Over the Fence....

The FencePost Donates over \$14 000

The FencePost had its AGM last week. As we have in the past few years, it was voted to once again support our community by keeping the cost of one FencePost to \$1.50 . This year it costs us about \$4.40 to publish each edition!

By agreeing to subsidise the cost of a FencePost we effectively have donated over \$14 000 to our community. We are in a position where this is possible, which is wonderful.

We are a very small band of volunteers and with the help of the fantastic CRC we publish The Fencepost for 45 weeks of the year.

THANK YOU

Last Thursday Narembeen Autumn Club celebrated another successful “OPEN DAY”

A fully stocked cake and produce stall was well patronised and some early Christmas shopping was done as there were many handmade articles for sale.

The hall was full and judging from the chatter over Devonshire tea, all enjoyed the camaraderie.

Thank you to the Autumn Club Members and supporters for preparing the hall, providing the cakes and preserves for the cake stall. And to everyone who enjoyed a Devonshire Tea.

Robyn Henderer, Joy Antonovich and Diane Miolini ready for the day!

Displayed were blankets, teddies, dolls, beanies and other items admired that will be sent off to several of our beneficiaries.

In the weeks leading up to the event our members worked tirelessly to ensure the success of the day and sincere thanks to everyone. We also acknowledge the contribution of community members outside the club who baked cakes and donated produce to help us.

Two raffles drawn on the day, beautifully knitted blankets and coat hangers, made by G. Bow, K. Fricker and D. Miolini. Congratulations to the winners J. Hayter and D. Miolini.

Thank you to everyone who bought tickets and supported the Autumn Club.

WEEK 10 QUOTE

...finish every day and be done with it. For manners, and for wise living, it is a vice to remember. You have done what you could – some blunders and absurdities no doubt crept in. Forget them as soon as you can –tomorrow is a new day. You shall begin it well and serenely, and with too high a spirit to be cumbered with your old nonsense. This day for all that is good and fair. It is too dear, with its hopes and invitations, to waste a moment on the rotten yesterdays.

WHAT'S INSIDE

- From the Principal
- Community News

Preparing Students for a Changing World

THE PASSING OF HER MAJESTY QUEEN ELIZABETH II

It would be remiss of us, as a school community, regardless of whether those within it are monarchists or republicans, to not honour the passing of the only sovereign most of us have ever known. We as a country, mourn the passing of an exceptional woman, whose service to the public is unparalleled. She was Britain's longest serving monarch and we thank her for her service.

WEEK 9 AND WEEK 10

Well heading into Week 9, I was feeling all smug because I had everything done, paperwork out for Camp and Country Week, athletics done and teaching prepped. I was looking forward to a stress free week..... I should have known better!! Last week may not have been an 'annus horribilis', as our late Queen stated about her year in 1992, but it certainly was a septimana horribilis! As you all know, there is a public holiday for a 'Day of Mourning' in honour of the Queen, this **Thursday September 22 2022**, one that threw a few spanners in to our week!! Therefore, Country Week has been condensed, finishing on Wednesday afternoon, with us travelling back on Thursday morning and Camp has been postponed 😞. **The Year 5/6 Camp has been moved to Week 2 of Term 4, Monday October 17 2022 through to Friday October 21 2022.** These changes caused a bit of stress and some quick thinking to changes to leave times, activities, fixtures and of course the loss of money due to the lack of reimbursement for the cancellation of one-nights accommodation at Broadwater 😞. Many thanks to **Joey Slade** for her assistance over Monday to Wednesday of last week, cancelling buses, booking buses, proofing new letters, sending said letters, offering me gin (that's a joke, she did offer but I said no 😊) and keeping me sane. Also, thanks to **Amanda**, who was sick, but assisted finishing the changes to the Country Week activities and meals, helped with the shopping and finally to **Ash** for changing the itinerary when we finally got the new fixtures, on the Thursday before we headed off!! Cheers to **Hannah Chitty**, who was straight off a plane from London back into the fray, teaching while on the phone to camp schools, trying to book the new week away! Hey, she had had a big holiday, so we didn't care 😊. At least we can say our jobs are never boring and **our kids are worth it**, if you watched them as a school last Friday, I know you would agree 😊.

SCDHSSA INTERSCHOOL ATHLETICS CARNIVAL

Watching our team of terrific young athletes interact, compete, and support each other on these days never ceases to amaze me. If you were there last Friday, I hope you were proud of the effort they put in to support each other in every event, support their opponents who may have been struggling and stay focussed on what they were there for, as I was. I look at them, our older students leading the cheers, our younger getting involved and learning from their peers and I always feel great pride, not in their achievements on the day, which were great, but in the wonderful culture that we have built together at the school. They displayed great sportsmanship and exemplary behaviour all day, they did you all proud and to top it off, they won the **OUTRIGHT SHIELD** by 96 points. Really, with 6 premierships from our winter sports teams in the two weeks before hand, we were keen not to let the community down. **Narembeen DHS athletics team of 2022**, thank you for your efforts, your wonderful sportsmanship, behaviour and support of each other. We hope you are proud of being a member of the winning side, but more importantly, a team that worked as one to ensure all athletes were supported.

YEAR 2 ASSEMBLY AND YEAR 3 CLASS REPORT

Well done to our Year 2 students who did a great job of their item. Good work by Emily, with assistance from Paige, to ensure they were ready to present their take on the Gruffalo. Very creative song by Mr P and well presented by the Year 3's, to give us an insight into all of the work that they have been doing this year.

That was the last assembly for the year, and we will see our primary students strut their stuff one more time this year, at the Concert in Week 10 of Term 4.

OUR HONOUR CERTIFICATE WINNERS

AUSSIE'S OF THE MONTH

CAMERON HILLS

Cameron has developed so much as a leader in our school over the past two years, and particularly this year as our School Captain. He has shown great empathy towards all members of the school community through the year. He is inclusive in both the classroom and playground, going to lengths to ensure the involvement of others within a task or game. As a member of the leadership group, he has grown into a calm and considered leader, who not only shows others how to do things but helps them overcome problems along the way. Cameron is a motivated and diligent learner, always achieving at his best, and a talented sportsman who shows exemplary sportsmanship at all times. He leads by example, represents his school with pride and we are very pleased with all that he has achieved over many years.

GEMMA FEDERICI

Gemma always makes her peers feel welcome and valued in our classroom. She is an honest and trustworthy person who always displays beautiful manners. She is often seen going out of her way to include everyone and always offers words of encouragement. Gemma sets an example of excellence in behaviours and cooperation to her peers. Keep being the kind and thoughtful person that you are because you have a positive impact on those around you.

HAVE A GREAT BREAK 😊

The staff and students of Narembeen DHS wish you all a great holiday. Have a break with your children, feel free to ignore us by all means, but try to keep the screen time to a minimum and get them out doing some great activities in the sun, after all, spring is here! There is so much that can be done that does not involve a screen, and it so much better for **ALL OF US** 😊

September Historical Highlights

A good attendance at the meeting on Monday 19th September ensured a lively discussion. Following observance of a minute’s silence as a mark of respect for the late Queen Elizabeth II, points from the meeting were:

The Jubilee Book is going well with members having made their contributions over the past couple of years in readiness for the Centenary of Local Government in 2024. The book follows on after the Golden Jubilee Book (1974) compiled by Iris Bristow and covers progress throughout the Shire in the form of landmarks for the district e.g. facilities such as the swimming pool, new Police Station etc. If any community members would like to add to the booklet with contributions they wish to be included, in case we may have missed something, please be in touch with our secretary Kellie Mortimore or other members of the Society.

Progress on the Old Church is going well. The roof is soon to be replaced and weather permitting this will commence at the end of September. When the renovations are complete the church will be on view for the public, we hope with an official re-opening. After the work is done on the church it will be quite a task for members to reinstate the artefacts.

The Charge Table from the Police Station will be moved to the History centre this week.

Margaret Butler expressed her thanks through the meeting to Chris Padfield who at an opportune moment called at the History Centre when Margaret was showing members of the Smith Family through. As it happens Chris is a relative and was well qualified to assist in supplying information. The Smith Family owned a farm at South Kumminin (Spike Hill) which now forms part of the Lynch property. Another visitor, Valerie Schwartz was also

very helpful with assisting to sort out the IT equipment. So, we have been very interactive lately.

October 10th is the date we plan to visit some of the JS Roe campsites and perhaps some of the school sites in the district.

At the conclusion of the meeting President Lorraine Lethlean showed members of the Ketteringham and Candy Families through the Centre. Both these families owned farms in the Mt Walker district. The Ketteringhams farm is now owned by the DeLuis’s. The Candys lived at the former McCombe farm now owned by Bert Garbin. With the information gained a visit was planned for the following day.

With only two meeting left for this year please consider joining us for the next one on October 17th at the History centre at 2pm.
