Fire Danger Ratings and Bushfire Warnings

- **Fire Danger Ratings describe the potential level of danger should a bushfire start.** They provide important information so you can take action to protect yourself and others from the potentially dangerous impacts of a bushfire. You need to understand the Fire Danger Rating to assess your level of bushfire risk and decide what actions to take.

The new Australian Fire Danger Rating System (AFDRS) levels are:

Moderate: Plan and prepare.

Most fires can be controlled. Stay up to date and be alert for fires in your area.

High: Be ready to act.

Fires can be dangerous. Decide what you will do if a fire starts. Leave bushfire risk areas if necessary.

Extreme: Take action now to protect your life and property.

Fires will spread quickly and be extremely dangerous. Put your bushfire plan into action. If you and your property are not prepared to the highest level, plan to leave early.

Catastrophic: For your survival, leave bushfire risk areas.

These are the most dangerous conditions for a fire. Homes cannot withstand fires in these conditions and if a fire starts and takes hold, lives are likely to be lost. Stay safe by going to a safer location early in the morning or the night before.

- When there is minimal risk, Fire Danger Ratings will be set to **'No Rating'**. On these days you still need to remain alert and abide by local seasonal laws and regulations.

Fire Danger Ratings and Bushfire Warnings

➤ **When a bushfire starts, things can change in a matter of minutes so it's important to stay up to date through official information sources.**

During a bushfire, emergency services will provide you with as much information as possible, but no system is foolproof. If you believe you are in danger, act immediately to stay safe and do not wait for a warning.

If you see smoke or flames call Triple Zero (000) and put your bushfire plan into action immediately.

Bushfire warning levels change to reflect the increasing risk to your life or property, and the decreasing amount of time you have until the fire arrives.

The warning levels for bushfires are:

Advice	Watch and Act	Emergency Warning	All Clear
			
<p>A fire has started but there is no immediate threat to lives or homes. Be aware and keep up to date.</p>	<p>There is a possible threat to lives or homes. You need to leave or get ready to defend – do not wait and see.</p>	<p>There is a threat to lives or homes. You are in danger and need to take immediate action to survive.</p>	<p>The danger has passed and the fire is under control. Take care and remain vigilant in case the situation changes.</p>

Dangerous bushfires can start at any time and can quickly turn into a life-threatening situation for you and your loved ones. Your safety will depend on how prepared you are and the decisions you make.

SHIRE OF NAREMBREEN PUBLIC NOTICE

DEVELOPMENT APPLICATION – PROPOSED SINGLE HOUSE AND OUTBUILDING 29 CHEETHAM WAY, NAREMBREEN

The owner of the abovementioned lot has lodged a planning application proposing to construct a single house and an outbuilding.

Under the Residential Design Codes the permitted aggregate size of an outbuilding on a lot is 60m² in floor area, with a 2.4 metre wall height and 4.2 metre ridge height.

The Shire has adopted a Local Planning Policy that allows lots above 2000m² to have a larger outbuilding, subject to Shire approval. The Shires Policy allows a potential floor area of 150m², a wall height of 3.5 metres and a roof height of 5 metres for an outbuilding.

The application entails a variation to the R Codes and the Shires Local Planning Policy as the proposed outbuilding would have a floor area of 200m², and a wall height of 4 metres.

The proposed house location also entails a variation to the front setback requirements. It complies with the front setback minimum of 6 metres however does not achieve the 12-metre average front setback.

Prior to determining this application, the Shire would like to provide an opportunity for public comment on the proposal. The development plans can be viewed at the Shire of Narembreen administration office during office hours or on the Shire website.

Should you wish to make a submission on the proposal, your comments (in writing) will need to be lodged with Council within 14 days by **23 November 2022**.

Please note, if no comments are received by the closure date, we will assume that you have no comment you wish to make and the application will be assessed and determined on its merits and without any further consultation.

Should you have any queries relating to the proposed application, please do not hesitate to contact the Shire's Planning consultant, Ms Liz Bushby on 0488910869 (between Tuesday and Friday).

Attention Carmel Harper

Please thank everyone who donated their time in making the beautiful knitted toys and the gorgeous crochet rugs that were received today at our factory

They are so colourful and the children will love them.

It is wonderful we can give these children comfort even though we will never meet them. The photos we get back are always very heartwarming and their smiles tell us how happy they are.

All of us share their hope and joy as they move into the community and school with their wheelchair. How proud they must be to be part of school activities and able to play with their friends outside. All of us wish them every success.

Thanks once more for all your generosity towards our project we are very grateful.

BOWLS NEWS

Last Wednesday the ladies pennant team had a win 4-0 to Bruce Rock. The Ladies are sitting in 2nd position on the ladder with 2 games to complete the first round.

The men travelled to Yilgarn/Westonia with both teams having good wins. Narembeen Maroon defeated Yilgarn 7-1 and Narembeen Gold defeated Westonia 6-2. The men currently sit 4th and 5th on the ladder.

A team of ladies travelled to Quairading and unfortunately only brought home the Next Years Winners trophy. I'm sure the company was good too.

10 ladies played their 100Up on Sunday with Maree Campbell taking out the win on the last end to Narelle Vaughan. Great game ladies and well done to all the bowlers that had a roll. 100up is a great game to play.

The Ladies Open Fours will be held this Friday. Will be great to see some old locals back up here having a roll.

SCAM ALERT

The nationwide scourge of scammers stealing money from unsuspecting and vulnerable individuals has turned its ugly head towards clubs and charities in WA.

Payment redirection scams cost Australian businesses over \$14 million in 2021 and WA ScamNet is warning committee members to be on high alert for impersonators of third-party suppliers in particular.

Consumer Protection was recently informed of a WA association which was duped out of \$70,000 by a sophisticated email payment scam. Scammers posing as the president of the association requested a number of payments from the treasurer, who unfortunately transferred money electronically to the requested account without question.

Many clubs and charities are run by volunteers and it appears scammers have identified this as a susceptible target market. We ask that you ensure your committee members are on alert for potential scams. Please read and follow the advice on the [Payment Redirection Scams](#) page on the WA ScamNet website.

Committee members should also take this opportunity to review their payment practices and ensure proper controls are in place. These may include, but are not limited to, ensuring a valid invoice is received for each payment and matched to a purchase order or approval for the purchase; requiring at least two persons to effect a payment; passwords are not shared or written down and bank statements are regularly reconciled.

WE REMEMBER

We came into the second last round of pennants confident but prepared for a good tussle. Closely placed on the pennants ladder we knew it would be a good hit of tennis against Hyden 1. We were tied coming into the mixed and pulled it all out at the end to finish the day on top. Another great day of tennis and another win. Indi once again took out the crown winning all her 6 sets – quite the achievement!

The 2022 Mt Walker Open Day saw old and new faces take to the courts for friendly competition. The day was once again a great success and we send a heart felt thanks to our sponsors, without whom we couldn't run the day.

A huge thank you to the whole committee who wrangled the new tennis program to create the draw during the week and set up the club. Michael and everyone who jumped into the captains' box on Sunday to ensure it all ran smoothly. A special mention to Karen, Carol and Tammy who manned the bar for the whole day and whipped up the sought after PIMMS, and also to Shohan who cooked all week in the lead up to the Open Day and on the day, her side kick Nora and everyone else in the kitchen (good to see you Amanda!). It takes a whole club to run a successful event like we do every year – so a huge thank you to all members who helped out.

Narembreen CRC Update

Hello everyone!

23 of our local seniors enjoyed a bus trip to Merredin for a movie and lunch at the Merredin Cinema and Café on Monday, 7/11 as part of the 2022 WA Seniors Week celebrations.

WA Seniors Week is an annual event that encourages people of all ages to acknowledge and celebrate the contributions of older people to the Western Australian community. WA Seniors Week is also a celebration of seniors' active participation in community life.

Our local seniors enjoyed the movie 'Ticket to Paradise' with George Clooney and Julia Roberts, a movie about a divorced couple that teams up and travels to Bali to stop their daughter from making the same mistake they think they made 25 years ago.

Everyone really enjoyed the movie, lots of giggles and happy faces upon their return in Narembreen.

This event was sponsored by COTA Western Australia and the Department of Communities. A big thank you to Mick Chick for once again volunteering his time and driving the bus to Merredin. As always, we appreciate your continued support Chick!

Astro Tourism is visiting Narembreen next Friday to host a stargazing evening under the dark skies of Narembreen! Join us for an informative presentation, laser guided tour and telescopic stargazing.

This event is made possible by the Shire of Narembreen and is part of the Astrotourism WA project that's promoting Narembreen as a destination for stargazing and astrophotography.

Dinner will be available for purchase from the Rec Centre kitchen provided by the Narembreen Netball Club.

For more information you can also visit: <https://astrotourismwa.com.au/narembreen-stargazing-event>

On behalf of all the Narembreen CRC Staff, I would like to send our heartfelt condolences to our CEO Dave, and his children, after losing his wife in a tragic accident over the weekend. Our thoughts and prayers are with you and your family.
