# Over the Fence....

Welcome to another edition of The Fence Post,

Apologies in advance if I missed something this week. All alone in the office today with no helpers as two of our computers are away being fixed due to the recent power outages. Thanks to Jason from NAVADA, our computer guru, for helping fix these and also to Kellie and Gina for all their assistance too.

Our paper is run by volunteers along with the help of the CRC to print on a Wednesday. Thank you to all who are part of this fabulous group and if you would like to assist in any way please contact one of the editors.

It was agreed at the last AGM that the paper would continue at a cost of \$1.50 for a printed copy even though it costs about \$4.40 to publish each edition. Last year The Fence Post effectively contributed \$14000 to the community by subsidizing this cost.

It was also decided that advertising rates would increase slightly which can be seen on the inside cover to the left. Thank you to all who continue to choose to advertise with The Fence Post and to those who contribute interesting community news items and sporting results.

Enjoy this weeks edition. Lots happening as usual. I'll leave you with a joke that hopefully gets a giggle :)

Jodie Batty  
Editor

## Joke

Clifford and Daisy May were married for many years. Whenever there was a confrontation, yelling could be heard deep into the night. Clifford would shout, "When I die, I'll dig my way up and out of the grave and come back and haunt you for the rest of your life ol' woman!!"

Neighbours feared him. Old Clifford liked the fact that he was feared. He died at the ripe old age of 98.

After the burial, Daisy May's neighbours, concerned for her safety asked, "Aren't you afraid that he may indeed be able to dig his way out of the grave and haunt you for the rest of your life?" She replied, "Let him dig. I had him buried upside down and I know he wont ask for directions."

## Narembeen CRC Update

Hello everyone!

The 'Be part of Art' project started went with the candle making workshop this weekend!

Thank you to workshop host Shannae from Remote Society and Cassie from Bush Wicks who traveled from Cunderdin and Wyalkatchem to deliver this workshop.

17 attendees enjoyed a wonderful morning; learning everything you need to know about how to make your very own candles. From choosing smells to decorating with dried florals, it was a wonderful morning enjoyed by everyone.

Thank you to Regional Arts WA for funding our arts project through the YCulture Grant: Drug Aware YCulture Regional is an initiative of Regional Arts WA and is supported by Healthway to promote the Drug Aware message.

Thank you also to our youth project coordinators, Bowdan & Wren, who have been assisting with the planning of this event.

Fair to say that the kids are looking forward to the second workshop, a trip to De Strange's photography studio in Bruce Rock for a portrait session. Please mark Thursday, 16/02 in your calendar to view their photos at the art expo here at the CRC!

If you are interested in any of the mental health workshops mentioned over the coming page please let us know asap.

Have a great week!

## **FAREWELL TO DAVID & TAMARA**

### **CEO - David Blurton**

After joining the Shire as the CEO officially in April 2021 we farewelled Dave on January 6. Dave unfortunately had to leave us for personal reasons. We appreciate the work he has done over the past couple of years with many projects being completed. Dave has taken on a role at the City of Rockingham as the Projects Officer. We wish him well with this role and hope to see him back in Narembeen for a game of golf someday soon...

### **EMCS - Tamara Clarkson**

On January 27 we farewelled Tamara who has been with the Shire just over 2 years. Tamara also volunteered in the community and played hockey and the occasional game of tennis. We wish her well with her future endeavours.

## **WELCOME TO BEN & PAUL**

### **EMCS - Ben Forbes**

Ben joins us this week from the Shire of Yilgarn where he has held the Finance Manager role for the past 18 months. We look forward to working with him at Council and I'm sure the community will make him feel welcome.

### **CEO - Paul Sheedy**

The advertising for the CEO position will commence after the February Council meeting. Our Acting CEO Paul Sheedy will remain at the Shire until this position is filled.

### **COMMUNITY CONSULTATION**

Last chance to **HAVE YOUR SAY!** Community consultation for the main street improvements closes this Wednesday, 8 February 2023. Surveys were posted to all local mail boxes.

More information is also available and can be downloaded from the Shire website, and the surveys can be dropped off at the Shire or CRC by Wednesday, 8 February 2023.

#### **Why it is important to get a broad response from the community to the Shire of Naremben Churchill Street Survey?**

If you are interested in what improvements are made in your Main Street it is important for you to let us know via this survey process. You can rate those items listed only or you can add some of your own comments &/or ideas, all feedback submitted will be recorded and subsequently presented to the council. The Shire of Naremben has received funding from the Federal Government to make improvements to the town centre and your responses will help inform the council on what the community would like to see these funds spent on (prioritise). Some of the limiting factors however include time restrictions, giving you this one opportunity to have your say on this project via the survey closing at 5pm Wednesday 8 February 2023.

#### **Why are your details requested?**

It is important we know that local individuals have responded to the survey and not multiple surveys completed by one person anonymously, skewing the priority ratings toward their own preferences. Therefore requesting your details helps us to ensure we get a true representation and cross-section of the community.

All comments on the survey will be added to the final report presented to the council for consideration with the utmost discretion and without any of your personal details included.

### **RESTRICTED BURNING PERIOD**

**Restricted** (Permit Required) 1st February to 15th April

The following additional requirements for burning are also in place.

- 1st February includes grass and raked cereal stubble and header windrows of non-cereal stubble including canola and legumes.
- 1st March is header windrows and chaff dumps and cereal stubble fires.

Burning during restricted periods is allowed on Sunday's and Public Holidays with a permit.

Any questions about burning times should be directed to a Fire Control Officer or the Shire Office.

**SHIRE OF NAREMBREEN  
PUBLIC NOTICE**

**WHITE CORELLA CULLING**

The Shire of Narembreen will be organising some shooting activities at the Narembreen Recreation Ground, over the next two weeks to reduce the numbers of white corellas that are causing significant damage to the grass oval and tennis courts synthetic surfaces.

It's expected that the shooting will be undertaken early in the morning. Advice of the day the shoot will be undertaken will be published on the Shire Facebook page on the day prior and members of the public are requested to stay away from the area on that morning and obey the directions of the police and persons at the oval.

## **Wadderin Wildlife Reserve**

Well, it has been a very busy and successful six months.

The best news was the acquisition of a very quiet electric bus (elongated golf cart) for the night tours which has proved to be enormously popular. It seats 13. Many thanks to Go Narembreen for buying this for us. You book online on Trybooking (set up by Diana Blackrock) and tours are run every Sat night. It even had takers on Christmas and New Year's Eve! Extra runs are done, if possible, on request. It is so quiet that you get up very, very close to the woylies and with extra spotlights, we are seeing lots of animals and owls. This a great commitment from the volunteer drivers but so far, they are up to the challenge. If you haven't been on one then you should. Kids and tourists are particularly enthralled.

Talking of challenges, there has been a fox and a cat seen on the cameras which Diana Blackrock checks weekly, and have our merry band of innovative men been on their trail? Poison baits, cat food, cat traps and even Wendy Wilson's chooks were all used trying to attract them but to no avail. For two months they tried, even hiding out at night with guns at the ready. Then at great expense they hired the great white hunter, a vermin catcher with night vision and in one night, yes one night, he got it and is coming back in March to check again. Bevan Eyles shadowed him and reckons he might have a new role. Much celebrating followed. I think we have a few Brian Prices and Mel Bristows in the making!

As far as the cat goes, all the trees near the fence are being trimmed right back as the cats can jump over the fence from a high branch when they haven't had an echidna burrow under the fence for them! Unfortunately, domesticated or feral cats do the same damage. There is a fence patrol roster several times a week to ensure that they are found quickly. Many, many thanks go to Bevan and Sandy Eyles, Joe and Wendy Wilson, Richard Keene, Dr Peter Lines, Noel Fudge, Peter and Debbie Hall, Roger Padfield, Gaynor Latham, Helen and Frank Copeman for their fantastic efforts. Chris Bray and Dick Slade are wonderful supporters and with Diana and Lucy Lines (Sec) it runs so well.

Des Smoker is a great new addition with his loader/grader and he spent countless hours making the fire breaks and roads far better. Thanks Des, it is great to have you on board.

At Spring the Wildflower walk was ramped up and as this is a do it yourself walk, there have been many locals and tourists enjoying the wander. Even now, it is lovely to walk around, but in Spring it was magical with orchids, everlastings and other flowers in abundance. The tourist rotunda and toilet have been a lot of work for Peter Hall and family but looks stunning. A great salute to the vision of Steve Fry.

Debbie has had the task, for a few years, of feeding/watering the banded hair wallabies in their nursery to prepare them for release into the large sanctuary. The fox/cat decimated their numbers in the sanctuary, so luckily the nursery was a saviour.

Last but not least, if you have any free time on your hands and wildlife is of interest to you, the committee would like some more helping hands. Contact Brian Cusack if you can even do a bit. The wives love that their retired men have somewhere to go and are not under their feet all day and their enthusiasm is catching. Mind you the women love being out there too.

***Enjoy and go and have a look!***

Thank you to the IGA Community Chest for their donation of \$200.00. You can be sure it will be put to good use.

### FIRST AID KITS

#### Everyone needs a First Aid Kit.

Did you know St John's have many first aid kits available from workplace to personal, home, pet, marine and children? If you are not sure what you are looking for go to <https://stjohnwa.com.au/first-aid-kits-and-supplies> but don't order here.

Email us at [narembeen.subcentre@stjohnwa.com.au](mailto:narembeen.subcentre@stjohnwa.com.au) or call Kellie for pricing/ordering.

We offer very affordable pricing of kits.

Our theory is the more kits out in the community the better chance there is for first aid to be commenced on patients before an ambulance arrives and the money raised from the sale goes directly to our Sub-Centre to help us keep up to date equipment in the ambulances.

Did you know we can also re-stock your out of date first aid items in your kits? Check your kits and let us know. We have extremely affordable pricing on these items too.

### Preparing Students for a Changing World

It is good to be back, and although we had a busy first three days, the teaching programs started immediately and students are back into their learning, our core business 😊. We hope that you all had a great break with some well-deserved family time and are ready to assist your child/ren in their learning and work in partnership with the teachers and EA's to improve their educational outcomes. I saw the meme below the other day, and it is totally true! We cannot make a difference on our own, you are your child/ren's first and best teacher 😊, and we need to work together for the best results.

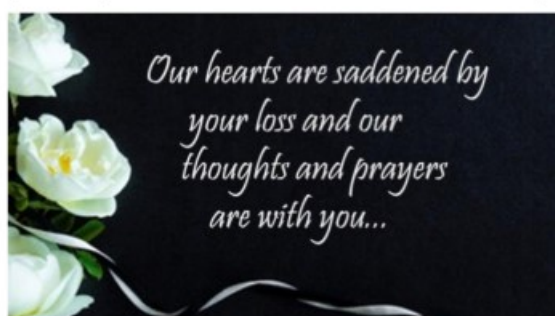

Dear parents,

### OUR SINCERE CONDOLENCES

It is with great sadness we learnt of the sudden and tragic passing of another of our ex-students over the holidays. Cindy Braddock, and her partner Jake Day, were tragically killed in a car accident on Christmas Day 2022. Cindy attended Narembeen DHS for most of her schooling, graduating in Year 10 in 2013. The school community was deeply saddened by the news and in this our first newsletter, send our sincere condolences to her three beautiful children and extended family, especially to her aunty Sharon Jeffery, who is a member of our staff.

*"Those we love can never be more than a thought away, for as long as there's a memory, they live in our hearts to stay."*

**WHO'S WHO AND WHERE IN 2023: WE HAVE BEEN ABLE TO MAINTAIN FIVE PRIMARY CLASSES AT THE BIG SCHOOL!!!**

At the end of 2021, we made the decision (and I think that is the royal 'we' because I guess, it was really 'me'!), to continue to ensure that our students in early childhood enjoyed the best possible learning environments by having straight classes from K - Year 3. This means that we have made an additional primary class in 2022 and we have somehow managed to continue to staff it in 2023, fingers crossed for 2024!! Now those on the Board will already know, that this continually stretches the budget, and really, we have only been able to do it this year thanks to the WASSTU last agreement, which gave DHS's additional funds for staffing (100k in 2022 and hopefully the same in 2023). We have been able to keep a straight Kindergarten and PP as well, which is much better educationally than splitting our Kindy students in to two classes of 8, and sending them two different days and alternate Wednesdays. We are lucky that both Russ and I also do a lot of teaching, almost 1.5FTE between us, which means that there is a lot of salary funding that is open to be used in other areas. We will wait and see what 2024 brings in terms of numbers and funding but we are ok for 2023 😊. So, our classes in 2023, look like this:

Class	Number of Students
K	16
PP	7
1	20
2	15
3	15
4/5	16
5/6	19
7/8	19
9/10	13
<b>TOTAL</b>	<b>140</b>

Evidence suggests that the early years are the most important ones in setting up students for success, so we are striving to enhance their learning in these years. Our middle and upper primary numbers are not huge, and this should continue to assist the learning of all students. Every class in the primary is also single streamed in Mathematics, with Georgia Miller picking up the Year 5, while Mel and Han take the Year 4 and Year 5 respectively. I really believe that we are putting our funding where it is needed, making sure our students have the small classes and the best timetable to allow

them to succeed. Our staff are generally experienced, the teacher/student ratio is low and we are all set to make a difference.

## WELCOME BACK FELICITY AND WELCOME GEORGIA 😊

Welcome back to **Felicity Cowan** who has had a few years away from her profession but comes back to us with a wealth of experience and knowledge and has hit the ground running. Although Felicity has been gone from our school for many years, not all of these were out of the system, she commenced her leave whilst working as the Acting Principal of Hyden Primary School, so has experience in planning and administration as well. Felicity will be working a couple of periods in

the Year 2 room as well as doing some hours in administration, driving the Teaching Excellence Focus and assisting with mentoring of our new staff. Welcome to her first teaching post to **Miss Georgia Miller**. Georgia completed her degree last year, graduating from Notre Dame University. She completed her last pract in our Year 4/5 class with Mel last year and is therefore familiar with our standards and whole school programs. We hope she enjoys her first year of teaching at our great school, it is always a tough year, but there is also so much growth 😊.

## 2022 GRADUATION DINNER DANCE

Firstly many thanks to our wonderful Grad Dance committee, Bianca, Tenille, Anita and Hannah C, who did so much work to make the 2022 Graduation Dance a great success. Thanks also to Kim Thorn and her offsiders who once again, provided a wonderful meal. Emma Miolini and Kell Lyon are also to be thanked for the amazing cake and the photographs of the night respectively.

## OUR YEAR 10 GRADUATES, GOOD LUCK, WORK HARD, BE YOUR BEST!

**Left to Right:** Tahlia Ashmore, Lauchlan Poot, Navaeh Brown, Cam Hills, Kiera Butler & Davron Burton

## SWIMMING TRAINING - WE WANT SOME FAST, FIT SWIMMERS FOR THE INTERSCHOOL CARNIVAL!! WE NEED SOME OF HIGH SCHOOL STUDENTS TO STEP UP AND DO THE WORK PLEASE!

As we say every year, excellence on the sports field does not just happen. It occurs through the commitment of our students who put in the hard yards to improve both their skills and fitness in all facets of sport. Swimming may not be everyone's number 1 priority but we, as a school, have to compete in the SCDHSSA Interschool Swimming Carnival and we want to do our best. We will need our students to get fit and fast for this event. Some students already participate in Swimming Club training, but we need all of our swimmers to get some training behind them before the inters! Our high school students will need to step up and take up the mantle left by some pretty talented athletes. We will need to have them fitter and more prepared than they are at present!

ANYONE CAN BE A MEMBER OF THE SWIMMING CLUB 😊

TRAINING TIMES: BE THERE OR BE SQUARE!!

Swimmers should be ready to start at the set time and have their kick board, goggles and fins organised. The swimming club has enough kick boards for all swimmers and some fins for those who do not have them, but it is easier if swimmers get their own fins!

Day	Group(s)	Time	Coaches
Monday	Group 1 only	3:30pm	Chris
	Groups 2 & 3	4:00pm	Chris & Amy
Wednesday	Beginners & Group 1	3:30pm	Beginners: Trista and Hannah K Group 1: Chris & Kat
	Groups 2 & 3	4:00pm	Trista, Kat and Sarah
Thursday	Groups 2 & 3 only	4:00pm	Chris

## SCHOOL GROUNDS ARE OUT OF BOUNDS AFTER SCHOOL HOURS AND WEEKENDS!!!!

We are having a bit of trouble getting it through to some of our clientele that the school grounds are out of bounds after and before school and on weekends. I would like to thank most of the community for the manner in which they respect the ruling (which is a Department of Education directive) and ask that if you see any persons on the school grounds, you let me know ASAP. Thank you very much.

## THANK YOU ROSEMARY AND DORCAS

Once again, the whole school community can say a huge thank you to DORCAS as we have received another generous donation of \$2,000 from them. DORCAS donate each year so thanks again Rosemary and Dorcas volunteers, we greatly appreciate the assistance you have given our school. We really do love your work, and your efforts are so valued in our community.

## THANK YOU DANDELIONS WA

We would also like to thank Dandelions WA for their generous donation of four school backpacks. Dandelion is another organisation run by volunteers that relies heavily on donations and community help. They provide children across WA with school backpacks and stationery to get them started for the new school year. This is a wonderful initiative, and we appreciate their donations this year.

## THANK YOU NOLA, SYD, BRENDON AND ANITA PARSONS

The school received a donation of \$2875 from the Parsons family through the Go Narembeen cropping program. This will be put to great use, enabling the purchase of mental health resources and online programs for improving reading comprehension. To say we are grateful is an understatement, thank you for thinking of us when allocating your funds.

## THANK YOU ROBYN HENDERER

We would like to thank Mrs Robyn Henderer for the donation of a school backpack, complete with all of the requirements a student needs to start the year. This, like the Dandelion back packs, has been put to good use. Not everyone finds it easy to get their children all the requirements and we thank Robyn for her kind donation.

## ATAR CONGRATULATIONS TO PAST STUDENTS

Well done to those students from Narembeen DHS who completed their ATAR in '22. I only know some of the results, so well done to **Taliyah Cole**, who scored enough to also achieve a **MERIT CERTIFICATE** in the **Curriculum Council Awards**. **Jolie Cheetham** also did a great job to a very high score, which allows her to choose a course at any of the WA universities, including UWA. I believe that the two girls are both going to study at Curtin, in their first round offers of Pharmacy and Speech Therapy respectively. Well done to you both, go forward knowing that you have done the hard yards and university is a great experience.

## COMMUNICATION

Can you please all regularly check the **FACEBOOK** pages that the school uses to communicate to you on a regular basis. Each primary class has its own page, and the high school has one for the two groups. There is also a **NAREMBEEN DHS** page. **We also use email to send home letters, excursion information and permission slips as well as our Newsletters.** We really do put a lot of information out to parents, you just need to check it 😊.

## BOWLS NEWS

Firstly the reporter (who forgot this news last week) must congratulate Mike Currie and Eric Tenardi who played in the IZRR at Dongara over the weekend. Well done for being selected in this prestigious event. Eastern Zone finished in 4th position.

The Ladies who travelled to York on the weekend had plenty of bowls over 3 days due to the weather, playing Friday night, Saturday morning and arvo and Sunday morning. It was great to play a night game on the Friday under the lights. SEBL finished in 3rd position.

12 men played their 100Up on Saturday with Micky Hall the winner over Neil Rogerson.

A very small group of ladies had a social roll on Sunday. I bet they enjoyed a nice cold drink when they had finished. Lots of open days coming up—Bruce Rock, Wickopin, Yilgarn, Yealering. Hopefully we can report on some wins in the coming weeks.

Ladies Pennants this week away against Bruce Rock.

A Cowan      K Mortimore      D Pascoe      N Vaughan

H Copeman      S Yandle      S Heather      M Miolini

The Ladies sit in 5th on the ladder now with Bruce Rock in 4th. A win would put a smile on many of our faces. Thanks to the girls filling in this week.

Please check the board at the Club for teams.
