COVID –19 vaccination clinic will be in the Pop–up Shop 19 Churchill St Narembeen on **Tuesday 25th October** 12.00-5.00pm.

Baz and Noela Cole enjoyed a house full on the weekend with John & Peg Currie visiting along with daughter Brit, John, baby Trigg and Great Uncle Sav. A lovely family time with Mac, Kell, Lennie and lots of ‘drop ins’. Great to see the family together!

The wedding season continues ...This week featuring Mr & Mrs James King (aka James & Ness)... see front page and pages 4+5. Still another 2 weddings to feature in coming weeks. We at the Fencepost love weddings and baby news ...joyous occasions to write about.

Rhonda Cole is home from her travels to Norfolk Island and the long way home through Brisbane, Sydney, Batemans Bay and Floriade in Canberra. Norfolk Island is an Australian Overseas Territory with a very interesting history.

Congratulations to Ethan Stirrat who on the weekend competed in the Perth Trail Series at Pemberton – the Double Black Course Ultra Marathon – running 50kms cross country! A 50km trail run through beautiful Karrie forests. Out of a field of 27 competitors, Ethan came first with a time of 4:14:10.5. Who can actually run for this amount of time or distance? We think you’re crazy Ethan, but what an amazing effort – well done! All that Cross Country experience at school in Narembeen paid off!

Congratulations to Vanessa and James

Vanessa & James got married on Friday, 30 September 2022 at Sandalford Wines in the Swan Valley.

They celebrated their special day with over 130 friends and family from Naremben, Perth as well as visitors from Queensland and as far as Germany, Norway and America.

It was a beautiful sunny day and nearly everything went as planned.

Congratulations to Mr & Mrs King

BOWLS NEWS

With the weather conditions not prevalent to good bowls 12 ladies played in the Drawn Pairs and proved it can be done. Lots of good bowls on the day with a more than 1 team finishing on 2 wins. Captain Julie Hayter and Julie Miller took the winnings on a countback and another countback from Carol Currie and Maxine Miolini. As the Captain said it pays to be in the Captains box on days like this. Thank you to Eilish Bailey and Di Miolini for once again sponsoring this event as well as bringing along the nibbles for after the game. We are all very appreciative of your support to the Club.

A small team of Men played social bowls whilst 2 teams went to Civic for their event. Eric Tenardi, Arthur Cousins, Trevor Cole and Neil Rogerson were the AM winners.

On Saturday the Men played their first pennant round with a Derby at home. Gold took the win 6/2 over Maroon.

The Ladies Pennants didn't come away with the win last week with 1 rink only going down by 1 and the other a bit more than that..... Hopefully this week at home we can begin our winning streak.

Joint King & Queen of Mt Walker with 5 sets – Guy Bormolini & Shohan Hickey

Mt Walker has this year taken on the EDTA books for the first time in a very long time. With the books comes the Juniors' Tennis Camp. Thanks to Trent for being quite the handy man, Jessie you're a very lucky lady. Court, it's a big effort and a great job done coordinating and not to mention being there for both days of the camp. Sho, everyone ate like kings and queens and good to see that the kids would listen to someone. Fliss, Nora, Mike, Liam and to all those who attended busy bees or provided catering - thanks.

With such a big few days of tennis it was a little slow at social but great to see a few new members, hoping to get back on track next week. See you all there

The Mt Walker Sports Club fundraising committee is seeking paddocks for skeleweed searching again this year. If you have any available please contact Michael Morrone 0428 346 679.

EDTA Camp Report 2022

The weekend of the 15-16th October 2022, was the Eastern Districts Tennis Association Junior Zone Camp, hosted by the Mt Walker Tennis Club. Our first camp in an extremely long time! We had children register from Corrigin, Kondinin, Hyden, Narembeen and Mt Walker, with 34 in total.

It was a warm weekend, a little bit of a shock to the system coming out of the cooler days we have all had but perfect tennis weather in hindsight. Brad Basset and Keith O'Brian attended the camp as our Tennis West affiliated coaches, known to some of the kids from previous camps or coaching. They did an outstanding job and offered the kids a great variety of skill practice, technique exposure and plenty of laughs. The kids seemed to thoroughly enjoy their time with both coaches across the two days. Big thanks to Brad and Keith for coming out to Mt Walker – you are welcome back anytime.

With 34 kids attending the camp I had a great group of Mt Walker parent and club helpers who assisted in the weekend running smoothly. A big thankyou to Pete Cowan and Michael Morrone who helped me over the weekend with the coaches – I think they also picked up some new skills for pennants, and to Pete and Shohan Hickey for doing the hard yards of sleeping over and managing the kids in the clubhouse overnight. Rumours are that PC was the first asleep during the movie -sitting upright, and Shohan only had to get her Mum voice out once or twice in the night! The kids were well behaved and a pleasure to look after over the weekend.

Also big thanks to all our Mt Walker Tennis Club catering superstars who assisted with either dropping off food and preparation of fresh meals for lunches and dinner. A big thankyou for giving up your time to help out Flick, Liam, Nora and big mention to Shohan especially. It was a great way to test out our new kitchen. Trent Davis also upgraded our clubs hot water system in the nick of time so we didn't have to draw straws over who got the cold showers, the boys or the girls.

A particularly big shout out has to also be mentioned to the lovely Rosemary Smoker at Dorca's in Narembeen who kindly donated \$2,000 towards the running of the camp and allowed us to keep the costs down for our kids to attend. She did not hesitate when I approached her and it has made a huge difference to our overall budgeting of the camp. Thankyou Rosemary! We were also successful in obtaining the \$1,000 SunSmart Club Grant Funding Program again, which also greatly assisted in the running of the camp.

Being able to participate in hosting this camp and providing a safe, fun and active weekend for our wheatbelt kids was fantastic to be apart of. I hope the kids all slept well Sunday night for their parents (I know I did!) and we look forward to hosting the camp again at Mt Walker Tennis Club in 2023.

Thankyou

Courtney Bormolini

Preparing Students for a Changing World

It is terrific that our Year 5/6 Camp got underway this morning, after the goal posts were moved on them a few days prior to them heading off when they were supposed to, in Week 10 of Term 3. I would also like to acknowledge and thank **Luke Smoker** for giving up his valuable time, especially since harvest is fast approaching. Thanks also to **Hannah Chitty** for her organisation, assisted by **Amanda and Jo** in the office, and to **Justine Harding**, Han's Mum and a teacher, who will be on the bus providing duty of care both to and from the camp. Again, we should always remember that camps, excursions, and the like are not mandated, I cannot 'make' a teacher go on camp, they must be willing to give up their time to do it. With that in mind, huge thanks to both **Hannah and Mel** for being available to take our Year 5/6 students away 😊. We hope they have fun!

WESTERN AUSTRALIAN EDUCATION AWARDS 2022 FINALIST: EXCELLENCE IN TEACHING AND LEARNING PRIMARY

Narembeen DHS has been selected as a finalist in the WAEA 2022 in the category of Excellence in Teaching and Learning (Primary). This year there are only three categories, ours, the same but for high schools and a third for excellence in leadership. We have been here before; this is the third time we have been a finalist and we are very excited that we are once again in the mix. However, we are going to enjoy the thrill of being a finalist, as we are up against Bunbury Primary School, and they won Australian School of the Year!! We are always winning as far as I am concerned. I thoroughly believe that you would be hard pressed to find a better culture in any school in the state that has students ranging from K - 10. The relationships we have between our students across all year levels, students, staff, the school community and the wider community are what sets us apart. Yes, we go about our core business of teaching and learning, always looking for ways to improve, but **if we didn't have a culture of high standards and excellence, fully supported by our parents and community, we would not be in the lofty position we are now. THANK YOU ALL FOR YOUR BELIEF IN OUR EFFORTS AND SUPPORT ALONG THIS JOURNEY WE HAVE HAD 😊**. This year there will be no visit to the schools, which is a disadvantage to us as our culture is obvious the minute you walk in the door. Instead, two of us have to give a 15 minute presentation to the judging panel via WebEx, and then answer questions for 15 minutes. It is what it is, but what on earth do we put in a 15-minute presentation!! I'm still working on it! It is on **Wednesday October 19 2022!!** Anyway, we will do our best to talk the talk and until the presentation lunch on **Friday November 18 2022**, and in the meantime, **let's just bask in the glory of being a finalist 😊**.

PAST STUDENTS SHINE IN LEADERSHIP STAKES

Congratulations to **Nash Cheetham** and **Sari Wilson** who have both been named **YEAR 12 PREFECTS** for 2023 at Guildford Grammar School and to **Cobie Stirrat** who has been named **YEAR 12 BOARDING PREFECT** at MLC for 2023. All these students were at Narembeen DHS until the end of Year 9, before heading off to complete their senior schooling and all developed leadership skills through spending some years on our Student Council leadership group. Well done to you all, I know that you will continue to lead by example.

COUNTRY WEEK 2022

2022 will be remembered for the changes that occurred leading up to the week, but it went off well. Our students, as always, were generally excellent in their behaviour, although we did have a couple who seemed to have trouble putting their phone away and lost the privilege! At the venues we attended, our students represented their school with pride, played hard, showed great sportsmanship, behaviour and manners. It is a tough week for a teacher, minimal down time and being responsible for students 24/7, but our students make it easy 😊. **Many thanks to Russ, G, Rob, Bianca and Amanda for their efforts from Sunday morning through to Thursday**, we could not go on these events without staff willing to give up their time to be involved.

NETBALL

Our netball girls were in the A/B grading for the first one and a half days and were never going to be in anything but A grade after convincing wins in their grading games. Tuesday afternoon saw them start their full games in A grade and what a display of netball they put on for the next two and a half days. They played great team netball, with great skill and listened to everything their coach and off sider (Mudge) told them. I will admit that I was pleasantly surprised at the high level they put out on the court and congratulate them all on a week of excellent netball. Defence of Sari and Navaeh was outstanding, Lucy and Angela combined brilliantly in the goal circle, and our centre court of Keira, Mia, Wren and Qei-Marha-Lei gelled well. Congratulation's girls, winning the shield in A grade at Country Week is no mean feat and you thoroughly deserved it. Thank you for making my job easy and winning that one particular game for me (they know!).

Results: Narembeen (28) defeated Geraldton Grammar No 1 (10)
Narembeen (37) defeated Jurien Bay (13)
Narembeen (44) defeated Geraldton Grammar No 2 (7)
Narembeen (31) defeated Morawa (18)
Narembeen (33) defeated Bridgetown (16)

MVP: Tie - Lucy Currie & Navaeh Brown

Coaches Award: Angela Andrews

BOYS BASKETBALL

2022 saw Narembeen District High School continue to grow what is becoming a strong tradition in boys' basketball at Country Week. Led by Cameron Hills the boys were in the C grade for grading but were elevated up to B grade after dominating their grading games. The group set a high standard for inclusive, team-based basketball early in the week. Such an approach paid great dividends on and off the court.

The week in B grade presented the challenge of classy and sizeable opponents. The boys would go on to have 3 wins and 2 losses in B grade. A highlight of the week was their come from behind win against a strong Bridgetown side, which would secure third spot in the grade for them.

The whole group is to be commended on their commitment to team rather than individual. They all worked hard to not only represent their school with class but to ensure they involved all players on the court by putting faith in them to have a go and play their role. As a result of this approach just about all players scored and those that didn't certainly had plenty of opportunity to do so. This group was a pleasure to coach and should be proud of their efforts.

Most Valuable Player: Albert Eades

Coaches Award: Cameron Hills

Craig Gmeiner (Coach)

MIXED BASKETBALL

The team had a very busy country week playing 10 games over the 3 days. While the team had limited success on the field, they continually improved and built their skills up during all the games. They never stopped trying, a highlight was their last game, where they managed to score 10 points straight and fought right to the end of the game.

As always, our students displayed great sportsmanship throughout the competition, the attitude they had was a credit to them and the school.

MVP: Cheyenne Cummins, for always working hard.

Coaches Award: Tahlia Ashmore, for always being willing to step up to any challenge.

Rob Lavis (Coach)

NAREMBEEN DISTRICT HIGH SCHOOL TREASURE BOOK BOXES

We are so excited that we can introduce these curated collections of children's literature to the classrooms from Pre-primary to Year 6. The boxes of "must reads" include a range of classics, plus some less well known authors, and books from a variety of cultural backgrounds. The list of books was chosen by a children's literature specialist. These boxes are true treasure chests that will expose our students to some wonderful texts.

These book collections were purchased using money from the 2022 E-Rotary Swim for Reading. I would like to acknowledge the support that we receive from this important partnership.

SCIENCE ROOM UPGRADE - THANK YOU GO NAREMBEEN

A big thank you to Go Narembeen who have pledged a \$4000 contribution towards fitting a new refrigerated air conditioner to the Science room when it undergoes an upgrade during the upcoming school holidays. Go Narembeen have already been very generous in helping us replace the old evaporative air conditioners and gas heaters in many of our classrooms and it is great that they have come to our aid once again. Thank you!

Narembreen CRC Update

Hello everyone! I am officially back!!

I spent the last month with some very special family and friends who visited us from Germany, Norway and America.

I also got married to my Jimmy at a very beautiful ceremony with over 130 of our favourite family and friends at the vineyards of Sandalford Wines in the Swan Valley. It was an absolutely amazing day and we couldn't have asked for better weather.

My parents visited Narembreen for a week after the wedding before Jimmy and I flew over to Fiji for 9 days for our honeymoon. We had a fantastic time, relaxing, exploring the islands and reminiscing on the past month.

What an amazing time we have had with so many amazing people around us who love us so much—how very lucky we are!

Thank you to everyone for the many beautiful messages we have received. I promise we will share some photos soon, in fact I think the editor of this week's FENCEPOST edition has asked for some so you might even see some in this edition.

But now back to reality!

Great job to my staff Annette, Nora and Kirstie who manned the office without me for the past 4.5 weeks. They did a great job!

Thank you to everyone who attended the Mental Health Week event last Friday, which was funded by the Western Australian Association for Mental Health, in order to raise awareness about the importance of mental health and wellbeing. Attendees went for a communal walk around Walker Lake followed by breakfast at the School.

The Stronger Community program has started, the timetable of this program is enclosed. If you would like to attend these sessions, you are more than welcome. They are free to all women aged 18 and above. A private Facebook group with more information has been created so please ask to be added or search for 'Stronger Community Program Narembreen' on Facebook and ask myself to be added to the group. We hope to see you there.

The Children's Week Event is scheduled for Wednesday, 26 October. We are still finalising details so please save the date and watch this space!

Story Time is also back at the end of this month after a month off. We are looking forward to seeing the little ones back at the library!

For now, I hope you all have a great week!

COMMUNITY

continued

What types of services were provided in Narembeen and if so, who managed them?

Travel by train to Merredin to meet Kalgoorlie Express to Perth. Two banks, milk delivered daily. Saddlery, our own electricity (power house). Two garages, Bootmaker, Men’s hairdresser and barber, also Billiard Saloon (males only), Hospital and Chemist, Hotel, Tea Rooms. Pastry Shop. Local people owned most businesses. School and school buses (1939), Blacksmiths and Horse shoeing, Timber yard. Post Office, Police Station, Stock Agents.

What memories do you have of local community events and social activities and what was your favourite social activity?

Community events were Fancy Dress Balls each year. We all enjoyed this and all had to dance. There was always a community Christmas Tree, everyone received a present. At New Year a Sports and Horseracing Day at the old sports ground. The Brass Band played in the street a lot of Sunday mornings. Old Time Dances, Picture shows, picnics. My favourite was the Fancy Dress Ball.

What products were unavailable from the local shop in your days? E.g. milk, sugar and bread.

In my childhood there were more shops in Narembeen than now. We had our own Bakery, Butchers, Food store, Pastry shop, Vegetable shop. Milk was always delivered from the dairy. Two Grocery shops. Ice-cream and cool drinks were sold from the Vegetable shop so food was not a problem but, no luxury foods like today. When war came some foods were rationed, as were clothes.

Compare the prices of products when you were a child to today? E.g. Tea, coffee and lollies.

Very hard to compare because wages were so low. Food also was low priced compared to todays prices. Money value—Pounds, Schillings and Pence.

Bread—3 pennies per loaf, Tea ½lb—2 shillings , Ice-cream—1 penny for a cone, Lollies—mixed small bag 1 penny, Milk (delivered) - I think 5 pennies per pint. (one pound was equal to 20 shillings, one shilling was equal to 12 pence) We kept our own chooks for eating and eggs and grew vegetables.

NAREMBEEN HISTORICAL SOCIETY (INC)

Back in 2010 the Narembeen District High School students met with some senior community members and recorded their memories. The books were shown at the Centenary Celebrations.

Over the next few weeks we will publish the memories of Mrs Hazel TOOVEY (nee French).

Part 4 COMMUNITY

What type of transport did you have access to?

Horse and cart, bikes, train travel. Horse riding. Some people (not many) had cars. When school buses came we travelled in them to sports days etc.

What was your favourite mode of transport and why?

Bike and train. The bike meant I could go so many places and the train meant we were going to Perth on holidays.

What was the hardest type of transport to use and why?

Horse and cart. As horses needed a lot of attention such as harnessing to cart, feeding and watering, brushing down and feeding on return home.

What occupations were available in the community?

Shop work. Office work. Domestic work. Nurses could do part of their training at the local hospital.

As a child what kind of dreams did you have?

If I had a choice, I would have liked to do something with music, such as singing, dancing. Music (piano) but there was no money for that, also travel to other countries, which I did later in life.

What was the most popular job in Narembeen when you were young and why?

The Post Office, Railway Station, Moppett's Bus and Garage, Col Commons all employed people. The main jobs were working in the two grocery stores who employed girls and young men. The Shire also employed office girls, Banks (2). It was more interesting working in the shops, meeting people they also they sold clothes as well.

How many businesses were running in Narembeen when you left school and what was the most successful and why?

Probably 12-14 and I do not know if any businesses were very successful in 1943 as it was war time and most things were just surviving with no young men in the district. Lots of the young women '18 plus' were in the Services too.

October Historical Society Highlights

It was great to see such a good attendance at last Monday's meeting with 15 people present.

The main points from the day were: The Post Office Cart – we need to research the purpose of this item further so a story can be displayed telling of the uses for the cart. Maurie Harper will assist as he has a lot of knowledge in this regard having spent years working on the railways in conjunction with mail deliveries. The Charge Table from the Police Station has had a polish and is now in the Sports Room. Thank you Kellie and Ian.

The Older Adults Day at the School was a great success according to those members who attended. They also reported on the very high standard of behaviour of the children and we must mention the most elaborate morning tea served in the staff room. The Old Church is looking much better after a large amount of restorative work and we look forward to its reopening next year. We have had a request for information regarding Prisoners of War who worked on farms in the district following World War 2. A beautiful certificate was donated by Hazel Toovey.

This was in recognition of the voluntary work done by her father Mr Bert French during World War 2. Being an employee of CBH he, along with others in essential services was manpowered. Many of these people gave their time and energies to assist from home. The Spotters Post (now our War Museum) was used as a base to watch for enemy planes. The certificate will be framed and hung in this museum. It is pleasing to see the School and the Historical Society interacting so much. Lorraine Lethlean will show a student through the War Museum in the next week to enable the completion of an assignment involving this and other venues including the Grain Discovery Centre.

Visitors continue to request information on their families, farm locations etc. Recently these have included Lynise (nee Jackson) and Ross O'Dowd, The Marshall and Timms family whose connections farmed near the Ski Lake, the Savage Family researching on behalf of the Luck Family who were near Hedges and Boundary Roads and the Beatty Family, relatives of the Barlows who had Barlows Store in Churchill Street – the first store in town. Thank you to all who allowed the visitors on to their properties and made them welcome.

After a busy year we look forward to our pre Christmas lunch following a short meeting on November 21st at 11am at the History Centre.

If you lived in a home that had a telephone exchange years ago the Historical Society would like to hear from you. Please make contact with

Chris Bray on 0418 911 872.

CAN YOU HELP?

In 2024 the Shire will be celebrating 100 years of Local Government. The Historical Society are compiling a booklet of all the things that have changed in the past 50 years since the last celebration of this kind.

Do you know of something that has changed? Do you have any photos that may be appropriate showing the changes over the past 50 years?

Please note this is not a collection of Family history it is about our town and shire and the buildings, roads, attractions that have either gone or appeared.

Please contact Kellie Mortimore on 0427647090 or email narembeenhistoricalsociety@gmail.com if you can help.

FIRE BREAK ORDER 2022/2023

Pursuant to the powers contained in Section 33 of *Bushfire Act 1954*, you are hereby required on or before **31 October 2022** to plough, scarify, cultivate, spray or otherwise clear and thereafter maintain free of all inflammable matters until **15 April 2023** firebreaks in the following dimensions on the land owned or occupied by you.

Rural Land

Firebreaks 2.5 metres wide as follows:

Immediately adjacent to and surrounding all cleared land subdividing all cleared land into areas no greater than 400 hectares. Surrounding each building, haystack, fuel dump or ramp.

Townsite Land

Firebreaks 2.0 metres as follows:

Vacant lots in excess of 1,025 sq metres as follows:

- All lots containing less than 2,025 sq metres on boundaries and immediately surrounding all buildings.
- Remove all flammable material from fuel dumps or liquid fuel containers to a distance of 15 metres.

The penalty for failing to comply with this Notice is a fine not exceeding \$5000 and a person in default is also liable whether prosecuted or not to pay the costs of performing the work directed by this Notice if it is not carried out by the owner and/or occupier by the date required by this Notice.

By order of Council.

MIA DAVIES MLA

Council met with Mia Davies MLA last week to discuss a number of issues in the region.

Several topics were discussed including housing, transport and healthcare.

We were also proud to share with Mia the fantastic achievement of the Narembeen District High School being a finalist in the WA Education Awards 2022 in the Excellence in Teaching and Learning (Primary) category.

- **Fire Danger Ratings describe the potential level of danger should a bushfire start.** They provide important information so you can take action to protect yourself and others from the potentially dangerous impacts of a bushfire. You need to understand the Fire Danger Rating to assess your level of bushfire risk and decide what actions to take.

The new Australian Fire Danger Rating System (AFDRS) levels are:

Moderate: Plan and prepare.

Most fires can be controlled. Stay up to date and be alert for fires in your area.

High: Be ready to act.

Fires can be dangerous. Decide what you will do if a fire starts. Leave bushfire risk areas if necessary.

Extreme: Take action now to protect your life and property.

Fires will spread quickly and be extremely dangerous. Put your bushfire plan into action. If you and your property are not prepared to the highest level, plan to leave early.

Catastrophic: For your survival, leave bushfire risk areas.

These are the most dangerous conditions for a fire. Homes cannot withstand fires in these conditions and if a fire starts and takes hold, lives are likely to be lost. Stay safe by going to a safer location early in the morning or the night before.

- When there is minimal risk, Fire Danger Ratings will be set to **'No Rating'**. On these days you still need to remain alert and abide by local seasonal laws and regulations.

The publication is intended to be a guide only. While every effort is made to ensure its accuracy, the Department of Fire and Emergency Services (DFES) does not accept responsibility for the content or its accuracy. If you rely on the information provided, you do so at your own risk. For more information, visit the DFES website or contact the DFES helpline on 132 226. HOW FIREPROOF IS YOUR PLAN?

Fire Danger Ratings and Bushfire Warnings

➤ When a bushfire starts, things can change in a matter of minutes so it's important to stay up to date through official information sources.

During a bushfire, emergency services will provide you with as much information as possible, but no system is foolproof. If you believe you are in danger, act immediately to stay safe and do not wait for a warning.

If you see smoke or flames call Triple Zero (000) and put your bushfire plan into action immediately.

Bushfire warning levels change to reflect the increasing risk to your life or property, and the decreasing amount of time you have until the fire arrives.

The warning levels for bushfires are:

Advice	Watch and Act	Emergency Warning	All Clear
			
A fire has started but there is no immediate threat to lives or homes. Be aware and keep up to date.	There is a possible threat to lives or homes. You need to leave or get ready to defend – do not wait and see.	There is a threat to lives or homes. You are in danger and need to take immediate action to survive.	The danger has passed and the fire is under control. Take care and remain vigilant in case the situation changes.

SHIRE OF NAREMBEEN BUSHFIRE NOTICE – 2022/2023 SEASON

Bush Fires Act 1954

Notice to all owners and/or occupiers of land situated within Shire of Narembeen

As a measure to assist in the control of bush fires, or preventing the spread or extension of a bush fire which may occur, notice is hereby given to all owners and/or occupiers of land within the Shire of Narembeen that pursuant to the powers conferred in *Section 33 of the Bush Fires Act*, works in accordance with the requisitions of this notice must be carried out before the 1st day of November in each year, or within 14 days of becoming the owner or occupier of land if after that date. All work specified in this Notice is to be maintained up to and including the 30th day of April in the following calendar year.

Definitions

“Town site land” means all land within the boundary of the Narembeen Townsite.

“Rural Land” means all land within the Narembeen District not defined as Townsite.

“Firebreak Period” means that time between the 1st day of November in any year until the 30th day of April in the year following.

“Firebreak” means ground from which flammable material has been removed and on which no flammable materials is permitted during the firebreak period.

All owners or occupiers of land within the Narembeen Shire shall have firebreaks during the firebreak period of the dimensions prescribed within this notice.

If it is considered impractical or undesirable to provide firebreaks as required by this notice, the approval of the Council must be obtained for any variation. Approval will only be granted up to or before the 15th day of October, and will not be granted unless prior consent of the appropriate Fire Brigade Officer has been obtained.

Fire Breaks

Rural Land:

Firebreaks 2.5 metres wide as follows:

- Immediately adjacent to and surrounding all cleared land subdividing all cleared land into areas no greater than 400 hectares. Surrounding each building, haystack, fuel dump or ramp.

Townsite Land:

Firebreaks 2.0 metres as follows;

- Vacant lots in excess of 1,025 sq metres as follows;
- All lots containing less than 2,025 sq metres on boundaries and immediately surrounding all buildings.
- Remove all flammable material from fuel dumps or liquid fuel containers to a distance of 15 metres.

In addition to the requirements of this Notice, you may be required to carry out further works which are considered necessary by an Authorised Officer and specified by way of a separate written notice forwarded to the address of the owner/s as shown on the Shire of Narembeen rates record for the relevant land.

TAKE NOTICE that pursuant to Section 33(4) of the Bush Fires Act 1954, where the owner and/or occupier of land fails or neglects to comply with the requisitions of this Notice within the times specified, the Shire of Narembeen may by its officers and with such servants, workmen and contractors, vehicles and machinery as the officers deem fit, enter upon the land and carry out the requisitions of this Notice which have not been complied with and pursuant to Section 33(5) of the Bush Fires Act, the amount of any costs and expenses incurred may be recovered from you as the owner and or occupier of the land.

If the requirements of this Notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act 1954.

The **PENALTY FOR FAILING TO COMPLY** with this Notice is a fine not exceeding \$5000 and a person in default is also liable whether prosecuted or not to pay the costs of performing the work directed by this Notice if it is not carried out by the owner and/or occupier by the date required by this Notice.

By order of the Council.

David Blurton
Chief Executive Officer
Shire of Narembeen

Additional Bushfire Information

A. Restricted / Prohibited Burning Period

The following restricted and prohibited burning times are in place for the Shire of Narembeen.

- **Restricted** (Permit Required) 19th September to 31st October
- **Prohibited 1st November to 31st January**
- **Restricted** (Permit Required) 1st February to 15th April

The following additional requirements for burning are also in place.

- 1st February includes grass and raked cereal stubble and header windrows of non-cereal stubble including canola and legumes.
- 1st March is header windrows and chaff dumps and cereal stubble fires.

Burning during restricted periods is allowed on Sunday's and Public Holidays with a permit.

Any questions about burning times should be directed to a Fire Control Officer or the Shire Office.

B. Harvest & Movement Bans

When Harvest Bans are instigated they are broadcast over Radiowest and ABC radio. A harvest ban can be in two forms:

- A Restricted Movement Ban – means that vehicles are only allowed to move on paddocks to water stock.
- A Total Movement Ban – means that there is to be no movement on paddocks at all.

The Shire of Narembeen imposes an automatic Harvest Ban on Christmas Day and New Year's Day.

Harvest bans are gauged not only on the temperature, but also on humidity and wind velocity and are monitored using scientific methods.

Community members may call the Shire's **Harvest Ban Hotline on (08) 9064 7689** which will provide advice on whether or not a harvest ban is in force.

Text message service – Community members to register their mobile number with the Shire of Narembeen.

Adopted Fire Index rating 32 for harvest bans.

Fire Permit Issuing Officers

The following Fire Control Officers (FCO) are authorised Fire Permit Issuing Officers:

- Murray Dixon – Chief Fire Control Officer (08) 9064 5026
