Carnarvon One Mile Jetty Restoration Fund

The Carnarvon Capricorn Holiday Park Grey Nomads wish to thank the Narembreen Autumn Club for their contributions of five hand-made parcels towards the raffle for their Aussie Christmas in July fundraiser with Bunbury five piece band, Midway, playing the music. \$778-00 was raised.

Kerry Fricker's daughter Danelle and sister Glenys Wanless organise functions in the park while on holidays, the money raised goes to the Carnarvon One Mile Jetty Restoration Fund.

This year over there have been five functions held, raising \$1,812-00.

This time next year the jetty should be restored to the water line.

Sporting Achievements

The hockey and netball have had their association presentations and Narembreen has certainly been a winner. Britt Duncan & Lucy Currie won Fairest & Best for their netball grades. In hockey we have three grades with Fairest & Best, a Runner Up and then there are highest goal scorers, also awards for Countryweek.

Mel Baldwin and Georgia Miller are selected to represent WA Country in this years Hockey Australia Country Challenge in Albany.

We have two netball sides through to the Grand Final and three hockey sides. Head to Bruce Rock this weekend to watch.

We also have a Runner Up in the Merreding Midgets footy competition Fairest & Best and a player of the match in the Grand Final.

Bookclub

Please see the expression of interest further on in this edition for a bookclub in the beer garden at the Narembreen Workers Hotel on Sunday.

Busy Time for Narembreen

It is time for championships, play offs, finals, athletics carnivals, for ram sales, art exhibitions, BookWeek and cake stalls. Please keep reading for all the details.

Winter is nearly Over

Only a week before Spring is with us....lets hope we continue on with bits of rain and no frost. We can live in hope.

Narembeen CRC Update

Hello everyone!

There are still 5 spots left for the safeTALK workshop next Tuesday, a fantastic opportunity to learn some simple ways to help someone! If this is something you have considered for a while please register.

Narembeen Ladies; If you haven't already, please register your interest for the Stronger Community Fitness program. The link to the survey can be found on our CRC Facebook page!

The Morning Coffee Club enjoyed a PAINT & SIP experience (sipping on coffee and tea only haha) last Wednesday and created some beautiful sunflower artwork! Although skeptical at the start, it is fair to say that everyone had a lot of fun and enjoyed a morning of painting, conversation and laughter!

Congratulations to both Narembeen netball teams who made it straight through to the grand final in a couple weeks. Good luck to the Narembeen hockey teams in their grand finals this weekend and also to the footy boys who get a second chance for a spot in the grand final. If you are not doing anything, head over to Bruce Rock on Saturday and support our town!

I will be in Tasmania next week but Annette, Nora and Kristie will be here to assist you with anything you need.

Wishing you all a great week!!

RANGER REPORTS - CATS

There continues to be complaints and reports about wandering cats within the Shire.

Responsible and legal cat ownership requires all cats over six months to be sterilised, microchipped, and registered with the Shire of Narembeen.

Sterilisation is the most important thing you can do for these animals as this will protect native animal and ensure the problem does get worse. Letting stray cats breed and then contacting the Ranger Services to remove kittens is simply not sustainable.

Arrangements can be made with the Merredin Vet to sterilise cats and discounts are offered for those people who qualify financially. The RSPCA has a pet sterilisation program where they will pay 75% of the cost to sterilise your dog or cat if you hold an eligible concession.

Under the Cat Act it is an offence to give away kittens. The reason for this law is to ensure responsibility on the part of the owner as often a family receives a kitten, doesn't get it desexed as "it costs too much money" then lose interest in the kitten as it gets older. This can result the in the kitten becoming a feral animal.

It's a no-brainer that cats who are kept indoors are safe from the many dangers that free-roaming and "indoor/outdoor" cats face every time they set paw outside, including infectious and deadly diseases, speeding cars, loose dogs, and cruel people, to name a few. But keeping cats indoors has another safety "side effect"—it makes life easier and safer for wildlife, too.

For those of you having issues with feral cats, Shire of Narembeen owns a number of traps which are available for use.

COUNCIL WRAP UP August 2022

Shire of Narembeen Councillors met Tuesday 23 August for the Ordinary Council Meeting.

Budget Allocation - Christmas Lights

The Narembeen Community Resource Centre in partnership with the Narembeen Town Team requested Council consider an allocation towards purchase of commercial grade Christmas Lights. Council will allocate \$10,000 in the 2022/23 budget review for the purchase of commercial Christmas Lights.

Adoption of Community Wellbeing Plan (CWP) 2022-2024

The Narembeen CWP seeks to build resilience, improve health and wellbeing, and strengthen agency collaboration; in turn reducing the incidence of risky behaviours and potential harms associated with alcohol and other drug use within the community of Narembeen.

Council adopted the Community Wellbeing Plan 2022-2024 and the plan is available on the Shire website.

Council Policy Review

Council has a significant number of policies covering a range of issues which require periodical review. It is considered good corporate governance to review policies as they fall due and to consider if any new policies should be added in line with legislative changes.

Copies of the below Council Policies are available on the website and at the Shire should you wish to provide comment.

MEDIA RELEASE

Rundle welcomes report to improve School Bus Services

Member for Roe, Peter Rundle, has welcomed the final report of the Student Transport Assistance Policy framework Inquiry which was tabled today.

"Over the past 12 months, every one of the members of the Public Accounts Committee has worked incredibly hard to understand and resolve the issues that have plagued this important government service for so many years.

"Two of the most difficult issues we as a committee had to resolve were around the policies of the nearest appropriate school, and the communication issues between parents, contractors and School Bus Services.

The committee has taken into account the social, economic, financial and community factors to recommend a degree of flexibility to families who live a similar distance from two or more schools.

"The committee recognised the need for this flexibility which I am sure families will appreciate as it often causes a lot of angst.

"The committee has recommended that the rules around the nearest appropriate school provide more flexibility for those in School Bus Services to apply some common sense and empathy to their decisions as well as the recommendation for a complaints process," Mr Rundle said.

"Open and positive communication channels with School Bus Services are critical to the success of any issue which is raised by parents and/or schools. I am pleased the committee emphasised the need for those involved in working through the issues to be able to work constructively for the best outcome."

While the final report has covered the issues well, Mr Rundle has felt the need to release a Minority Report which expresses his concerns about the contract system for bus owners and operators.

"My Minority Report states the need for Evergreen Contracts to be maintained. The reason for this is outlined in the report, however in short, I think the evergreen model reflects the circumstances of regional businesses most accurately.

"Regional bus services are small to medium businesses owned by operators in the towns they service. The owners and drivers know the families, know the local environment and have always worked with the schools to ensure the safety and welfare of the children on their runs.

"I was pleased the Committee saw fit to maintain the relocation of current contracts. It has worked so well for so long, I see no need to change this unique system for the sake of a government policy".

The Big Three! Saturn, Jupiter & the Moon!

This month, stargazers are in for a treat as the two gas giants, Saturn and Jupiter, take to the skies and are joined by the Moon, to make for a stargazing spectacle! All three are bright and brilliant in the night sky and worth noting in the diary for a 'sneaky stargazing binge!

On the 8th, Saturn is making a close approach to the Moon! If you've never seen Saturn before, now is the PERFECT time to find the ringed giant, just look for the bright star next to the Moon! The following night, the Moon will be underneath Saturn.

To see Saturn & the Moon: 8th September from 6pm, looking to the eastern horizon.

On the 11th, brilliant Jupiter will be just below the full Moon so easy to spot, and on the 26th, Jupiter will reach opposition, becoming it's biggest and brightest all year.

To see Jupiter & the Moon: The conjunction when Jupiter and the Moon appear close together is on the 11th and opposition is on the 26t, in the east at sunset, through to west at sunrise.

What is Opposition? In astronomy, *opposition* means a planet is *opposite the sun*. So, for example, the planets with orbits inside Earth's orbit (Mercury and Venus) can't be at opposition. But the planets orbiting outside Earth's orbit, can. At opposition, a planet is easiest to observe because it's generally closest to Earth and visible throughout the night. Credit: Earthsky.org

Hello 'Astro Towns Team',

Over 300 entries have been received for this year's Astrofest Astrophotography Competition which is terrific news. Of these, 35 entries have been submitted to our special AstroTourism WA Best Nightscape Award being sponsored by the Shire of Morawa, Mellenbye Station and the Shire of Carnamah.

These images will feature the beautiful night sky along with our AstroTourism Towns iconic landscapes! Judging is underway and the winners will be announced at this year's [Astrofest on 29 October 2022](#). I hope to see you there!

In other news, AstroTourism WA is ready and set to host a series of dark sky tourism events in our AstroTourism Towns during the month of April next year. I'll soon be getting in touch with our AstroTourism Towns to set dates and venues. It's going to be busy and lots of fun!

Happy Stargazing,

Shires of Tammin, Wyalkatchem & Beverley Launch Ballardong Planispheres

These fun, community stargazing nights were part of the Ballardong Aboriginal Astronomy project - a Regional Development Australia Wheatbelt initiative delivered through the Noongar Enterprise Development Support program and funded by the Australian Government Department of Social Services and the Shires of Tammin, Wyalkatchem and Beverley. Elders shared night sky stories and students interpreted the stories which were then

designed and printed onto two planispheres. Communities came together to celebrate the launch of the planispheres with the plan to develop Aboriginal AstroTourism. It was held out at the magical Yorkrakine Hall and the night sky was spectacular.

IN THE NEWS

Eclipse Event Funding Secured

In the lead up to the Ningaloo Eclipse Western Australia's spectacular dark night skies will be showcased throughout the State's incredible regions. AstroTourism WA will be presenting a fantastic series of Dark Sky Tourism events for visitors across the Pilbara and Gascoyne through to the Mid West and Wheatbelt. During April 2023, there will be wonderful stargazing experiences with introductory astronomy, tours of the constellations, special activities for children, Aboriginal Astronomy, astrophotography for beginners and engaging presentations from WA's world-leading Space Science Industry. Something for everybody! Stay tuned for event date and program announcements.

This series of stargazing events is supported by Tourism WA, WA's Local Government AstroTourism Towns, CSIRO, the International Centre for Radio Astronomy Research (ICRAR), Curtin University and Scitech.

Preparing Students for a Changing World

STUDENT ATTENDANCE WE ARE BACK NAGGING ABOUT GETTING KIDS TO SCHOOL ... IT 'S NOT OK TO BE AWAY!!

Attendance Matters!

Every Student, Every School, Every Day

One week we have the department asking us to share a letter from the three leaders of the three education sectors about staying COVID safe and keeping your child/ren at home if they are showing cold or flu symptoms, and the next I am on a Webex with all Principals from the Wheatbelt Region, **being told we must lift attendance levels to pre-COVID levels.** Just another day in the life of a worker in a large bureaucracy! All schools have been hit with COVID and this has had an affect on our attendance percentages, usually between 93% and 96%, which is highly satisfactory. **Currently our attendance rate is just below 90% and dropping.** I can now say, **we want the students back at school unless they are unwell, as in fever or flu, a runny nose is back to being just a runny nose.** Obviously, students also must stay home if they have COVID. We need to get back to the understanding that **EVERY DAY AWAY FROM SCHOOL HAS FLOW ON EFFECTS ON LEARNING.** Most of our students have already had a minimum of one week out due to COVID and we need to make sure that this is not compounded by other absences that are not essential.

Attendance Ladder

FACTION ATHLETICS CARNIVAL FRIDAY AUGUST 26 2022

Yes, it is on again, the rivalry is simmering under the surface, will GOLD come back at MAROON after losing the Cross Country, or will Maroon continue to be dominant? I personally can only hope that the first scenario plays out!! **GET YOUR COLOURS OUT, GET YOUR VOICES READY, THE ATHS ARE HERE AGAIN!!** The day will start with the jumps and throws at 9:00am and you have already had all of the information home. **Students are to go straight to the oval** on the day of the carnival, **buses will deliver directly to the oval**. All students must be there 15 minutes prior to their first jump or throw event. A jump and throw schedule was sent home with the excursion paper work for your information, and it is also attached to this email. **PLEASE REMEMBER THAT THE AGE THEY COMPETE IN IS THEIR AGE AS OF DECEMBER 31 2022**, so if they are 7 years old right now, but turn 8 any time between now and December 31 2022, say in November, then they compete in the 8 years events, not the 7 years events. All students, regardless of ability will be involved in the set events:

6 – 10 year olds: long jump; 50m or 80m depending on age and flag race.

11 – 12 year olds: long and triple jump; 100m and 200m.

13 – 16 year olds: long and triple jump; 100m; 200m, shot put and discus.

Students may also be involved in team events such as corner spry, tunnel ball and team flag races for our younger students, and passball and leaderball for our older students.

Students need to be in their school uniform, ready to compete with **shorts or a skort**, their **maroon or gold t-shirt** and **school jumper/jacket and track pants** for in between events. **PLEASE MAKE SURE YOUR CHILD HAS THEIR NAME ON THEIR JUMPER, TRACK PANTS AND HAT**. They will need their recess, snack food and a water bottle, no cool drink or sports drinks will be allowed in the bays. Students will be able to join their parents for lunch ☺. The jump and throw schedule has been attached with the Newsletter (and also went home with the excursion paper work) so you know exactly what time they need to be at the oval.

BOOK WEEK ART EXHIBITION

The primary staff have organised a **Book Week Art Exhibition** which is a collaborative art project based around the saying **‘EVERY HEART NEEDS ART’**. This will be commencing at **5pm on Wednesday August 24 2022**. The Art exhibition will be followed by a **Book Week activity in the library**, where parents can take the opportunity to read with, and to, their child/ren. Students can wear their pj's and have a nice warm milo at the end of the evening before heading home.

YEAR 5/6 ASSEMBLY AND YEAR 1 CLASS REPORT

Well done to the Year 5/6 on a well-run assembly and great rendition of ‘The Wonky Donkey’ last Friday. OUR HONOUR CERTIFICATE WINNERS

Aussie of the Month: Levi Fidge

Levi not only excels academically in all learning areas, but is to be commended on the manner in which he has taken on his leadership role as a councillor. He is always helping our younger students and has grown as a role model throughout the year. He also willingly shares his expertise to assist other students in class. Levi is an asset to our school community and deserves recognition as our Aussie of the Month.

SCHOLARSHIP SUCCESS PORTIA AND LEVI FIDGE

Congratulations to **Levi Fidge**, who was successful in being offered both the Building Good Men Scholarship from Christ Church Grammar School and the Brian Clarkson Rural Boarding Scholarship for Hale school. Levi has chosen to attend Hale school in 2023, and he is to be congratulated on his achievement. Portia Fidge, also heads off to Perth College on a General Excellence Scholarship, starting in Year 9 in 2023. Well done to both students.

CAKE STALL FOR YEAR 5/6 CAMP AND YEAR 7 - 10 COUNTRY WEEK PLEASE ENSURE PRODUCE IS SENT TO SCHOOL FOR THIS FUNDRAISER

Next **Thursday September 1 2022**, we will have our final fundraiser for Camp and Year 7 - 10 Country Week. This will be a **CAKE STALL**, to start straight after the Pre-primary assembly at about 10:10am. All parents of Year 5 - 10 students are asked to provide produce to sell at this stall. Bus students can bring the cakes in on the bus and deliver them to the office. Remember this is to keep our costs to a minimum, so please ensure you are doing your bit for your child/ren. Thank you to **Hannah Bald and Holly Cusack** who will be in charge of this on the day.

GOOD LUCK WINTER SPORTS TEAMS: GO THE MAROON AND GOLD 😊

What great seasons our winter sports teams have had! **Our three senior hockey sides (Women's A & B & Mens) won their respective 2nd semi-finals last week and are in the EDHA Grand Final at Bruce Rock this Saturday August 27 2022.** On Saturday, the EDFA and C & DNA had their 2nd semi finals with Narembeen featuring in all games. It was a day of mixed fortunes, with **both the netball sides (A & B) making it through to their grand finals to be played on Saturday September 3 2022** and the two football sides having to go through the hard way, through the **Preliminary Final this weekend**. Well done to our junior hockey players who played their semi-final last Saturday, and after finishing in a draw after time on, the team on top in the ladder got to go through to this weekends grand final. Unfortunatley, that was not Narembeen 😞. **GOOD LUCK TO THE HOCKEY PLAYERS IN THEIR GRAND FINALS AND OUR FOOTBALLERS IN THEIR PRELIMINARY FINALS THIS WEEKEND AND TO OUR NETBALLERS IN THEIR GRAND FINALS NEXT WEEKEND DARE TO DREAM.**

We have many students and staff invovled in these finals so good luck to:

A Grade Hockey: Mel Baldwin & Georgia Miller

B Grade Hockey: Rob Lavis (Coach), Jess Smoker, Jack Wanless, Noah Smoker, Noah Browning & Deakan Miller

Mens Hockey: Rob Lavis & Deakan Miller

A Grade Netball: Chris Arnold (Coach), Ash Hunter, Sapphire Gault, Rebecca Gmeiner & Tenille Cole

B Grade Netball: Chris Arnold (Coach), Blair Fagan, Paige Dunkeld, Hannah Chitty, Lucy Currie, Navaeh Brown, Sari Cusack & Keira Butler

Reserves Football: Craig Gmeiner (Coach), Cameron Hills & Lauchlan Poot

SPORTING SUCCESS: ASSOCIATION FAIREST & BEST WINNERS

Congratulations to our staff member **Mel Baldwin** on winning the EDHA 'A' Grade Women's **Fairest & Best Award** at the presentations on Saturday night. Well done Mel on a fine season. Congratulations also to **Lucy Currie**, who won the C & DNA 'B' Grade **Fairest & Best** at the presentations held after the completion of the semi-finals. Lucy is in Year 9 and playing in the senior competition, one that this year expanded to be comprised of 7 senior sides from different towns. Great stuff Lucy, well deserved!

JUNIOR SPORTING SUCCESS 😊

Well done also to a couple of our midget footballers who play up in the Merredin Midgets competition. They played their Grand Final yesterday and won, with **Spencer Bald** getting the **Player of the Match** award. **Paige Parsons** was equal **Runner-Up Fairest & Best** for the competition. Well done to our up-and-coming Hawks players and fittingly, their photo is in their footy colours (not great footy colours, but footy colours ... 😊 ... having said that, at least Spencer's mob are in the finals!)

MONSTER HAMPER RAFFLE: GET YOUR TICKETS 😊

Many thanks to the parents who have supplied some great articles for this year's hamper. Again, thanks to **Andy and Amy Hardham** from **Narebeen Hardware and Ag Supplies** for donating the wheelbarrow the items are in. It is a terrific prize, with a range of excellent items that I for one would love to have. There is a slow cooker, toy John Deere tractor, Kokedama (plant), wine, hot plate grill, a 302 voucher, candles, soaps, games, towels, and many food items (including choccies!). **GET YOUR TICKETS NOW**, they are selling at IGA SO PLEASE GRAB SOME CASH OUT TO BUY THEM. The raffle will be drawn at the **assembly on Friday September 16 2022**.

CO-OP LUNCHES MONDAYS AND FRIDAYS STARTING NEXT MONDAY AUGUST 29 2022

Many thanks to the **CO-OP** for supporting the school and parents by providing lunch orders for **MONDAYS** and **FRIDAYS** commencing this **MONDAY AUGUST 29 2022**. This will run on the same system orders have always been run, students need to put their order in the lunch order box prior to the start of school on Monday and Friday and the Co-op will deliver them to the school for dispersal. I don't know about yours but my kids loved a lunch order as a treat on a Friday, and who doesn't find themselves a bit short on the odd Monday 😊. Great news for us all! The lunch order form has been attached to this email, you can send this through from home, or the students can fill it in at school. Copies of the order will be in the lunch order box.

NAIDOC WEEK CELEBRATIONS

Many thanks to **Hannah Kerse** who organised the NAIDOC celebrations last week. It was a great cultural day for our students, with the presenters giving outstanding informative sessions. Many thanks to Mr Mick Hayden and his family for sharing with us their knowledge, skills and stories.

POSITIVE REWARDS

Congratulations to the following students who have won 10 points for their FACTION 😊.

HAWK TALK

Craig Gmeiner

An even break....

They say you can't give a sucker an even break. In footy it isn't so much that you're dealing with suckers but that you're dealing with suckers but you're chasing sides in front of you. In footy it's hard to run sides down, hard to come from behind and get them. Unless you're Collingwood but that's another story.

In the Second Semi Final on Saturday the Ressies went down to Kulin trying to force their way into a Grand Final. Their opponents, Nukarni. A side who finished their second straight year undefeated, this time with a percentage of in excess of 400. They have this impressive mix of youth and experience. They are a good side.

The Ressies started well, kicking the first two goals and were in the game. This woke the beast however and the second term saw the boys under the pump against the Demons. They got opened up through the middle and found it hard to put a clamp on the superior foot skills the Nukarni midfield were able to provide. Going in at the long break down by five goals the boys were up against it.

This side hadn't finished second for nothing however and their response was something for which they deserve credit. They won the second half. Tommy Latham covered ground at half forward and took some wonderful contested marks, giving the boys a real avenue into attack. Will Gray and Mike Mortimore did wonderful jobs on the two Nukarni power forwards and the boys were in the game. With Ri Green swung into the midfield the supply started to grow and at one stage in the last quarter the boys got within three goals, the margin sat at 16 points.

In a pulsating last ten minutes the Demons were able to go forward and kick two goals and try as they might the Ressies just couldn't run them down. A final margin of 27 points was testament to an effort from a side that just refused to lie down. They got awfully close to a Grand Final appearance. However in finals, against good sides you just give them a break.

Ressies	8-6	54
Nukarni	11-15	81

Best: Tom Latham, Mike Mortimore, Will Gray, Ri Green, Nikau Brown

Belief.....

The mind is a funny thing in sport. It controls us probably more

than we realise. Often we know what we are capable of but the mind holds us back and it's hard beast to fight. Half the battle of sport is believing in yourself, backing yourself in and showing just what you can do. When you mix this battle with a classy opponent then sport can be tough sometimes.

Down in Kulin on Saturday the Hawks stared down their old foes the Blues in the Second Semi Final. They started badly. Beaten on the spread and finding it hard to work to help each other the boys got opened up for a half. They struggled to get their game going and struggled with the size of their opponents.

The challenge was set and the mood was sombre as the boys had to find a way to regroup and get themselves going in the second half. To their credit they did. The third quarter saw them stand up. They started to win more contested footy and started to move in it quicker through the middle of the ground. Baden Kennedy did a good job on the dangerous Toby Browning while Heath Spinks and Will Shepherd did their best to lead the way through the middle of the ground. Jake Solomon was also good as he moved between full forward and on the ball.

Such was their control of the third quarter the Hawks hadn't hit the scoreboard. They had dominated play but hadn't been able to reel the Blues in where it mattered most. They had their work cut out.

The final quarter saw them again hit the scoreboard. They kicked five goals to one in what was an encouraging display. They moved the ball fast and their forwards were able to find space. They showed what the whole crowd, and one suspects they knew as well, their best footy is pretty good.

The Hawks were beaten by a very good side on Saturday. The Blues remain a powerful unit and one to be admired. They will be hard to beat in two weeks up at the Cross. However what the second half showed is something that the Hawks should really cling on to. They should believe they are good enough, they should grab that belief and stay calm when the pressure comes, they should just persevere. For when they do these things they can go with anyone.

Hawks	7-10	52
Kulin/Kondinin	12-8	80

Best: Baden Kennedy, Will Shepherd, Heath Spinks, Jake Solomon, Kyle Della

Narembeen Golf

Ominous weather! Deluge! 100+ mls in 14 days of which 50 fell the previous night. A women's fixture obviously!

The course was wet, wet, wet and thankfully was closed for the Women's Championship Finals. They played the following day with perfect sunshine, though the ball didn't travel far once it hit the deck! Luckily the course was mowed and greens swept so it came up beautifully. The battle was immense in A Grade as 2 up was the only margin for 30 holes. Noela was up but Carol never gave in and the pressure mounted and finally a crack and Carol swooped in to win on the 35th hole being 2+ with 1 to go. Carol won her first championship 33 years ago at the tender age of 36 and again in 2007. Noela was having her first chance but it certainly won't be the last. The following gallery enjoyed watching the battle and congratulations to both women on a great game.

The B Grade was also tremendous with Maree Sprigg (in her first year!) playing Darien Pascoe- both experiencing match play finals for the first time. Maree won the contest but both were winners for their golf. Maree CAN hit a ball and practises at home with some family coaches so look out you A graders!

Last Sunday the men played their qualifying rounds and will play their finals next Sunday. In A grade Mike Currie (the reigning champion) will compete against his Uncle Rob Miolini! It will be a wonderful match by two very talented golfers. Danny Gray and Adam Miolini play off in the B Grade. Good luck to you all and as it is a men's fixture the weather will of course be magnificent!

For the women on Sunday it was a matter of who finished and again Carol prevailed over Chris Padfield. No further comments will be issued!

Men-Don't forget the Planform Super Scroungers Sat 10th Sept - please try to get a non-Narembeen player for the day.
