# Over the Fence....

Welcome to another edition of The Fence Post!

It's not even winter officially yet but it does get chilly when the sun is not out! Thank you to all our readers especially those who have contributed to this weeks edition. You have filled The Fence Post to maximum capacity at 44 pages. So sorry if anything was missed. Please remember our volunteers are only in the office on a Tuesday so please email, phone or drop off what you would like in the paper by 10:30am if you want it to be included and printed the next day. With contributions from the CRC, Shire, School, regular advertisers, sporting clubs including football, netball, hockey, darts and golf as well as the church notices etc there is plenty to read :) Thank you all for your loyal support and especially our wonderful volunteers who just make it happen. Happy reading!

Congratulations to James Collins who is part of the Australian Mens Hockey squad, the Kookaburras, that played in New Zealand over the weekend in the International Hockey Federation Tournament.

James is the son of Jeannie (Cowan) and Hayden Collins and Grandson of very proud Grandparents Mary and Halley Cowan. They all travelled to New Zealand to watch the games.

The Kookaburras now return home until June when they will venture to Europe for another tournament against the Netherlands and Belgium.

*Our deepest sympathy  
is extended to the  
Cusack Family on the  
loss of Maisie.*

*Maisie was a founder  
of the Senior Citizens in 1974 which was originally  
held at the Old Nurses Quarters on the hospital  
grounds. We then moved to the Methodist  
Church. Maisie has been President, Secretary,  
Treasurer and Committee member of the Senior  
Citiz over the years. Maisie very rarely missed a  
Tuesday afternoon gathering. The Bingo calling  
was never the same once Maisie had to give it up.*

*Fond memories from all of us at the Narembeen  
Senior Citizens.*

*Rest peacefully Maisie.*

## Narembeen CRC Update

Hello everyone,

Hope you had a great week.

### Regional Road Show

As part of our wonderful partnership with the Road Safety Commission, the Narembeen CRC was approached, if the Narembeen District High School was interested, to host a regional youth road safety leadership summit in the lead up to the 'road safety start with me youth summit' in Perth later this month. 20-year young facilitator Wil Masara and his team from Youth Leadership Academy Australia coordinated the day-long event at the school last Wednesday. Students Year 7 –10 joined in a range of hands on road safety activities aimed at embedding safe behaviors, a perfect link to our own road safety initiative SOCK (Save Our Country Kids). Key local road safety issues were raised and discussed by the students and included not wearing seat-belts on farms, not wearing helmets when riding bikes and speeding through town.

It was great to see the enthusiasm and positive participation from our local students and I would like to personally thank Mel & Molly and the rest of the team at the Road Safety Commission for

this incredible educational but fun opportunity as well as Chris Arnold and the Narembeen District High School for never saying no to opportunities like these that enable us to up-skill our local youth.

### Biggest Morning Tea

We are hosting a Biggest Morning Tea to raise funds for the Cancer Council to make a difference for those impacted by cancer and YOU ARE INVITED! So, lets get together, enjoy a cuppa and cake so we can raise money and support those impacted by cancer.

If you can donate a plate to share please let us know!

### Youth Leadership Forum

We are excited to announce that we are planning a youth leadership forum in Narembeen later this month. This one-day, highly engaging event is designed to support locals and students from surrounding towns in discovering their leadership potential and providing them with the confidence to step up and engage as leaders throughout their school as well as their community in 2023 and beyond.

This event would not be possible without the support of the following funding bodies - thank you for supporting our event: CBH Group through the CBH Grass Roots Fund, Holyoake and the Wheatbelt Suicide Prevention Project (WSPP), Ramelius Resources, Shire of Narembeen and Go Narembeen through the Community Benefit Fund.

Have a great week!

### ASSEMBLY

The Year 5/6 class did an outstanding job of signing our National Anthem at the final assembly in Week 10 of Term 1. Well done to Hannah Chitty and Lucy Lines who ensured that they had the skills to do this. A great class report from our Year 3 students added to the entertainment, well done Matthew and the Year 3's, you certainly got through a lot of work in the first ten weeks.

## CROSS COUNTRY 2023

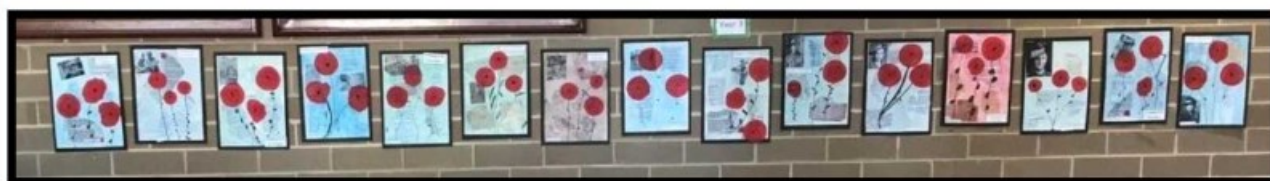

For the first five weeks of Term 2, all daily fitness sessions and at least a part of each physical education period will be taken up doing Cross Country training. As I say every year, like swimming which we have already had, and athletics that is still to come, this activity is not everyone's cup of tea, many students do not like it and I am the first to admit that it is not easy. However, there is no part of running that is bad for our student's, gaining fitness is great for all of them and only a medical certificate stating a condition or injury that stops a child participating will be accepted as a reason for not being involved. **ALL STUDENTS WHO TURN AGE 6 THROUGH TO 16 IN THIS CALENDAR YEAR ARE TAKING PART IN THIS ACTIVITY.**

**OUR AIM IS TO HAVE EVERY STUDENT FINISH THEIR DISTANCE AT THE FACTION CROSS COUNTRY ON FRIDAY MAY 26, 2023, WITHOUT HAVING TO WALK.**

**BENEFITS OF CROSS COUNTRY:** (not made up by me 😊)

- Helps build stamina.
- Keeps you physically active.
- Keeps you mentally active.
- Helps build confidence.
- Builds the power to accept challenges.

## ANZAC DAY WORK EXHIBITION

Many thanks to **Mrs Lucy Lines** for putting together the schools ANZAC Day work that was exhibited at the Shire Council Chambers on ANZAC Day 2023. I was so impressed by the work that our students completed and in awe of the creativity of the teachers who charged them with the design briefs to finish the projects. You all did amazing work, and I am sure the community members were as impressed as I was with your pieces.

## ROAD SAFETY LEADERSHIP FORUM

What a great first day back the Year 7 – 10 students had last Wednesday. They spent all day with a wonderful group of young adults doing a leadership and road safety forum. This was made possible through the work of **Mrs Vanessa King** at the Narembeen CRC and on behalf of the high school students, I thank her for providing such an interactive and vibrant presentation for our students.

## WELL DONE NOAH SMOKER: IN THE TRAINING SQUAD FOR STATE SCHOOL BOYS 12 & UNDER HOCKEY SIDE

Huge congratulations to **Noah Smoker** who has been trialling for the State School 12 & Under boys hockey team, and has made it into the training squad of 23. Whether Noah makes it through the final playing squad or not, we are so proud of how far he has made it already and know that he will continue to build on his already outstanding skills to keep giving his best to his club, association, and hopefully sometime in the future, his state. Good job Noah, great to see you have the confidence to give this a go and learn from the experience 😊. Be confident and keep showing them what our great country kids are capable of. Good luck from the whole Narembeen DHS community.

## KYE DOES IT AGAIN, BACK TO BACK U/21 GOLD MEDALS TO THIS EX-STUDENT

Congrats again to ex-student **Kye Stirrat**, who was a member of the victorious WA State U/21 Mens Hockey team at the National Championships in Sydney early in April. Kye was a member of the 2022 team that won, meaning he has now two state U/21 gold medals to his name. Narembeen DHS community are proud of you Kye, great effort 😊.

## Patience...

Footballers, footy clubs, and footy fans often forget that they have the most important weapon at their disposal that can make every day they got to the footy the most exciting yet. That weapon is patience. If we can all buck the trend of the instant gratification society that we live in and look longer term, then we will all be able to enjoy the journey that footy give sus both through a season and through the careers of our footballers. With this approach in mind the Narembeen Ressies have quite the season in store.

The Ressies lost against a good Corrigin side on Saturday but what they were able to bring showed that brighter days are not that far away. Young footballers are just that young. With youth come inconsistency but that's ok because we're ready to wait. On Saturday a couple of good young players took steps forward which was good to see.

Cameron Hills has been thrust into the middle of the ground this year. He has had to learn to put his body under pressure and then be brace when he has the ball. He was able to show a capacity to do both on Saturday. His good mate Stephen Cummins was also able to show growth on Saturday. Cummins, appointed joint captain before play, has had to play key position before his time but covered a huge amount of ground on Saturday, with work the results will come. There are other young players in this group. Blake Davey, Archie Saunders, Jeikwjaun Brown and the Oldcorn boys are all twenty years old or younger and they too will take us on a wonderful journey if we're all prepared to wait.

That idea of patience can also be applied to the season ahead. A season is much longer than people often realise and if we're all prepared to let a group grow through the year then there will be more good times than bad at the footy. This Ressies group shows every capacity to do exactly that in 2023.

On Saturday the group was ably led by Kyle Della and Bobby Kennedy. Both have extensive league experience and set the tone in the way that the Ressies were able, and determined to defend when the pressure came. Kennedy won some tough footy and made some bruising contests while Della was able to take defensive marks and lead the way to attack with the ball in hand. This was a lead followed by other senior players. All efforts which kept the Ressies competitive and showed that by continuing to back them in these Ressies will be ok.

Although they lost by five or six goals there were two memorable highlights to end the contest. As the Ressies were finishing strongly into the breeze 'Mustang' Pete Delavale very nearly took a hang for the ages. Struggling with a sore hammy, the man who drives a forklift to training, took two steps and got the ride but couldn't quite hold on to the disappointment of an adoring crowd.

The second highlight seemed to split the crowd more than draw the adulation of the 'nearly hanger'. Filling in for the twos, Nick Cheetham took a mark on the lead roughly forty metres out just as the siren went. A quick settling of odds and taking of bets through the crowd seemed to split the money as to whether the fossil still had the ride in him. However, in an effort that took many back to the halcyon days of 2007, Cheetham threaded the after siren shot.

### **Possibilities...**

Possibilities are what football presents to everyone who takes an interest. Possibilities of what might happen and the possibilities of the journey that gets you there. Just two weeks into the season the possibilities for the Hawks season seem to be growing. The thing about possibilities however is of course that they are no use to you if you don't do the work to make the most of them. After the Hawks completed their second twenty goal win in two weeks on Saturday, the work to make the possibilities lay right in front of this group of Hawks.

Tom Baldwin was always going to be a wonderful inclusion to the Hawks. Both on and off the field he has been keen to contribute from the get-go. On Saturday he was placed under undue and at times reckless physical pressure and was still able to offer a dominant best on ground display. Baldwin's ability to be calm and considered with the footy set him apart from most others on the ground. One late game pass which found Ben Gill metres in the clear running into an open goal showed a football mind that was just as classy as his obvious football skills. It was an impressive effort.

Along with Baldwin the Hawks got tremendous contributions from Connor Spinks and James Kennedy. Spinks seems to have grown as a footballer over the summer, he is still only 21 or 22, and is relishing working through the middle of the ground. His use of the ball was bullet like as was his ability to always attack. The underrated Kennedy seems to be enjoying a midfield role as well. He covers more ground than most in the side and has an ability to defend which was on clear display against the Tigers.

Although well down at the long break, to their credit the Tigers defended well in the second half. They made the Hawks work to get the ball back and put pressure on their ball carrier when they didn't. Where once the Hawks may have stopped and let it peter out in this situation, they kept their focus and kept working through the contest of their opponents.

Thrust in new roles, Ri Green enjoyed the middle of the ground and showed an ability to win clearances. Jake Solomon and Ben Gill were good in the ruck while Nick Winters displayed the possibilities, he brings by pushing through an ankle issue to contribute well through the middle of the ground. It was a big win in the end.

The way the load was spread through the day was a good sign for the Hawks. With a strong lead and perhaps a few sore bodies the opportunity was taken to use players in new positions, and this paid dividends. Dean Williams displayed an ability to run through the midfield, while along with Green in the middle young Chey Barrett won contests and hit the scoreboard. Possibilities only become reality through hard work and many contributors, and the Hawks were able to grow that within their group on Saturday.

### **Always play...**

We all love to win, and we all love a winner. However, what is sometimes lost in our consideration of sport is that to create opportunities to win we must make sure we always play. One of the great achievements of the Narembeen Footy Club is that, in a time of shrinking populations, they have not forfeited a game of Ressies Footy since round two 2005. Ressies footy is vital to any club or competition for a plethora of reasons and all of them make it clear that for a club to be strong you need to make a commitment to always play.

With only sixteen players the Ressies headed up the highway to take on the Bombers with a commitment to competing as well as they could. In what ended up being a fourteen a side contest the Ressies started well and were able to hold sway for most of what was a highly competitive contest. Baden Kennedy led a young midfield with his usual eagerness to win a contested football and his willingness to run through the space that a fourteen a side contest allowed.

A key member of the Kennedy led midfield; Archie Saunders had his best game for the year. Only eighteen years of age, Saunders worked hard through the middle of the ground and showed an ability to be damaging by foot. His ability to kick the ball over distance and with precision was a key part of the Ressies getting on top early. The way that he maintained his work ethic throughout what was a tough day to be on ball was a credit to a developing footballer.

After half time, when fatigue was always going to be an issue, the Bombers won their share of footy and challenged the midfield again. To their credit the young Ressies midfield rose to the challenge that was presented. Blake Davey worked hard in the ruck while Jeikwjuan Brown and Matt Poultney became increasingly damaging the further things went. Both showing a willingness to take risks and run through the lines to be as damaging as possible.

It was a strong win to get the Ressies on the board and while the young midfield was damaging the story of the day was in the front of the footy. Rhys Cousins had not played footy since 2021, he blew a knee up last time he did. He is trying his hand at being a hockey goalie but could not resist the chance of a return to the Hawks with a kick up at the Cross. Starting in the goal square he was quick to hit the scoreboard, indeed a running goal where he beat two opponents to the ball, ran around them on the way back to the big sticks was an effort that made many in the crowd decide to give him a wide berth at the bar that night. Cousins would finish with five goals, an effort which was restricted by a prick of a coach who sent him to full back for the last quarter! Who is that guy?

Teams should always do all they can to play. Forfeits should be the last bastion of a club beaten by circumstance not one that fears losing. For a game of footy gives us all a chance to see the collective and individual efforts which make footy a remarkable thing to watch. Full credit to the Southern Cross and Narembeen Footy Clubs for making a commitment to always play.

### **Run Forrest Run...**

Aussie Rules is the most over analysed simple games in the history of the world. At the highest level they have stats taken on about everything. There is however a stat that gets undersold, an effort that deserves more recognition, and that is the simple willingness to run.

Up at the Cross on Saturday the Hawks found themselves in a contest early as the Cross showed themselves to be more than competitive. Under pressure the Hawks were finding it hard to really get their system right and found their foot skills letting them down. While the game was being played primarily in their half of the ground the Cross were holding them at bay. The maroon and gold needed to find a way to make the most of the control they had on the game.

That way, that point of difference, in the end was the willingness of the Hawks to run. Unrewarded running is hard to do but so vital for footballing success. Running applies pressure, creates space, and provides options for those that are trying to move the ball. This kind of running was the point of difference the Hawks were able to find to shake off the Bombers and record a powerful win.

That running was led by Heath Spinks. Coming off half back, the younger of the two Spinks boys, constantly ran off his man to provide options for how the ball could get moved through the ground. Once the ball was released, he was quick to get back into position to defend the ball when it came back. He combined his willingness to run with wonderful intercept marking and superior foot skills in what was an impressive effort.

Tom Baldwin was again prominent through the middle of the ground where he set a wonderful example of effort for his midfield and simply got to more contests than anyone else. The Baldwin example was followed by Jimmy Kennedy who covered vast amounts of ground on the top wing, Nikau Brown who kicked a goal and was always working to be an option and Connor Spinks who was again seemingly in everything.

This midfield effort was also met by the work of the two Hawks ruck men. No one really knows how hard playing in the ruck is unless you've done it. To have an influence you must cover ground and get to contest and then you must jump into another big bastard when the ball stops. It is tough. It is also vital. Ben Gill and Jake Solomon shared these duties on Saturday and were able to have a real influence in giving their midfield first use.

It was another strong win to continue what has been a strong start for the Hawks. They were able to defeat what was a diligent Southern Cross side. It was a day where they struggled to have it all their own way and struggled to get their system right. However, the thing that set them apart in the end, that was their point of difference, was the willingness of them all to run.

*Best: H. Spinks, Baldwin, Kennedy, C. Spinks, N. Brown, Solomon*

## Narembeen Juniors 3 drew Souths Juniors 3

It was a sunny, hot day. We took the 2 hour trip to Kukerin and played a great game of hockey. In the first quarter, NB got 2 goals from Chase Smoker. We continued to play a strong team game in the second quarter allowing Chase to get our third goal.

In the last half of the game, Kukerin came back strong and got 3 goals. NB kept working hard but we couldn't get another goal.

So the end result was a 3-all draw. It was an exciting game!

Thanks to our coaches on the day, our supporters and sponsors.

Team: Bryce Tyler, Noah Browning, Dakota Miller, Aden Smoker, Imogen Hickey, Noah Smoker, Kate Smoker, Charles Robinson, Ava Wanless, Harrison Thorn, Nicole Smoker, Chase Smoker, Theo Cheetham, Chloe Browning, Eimear Hickey, Alfie Cowan.

## Narembeen A Grade 1 drew Souths A Grade 1

We had a very early start come Saturday morning, all on strict instructions to meet at the bus at 830 to leave by 9, yet we still ran late (could blame the numerous trips to get ice for the eskies, priorities right!). Two hours of singing, no scratch that, PERFORMING pitch perfectly and one pee break later, we arrived in Kukerin. Thank gosh we had an excellent bus driver (thanks Miranda) to get us there! When the starting whistle finally blew Narembeen had officially met their match. The first quarter was definitely our weakest, with Souths scoring their first goal against us. We kept the talk up however and didn't let it get to us, pushing hard to get a goal in return. We had many shots at goals and short corners, but the ball still wouldn't hit the back of the goals. They were strong and made very smart tackles. It was evident that a lot of space was being created in the centre of the field as we grew tired and we were tagging a few players whilst the ball was being constantly reworked back up into our attack, we were getting hungry! Come half time, we pulled our heads in, we wanted this, we worked our bums off for this! All our efforts in pre-season training pulled through as our fitness kept us in the game, something we were much stronger in. Finally we were playing our game. We took back the control and sent the ball in the back of the net by keeping on the goalies pads. Whilst the game ended in a draw, we took this as a humbling experience for us to learn from. We also have to remind ourselves that this was only round two and that we've got some time to fine tune things. Hopefully next year we can have our redemption match against them. The draw certainly didn't put a downer on our moods as we partied our way back to Narembeen in our pjs! It was a fantastic bus trip and many heads were sore come Sunday.

Side note: I'd like to apologise to Kulin pub for our singing that was definitely more like screaming, that was the espresso martini's fault.

## Narembreen B Grade 4 def Souths A Grade 0

On Saturday we travelled to Kukerin for round 2. A little warmer than expected but a great day for hockey. Our B graders really stepped up their game this week. Brilliant team work with everyone working hard. Special mention to the Noah's, they did a great job as our inners this week.

We had lots of second and third attempts on goal which made it a very exciting game.

Great structure in defence made it very hard for Kukerin to get near our goals.

Two fantastic goals from coach Nat Browning both scored while lying on the ground.

A third goal from Kim which was actually an own goal scored by Robyn Ogilve (thanks Robyn). A final goal from our captain Carissa gave us a 4-0 win.

Thanks to Kylee for being our goalie this week and Han and Sam for playing with us too!

Team: Kylee Slade, Shohan Hickey, Nat Browning, Kim Thorn, Carissa Wanless, Fabs Gracia, Noah Browning, Noah Smoker, Jess Smoker, Janelle de Gouveia, Hannah Kerse, Sam Nation, Bryce Tyler, Dakota Miller, Aden Smoker.

## Narembreen Men 1 drew Souths Men 1

On Saturday all 4 Narembreen hockey teams made the drive down to Kukerin for the first time in many years to play against Souths (Lake Grace & Kukerin ). With no idea what to expect it looked to be a challenging game ahead. Narem started strong with risks relentless attacking play in the first 7 or so minutes. Before long Souths got their rhythm and used their midfield to get and distribute the ball effectively creating some opportunities for them to score. However, both teams would be unsuccessful to hit the scoreboard in the first quarter. The next quarter kicked off again with both teams trying hard to keep possession of the ball. Narem made good work of their passing skills and worked their way up the field and managed to force some attacking short corners to put the pressure on Souths. With the Souths keeper playing an exceptional game and Narem's great defensive team work neither of the teams were able to score before halftime. In the last half of the game Narembreen would start to dominate the play having multiple short corners. South's did extremely well to not let Narem score from any of these. However, shortly after a shot on goal was saved by the Souths keeper it was picked up by Gus Latham and deflected in for a goal to put Narem up 1-0. Before the end of the third quarter Souths were hungry to even the score and before long had managed to get the ball in their attacking D and scored the equaliser. The final quarter saw Narem force another 5+ short corners but none were successful. Souths also had some opportunities to get the ball forward but were shut down by Narem's defensive line. The hard fought game would end with the scores at 1-1.

Team: Jordan Sprigg, Ben Latham, Sam Nation, Angus Latham(1), Josh Fuchsbichler, Tom Latham, Wes Taylor, Deakin Miller(1), Harry Sergeant, Garrick Yandle, Mick Smoker, Mikaela McCall, Connor Sergeant, Layne Thornton (GK)

26/04/23 (MEN'S WEDNESDAY NIGHT GAME)

**Narembeen Men 3 def Kellerberrin Men 0**

On Wednesday night the men's team faced off against Kellerberrin for the first time this season. With Keller having had some success in the last few rounds, the game was looking to be a good one. In the first quarter the fight for the ball was quite evenly contested With Keller having some fast breakaways and getting into dangerous places in their attacking D. Narem's defence led by Wes Taylor worked hard to keep Keller at bay and kept the scores at 0-0 til half time. Coming into the third quarter Narembeen started to take charge, rarely letting the ball leave their attacking half. Young Deakan Miller and Connor Sargeant kept the ball wide with some great leading and passing which eventually led to the first goal for Narem resulting in the score 1-0 at three-quarter time. Coming into the last quarter Narem would score again within 2-3 minutes extending their lead. The Keller boys didn't give up, defending out of their skin they were able to keep defensive short corners to a minimum making hard for Narem to score again. However in the last 10 minutes Narem would score again with a great cross ball pass that was picked up by Deakan Miller and swept into the back of the goals to leave the end score at 3-0 to Narembeen.

## CONGRATULATIONS NOAH SMOKER

On behalf of the Narembreen Hockey Club we would like to extend our heartfelt congratulations to our young hawk Noah Smoker. Noah has been named in the final 23 of the School Sports twelve and under hockey team.

His first trial with over 70 boys was on the 23rd April training on both Saturday and Sunday, he proceeded to the second round of trials last weekend and was successful in making the final training squad. The final team of 18 will be chosen at a later date to head to the tournament in Hobart in July/August.

Noah is the definition of sportsmanship and is always respectful to not only his team mates, but coaches, umpires and supporters. He always puts his team first and supports his peers to be better hockey players.

Noah was an instrumental part of the B Grade premiership in 2022 and this was shown with him awarded best on ground during the game. He was also B Grade's most consistent throughout the season and fairest and best for juniors last year.

Noah we are so proud of your achievements to date. You are such an asset to both the junior and B grade sides and are a pleasure to play alongside. We have no doubt that you'll achieve your dreams, whatever they may be!

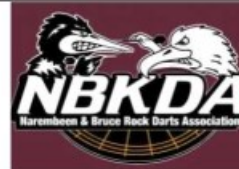

Love, NHC

### NAREMBEEN GOLF CLUB

What beautiful weather we are having for golf. The course is magnificent... saved by 6mls of rain last Tuesday. Huey can send us down some more whenever he likes!

On Wednesday the Ladies played a Stableford for the Carol Currie Trophy. The Winner with 40pts was Kellie Mortimore. She broke that 45 handicap as is now down to a 41. That should keep her out of the trophies for a bit to give us other Muppetts a chance!! Well done Kell. Runner up was Miranda Noack with 34 pts. Julie Miller got a ball with 32pts.

On Sunday a great field of Men played a Par round for the Scott Stirrat Trophy. There is no stopping this "old fella." Mick Toovey took the money again with a whooping + 5. What a great effort... What are all you young Guys doing.? Think you need to practise every day like Mick. Runner up was Pete Cowan with a + 3. Other good scores were Robert Hayter +2, Scott Stirrat +1 ,and John Currie , square.

The Ladies also played a Par. Kyla Padfield was the winner here coming in square. Kyla's best score. Great to see these new Golfers doing well. Well done Kyla. Julie Miller was runner up with a -1 and Miranda Noack a -3.

This Sunday the Men have a Stroke Qualifying round. This will be the Patrons Trophy. Mick Toovey is our Patron so the rest of the Members are in with a chance here!

Subs are coming in slowly so if we could all remember to pay them within the next few weeks that would keep the Treasurer happy. The Men's Captains know how to keep the Treasurer happy!!
