Over the Fence....

Another week with a little bit of rain so harvest coming to a stop for some. Hopefully the sun will shine for the next few weeks so everyone can enjoy the Christmas break.

What fantastic news it was to hear that our school was the winner of the WA Primary School of the Year. We knew we were great but it is nice to be acknowledged by others. Congratulations to the Principal—Chris Arnold for her exceptional leadership and the staff, students and community for always showing your support of our School.

The Seniors Dinner is just around the corner along with many other Christmas celebrations and parties. Enjoy all the festivities to end the year.

In the Chief this week the NEW dog off leash areas are advertised. Take note of where your dog needs to be on a leash to avoid any problems.

Excellence in Teaching and Learning (Primary) Award

Achieving excellence

Narembreen District High School

Located in Western Australia's Wheatbelt region, Narembreen District High School provides students with a locally relevant and rich educational setting. Despite its regional location, the school has a strong focus on ensuring students are not disadvantaged by isolation. It has a positive learning environment where excellence is encouraged in all areas of education, including academically, socially and on sports fields.

The school has built meaningful partnerships with the surrounding community, including forming strong ties with local businesses, while staff are actively involved in a range of community groups. "We are a high performing rural school that caters exceptionally well for our small but proud community — the result of a team of parents and staff working collaboratively," principal Christine Arnold says. Christine adds Narembreen District High School is dedicated to the mental health and wellbeing of staff and students. The school has a range of mental health strategies which led it to be one of four schools selected as finalists in the WA 2021 Mental Health Awards. These include practising mindfulness in all classes at least three times per week, a wellbeing room called the Happiness Hub for students who need a quiet space, and mental health first-aid training for staff. The whole school community also takes part in several annual events including family days, yoga days, friendship days, NAIDOC Week, Reconciliation Week and R U OK? Day to promote togetherness and belonging.

"The school's positive culture sees us with happy, well-adjusted students, who strive to be the best they can be. They have great pride in their school and its achievements," Christine says. Programs that boost student success include a strong focus on reading education, as well as whole school literacy and numeracy programs to equip students with these vital skills from a young age.

When a hard of hearing student enrolled at Narembreen District High School, all staff completed a short Auslan course. Auslan then went on to become the language all students from Years 3 to 8 learn. There are also teaching specialists in music, physical education, science and IT working with primary school students. The school also has an impressive list of sporting achievements, including winning swimming championships for 18 of the last 19 years, and a cross country shield for the last 23 years.

"Our motto is 'preparing students for a changing world' and we certainly have excellent programs in place and teachers in classrooms to enable them to achieve to their potential," Christine says. "Our aim is to ensure all our students achieve their personal best and continue to grow, not only academically, but morally and socially. We guide them to respect individual differences and develop pride in themselves, their school, their environment and their community."

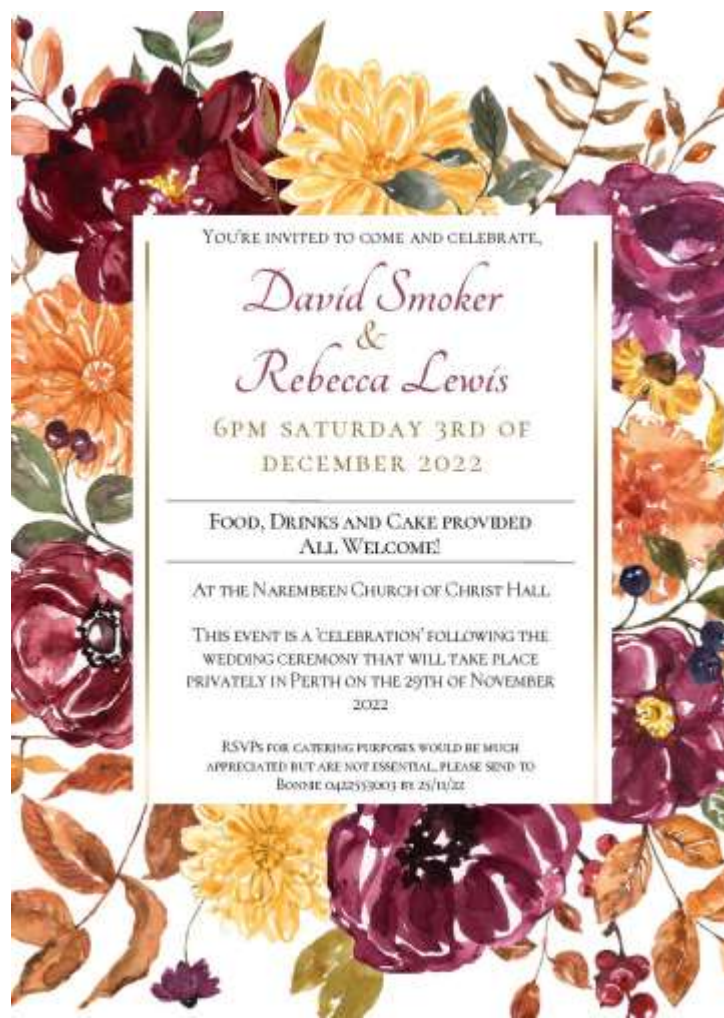

At Narembreen District High School, staff are committed to providing quality teaching and work collaboratively to ensure high levels of achievement and progress for every student. Graduate teachers also have access to experienced mentors who provide guidance and advice. Students have the opportunity to provide feedback on teaching through student voice surveys, allowing teachers to reflect of their methods and consider the needs of students. Christine says all these elements set students up for their best future possible.

"Our staff are committed, experienced, enthusiastic and highly professional in their endeavours to provide differentiated learning programs that engage all students, leading to improved outcomes," she says. "We pride ourselves on our culture of excellence and success. We have an extremely positive school culture that enables our students to learn in a safe, positive, inclusive and caring environment."

A bloke in the pub said he went for his first haircut after lockdown, but the queue was so long that the staff started handing out burgers and sausages.

He said he didn't mind waiting because it was a great barber queue

WANTED – OLD STUDENTS

For all those people who attended Narembeen Junior High School (it wasn't called District High School back then) and are in the age bracket of 70-75 (or thereabouts) we are looking at having a reunion in late February or early March 2023 at a venue somewhere. If you are interested please email either Peter Romaor margaret.romaior@gmail.com or Mike Smith mike@agsouthfinance.com.au or Lorraine Lethlean lethleanmilner@bigpond.com giving your preference – if any of where to gather and what dates would be suitable and the type of function preferred.

If you have email addresses of past students please encourage them to contact one of the above and put it out on social media.

A venue, dates etc will be decided upon when numbers are established. A cut-off date of 15/12/22 will allow us to complete the arrangements.

**If you are Over 65 and would like to attend
please RSVP to the CRC ASAP.**

You are invited!

Historical Highlights

November

For our last meeting for 2022, 15 members attended. Main points from discussions were:

The Old Church restorations are almost complete. The landscaping is still to be done and some lighting needs attention. President L. Lethlean will take up these and a few other matters so that early in the new year we may be able to reinstate the artefacts.

Peter McMullan who has undertaken work on his Ph.D. (Topic Prisoners of War) recently visited to obtain information on the subject regarding those P.O.W's who worked on farms in this area. Hazel Toovey, Lorraine Lethlean and Halley Cowan met with Peter who has already gained a great deal of information on this subject and was happy to share some interesting stories.

Margaret Butler showed some visitors , including some Vietnam Vets, through the museums.

Kellie and Ian Mortimore recently visited the Greenough and New Norcia museums. Unfortunately Greenough is in need of lots of TLC. Given its historic significance it is hoped that work can be effected before further damage occurs. By comparison New Norcia reflected excellent presentation. Ian and Kellie had as their guide Sue Johnson (formerly Walker) who spent her childhood in Narembreen on the family farm (Avoca). Sue and husband Graham farm at Piawaning.

The J.S.Roe campsites and the old school sites will be high on the agenda for 2023. It was suggested also that old wells should be included when mapping these attractions.

Following the meeting members adjourned to the Narembreen Hotel for a most enjoyable lunch.

The AGM and General meeting will be held on Monday February 20th at 2pm at the History Centre.

We wish you all a safe and very happy festive season.

ANIMAL REGISTRATIONS

Letters have gone out to all residents who have a dog or cat registered with the Shire.

Registrations are due and can be paid in person at the Shire.

Dog Registrations

It is a legal requirement that all dogs over three months of age are registered.

To assist in reuniting lost pets with their owners quickly, dogs must always wear both their registration tag and an identification tag. This registration tag should be worn alongside an identification tag that includes your name and address (owner).

Registrations forms are available from the Shire and your dog must be microchipped prior to registration.

Sterilisation is optional; however the Shire does provide discounted registration fees for sterilised dogs. Payment is due at the time of application

Registrations for one or three years are due on the first of November each year. Lifetime registrations are also available.

Cat Registrations

It is a legal requirement for all cats six months of age or older to be registered.

Cats should wear a collar with current registration and identification tags at all times, this will help in safely returning your cat if it is ever lost. If the owner of a cat cannot be identified, it will be transported to the Shire's Management Facility.

OFFICE CLOSURES Christmas / New Year

Council approved the office closure dates for 2022/23.

The Shire of Narembreen will be closed from 12pm on Friday 23 December 2022 and re-open Monday 9 January 2023.

Tamara Clarkson, Executive Manager Corporate Services will be available in case of emergency.

COUNCILLOR NUMBER REVIEW

The Minister for Local Government has announced a package of reforms to the *Local Government Act*. As part of the reforms to strengthen democracy and increase community engagement, The Minister proposes to review Councillor numbers based on population.

Shire of Narembeen is undertaking a review of its Councillor numbers and feedback received through this consultation process will assist the shire to transition to the new requirements. As a resident, your input is highly valued, and the Shire is seeking feedback from you on the following options.

- ♦ Option 1- Reduce the number of council members to seven at the next election (2023)
- ♦ Option 2- Reduce the number of Council members to five at the next election (2023)
- ♦ Other suggestions are welcome.
- ♦ If you would like to see a reduction in the number of council members, why?

Members of the community are invited to make a written submission about any aspect of the representation review and lodge it at the Shire or by email at admin@narembeen.wa.gov.au

All submissions must be received by 5pm on 2 December 2022

A full discussion paper has been prepared and can be accessed on the Shire of Narembeen's website at www.narembeen.wa.gov.au.

Information on the reform process itself can be located at <https://www.dlgsc.wa.gov.au/local-government/strengthening-local-government/local-government-act-reform>.

Thank you for your interest and involvement in this review. Council welcomes your comments on any matters that may assist it to make informed and responsible decisions for the benefit of the people of the Shire of Narembeen.

Fire Danger Ratings and Bushfire Warnings

- **Fire Danger Ratings describe the potential level of danger should a bushfire start.** They provide important information so you can take action to protect yourself and others from the potentially dangerous impacts of a bushfire. You need to understand the Fire Danger Rating to assess your level of bushfire risk and decide what actions to take.

The new Australian Fire Danger Rating System (AFDRS) levels are:

Moderate: Plan and prepare.

Most fires can be controlled. Stay up to date and be alert for fires in your area.

High: Be ready to act.

Fires can be dangerous. Decide what you will do if a fire starts.
Leave bushfire risk areas if necessary.

Extreme: Take action now to protect your life and property.

Fires will spread quickly and be extremely dangerous. Put your bushfire plan into action.
If you and your property are not prepared to the highest level, plan to leave early.

Catastrophic: For your survival, leave bushfire risk areas.

These are the most dangerous conditions for a fire. Homes cannot withstand fires in these conditions and if a fire starts and takes hold, lives are likely to be lost. Stay safe by going to a safer location early in the morning or the night before.

- When there is minimal risk, Fire Danger Ratings will be set to '**No Rating**'. On these days you still need to remain alert and abide by local seasonal laws and regulations.

This publication is intended to give you an idea of what every effort is made to ensure accuracy of the information provided. DFES and its employees, officers, contractors, agents, suppliers, and other persons do not accept any liability for any loss or damage, whether direct or indirect, arising from the use of this publication. Fire Danger Ratings and Bushfire Warnings

- **When a bushfire starts, things can change in a matter of minutes so it's important to stay up to date through official information sources.**

During a bushfire, emergency services will provide you with as much information as possible, but no system is foolproof. If you believe you are in danger, act immediately to stay safe and do not wait for a warning.

If you see smoke or flames call Triple Zero (000) and put your bushfire plan into action immediately.

Bushfire warning levels change to reflect the increasing risk to your life or property, and the decreasing amount of time you have until the fire arrives.

The warning levels for bushfires are:

Advice	Watch and Act	Emergency Warning	All Clear
			
A fire has started but there is no immediate threat to lives or homes. Be aware and keep up to date.	There is a possible threat to lives or homes. You need to leave or get ready to defend – do not wait and see.	There is a threat to lives or homes. You are in danger and need to take immediate action to survive.	The danger has passed and the fire is under control. Take care and remain vigilant in case the situation changes.

SHIRE OF NAREMBREEN PUBLIC NOTICE

DEVELOPMENT APPLICATION – PROPOSED SINGLE HOUSE AND OUTBUILDING 29 CHEETHAM WAY, NAREMBREEN

The owner of the abovementioned lot has lodged a planning application proposing to construct a single house and an outbuilding.

Under the Residential Design Codes the permitted aggregate size of an outbuilding on a lot is 60m² in floor area, with a 2.4 metre wall height and 4.2 metre ridge height.

The Shire has adopted a Local Planning Policy that allows lots above 2000m² to have a larger outbuilding, subject to Shire approval. The Shires Policy allows a potential floor area of 150m², a wall height of 3.5 metres and a roof height of 5 metres for an outbuilding.

The application entails a variation to the R Codes and the Shires Local Planning Policy as the proposed outbuilding would have a floor area of 200m², and a wall height of 4 metres.

The proposed house location also entails a variation to the front setback requirements. It complies with the front setback minimum of 6 metres however does not achieve the 12-metre average front setback.

Prior to determining this application, the Shire would like to provide an opportunity for public comment on the proposal. The development plans can be viewed at the Shire of Narembreen administration office during office hours or on the Shire website.

Should you wish to make a submission on the proposal, your comments (in writing) will need to be lodged with Council within 14 days by **23 November 2022**.

Please note, if no comments are received by the closure date, we will assume that you have no comment you wish to make and the application will be assessed and determined on its merits and without any further consultation.

Should you have any queries relating to the proposed application, please do not hesitate to contact the Shire's Planning consultant, Ms Liz Bushby on 0488910869 (between Tuesday and Friday).

BOWLS NEWS

The ladies held their Championship Fours on Sunday with 16 ladies having a roll. The competition was great. There was one team perhaps that all may have broken a mirror before they played with no luck going their way. 3 teams finished with 2 wins. The winners of the day were Maree Campbell, Carol Currie, Darien Pascoe and Noela Cole. Runners-up Anita Cowan, Julie Miller, Rhonda Cole and Joan Cusack. The winners will travel to Westonia this Friday to play in the C of C's. Fingers crossed they bring home another badge for our Club.

For the men—2 teams played at Bruce Rock with no big wins to report whilst 8 men played social at home. It would be great to see some more men on a Sunday having a roll.

The Ladies Pennants team had a bye last week so are still hanging in there in 4th spot on the ladder. Hopefully a win this week will see them end the round on a high.

The men played Civic away and came home with 2 losses. Gold 3.5-4.5 and Maroon 2-6. This meant they both dropped a couple of spots on the ladder to 6th and 7th respectively.

Narembeen H2O Ski Club

As many people are aware Lake Wakeman is full and the Narembeen H2O ski Club is up and operating. We can hopefully get a few more weeks out of the lake before it becomes too salty.

We'd like to thank all those who came to the busy bee, to get our facilities operational after a few years off. Thanks also to Dean from Willway plumbing for sorting our ablution block out and donating his time for the club. Your efforts are much appreciated Dean – thank you!

A huge thank you also to the Hall family for the donation of their GO Narembeen contract spraying money of \$840.00 towards our club. Hopefully we can put this towards getting the lake full on a more regular basis. Your contribution is much appreciated – thank you.

If you would like to become a financial member of the Ski Club please feel free to pay your membership by the following means;

Direct Deposit:

BSB: 306 026

Account number: 4179948

Please put your family name as reference.

Boat: \$100.00

Family: \$50.00

Single: \$30.00

Jet Ski: \$100.00

A Facebook group has been set up for all community members to be a part of, if you'd like to know more about the club please feel free to join. Narembeen H2O ski club.

Please remember that the Ski Club requires everyone to treat it's facilities and the lake with respect, both members and non-members. Please find some information below to help make the lake a safe and enjoyable place to visit!

Rubbish bins are NOT provided at the lake – please take your own bins/bin bags and your rubbish with you when you leave.

Life jackets must be worn at all times when being towed by a boat/jet-ski.

All boat rules must be adhered to, please feel free to ask a member of any rules you are unaware of. Please see the sign upon the toilet facilities for general rules.

NO DOGS

Please use the lake safely! It is a great place to socialise we would not like to see anyone put in harm's way due to misuse such as skiing after dark or under the influence of alcohol OR drugs.

Please leave the facilities as you have found them.

Ski safe and have a good time!

Singles Championships

The hottest day of the season (a massive 25 degrees) saw 14 women and 16 men enter in the annual singles championships!

A cracking day saw all ages take the court from the young, fit Heath Spinks right up to the not so young, but still as fit Brian Cusack grace the court. Was great to see so many new and old (not aimed at you Brian) faces around the club for the much anticipated day!

Games of the day included Tim Cusack vs Rosie Hunter. Plenty of sledging heard from every court with these two, Tim coming through with the goods. Cousin vs cousin on court 3 with Jayden Hooper and Thomas Baldwin doing battle in an epic 3 setter, Jayden with the win. Mac Cole and Brian Cusack having a pennants rematch with Mac having to work hard to get two sets from the better male Cusack.

On the women's side we had former pennants team mates go head to head to make the dig dance in Holly Cusack vs Brit Duncan and Emma Miolini vs Maddi Noack. Both awesome games seeing Emma and Holly victorious to go through to the final. Other good games saw Kelly Cole take on the young and upcoming Lucy Currie and Sari Cusack vs Hannah Bald. It's great to see these young girls improving every week and pennants has done wonders for their skills. Rumour has it Abby O'Neill could be the singles champion in 2023 showing off her killer forehand, think she could easily take on her brother Sammy Bald.

The big dance saw young pup Kye Stirrat take on Mitch Miolini who will definitely not be feeling too young this week after a nail biting 3 set final. Some ripping tennis by these two super stars of the club. Well done to Kye Stirrat for coming through with the win, was an awesome game to watch.

The women's final saw Holly and Emma slog it out, and while only a two setter they were on court for just as long as the boys who went to a 3 setter! Showing just how long the rallies were between these legends of the club. Well done to Emma for getting the win and well done to Holly Cusack for giving Em a bloody good run.

To reiterate it is so fantastic to see such good numbers for our championship days, great to see the club in a good place with plenty of young blood coursing through the veins of the Narembreen Tennis Club.

Reminder that we have the Open Day coming up on the 4th December so get your partners sorted!

You couldn't have hoped for better weather on Sunday for the Mt Walker Singles Champs... good for tennis and also good for harvest. I think everyone was/is hoping for a run of summery weather from now on! It was a relatively early start for all at the club with a good number of entries for the singles. Starting the day with a 2 ½ hr three setter, Shohan and Cloe thought they might be done for the day after the first round! The singles champs certainly showed off the increase in standard of tennis at the club in recent years and joining the pennants comp again. The day was capped off by a brilliant Italian night, which is always a favourite and brings everyone along to socialise at the club.

Well done to our SINGLES CHAMPS

Narembeen CRC Update

Hello everyone!

Although cold, approximately 30 people attended the Astro Tourism stargazing evening last Friday. The event was excellent although the weather initially put people off from attending which was a shame. We ended up having beautiful clear skies and the people that did attend had a fantastic night. The feedback we received was excellent. Thank you to Carol and Donna from Astro Tourism, their knowledge and passion was remarkable. Thank you also to the Narembeen Netball Club for providing yummy pork sliders.

The last session of the Stronger Community Program is happening this Thursday 11.30am at the pool. All women welcome!

The 190x available Narembeen Ladies Long Lunch Tickets, which went on sale Tuesday 22/11 9.00am, are officially sold out and that after only being online for 4 hours

We are looking for stall holders for our Christmas Street Party on Friday, 16/12. If you are interested, please contact us at the Narembeen CRC!

Have a great week!
