Over the Fence....

In Narembeen over the weekend for a visit to her Sister and Brother in law, Iris and Melvin Bristow, was Gloria Smith accompanied by her daughter Stephanie. Gloria and George(dec) Smith and their daughters Leonie, Penny and Stephanie used to farm on the farm now owned by Byron Lynch. Gloria and Stephanie also managed to catch up with Julie and Robert Hayter and Maxine and Robert Miolini while in town.

We have had a nice drop of rain in Narembeen and the surrounding areas over the last week. The Elders Weather site tells us that we had 35 mls which we are sure the farmers and our gardens appreciated

Easter wishes FOR YOU

We hope you have a terrific break over Easter. Please remember that Easter time is very busy on our roads, so make sure that you drive with care and courtesy and do not drive whilst tired.

WINTER SPORTS ARE ABOUT TO BEGIN SO IF YOU HAVENT ALREADY DONE SO, PLEASE SEND YOUR FIXTURES IN TO THE "FENCEPOST" - YOUR SUPPORTERS NEED TO KNOW WHEN AND WHERE YOU ARE PLAYING

BOWLS NEWS

The bowls season drew to a close on Sunday with the Men playing in the Ralph Thomas Pairs—sponsored by Carol Currie, Julie Hayter, Maxine Miolini and Bevan Thomas and Families and the Ladies playing in the Drawn Pairs—sponsored by Anita Cowan and Helen Copeman. 12 pairs of men played and socialised, perhaps more of the later took place. Winners of the day were Mike Currie and Adam Miolini. This was a little nostalgic as it was the boys grandfather's trophy. Runners-up were Jeremy Padfield and Russell Arnold. Winners of the Ladies were Terri Tenardi and Julie Miller. They won on shots up to Kellie Mortimore and Darien Pascoe. An enjoyable afternoon was had by all.

The AGM was held during the day and we welcome Mike Currie as the new President. Eric Tenardi remains as Secretary "for 1 more year", Kellie Mortimore as Treasurer. Jeremy Padfield was elected as Mens Captain with his Vices being Alan Yandle and Jake Cole. Grounds Committee of Hendy Cowan, Jeremy Padfield and Roy Gray and Pennant Afternoon Tea Catering Terri Tenardi. All positions were filled (or will be after the ladies meeting). Thank you to Arthur Cousins who has been the President for the past few years. He has done a lot of the work involved in replacing the B Green which now the only thing left to do is pay for it. Thank you to everyone who put their hand up to help out on the committee or in positions. We have a good membership so spreading the load is helpful for everyone.

The Wind-up dinner was held after the day with the Club catering. Trophy winners were:

NAREMBEEN HOCKEY CLUB

The Narembeen Hockey Club would like to congratulate Kye Stirrat on being picked to go away with the WA Under-21 men's team. The Championship took place in Sydney from the 21st - 29th March. Kye's stand out game was the quarter-final match against the NT in which he scored two goals within the first quarter to set up a 4-0 win and earn himself man of the match. The WA boys had an amazing tournament and didn't drop a game throughout, resulting in taking home the gold medal in a thrilling 1-0 grand final win against NSW. Back to back gold medals for the WA boys, the first WA under-21s men's team to do so since 1983, 40 years in the making!

Kye starting playing minkey in pre-primary when his Mum and life member of the club Lynda was coaching. Kye continued playing hockey in Narembeen up until he went away to Wesley College in year 10. Throughout these years Kye was a massive part of the C grade, B grade and Men's teams winning numerous awards including B grade F&B at club and association level, men's under 21 association award and multiple C grade accolades. While in year 10 and 11 he played in the first team before taking a year away from the game to play footy, in which he was also in the first team (what can't the man do?!). Kye trialled for state school boys as a 12 year old but unfortunately missed out. However, since the age of 13 he has been a regular in the state WA teams while still coming back to Narembeen to play in the odd game.

While it is clear Kye has won many accolades throughout his years playing hockey he is so much more than this. Coming from Bruce Rock I was fortunate enough to play against Kye when he was growing up, and you couldn't find a more fair, kind young man to play against. Kye, you are an amazing young man with a bright future ahead of you. The whole hockey club is immensely proud of you and your achievements to date. You're a humble young man with the world at your feet and we will be in your corner every step of the way.

Love and congratulations,

The Narembeen Hockey Club

POLICE NEWS

Narembeen Police Station, 7 Longhurst Street, Narembeen, WA 6369
Phone: (08) 9045 6050

Hello,

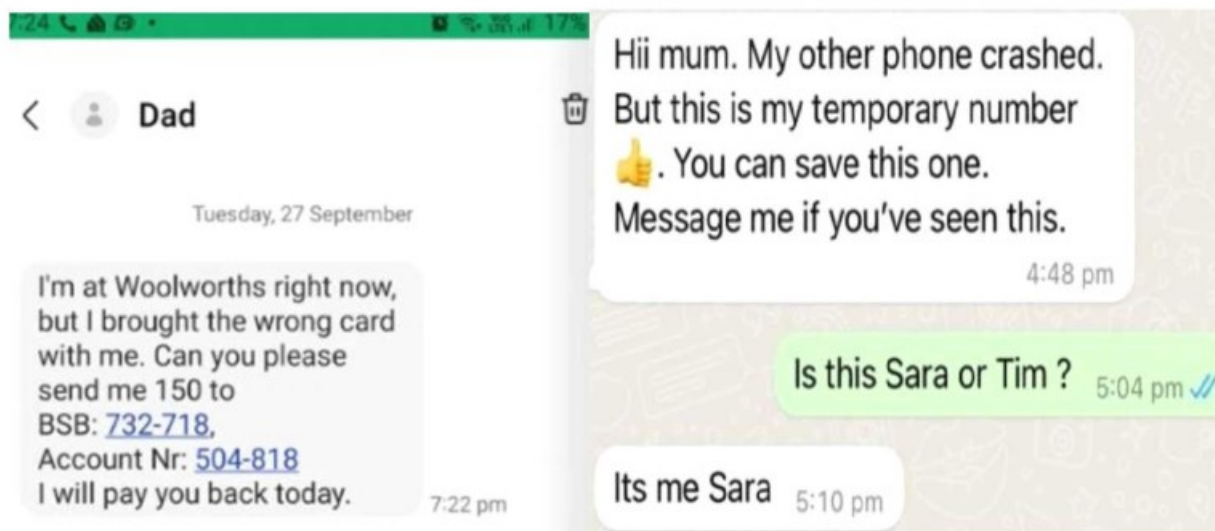

Hope everyone is well.

We have been busy assisting our brothers and sisters at Merredin Police Station regularly over the last couple of weeks. On 10 March, a male person was assaulted in Merredin and later died. There had been tensions between family members as a result of the death and threats to family members were made. There was a significant police presence placed in Merredin which resulted in no incidents of civil disturbance or harm to the community which was a good result.

We have been informed of some members of the local community being scammed. Scammers might call, text or email you and pretend to be from a government organisation. They can also pretend to be from places like Telstra, PayPal, Australia Post. Remember "if it sounds too good to be true, it probably is".

Scamnet is also urging the public to be wary of phone messages from a family member or friend claiming they need help, following a significant rise in "Hi Mum" "Hi Dad" scams.

In these "family impersonation" scams, victims are contacted - by a scammer posing as a family member or friend.

The scammer will claim they have lost or damaged their phone and are making contact from a new number. Then, once they have developed a rapport with their target, the scammer will ask for personal information such as photos for their social media profile or money to help urgently pay a bill, contractor or replace the phone.

Please be vigilant and report any scams to ScamNet:

<https://www.scamnet.wa.gov.au/scamnet/Home.htm>

Please also protect yourself online. There are a few basic steps you can take to protecting yourself online. The cyber-crime site <https://www.cyber.gov.au/> has some excellent information regarding securing your devices and accounts. I recommend checking it out.

- Use anti-virus software
- Protect accounts: Manage user accounts for Windows and Apple
- Protect your devices: Phone, Tablet, Computer
- Wi Fi – private and public

Please report any cyber-crimes to the Australian Cyber Security Centre:

<https://www.cyber.gov.au/acsc/report>

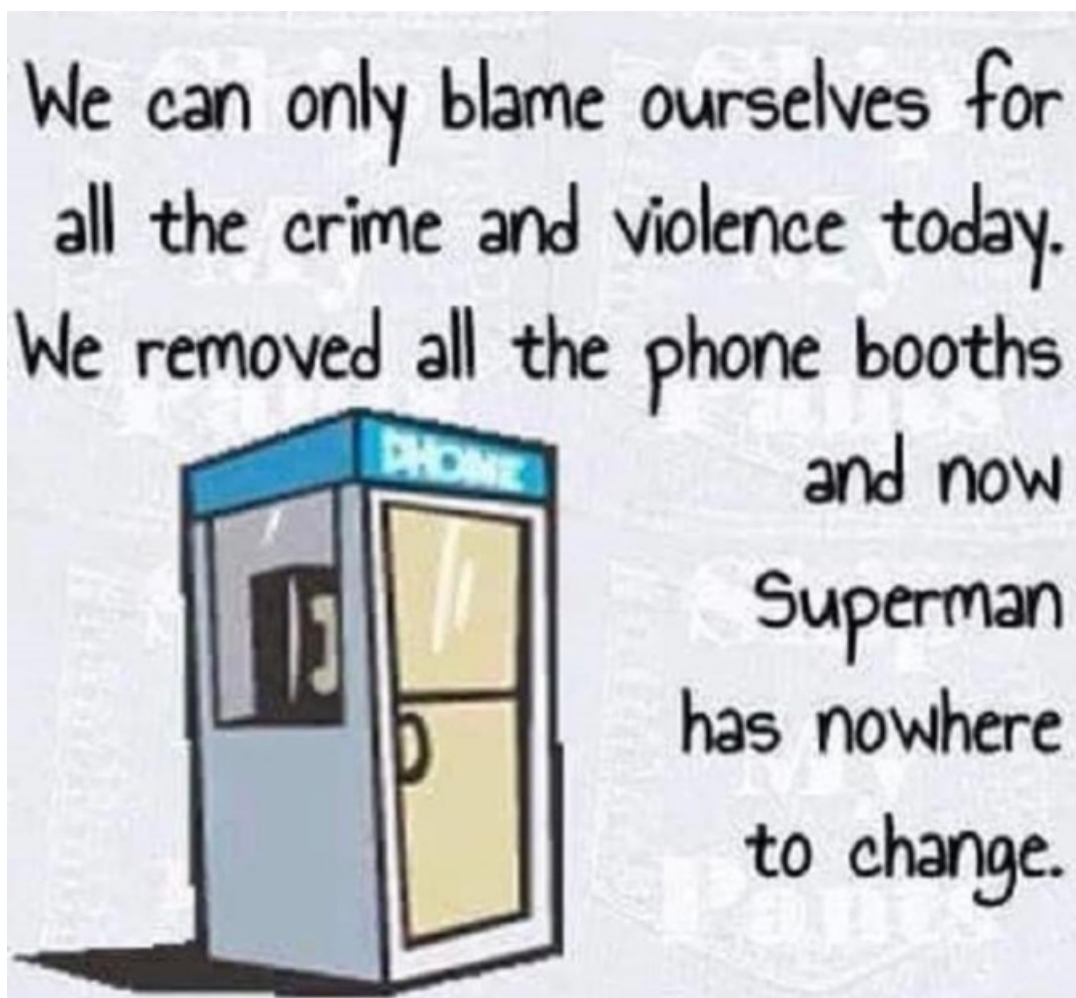

St John Ambulance Australia is offering a new eLearning resource teaching basic first aid skills that can be used in the crucial few minutes post-accident. The online training takes 30 minutes and it is completely free. The interventions taught will create educated drivers who are ready to assist in the event of a road emergency.

MUSIC UPDATE FROM MRS HANNAH SMOKER

This term in music, students have been busy learning music to sing and play to. The K/P class have enjoyed echo singing and playing simple percussion instruments. In Year 1, we have been learning singing and actions circle songs. In Year 2, students learnt the African song 'Che Che Kule', which we performed with drums, and multiple ostinato parts. (Ask your child what 'ostinato' means if you're not sure!) Year 3 students learnt the song 'Rattlin' Bog' which you will hear at assembly on Wednesday. We had fun with that one! The Year 4/5 class have been learning to tell the difference between music with 4 beats in a bar and music with 3 beats in a bar, and have enjoyed a variety of music that helps them practice this skill. The Year 5/6 class have recently learnt the piece 'Synco-

copation', which they danced, sang and played to on xylophones. The Year 2 and 3 classes also had a rhythm test, and these students achieved 100%: Year 2: **Rocco Federici, James Smoker, Jye Parsons, Annie Robinson**. Year 3: **Chloe Browning, Avayah Cowan, Lucas O'Neill, Gavin Rojas, Chase Smoker, Nicole Smoker**. Well done!!!

Next term it is time to bring out the dreaded recorders for the younger classes, and the Year 4/5 and 5/6 classes will be learning to play ukulele. 😊

YEAR 7 - 10 SCIENCE UPDATE TERM 1 2023 FROM MRS CHRIS ARNOLD

The Year 7/8 class certainly hit the ground running this year and I have been very impressed with the way they have prepared for tests and completed the assignments. Two students scored perfect marks in their Animals Test Number 2, well done to **Temprence Collard & Wren Cheetham**. Other great scores were from **Stephen Sherwood & Jack Cusack (98%), Mia Parsons & Brady Poot (97%)**. So that is six students from a class of 18, one third of the class, getting 97% or above! I am pretty happy with that! These were an improvement on the already great results scored in Test 1. Some great improvement has also been shown by students who have struggled to get 'B' grades in the past, with **Ava Batty achieving 86%, Archie Federici scoring 84% and Elisa Comley 83%**. Well done to you all. Keep up the good work.

The Year 10's are studying Genetics and it was great to see both **Zack Garlick and Deakan Miller score 91% on Test Number 2** recently. This was an improvement for Deakan and a consistent result for Zack. Well done also to **Cheyenne Cummins** who scored 71% on this test, up almost 20% from the first test this year.

The Year 9's have their 2nd test on Wednesday and this will require a lot of review, as Human Biology is pretty much all rote learning. Good recall will result in a good mark. **Angela Andrews (84%), Aidan Whitely-Sherwood (84%) and Jace Browning (82%)** started the year well with fine results in their first test earlier in the term.

BORN IN 1958 AND WENT TO NAREMBEEN SCHOOL

Narembeen CRC Update

Hello everyone

Hope you all had a great weekend and stayed dry!

Last Friday we had an Easter themed Story Time session. It begun with an Easter Egg Hunt in the library organised by playgroup, which was relocated due to the heavy rain. It was a very chaotic but also fun morning with over 20 kids in attendance plus parents! We hope all the kids had a great time!

Due to the heavy rain fall over the weekend, we had to make the decision to reschedule to fox shoot last Saturday. It is now scheduled for Saturday, 15 April. If you haven't already, please register your team of 2-5 people.

*Shooting times are 6.00pm 15/04 - 6.00am 16/04

*Whole animals needed for the count

*Lunch provided at Mt Walker Sports Club 12.00pm 16/04

*Lots of great prizes to be won thanks to: Cockies Ag, Steelo's Guns & Outdoors,

Claremont Firearms, The Ag Shop, Narembeen Total Ag- Nutrien Ag Solutions, Narembeen Hardware and Elders!

Can you help us? The CRC needs your help! We require some equipment to be collected from North Beach on either 19/20/21 April for the upcoming Youth Week Event. The equipment is needed at the CRC no later than 2.00pm Friday, 21 April. If you can help us please let us know!

This weekend is the Easter Long weekend! The staff at the CRC would like to wish you all a safe and Happy Easter! We will be closed Friday and Monday and we will be back to normal operating hours Tuesday, 11 April!

See you next week!

Vanessa King
CRC Manager

- Children and young people are respected, listened to, and informed about their rights.
- Children and young people have the fundamental right to be safe and cared for.
- Children and young people have the right to speak up, be heard and taken seriously without the threat of negative consequences.
- The safety and best interests of children and young people are a primary consideration when making decisions that concern them.
- Access to trusted and reliable information, including the National Principles for Child Safe Organisations, helps support organisations to understand what they must do to help reduce the risk of harm and abuse.
- Communities are informed and involved in promoting the safety and wellbeing of children and young people including protection from harm.
- Collaboration with the community and our partners promotes the safety, participation and empowerment of all children and young people.
