Over the Fence....

Richard and Wendy Keane are very happy to have daughter Shelley home for a few weeks. On return to USA Shelley and husband Shad will be moving to Wisconsin for work. Hopefully Mum and Dad will be able to visit when things regarding Covid settle down a bit more.

Congratulations to Glenys and Dennis Wanless who celebrated their Golden Wedding Anniversary on the 18th March. 50 years together is a great achievement!

Please note Coffee Club times have changed to 10am.

Sherrie Heather has been delighted to have her daughter Sarah back in town, home safely from Melbourne. Also son Alex and his partner Pia and granddaughters Nora and new baby Heidi have been holidaying in town for four days last week. The whole family has been enjoying the town's wonderful amenities including the childrens playgrounds, tennis courts, swimming pool for a picnic with other family members and the walkways around Avoca Farm as well as visits to the Club and Hotel of course.

Congratulations to James Collins, grandson of Halley and Mary Cowan, on his selection to the Kookaburras squad, the Australian Mens' National Field Hockey Team

COUNCIL WRAP UP—March 2022

Shire of Narembeen Councillors met 15 March for the 682nd Ordinary Council Meeting.

Review of Local Purchasing Support

Council currently has in place a Procurement Framework which defines and guides many aspects of the procurement cycle. Sitting below this is an Executive Policy – Purchasing goods and Services which is an operational policy with more specific detail about how procurement processes will be undertaken. Shire staff were directed to develop a local purchasing policy with a key measure of success being a 10% budget spend being sourced from within the Shire of Narembeen.

Both documents already include some aspects of supporting the local business community through the supply of Council's goods and services.

The Council resolved to formalize this with amendments to the Framework and the Executive Policy.

Customer Service Charter – March 2022

Council requested the CEO develop a customer service charter to improve relationships between elected members and community. A customer service charter is a document that outlines how an organisation promises to work with its customers and the standard of service that the customer can expect from the organisation.

The Customer Service Charter 2022 can be found on the Shire website.

Draft Public Health Plan 2022 - 2026

Part 5 of the Public Health Act 2016 requires the preparation a Local public health plan.

The plan must:

- identify the public health needs of the local government district
- include an examination of data relating to health status and health determinants in the local government district
- establish objectives and policy priorities for the promotion and protection of public health in the local government district
- describe the development and delivery of public health services in the local government district and
- include a report on the local government's performance of its functions under the Act

Council adopted the Shire of Narembeen Public Health Plan 2022-2026.

Shire of Narembeen Community Grants Program 2022/2023

In lieu of the previous Community Grant Program, Council resolved to allocate an amount of \$5,000 towards the Ramelius Resources and Shire of Narembeen Community Benefit Fund for the second round of grants in 2021/22 and \$10,000 in the 2022/23 financial year.

Summer is over but the UV is not Find Skin Cancer Early

Cancer Council WA is cautioning adults in the Wheatbelt region not to be complacent with sun protection now that summer is over, with many regions in Western Australia still experiencing damaging UV levels of 3 and above.

It is important to understand that UV is different from heat, so not to base your sun protection choices on the temperature, even when it is cooler. For areas north of Perth, UV on winter days will on average exceed 3 at midday, so sun protection is needed year-round in these areas. For areas in Perth and south, the UV will be above 3 throughout autumn, but averaging maximums below 3 in June and July, when sun protection is not needed.

Skin cancers (including melanoma) are the most common cancers affecting both women and men in Western Australia. Data reveals that in 2019, almost 1600 people in WA were diagnosed with melanoma and 214 people died from skin cancer. In 2017, females in WA had a 1 in 30 chance of developing melanoma, while males had a 1 in 21 risk. In the Wheatbelt in 2019, 58 people were diagnosed with melanoma and 5 died from it.

We know people living in regional Western Australia have lower five-year relative melanoma survival, compared with people living in Perth, so we urge anyone in the Wheatbelt experiencing a skin cancer symptom to visit their doctor, clinic nurse or Aboriginal health worker.

Common symptoms of skin cancer include:

- A new spot or mole on your skin
- A spot that is different from other spots on your skin
- Any crusty or non-healing sores
- Any spots, freckles or any moles changing in size (width), thickness (height), colour, or shape over a period of weeks to months.

It is important to know your skin and what is normal for you, particularly if you are over 40 years of age. If you notice any of these symptoms or any other unusual changes tell your doctor, clinic nurse or Aboriginal health worker. It doesn't mean you've got skin cancer – often they turn out to be something less serious. But it is important to get checked. If it is skin cancer, the earlier it is found, the greater the chance of successful treatment.

For more information about skin cancer symptoms, visit www.findcancerearly.com.au

To find out the UV forecast in your area, visit myUV.com.au or download the free SunSmart app, and protect your skin when the UV Index is 3 or above.

That's not my Job!

This is a story about four people named Everybody, Somebody, Anybody and Nobody. There was an important job to do and Everybody was asked to do it. Everybody was sure Somebody would do it. Everybody was sure Somebody would do it. Anybody could have done it, but Nobody did it. Somebody got angry because it was Everybody's job. Everybody thought Anybody would do it, but Nobody realized that Everybody wouldn't do it. It ended up that Everybody blamed Somebody when Nobody did what Anybody could have done.

A lot of work goes into these events, so please support them if you can. If you need a form, pop into the CRC or download it from the Shire website!

To view the course maps for each category please also visit the Shire website!

If you cannot participate but would like to be a part of it, please let us know, we always need volunteers and would love your help.

Please also remember to:

We hope to see you there to support all participants !!

The Business Women Networking event is also returning next week, Tuesday 29th. Why not pop into the CRC for a catch up, drink, nibbles and strengthen connections! Everyone welcome for a small \$5 fee!

These evening are always a great way to network, so if you haven't been yet, why not pop in!!

RSVP to the CRC!

To see what other events and workshops are coming up over the next month, please view over the next few pages.

On Friday, we hosted the Main Street Festival in partnership with the Narembeen Town Team.

After battling three hours in the 38 degrees heat during set up, our team and 250+ people celebrated Narembeen in all its glory!

From the kids going wild with excitement on the obstacle course, bouncy castle and getting their faces painted and hair braided, to the adults getting up and having a boogie to the band after sunset! Jones Park was transformed into a fairytale chill out area and nachos, hot lamb and gravy rolls and bao buns were enjoyed by all around. During a 30-minute live art performance, Phil Doncon from Paint Storm transformed a blank canvas into a magical mural that can now be viewed in the Pop-Up Shop!

It was all so heart-warming to be a part of and, we feel, a great first event!!

Thank you to everyone for coming and making it such a great afternoon/evening!

A special thank you must be made to Bevan Thomas, Nat Browning, Georgia Atkins, James King, Sam Bald, Andrew Hardham, Elders Narembeen, CRC Staff, Shire Gardeners and the High School Students who all helped in some way to get this event going.

This event would not have been possible without the funding from RAC WA, Collgar Wind Farm, Go Narembeen Progress Association Inc and Shire of Narembeen & Ramelius Resources

Have a great week!

HISTORICAL HIGHLIGHTS

The General Meeting of the Historical Society was held in the History Centre – Road Board Building on Monday 21st March 2022.

It is encouraging to see so many members of varying ages attend and be part of this society. The Historical Society has now been in operation for well over 50 years.

Many items came up for discussion and the main topics were as follows:-

Everybody was delighted with the work that has been completed by the Town Team Activation Group. The Barlows Store photographs make a big difference to the appearance of the shop. Also the mural on the Telstra building. We look forward to further improvements.

Rhonda Hickey and Susan Padfield have found it interesting researching the J S Roe campsite locations. The sites have now all been located and may be a project for the society to mark the locations for future reference should more enquiries be made.

Thanks to Kellie Mortimore who has put the first of the School sites information into the Fencepost. Further instalments will be published later during the year.

The re organisation of the items in the RSL hall has now been completed, the information notices for the items will be printed later. The display is divided into sections of medical, tools, school, kitchen, music and various other sections. Well worth a visit.

Hazel Toovey donated a pocket watch that belonged to Jack Bear and also a set of cuff links and tie pin the belonged to her uncle, Wally French. These will be displayed in the Road Board Building.

A sub committee has been formed to look into the options of another machinery shed being erected to house the farming equipment and display it better. Funding will have to be sourced for this also

The re location of the bakers bike, the post office cart and the railway scales to a vacant shop in Churchill street is being investigated.

The second Monday of each month is designated as a “filing day”. There are a lot of items to be filed and it makes for a lot of interesting reading and discussion as well as learning about the events of Narembeen in the past. 10.30am is the time we start and it is only for a couple of hours at the Old Road Board building.

WE ARE STILL LOOKING FOR NEW MEMBERS. COME ALONG AND SEE WHAT WE HAVE IN OUR FAMILY HISTORY FILES AND YOU MAY BE ABLE TO PUT NAMES TO THE NUMEROUS PHOTOGRAPHS THAT WE HAVE.

Just contact one of our members Even though it is a public holiday the next meeting will still be held on **MONDAY 18th APRIL 2.00pm. AT THE HISTORY CENTRE – OLD ROAD BOARD BUILDING**

Just to recap while this scribe has been away.

Congratulations to Helen Copeman and Kellie Mortimore on winning the C of C pairs at Southern Cross on the 5th of March. Very exciting for our Club. Kellie's hat is weighed down with Badges !!

The Men's Gold team are into the finals this Saturday arvo. Unfortunatley the Maroons just missed out on a berth. Good luck to the Goldies who finished third on the ladder. They will play at home on Saturday and if they win, will then play on Sunday.

The Men had a good attendance at Country Week over the Long Weekend.

Greg Vaughan and John Currie got thru to the last 16 in the pairs but were put out by the winners. Damn!!

Great effort tho guys.

The Ladies have 4 away this week at their Country Week. They will have fun. Kellies hoping for a participation badge!

Anita Cowan travelled to Corrigin last Friday to play the C of C Singles. Not the winner but had two very tight matches in rather warm conditions. She did very well. Thanks to Carol Currie for marking on the day.

So, our season is coming to an end. Social Bowls this Sunday at 2.30.

Saturday the 2nd of April is our last Hoorah.

The Men will play the Ralph Thomas Pairs .(choose partners)

The Ladies will play a drawn pairs for the Helen and Anita Trophy.

Following the days play will be Presentation of the Years events.

Dinner will be provided but yet to be arranged.
