Over the Fence....

Welcome to another edition of The Fence Post!

Lots in this week including the history of Mt Walker school, Narembeen DHS newsletter and results from last weeks hockey, golf, football and darts. Also, a write up on community member Renee Lynch, recently joining the Australian Rural Leadership Program., congratulations! (page 21) Notes from 'the Chief' include the ANZAC day write up and project updates to the town (page 10). The weather is getting cooler, hopefully with some more rain on the way. Farmers will be busy seeding and winter sport is ramping up. Thanks to those who remembered to keep us up to date with their sporting results. Gives us all something interesting to read each week. Enjoy your week!

Editor: Jodie Batty

Happy Mothers Day to all Narembeen Mothers and to the Mothers of Narembeen residents. We hope you all have an enjoyable day on Sunday.

Congratulations to Glenn and Rebecca Clarke (Hall) on the birth of Jonah Ewen on Wednesday 27 April 2022 weighing 3.25 kilos. Another Grandchild for Peter and Debbie Hall.

We understand that free masks and RAT's test are available from the CRC for the next 2 weeks.

Best wishes from all here at the Fencepost to Clarrie Cowan who is currently recovering from burns as a result of a radiator mishap.

Also, we are wishing Valmai Bow a imminent welcome return to Narembeen after a stay at the Northam Hospital over the last few weeks.

We welcome to town, Mark Holland, (father of Alex) who is coming over this week to visit from the United Kingdom just in time for the birth of Alex and Steven's (Pascoe) baby in June. Alex's mother is also coming to visit in early June. This will be lovely for Alex as she hasn't seen her mum and dad for over 2 years.

MT WALKER SCHOOL

1927 - 2006

In 1926 the early settlers of the Mount Walker District began moves to have a school built and established in the area.

In March 1927 tenders were called for the erection of the school building and on July 6, 1927, the contract for the classroom was let to T. DAWKINS of South Perth for £509/8/-.

The school was temporarily closed in 1927, 1930, 1944 and 1946.

Narembeen CRC Update

Hello everyone!

Today, Wednesday 4th May marks **World Maternal Mental Health Day (WMMH)**!

World Maternal Mental Health Day draws attention to essential mental health concerns for mothers and families. Many different organisations around the world are coming together to increase awareness of and decrease the stigma surrounding perinatal mood and anxiety disorders.

This year we will focus on raising awareness to drive social change with a goal towards improving the quality of care for women experiencing all types of perinatal mood and anxiety disorders, thereby reducing the stigma of maternal mental illness.

Our High Tea for Mums which is scheduled today on WMMH Day is an opportunity for women to connect with other women/mothers and share their stories and grow together.

The aim is to also raise awareness regarding self-care strategies for the prevention of illness and maintenance of wellbeing, as well as promoting local health services that can support parents with babies. Over 40 women have RSVP'd to this event and we look forward to sharing photos with you next week.

Please also keep an eye out for what's happening in town during National Road Safety Week, which is commencing 15th May!

We were successful with our application for grant funding through the National Road Safety Week Community Grants Program to promote 'The Road to Zero'.

This grant round was created by the Road Safety Commission in partnership with the RAC for events/projects during National Road Safety Week, with their shared goal to reduce serious road trauma in WA communities.

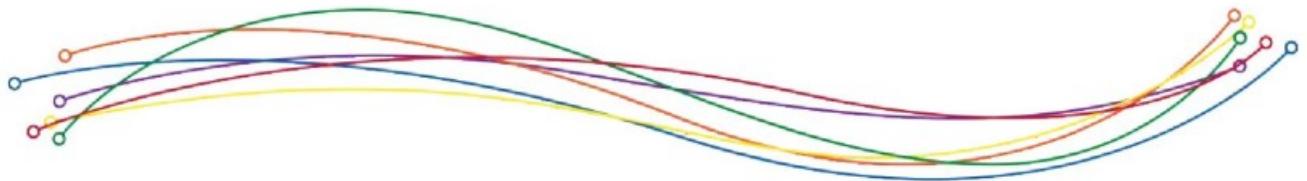

WATCH THIS SPACE - COMING SOON

And as always - remember to look after one another!

ANZAC DAY

Approximately 100 people attended the service to commemorate ANZAC Day last Monday.

This continued dedication of the Australian people to the traditions of ANZAC Day is uplifting, especially considering the challenges of the last few years.

Community members enjoyed refreshments provided by the Narembeen P&C while looking at the art work prepared by students. All of the students and teachers did an amazing job creating the art work to represent their learning about ANZAC Day and what it means to them. Thank you to Lucy Lines for organising the display.

Thank you to Terry Cheetham who delivered a respectful service and Alan Wright for all of his continued behind the scenes work.

Thanks as always to our trusty volunteers, Ian and Kellie Mortimore and Mr Chick who assisted with the set up and staff at the Shire and CRC for their contribution.

It was great to see everyone who marched, including returned service men and women, youth and our emergency services volunteers.

ROADWORKS – Latham Road, Longhurst Street and Currall Street

Roadworks will commence Monday 9 May 2022 in the Narembeen townsite and some road closures / detours may be in place.

Motorists and pedestrians are requested to exercise caution while in the area and follow the directions of traffic control operators.

Works are expected to be completed by the end of July 2022.

PROJECT UPDATES

The 21/22 Ramelius Resources and Shire of Narembeen Shire Community Benefit Fund second round has been completed with eight successful applicants.

Fully Funded

Narembeen Co-op Café - \$920

Wadderin Wildlife Sanctuary - \$1,947

Narembeen CRC - \$14,500

Partially Funded

Narembeen Football Club - \$6,000

Narembeen Jnr Football Club - \$1,000

Narembeen Hockey and Netball Club - \$850

Dorcas (Second Chance of Life) - \$5,000

Narembeen Church of Christ Kids Uke Club - \$951.30

The assessment panel, made up of a representative from the Shire of Narembeen (President), Ramelius Resources (Mine Manager) and Go Narembeen (President) found it to be a highly competitive process with the excellent standard of candidates applying for funds this round.

Their recommendations were approved by Council at the April Ordinary Council Meeting with recipients notified on 25 April 2022. Shire of Narembeen and Ramelius Resources would like to congratulate all those successful on this occasion and encourage those that were unsuccessful to reapply for funding in the next round in October 2022.

Local Roads and Community Infrastructure Program Phase 3 \$1,093,684 funding has been Approved. Council has allocated funds to the following projects in 22/23

Narembeen Town Hall Refurbishment – Stage 2

Church Museum – Restoration – Stage 2

Churchill St Improvements – Stage 2

Footpath Infrastructure – Thomas Street

Seal Laneway – Savage St to Latham Rd

Electronic Sign – Community Notifications

Outdoor Exercise Equipment – Walker Lake

The Church Museum and Town Hall Refurbishments will commence on the 9 May 2022 with completion planned by end of July 2022. Please take care and avoid these construction work areas during this time. Thank you for your ongoing cooperation.

Our community does this in times of need, giving a helping hand, and right now is that time.

I don't want to live in
the kind of world where
we don't *look out for each other.*
Not just the people
that are close to us,
but *anybody*
who needs a helping hand.
I can't change the way
anybody else thinks,
or what they choose to do, but
I can do my bit.

Preparing Students for a Changing World

OUR DEEPEST CONDOLENCES TO THE SHERWOOD FAMILY

The staff, students and parents of the Narembeen DHS community send our thoughts and prayers to our long-time respected staff member, Head Cleaner Sandra, casual staff member Sapphire, and the extended Sherwood family, on the tragic loss of Stephen over the Term 1 holidays. I would like to express our deepest sympathy also to family members who are students at school, son Stephen and niece and nephew, Savannah and Aidan. Our hearts break for you all and we are here to help if you need it.

'There is a sacredness in tears. They are not the mark of weakness, but of power. They speak more eloquently than ten thousand tongues. They are the messengers of overwhelming grief, of deep contrition, and of unspeakable love.' Washington Irving

OUR DEEPEST SYMPATHY TO THE KERSE FAMILY

The staff students and parents of the Narembeen DHS community send our thoughts and prayers to the Kerse family of Muntadgin, on the tragic passing of our ex-student Elijah last week. Elijah graduated from Narembeen DHS in 2019, and he was an integral member of his cohort, being a Student Councillor and Gold Faction Captain in his final year here. He is remembered fondly by the staff who knew him through interactions in the office or as an EA, and by us who taught him. He was a kind young man, who cared for others, looked out for our younger students, was always willing to lend a hand and strived to do his best. To Graham and Sue and their extended family, we are thinking of you all at this sad time. To our staff member Hannah, and her family, Jerome, Penny and Myles, please know we are here to help in any way if needed.

'When someone you love becomes a memory, the memory becomes a treasure.' Unknown.

HONOUR CERTIFICATE WINNERS

In our last Newsletter we listed our Honour Certificate winners, and many of the Facebook pages showed photographs of them being presented, but here is the pic of all of our winners from Term 1. It is great, that at the moment, assemblies can recommence, and we will be pushing three assemblies into the next two terms 😊.

COVID UPDATE

So, things are getting better in terms of our restrictions, but worse for us in terms of cases! Currently, and this may change, the mask mandate has been dropped in most circumstances. However, masks must still be worn if you are a household close contact. For students, this is only mandated for Year 7 and upwards, but we would appreciate all students who are household close contacts to mask up, it does make a difference. Household close contacts attending school are also expected to have a RAT daily. If there are families that need additional RAT's for this, please get in touch. We do have some students who are positive and at home, we will ensure work is provided.

Assemblies and camps are back on, and volunteers are allowed back in classrooms, as are our parents 😊.

KINDY PRE-PRIMARY GROUNDS BUSY BEE AND OVAL MOWING

On behalf of Joey, Erin, Terri and Sarah, plus all of our Kindergarten and Pre-primary students, I would like to thank **Russ Arnold, Damon Hayter, Nick Cheetham, Ben Hunter, Colin Ogilvie, Rob Gill and Will Shepherd**, for their efforts late last term to take down the fence separating the two centres and lay the concrete slab for the new shed. Cheers to Razor who was the organiser of the busy bee, getting some of our school community in to assist. **Thanks also to Russ Arnold** who put the **shed up** during the holidays. Above and beyond as always by Russ! I would thank him for jumping on the ride on mower and doing our oval and other lawns at school while we have been down a gardener, but I have a sneaking suspicion that he enjoys it! Thanks' any way for doing it 😊.

If you would be interested in learning to play, please contact Hannah Smoker on 0477 550 141 or hannahsmoker@hotmail.com by close of business Monday May 9 2022 and I will be in touch with further information.

KIDS CLUB

Our first kid's club of the year was held on Friday at the Narembeen Church of Christ Hall. We had an amazing turn out with 17 kids from PP to Year 6 turning up! We sang loudly, listened to a story about creation and played some rowdy games. The highlight of course was making (and eating!!) biscuits.

Our memory verse for week 1 is ""God looked at what He had done, and saw that it was good." Genesis 1: 10". Any child who can tell us our memory verse at the start of kid's club next week will get a prize! We hope to see you all there again this Friday, 3:15-4:30pm. New faces are welcome!

Renee Lynch to join Australian Rural Leadership Program

The 29th Cohort of the Australian Rural Leadership Program Announced

From around Australia 28 diverse rural leaders have been selected as the 29th cohort of the prestigious Australian Rural Leadership Program (ARLP) to commence in June 2022.

CBH Grower Advisory Council (GAC) member, Renee Lynch has been successful in receiving one of the 28 scholarships to participate in the Australian Rural Leadership Program (ARLP).

Renee is a fifth generation Wheatbelt grain grower, together with her husband, runs a 4000 ha broadacre cropping and cattle enterprise in Narembreen.

Prior to returning to farming she spent 8 years working in marketing and communications for an international stainless steel supply business.

"I am grateful for the opportunity to undertake this highly regarded program, I applied on the recommendation of several of my peers and after hearing how they continue to draw on the programs learnings even many years after completion, however, I am apprehensive around leaving my young family and business for a two week period. It was a difficult decision trying to balance the needs of my family and business with the opportunity but ultimately I hope that investing in myself will be of benefit to us all", said Renee.

The ARLP program is in its 29th year and has been played a key role in the delivery of high-quality programs that support improved leadership in Australia.

When the 29th cohort come together to commence the program in June it will be the first of a series of experiences that will help shape their understanding of themselves and to work with others in influencing change across the country.

Participants engage in a range of experiential learning opportunities in varying contexts during their four sessions over 15-months, in locations including Kununurra, Canberra and overseas. This year the cohort will include scholars from across the country including a Social Entrepreneur from Deeragun (QLD), an Executive Director from the Food and Fibre sector from Scarborough (WA), an Aboriginal Medical Services Chief Operations Officer from Jingili (NT), a mixed crop and livestock farmer from Sale (VIC), a Beef Cattle Grazier from Mingoola (QLD), and a Manager of Cattle Stations from Gin Gin (NSW) to name a few.

The ARLP is Australia's longest and most in-depth experiential leadership development program giving participants a valuable opportunity to grow their leadership and create a network of change makers to positively influence their organisations, industries and communities across rural, regional and remote Australia.

Junior Hockey

On Saturday, the Narembeen juniors played against Burracoppin. We were all a little bit worried at the beginning because Burracoppin had some very tall players, but we knew that we had all been working hard at training to increase our skills. It was a tough first quarter but our strong defence managed to keep the Burracoppin team from scoring. We got a goal in the second quarter. It was the result of some really good team play and passing, which meant Noah Smoker was able to run through their defence and score from the top of the 'D'. Burracoppin also scored a goal in the third quarter, which meant the final score was 1 all. Everyone played well.

Final score: Burracoppin 1 Narembeen 1

Team: Noah Browning, Noah Smoker, Dakota Miller, Jack Wanless, Parker Lynch, Kate Smoker, Lyla Hayter, Aden Smoker, Ava Wanless, Theo Cheetham, Chloe Browning, Harrison Thorn, Eimear Hickey, Alfie Cowan, Nicole Smoker and Imogen Hickey (Goalie)

Women's B Grade

Our game on Saturday was against Burracoppin, played in Merredin.

Burra were our biggest competition in last year's comp so it was exciting to see how we'd go with them in our first game together for the 2022 season.

It was another warm day on the field but great to be out playing hockey! There was lots of chat and guidance from the defenders which is great to set us up and keep the gaps filled.

Burracoppin scored their one goal off a short corner early in the second quarter but we kept our heads high and our game improved as each quarter went on. The ball was shared around the field well with everyone putting up a good fight not allowing any more goals through and instead having a majority of the attack in the second half of the game.

Although a loss, we gave it a crack and had fun. Can't wait to see what the rest of this season brings.

Final score: Burracoppin 1 Narembeen 0

Team: Sam Nation (G), Shohan Hickey, Mads Noack, Sara Nation, Bonnie Taylor, Kerry Fullbrook, Kim Thorn, Tamara Clarkson, Kara Morrone Deacan Miller, Jess Smoker, Noah Smoker, Noah Browning.

Women's A Grade

Saturday, in extremely warm conditions, saw us travel to Merredin to relive our grand final game from 2021 against Burracoppin. From the start Narembreen decided to play our own game, and each member of the team gave it their all. Credit must go to Gina Cheetham, Kylee Slade, Caz Robbo and Nat Browning who their roles on the left side were always strong and able. Felicity Cowan in the unrelenting role of Left inner continued to run and charge all day and was able to continually with the help of her wing (either Sam or Bonnie) get that ball into the 'D' Georgia Miller was always in the right position, however, it was Mel Baldwin and Emma Miolini who were able to get the ball into the back of the goals 3 times. It seemed that we spent most of our game resetting our attacking short corners, with only 2 of them being pulled off. Between Indi Nelson, Em Miolini and Mel Baldwin we saw some fantastic short corners.

Some highlights of the game was Mel's overhead hitting a wire and dropping and Nat Browning and Maddi Noack's epic shirt front which saw both of them on the ground. Credit must be given to Burra, who in 2022 are seeing a bit of a lull in numbers due to pregnancies and recent births of babies. However, their passion for the game shone through and they were able to put up a great game on the day. A massive thank you to Trish Glass for umpiring our game at such short notice.

Final score: Burracoppin – 0 Narembreen – 3

Team: Maddi Noack, Nat Browning, Kylee Slade, Caz Robinson, Gina Cheetham, Mel Baldwin, Carissa Wanless, Indi Nelson, Emma Miolini, Georgia Miller, Felicity Cowan, Sam Nation, Bonnie Taylor

Men's Hockey

The season has been off with a bang with 2 games this week on Thursday night and Saturday.

Thursday night game, Narembreen was up against Kellerberrin, this game was a great contest for both sides with pressure being put on both sides defence and the offence having a few good chances.

Going into the final quarter Kellerberrin was leading 2-1, Narembreen pushed hard and despite the pressure Kellerberrin held onto their slight lead into the final minute, as the clock ran out Narembreen had gained a short so the team all pushed up and on the second attempt a deflection ended the game in a draw of 2 all.

The Saturday game, Narembreen was up against Burra, in the hot afternoon both teams could only manage 11 players so the coaches agreed to play 10 a side and allow each team to have a sub. Unfortunately a prior injury quickly sidelined a Narembreen player leaving the team with no subs. The game with the heat and with only 10 players had a huge amount of space which both teams used, Narembreen primarily using the width and Burra pushing the centre. Burra pushed hard and lead into half time at 2-0. After a rev up at half time the Narembreen team came out and showed their abilities with passing the ball around using our width and controlling the play. Unfortunately the team did not manage to convert and a breakaway allowed Burra to score their third (off the face of Josh our hard working full back). In the final quarter Sam finally got a chance to rest after an epic 3 games and our injured player settled in to play a slow high forward, the pressure that our inners, halves and wings finally paid off, culminating with Conner firing off a goal that slipped behind the Goalie.

Final score: Burracoppin 4 Narembreen 1

Team: Wesley Taylor, Rob Lavis, Sam Nation, Angus Latham, Josh Fuchsbichler, Lane Thornton, Sheldon Kuhne-Munroe, Luke Cotter, Thomas Latham, Deakan Miller and Connor.

Bang! Snap! ###! A Greg Vaughan protégé!

The sounds of a man under pressure. One stick less. No names, no pack drill- we can only hope he is back next week after the rubbishing dished out.

The men had their first qualifying round, the Mic Toovey Patron's Trophy, and at least one man came home with the wind in his sails.

Brendan Parsons had a nett 70- a wonderful score, from Justin Boyd on 71 who also won the gross 72. Good hitting Justin. Stephen Padfield lost the c/b with a 71, Mike Currie 72, Danny Gray and David Campbell 73 and Russel Arnold 77. The Long Dong #1 Justin, Best 2nd #7 S Padfield, Best 2nd #12 Rob Miolini and NP #17 Marty Farrell. The captain Aaron Lyons took home the most prestigious trophy and had one up on all those who went home empty handed.

Last Wednesday the women had 14 players with a few missing. So things are on the up and the afters were great. Playing stableford, for the Joan Cusack trophy, Sherrie Heather, with 38 had a blinder and won on a c/b from Miranda Noak and other ball winners were Anita Cowan 35, Gina DeLuis and Carol Currie 31. The rest spent their time fighting flies—they are horrendous. The Longest Putt #9 was Miranda and NP #17 Anita.

On Sunday the women played stableford and Julie Miller hit the ball so well to win with 34, Miranda Noak won the C/b from Joan Cusack 33. Miranda was NP #2 (a lovely shot) and Joan holed the Longest Putt #12 to save her bacon.

There will be a steak and salad night on Sunday for Mothers' Day- a mixed event so grab your partner and have a bash. We have some women without partners so be brave blokes. The more the merrier. Those who haven't got a mate can play a men's comp

Just a reminder that subs are Full Member \$160, Country \$70 and Social \$25 and can be paid online at Bankwest Narembeen 306-026 5159579. Green fees are \$7 and any non-members are reminded that they must be paid each time you have a social hit on the course.

The weather was great for a walk in the big park on Sunday.
Few in numbers but everyone had a great Stableford round.

With a tight scoring game the winner was Bevan Isles with 36points
Runner up was Phil Treloar with 35points
2nd runner up on a count back was Carol Fagan with 28points

Novelty winners LHO#9 Carol Fagan & NP# 16 Merle Phillips

Sunday 8th May – Halley Cowan Trophy (Stableford) instead of the usual Mothers Day Ambrose, this will be followed by a shared Casserole Tea.

New and old players are most welcome, tee off is 12pm.

Champagne Lane

One of the great things about footy at Narembeen has always been the crowd. This reporter has great memories of Sunday nights in packed Rec Centres where dinner was served through the servery and somehow a beer was served at possibly the smallest bar in the world. The joint was loud and fun and the site of some of the greatest award acceptance speeches of all time. Footy was on Sunday back then and as we were flying it was the place to be. For many in the Rec Centre on those Sunday nights, their day started with a just after midday settle in on Champagne Lane.

Champagne Lane is the area just on the edge of the grass next to the carpark closest to the oval. Back in the day it would be populated by about half way through the first quarter of the Ressies and its number would grow through the afternoon. The members of Champagne Lane were often prominent ladies from the community who had, or were working on, significant connections to the players on the ground. They came prepared and always made the most of their day at the footy. They were a key part of the club.

I have this great memory as a young Ressies coach getting stuck in a conversation with two key members of Champagne Lane, who for legal reasons we can't name, who were trying to get me to anoint one of their significant others as more important to my side than the other. The debate fluctuated between athletic prowess, football nous and a few characteristics I didn't need to know about. It was a debate I'm pretty sure it was never resolved. The strange thing remains though, each lady was debating the prowess of the other lady's significant other. Such was the fun of Champagne Lane.

The push for same day sport has for many years taken away the opportunity for the supporters of the Hawks to settle into Champagne Lane. However yesterday at Hawk Park the Lane was back. A number of chairs assembled through the day and by the time the big boys were rolling and the netball was over the number of chairs was significant. The ladies were settled and their level of analysis grew as the day evolved. Later that night many members of the Lane could be seen partaking in more considerations of the day inside the Rec Centre.

A trip to the footy is often made by the character of the supporters and a trip to watch the Hawks has often been a great example of that. Supporters make a club what it is, and supporters never really know the great effect they can have on those that they are watching. The re-emergence of Champagne Lane at Hawks home games could well be a key part of the year of 2022.

HAWK TALK

Craig Gmeiner

The season so far.....

A stop start beginning to the EDFL season has seen the Hawks quietly go about their most opening to a season since the heady days of one of the club's most successful periods some fifteen years ago. With both senior sides winning their first three games, exceptional numbers in the juniors and healthy crowds at both home and away games in the first three rounds the club quietly sits excited about what the rest of the season could offer. The Hawks are 3-0.

The Roos-Longmire type succession plan that the club instituted to see the control of the Juniors go from Tim Cusack to Mike Wanless has borne fruit straight away. Cusack, a former president of the club and three time premierships player, deserves thanks for two years as juniors coach where he built numbers up and ensured the players not only improved their footy but also enjoyed it. This approach has been continued on by Wanless in a manner that has only seen numbers grow, a great sign for the club.

At senior level the club has put together a unique coaching structure which is bearing fruit so far. Head Coach Sam Bald has taken on a managerial role which has seen him being given the room to apply himself to handling the game day tactics of the side. Training is run by his two very able lieutenants in Justin Baldwin and Clint Butler. The three are working wonderfully well together both during the week and on gameday. Training is well attended and the players are responding.

The three wins that the boys have put together have been notable in a couple of ways. Firstly, there is a hardness to their football that is a wonderful sign of growth of a group. Against Hyden and against Corrigin they were genuinely challenged by two good sides and they were not only able to absorb the pressure but also able to respond. Jimmy Kennedy has started the season well along with talisman skipper Mitch Miolini and veteran Dave Mortimore.

As all clubs do the Hawks have added to their list over the summer. Heath Spinks and Will Shepherd have come to town and shown themselves to both be positive additions to the side and the club. Both still only young fellas, they have shown themselves capable of playing good footy at league level. More importantly they also both have shown themselves to be good fellas off the field with there being unsubstantiated rumors abounding that Heath is actually a much better bloke than fellow Hawk and brother Connor. More on this situation as it comes to hand.

The Ressies have followed the lead of the Hawks, or perhaps set the scene for the big boys with three strong wins. They shook off a strong Hyden side in round one and then had the better of Corrigin and the Cross. Mike Mortimer is relishing the chance to play out of the goal square at the front end of the ground while great mates Chris Shaw, Cooper Sprigg and Jeikwuan Brown have led a midfield of pace and dare. The key to the Ressies seems to be the joy they are playing their footy with. The ball is moving fast and so are the players, not always in the right direction but they are going quickly. They even are showing a very unRessie like appetite to run defensively and lay the odd tackle.

Supporters are so important to any sporting club but especially a footy club. Supporters set the atmosphere and often inspire when they have no idea they are. It has been great to see so many Hawks supporters backing in the boys through the first three rounds. It was even noticeable over at Corrigin in round two how many Narembreen people had decided to make the trip to watch the footy. So as the competition takes stock for a week and lets the Cockies jump on the tractors and drop the clutch it is exciting to be able to write that the Hawks have started well, there is an awful long way to go and plenty more opportunities to be grabbed but the Hawks are 3-0.

BONE DENSITY SCREENING MOBILE CLINIC IS COMING TO NAREMBEEN

Tuesday 7th June - Friday 10th June

1. **HOW TO BOOK:** Book an appointment with your GP for a bone density scan referral.
2. Call Osteoporosis Solutions on **(08) 9472 1904** to book your bone density scan. Please have your doctors referral and Medicare Card with you, when calling
3. Visit "Bone Bus" at your booked time.

WHAT DOES IT COST?

This service is Bulk-billed with no gap for people 70 and over.

If you have had a bone density scan elsewhere in the last 12 months, you do not need a scan now. The scan takes just 2 minutes, is painless and fully clothed.

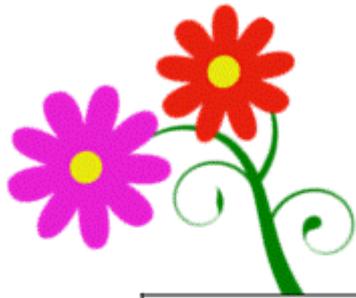

A bone density test determines if you have osteoporosis — a disorder characterized by bones that are more fragile and more likely to break. **The test uses X-rays to measure how any grams of calcium and other bone minerals are packed into a segment of bone.**
