# Over the Fence....

How disappointing it is not to have another wedding picture on our front page. I was hoping that our CRC Manager, Vanessa Wittstock would oblige with a photo and a write up but she and James must be enjoying their honeymoon too much. Maybe next week!

Two weeks in a row I have managed to find something to fill in the Fencepost with. It is very difficult while the school is on holidays. It is lovely to hear their chatter and laughter echo across the town again. You don't realise how quiet it is when they are on holiday.

We have a new volunteer at the Fencepost this week, Julie Miller has offered her time as a typist. It is good to have some new input into the design and content. - just look at our weather report this week.

The Historical Society have been busy this week too. John and Jean Savage have been researching their family history. The Luck family had a farm out "near Babakin or South Kumminin" in the early 20's. We were able to locate where the farm was and Sylvia Yandle gave a guided tour of the location.—Thanks to Sylvia, Alan and Stuart for allowing them into their property.

Also visiting was Ross and Lynise O'Dowd. Lynise was formerly a Jackson. They were impressed with what the History Centre had in the Jackson file and enjoyed viewing the collection in both the RSL museum and the History centre. A visit to the farm that Lynise grew up on was paid as well. Thanks to the Thorn family for allowing them to visit the property.

Today the Marshall family from Pingelly were delighted that they could locate the area where their war service farm was settled soon after the first world war, on Soldiers Road of course, just past the Ski lake.

Several families come looking for information on their ancestors and the Narembreen Historical Society have quite a bit. Some people are a little disappointed but the Society can only put in the files what we are given. ANY LITTLE SNIPPET OF INFORMATION IS FILED AWAY.

Mia Davies paid a visit to Narembreen on 11th October to meet with the Shire Councilors and staff. A good discussion was had by all at the Shire Council Chambers so we hope to have a complete report next week.

It is great to see the Gym equipment being put in around the Walker Lake area. Also it will not be too long before the drink station will be completed. Just in time for the Stronger Communities Fitness Program to commence.

We continue with the story by Hazel Toovey of her school days. This is a very interesting story.

### SCHOOL DAYS

### continued

*How many pupils were in your class?*

20—30 sometimes.

*What were the main reasons for pupils missing school?*

Mainly sickness or the buses couldn't get through on some roads in the winter.

*What memories do you have of wagging school?*

I didn't ever want to wag school.

*What sports equipment did you have?*

Tennis racquet, Basketballs, cricket gear, footballs.

The school on the right came from Emu Hill in 1939.

*Did the teachers ever use sports equipment dangerously on a student?*

No

*What sports did you play at school?*

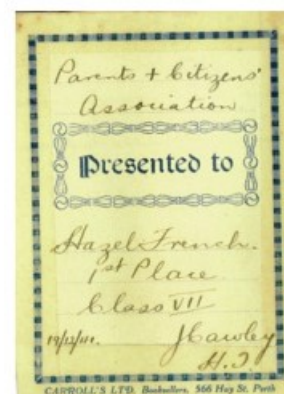

Tennis, basketball, hopscotch, skipping.

*Did you ever play any instruments? If yes, did you have lessons with a teacher or did a family member teach you?*

I learnt to play piano from Mrs Hardingham the music teacher.

First place—Girls Under 13 Open—75 yards

These book awards were given out at the end of year concert.

### NAREMBEEN HISTORICAL SOCIETY (INC)

Back in 2010 the Narembeen District High School students met with some senior community members and recorded their memories. The books were shown at the Centenary Celebrations.

Over the next few weeks we will publish the memories of Mrs Hazel TOOVEY (nee French).

### Part 3

### SCHOOL DAYS continued

*What was the physical appearance of your school and in your opinion did you like it?*

Our school was a very small wooden building, but we had no other schools to compare it with so we were quite happy to be there. For me it was a happy time in my life and the friends I made then were friends for life.

*At school we celebrate red nose day, ANZAC day and many more. What did your school celebrate?*

ANZAC Day, Easter, Arbour Day, Bruce Rock Show Day (our nearest show).

*We show our parents our progress in school with reports at the end of the term. How did your parents find out your progress and how often?*

We had a school report at the end of each term. We had four terms each year. Our parents could speak to teachers about our progress if they wanted to.

*How long did your school day go for and how many days a week?*

Our school days were the same amount of time as now—5 days a week.

Sir James and Lady Mitchell visited Narembeen School in 1937. This was my first classroom.

## Narembeen CRC Update

Hello!

Hope everyone had another great week.

It has been a bit quieter last week with school holidays and Ness being away. She is back at work mid next week, Yay!

Last Thursday the Narembeen CRC hosted a craft morning for our school holiday activities. Eight children aged Kindy and up turned the meeting room into an art studio and created some beautiful canvas art! The kids were very concentrated and produced some beautiful paintings. We had some gorgeous colorful flowers, rainbows, ice creams and a car!

The kids then got to do some picture tracing and coloring while enjoying some yummy food! We hope the kids enjoyed this school holiday activities, thank you to all the parents that brought their children in. We enjoyed seeing every one of them!

This Friday we will celebrate Mental Health Week with a walk and talk around the lake, followed by a breakfast at the Narembeen school. We hope to see many of you there. We will meet at 7:50am at the CRC and walk together from there.

We have Kings Park Fashion in the Pop Up shop this Friday and Denise from Feet With Flair on the 17th & 18th of October so come down and stock up your summer wardrobe!

We also have the 2022 Children's Week event coming up - keep an eye out for more info!

Our New 2022-24 Community Directories are here - thank you to everyone for being so patient while we got these together. Come in and buy one today!

We hope you all have a fantastic rest of your week!

Whilst most clubs in the EDTA played their first round of pennants on the first weekend of October, Mt Walker had some more time to hone their skills on and off court. We took on Narembeen 2 on Saturday, conditions were good though oxygen on court was low, the team taking a bit to warm up and shake off the rustiness that comes from a few months off court. Well done to a new member to our club, Indi, who earned the 'Queen of Mt Walker' title with an impressive 6 sets to her name!

**Mt Walker 19/150 def Narembeen 2 13/139**

Team: Pete Cowan, Indi Miolini, Guy Bormolini, Kara Morrone, Michael Morrone, Shohan Hickey, Angus Latham, Felicity Cowan

The pennants team showed that they were more capable on the courts than in the clubrooms (particularly the ladies) with a few sore heads from the celebrations the next morning/day/evening. Thanks to the responsible 'Uber driver' who got everyone home safely.

Social tennis on Sunday saw 3 courts on for the whole afternoon followed by a few hotly contested singles matches and opportunity for the kids to have a hit. It was great to see so many people back at the club for tennis this season and making the most of getting out on court for a decent hit.

Thanks to all who helped out at the busy bee last Thursday, with special efforts to prepare the club for the EDTA Junior Tennis Camp being held there this weekend. A huge thanks to Courtney for all her efforts towards this camp which is sure to be a good one and very beneficial for our local kids and their tennis development.

We are very close to completion of our kitchen renovation, it looks great and we've discovered a lot more space for putting everything away tidily. Once it has been properly completed we will officially thank all involved and display a few photos. Thank you though to Trent Davis who completed all the plumbing for the kitchen and is this week installing new hot water systems in time for the junior camp – your time and expertise is greatly appreciated.

We have been fortunate to again secure SunSmart funding to run junior tennis coaching for local children on Wednesdays for Week 1, 2 & 3 of the school term. It'll be great to see our kids continue to develop their tennis skills and engage in healthy, active afternoons at Mt Walker. Thank you to the Narembeen Junior Basketball Comp for scheduling matches so kids can play both tennis and basketball on Wednesday.

# Fire Danger Ratings and Bushfire Warnings

- **Fire Danger Ratings describe the potential level of danger should a bushfire start.** They provide important information so you can take action to protect yourself and others from the potentially dangerous impacts of a bushfire. You need to understand the Fire Danger Rating to assess your level of bushfire risk and decide what actions to take.

## The new Australian Fire Danger Rating System (AFDRS) levels are:

### **Moderate: Plan and prepare.**

Most fires can be controlled. Stay up to date and be alert for fires in your area.

### **High: Be ready to act.**

Fires can be dangerous. Decide what you will do if a fire starts.  
Leave bushfire risk areas if necessary.

### **Extreme: Take action now to protect your life and property.**

Fires will spread quickly and be extremely dangerous. Put your bushfire plan into action.  
If you and your property are not prepared to the highest level, plan to leave early.

### **Catastrophic: For your survival, leave bushfire risk areas.**

These are the most dangerous conditions for a fire. Homes cannot withstand fires in these conditions and if a fire starts and takes hold, lives are likely to be lost. Stay safe by going to a safer location early in the morning or the night before.

- When there is minimal risk, Fire Danger Ratings will be set to '**No Rating**'. On these days you still need to remain alert and abide by local seasonal laws and regulations.

**HOW FIREPROOF  
IS YOUR PLAN?**

## Fire Danger Ratings and Bushfire Warnings

- **When a bushfire starts, things can change in a matter of minutes so it's important to stay up to date through official information sources.**

During a bushfire, emergency services will provide you with as much information as possible, but no system is foolproof. If you believe you are in danger, act immediately to stay safe and do not wait for a warning.

**If you see smoke or flames call Triple Zero (000) and put your bushfire plan into action immediately.**

Bushfire warning levels change to reflect the increasing risk to your life or property, and the decreasing amount of time you have until the fire arrives.

### The warning levels for bushfires are:

Ms Davies said that in her role as the local State Member she was pleased to support groups with the program offering small but meaningful grants to the community.

"My latest *Mia's Local Hero Grants* program will provide amounts of up to \$200 for local groups who support and enrich our communities."

## BOWLS NEWS

Bowls on Sunday saw a good crowd even with a few away nursing sore heads and others getting away before the busy time sets in.

30 men took to the green for some pennant practice. It was good to see Sticks McGill back in town and having a roll with the boys along with some of our new bowlers.

13 women had a roll with 3 bowls each this means three chances to get near that little ball down the other end. Winners for the day were Narelle Vaughan, Maxine Miolini and Helen Copeman.

A few of the girls had a go at Skippering which was interesting especially for one team who's skipper was often pre-occupied with whatever else was going on rather than the bowls on her rink.

Thanks to Al Yandle for once again giving up his time for some coaching on Friday afternoon. It was very appreciated by all those that managed to attend either of the days.

A team travelled to Kulin for their 2 day event on Monday and Tuesday, the weather may have been a bit fresh again this year. Hopefully they bring home a prize.

There are quite a few Open Days on the noticeboard inside the Club. If you are interested write your name on the flyer and the captains will submit a team if we have numbers.

Ladies Pennants starts Wednesday with the team travelling to Corrigin to play Corrigin Blue.
