not** pick up a pulse oximeter if you are already COVID-19 positive. If you have already received a positive COVID-19 test result, the Department of Health will contact you and provide further information.

Visit [COVID-19 \(coronavirus\) \(healthywa.wa.gov.au\)](#) for more information.

We express our sincere thanks to Peter and Debbie Hall and Bevan and Sheree Thomas for their generous monetary donations to the society through the Go Narembreen cropping program.

Next meeting scheduled for March 21st at the History Centre at 2pm.

Like the rest of the community we express our respects and our heartfelt sympathy to the Dixon family on the loss of Eddie. He was a great supporter of our organisation and helped us out on many occasions. Rest in peace Eddie.

INTRODUCTION

The West Australian Education Department was founded on October 13, 1893 when 'The Elementary Education Act 1871 Amendment Act 1893' became law.

The Act replaced the Central Board of Education and created a Minister and an administrative body, the Education Department.

In 1993, while looking to the next 100 years, we are also proud to acknowledge the achievements of the past: education's legacy has been to create the foundation for Western Australia's future.

Throughout 1993 Government schools in WA will acknowledge their foundations and celebrate their achievements.

Another 28 years on and many changes have occurred. The Narembeen District High School is the only school in the Shire and caters for students from Kindergarten to Year 10.

Re-typed in 2021.

Regional Early Education and Development Narembeen currently has an opportunity for a Traineeship in Certificate III Childcare.

REED is currently seeking a trainee for our Service in Narembeen.

We are looking for an enthusiastic and community focused Team Member who would like to join the team at REED Narembeen.

REED is committed to the ongoing career support and professional development of all staff, including our annual educator conference.

REED offers many opportunities throughout the year to build your knowledge in a high quality early education and care service.

Applications close on Monday 14th March. Please email through your resume and a brief summary of how you could make a difference in REED Narembeen and what skills you can bring to the team.

PRESENTATION
with ANDREA MUSULIN**

Date: Wednesday, 23 March 2022 **Time:** 10am – 12 Noon, **Venue:** Narembeen CRC Centre.

Cost: FREE. Morning Tea provided.

The Western Australian Child Protection Society in partnership with the Narembeen Autumn Club have invited Andrea Musulin, director of WA Child Protection Society, to address our community.

Andrea resigned from the WA Police after spending 30 years in uniform. She served at a time when police women were very thin on the ground and still wore skirts and high heels.

As a sworn police officer Andrea gained extensive experience in responding to sexually abused children and a large part of her career was spent developing crime prevention programs designed to protect children. She worked extensively with women and children, both reactively and proactively, specialising in areas of domestic violence and child abuse, going on to head the WA Police Family and Behaviours Units.

Andrea was instrumental in developing the first on air child protection program, and in doing so has presented a series of Protective Behaviours Lessons to children living in rural and remote locations of WA utilizing resources and support of The Carnarvon School of the Air.

While Officer in Charge of the WA Police Family Unit, Andrea was nominated as the first ever WA Police Officer in the WA Customer Service Industry Awards in 1998, and was successful in becoming a finalist for her extraordinary dedication and service to indigenous children and families in the Pilbara above and beyond the call of duty.

During this presentation Andrea will share accounts of her journey and leave you empowered to speak to your children, grandchildren or someone else's children about personal safety.

As a mother of 6 children Andrea openly shares her many humorous and endearing life experiences of raising resilient children in a modern, ever changing ever challenging world.

This presentation is a must and will assist with understanding the causes of child abuse and neglect, not only for educators but also for service providers working in children's services

RANGER REPORTING

Hi, for those that don't know me my name is Sarah and I have been the Ranger in Narembeen since August 2021. I have really enjoyed my experiences in Narembeen so far and look forward to helping residents in the future.

The main issue I have consistently been asked about is feral cats, which is not an isolated problem in the wheatbelt.

In my time here I have taken over 70 cats and kittens to rescue groups in Northam and Shenton Park. These groups are usually run by volunteers as Not for Profit organisations which rely on donations to operate, and they are at full capacity receiving more cats and kittens than are being adopted.

These cats are often stray and are sometimes fed by members of the public. I strongly recommend against feeding stray and feral cats as under the Cat Act, you are considered the animals owner if you are feeding it!!!

Responsible and legal cat ownership requires all cats over 6 months to be sterilized, microchipped, and registered with the Shire of Narembeen. Sterilization is the most important thing you can do for these animals as this will protect native animal and ensure the problem doesn't get worse. Letting stray cats breed and then contacting the Ranger Services to remove kittens is simply not sustainable.

Arrangements can be made with the Merredin Vet to sterilize cats and discounts are offered for those people who qualify financially.

Under the Cat Act it is also an offence to give away kittens. The reason for this law is to ensure responsibility on the part of the owner as often a family receives a kitten, doesn't get it desexed as "it costs too much money" then lose interest in the kitten as it gets older. This can result then in the kitten becoming a feral animal.

For those of you having issues with feral cats, The Shire of Narembeen owns a number of traps which are available for use, and I encourage you to contact me on 0400 240 787 to discuss their use or if you have any other questions.

Ranger Sarah.

NAREMBEEN BOWLING CLUB

The Ladies played Pennants at home against Tammin last Wednesday. A great game and were narrowly defeated. Only several shots down over all . Well done Girls.

On Friday three teams travelled to Wickepin to play in their Open Fours. All went in the Bongo Bus and had fun, especially on the way home. Yep.. brought some winners home again. Well..... 4th place anyway.

The team of Kellie Mortimore, Miranda Noack, Narelle Vaughan and Julie Miller were pretty happy taking money off the rest of us. Great effort Girls.

On Sunday the Men had a Social roll in the Afternoon.

The Ladies played the 100 up. Some very very close games thru out the day.

The Final was no exception. Congratulations to Helen Copeman who defeated Narelle Vaughan in the Final.

Apparently kept the Spectators in their seats. Well done Girls. The plate winner was Anita Cowan. Anita defeated Carol Currie in another good match.

Thanks to the Guys and Girls who marked.

Congratulations to Greg Vaughan and Eric Tenardi on winning the Champ of Champ Pairs at Yilgarn on Sunday.

These titles don't come easy so ,obviously played well.

The Ladies will play their C of C Pairs this Friday also at Yilgarn. Good Luck to Helen Copeman and Kellie Mortimore who will be flying the flag for Narembreen. We have our money on them!! Kellie wants another one of those badges to put on her hat and Helen wants to add to hers also.

The Men have Country Week this weekend. Have fun Fellas and all bowl well.

For those Ladies home for the Long Weekend their will be Social Bowls at 2.30pm.

Preparing Students for a Changing World

WE EXTEND OUR DEEPEST SYMPATHY TO THE HUNTER FAMILY

A sad weekend for her family, our school and the Narembreen community, with the passing on Saturday of **Mrs Linda Hunter**. I believe Linda came out to Narembreen as Miss Linda Richardson in, I think, 1979 or 1980, to take up her first posting as a graduate teacher. Linda worked on and off at Narembreen, both in a permanent position and as our 'go to' casual relief teacher for over three decades. Her boys all attended the school until they moved on at the end of Year 10 and both her and Graham were active members of the school and P & C community. **Linda had a positive influence on many students, worked professionally with a range of staff members, and was highly professional in all that she did. She only stopped being available for relief when she felt her health was compromising her ability to do the role.** Linda will be remembered very fondly at our school, she has been missed over the last few years in the staff room and we are greatly saddened by her passing. On behalf of the staff and students of Narembreen DHS, an institution that played a part in her life, I offer our sincere condolences to Graham and her sons Simon, Keiran and Shaun and their families. She was so proud of you all, and loved to show us her grandies. Too young, too soon, sometimes life is not fair, take comfort in your memories.

'Many have passed away too soon. We remember them often, in a thousand different ways In the morning In the night When we look at the stars A date A song A smell A place.'

FACTION SWIMMING CARNIVAL: STUDENTS COME TO SCHOOL FIRST THURSDAY MARCH 3 2022 COMMENCING AT 9:45AM

THANK YOU PARENTS FOR YOUR SUPPORT ☺

The Faction Swimming Carnival will be held at the Narembeen Aquatic Centre this Thursday March 3 2022. This event is part of our Physical Education program and all students from PP to Year 10 will be participating. This is compulsory and not negotiable, only students who have an injury or illness will be excused from swimming and all students are expected to be at school on this date unless they are, as stated, ill or injured. We are proud of our 100% participation in our carnivals and thank the parent body for their support in our endeavours to ensure that our students understand the importance of physical activity, fitness and participation, regardless of ability. Students in PP – Year 2 who cannot finish one lap of the pool will be staying at school. Our Pre-primary students will be at the PP centre with a relief teacher Miss Melanie Naisbitt and Mrs Tenardi, and the Year 1 & 2 students will stay with Miss Emily Jones in the Year 2 room. All 31 non-swimmers will come down just before lunch (leaving at 11:40am), to be involved in the novelty events just prior to and during the lunch break (approximately 11:50am). Parents will receive a letter home today, to inform them of whether their child will be involved in the carnival events or just the novelty events. Many thanks to our swimming teachers and Mrs Hannah Kerse for assessing the student's ability to be involved. If you have any concerns regarding whether your child/ren is/are swimming or not, please ring me at the school ASAP.

All students **MUST COME TO SCHOOL** on the morning of the carnival, they **DO NOT GO STRAIGHT TO THE POOL**. Students competing will be walked to the pool in their factions and be ready for marshalling after a quick warm up by 9:30am. The day will commence with the Open 200m events at 9:45am.

Students will need to have their faction t-shirts and because the weather, after being in the high thirties or forties for the last four weeks, turns cool on Wednesday, remaining cool for the remainder of the week, they should have school track pants, jumpers and/or jackets. I would suggest some nice warm sleeping bags as well given it may be fairly cool for the first events ☺.

Sports Council representatives please note that the set up for this event will commence at 8:15am at the pool.

DON'T FORGET TO GET THE PARENT TEAM ORGANISED – YOU MAY HAVE WON FOR A FEW YEARS BUT THE KIDS ARE COMING!

The Interschool Swimming Carnival is to be held at Kulin on Friday March 18 2022 and many of our swimmers will be involved and should be trying to improve their swimming speed and technique for this event. They will be a part of a team and as such, should be working on being their best. Narembeen Swimming Club provides the opportunity for training and students should take advantage of this to improve their technique and fitness for these carnivals.

**P & C FUNDRAISER: 80'S & 90'S QUIZ NIGHT RUN BY BAMBOOZLED QUIZMASTERS IS ON NEXT FRIDAY GET YOUR TICKETS NOW
IF YOU LOVED THE BOGAN BINGO THEN GET YOUR TABLE TOGETHER ☺
THIS IS YOUR SCHOOL, THE MONEY IS FOR YOUR KIDS, GET AROUND IT!!!**

Right so you know why it is important to have fundraisers for the P & C and here we have one coming up on **FRIDAY MARCH 11 2022** that is:

- run by **BAMBOOZLED QUIZMASTERS**, so be ready for a fun night of adult entertainment from these guys, with a few questions thrown in.
- involves a **great social night out**, we don't have to cook, we don't have to waitress or waiter (or at least most of us don't). We can have a quiet, or not so quiet drink, indulge in some great food, show off our lack of knowledge of the 80's and 90's, and dress to impress in our best 80's or 90's gear ☺.

This is the big 2022 fundraiser and we need you guys to get behind it. We have a committee willing to do the work, we just need you and your friends to come along ☺. So the posters are out there and **BOOKINGS ARE OPEN**. Get your table together, check out the great menus provided by Narembreen Workers Bar and Bistro, Narembreen Roadhouse and Status Grazed. If you don't know where to go to book or order, just check with **HANNAH BALD OR LUCY LINES**, they are the font of all knowledge when it comes to the quiznight.

NAREMBREEN P & C ASSOCIATION 2022

A huge thank you to the following members of the school community who have put their hands up to take on a role in our P & C. Many thanks to **Amy Hardham** for her work over many years, and for the last three in particular, as President. Our P & C will be giving the school \$20,000 in the near future to assist us with the regular upgrade of computers. This association does a power of work for the students and is so important to the school.

THANK YOU DYLAN AND ANITA COLE

Many thanks to Dylan and Anita Cole, who through their commitment to the Go Narembreen cropping program, have donated \$1,000 to the Narembreen DHS P & C Association. I know that this money, as all of the funds raised by this group, will be put to great use.

Thank you for your donation!

WE HAVE A GRANT FOR SOLAR PANELS ☺

THANK YOU AMANDA HALL!

In 2021, our hard working MCS, Mrs Amanda Hall, put in for a grant through the 'Schools Clean Energy Technology Fund' and we have been notified that we are one of 84 schools in WA that have been successful in Round 1 of the grant. As yet, we do not know how much it is for, but given that most of our electricity is used during daylight hours, this should save us tens of thousands per year, as our Synergy bill per quarter is pretty high!

SWIMMING LESSON THANK YOU'S

The two-week swimming program for 2022 is done. Many thanks to our teachers, **Trista Federici, Blair Fagan and Isabella Klune**, for their efforts over the two-week period. A big thanks also to **Joy Butler** who drove the bus for our PP – Year 3's, making it so much easier on our younger students. Joy was able to do this due to her generosity to give up her time and the fact that her employers **Regional Transport**, were on board with giving us free use of the bus. Thanks to the **Shire of Narembeen** for, as always, waiving the entry fee for these important lessons. Lastly, thanks to **Chick** at the pool, it is a long two weeks and the heat was great for ensuring that our students wanted to get in, but not so great for Chick sitting at the centre from 9:00am every day. Thanks also to **Sarah** for her efforts as our pool manager on the Mondays.

COVID INFO ☺ WHAT IS A CLOSE CONTACT?

As is to be expected, COVID is here and don't forget, no one wants to be ill, no one deliberately is spreading the virus, it is just going to happen! The school will not close if we have a positive COVID case, only close contacts will need to quarantine for 7 days (7 x 24 hours from the date and time of last exposure). For students who are close contacts, or have tested positive (which we hope doesn't happen), we will be providing work for them to continue on with so that they will not fall behind in their work. All other students are to continue to attend school as usual. **For your information, a close contact in a high case load setting is one who:**

- is a household member of a person with COVID-19 who has had contact with them during their infectious period.
- Has had close contact with a person in their infectious period, including:
 - ✓ at least 15 minutes' face-to-face contact where a mask was not worn by the exposed person and the person with COVID-19.
 - ✓ greater than two hours within a small indoor space or classroom environment, where masks have been removed for this period by the exposed person and the person with COVID-19. (Note: others wearing masks in this scenario would not be a contact).
- Someone who is directed by WA Health that they are a close contact.

CASUAL GARDENER NEEDED IMMEDIATELY: 24 HOURS PER WEEK FOR 6 MONTHS (APPROXIMATELY)

Narembeen DHS has 24 gardening hours available per week, for the next 6 months approximately. The gardener's role in this time would be to maintain the current gardens, and ensure that the grounds are kept neat and tidy. Times for these hours are negotiable. If you have an interest in gardening, and have some time on your hands, please contact the front office on 90649600. A WWC check is required, along with the DoE criminal screening and immunisation.

RELIEF CLEANER - EXPRESSION OF INTEREST

We are seeking expressions of interest for relief cleaning. You will assist with internal cleaning duties, including the maintenance of carpets and hard floor surfaces, toilet cleaning, furniture and fittings, window cleaning, dusting, and rubbish removal. External cleaning duties, including the cleaning of verandas and covered areas, rubbish removal, cleaning of drinking troughs, window cleaning, and removal of cobwebs. The ability to work collaboratively in a team environment is important. For further details and information regarding Working with Children and Department of Education screening please contact the front office on 90649600.

MARCH 2022

Bowel Cancer

Bowel cancer is the growth of abnormal cells in the large bowel (the colon or rectum). Bowel cancer is one of the top cancers affecting men and women in Western Australia. In 2017, 1307 people were diagnosed with bowel cancer and 390 died from bowel cancer. The chances of getting bowel cancer by the time you are aged 85 (lifetime risk) is 1 in 13.

Risk factors

The exact cause of bowel cancer is not known however, there are a number of factors that are known to increase the risk of developing bowel cancer. Your risk is increased if you:

- smoke
- use alcohol
- have a poor diet, including inadequate fibre or too much red and processed meat
- don't exercise
- are above a healthy weight

Other risk factors that you cannot control but that increase your risk:

- age - most people with bowel cancer are over 50, and the risk increases with age
- having a previous history of bowel cancer or polyps
- a strong family history of bowel cancer
- chronic inflammatory bowel disease (ulcerative colitis and Crohn's disease)
- a rare inherited genetic disorder, such as Familial Adenomatous Polyposis (FAP) and Lynch syndrome

Symptoms

Symptoms of bowel cancer may include one or more of the following:

- Bleeding from your back passage (anus) or any sign of blood after a poo/bowel motion (this could be red to black)
- A change in bowel habit, for example, straining to go to the toilet (constipation) and/or looser bowel motions (diarrhoea)
- Abdominal pain and bloating
- Loss of weight for no obvious reason
- Loss of appetite
- Symptoms of anaemia, including unexplained tiredness, weakness or breathlessness

If any of these symptoms are unusual for you, and they persist for more than 4 weeks, it's important to see your doctor right away.

The **National Bowel Cancer Screening Program** invites eligible people starting at age 50 and continuing to age 74 (without symptoms) to screen for bowel cancer using a free, simple test at home. Do the home test when you receive it in the mail – it could save your life!

For more information about The National Bowel Cancer Screening Program or general cancer information and support, please call Cancer Council WA on 13 11 20 or visit cancerwa.asn.au
