Hello,

Hope everyone is well.

On the 10 June, a 27yo female person of Bruce Rock was stopped driving at high speed, speed detected was 149kph/110kph zone, she was also affected by liquor and charged with Excess 0.08. She will appear at Merredin Magistrates Court. Speeding and Drink Driving is an extremely dangerous combination. Please do the right thing, use common sense, drive safely and respectfully consider other road users.

On the 12 June, Narembeen & Bruce Rock Police arrested a 46yo male person of Wadderin with Attempted Burglary following inquiries into an offence which occurred in Wanneroo in May. He will appear at Joondalup Magistrates Court later next month.

It was also great to have chat with the Narembeen DHS 7-10s in relation to internet safety, notably distributing intimate images and sextortion which is an increasing problem. Thank You for the invitation.

BEHIND THE GOALS

10/06/23

Narembeen Juniors 3 def Burracoppin Juniors 0

After a break for the long weekend we were all pretty excited to get back into hockey. We played against Burracoppin. It was our first game against them this season and we didn't know what to expect. We started off strong and had a majority of the play. Their defence was tough but Jack Wanless managed to sneak a goal through. As the whistle blew to end the first quarter we were 1 nil up and feeling confident. We went into the second quarter and played a good passing game but didn't manage to get any goals. After a half time rev up from coach Caz (or maybe it was the oranges) we went back on ready for another strong half of hockey. We scored two goals in the last half. The first was a rebound off the goalies pads and Aden Smoker got a stick to it and thomma'd it in. The second goal for the half was scored when Noah smoker passed it across the goals to our perfectly positioned on the post wing - Lucas O'Neill- who stopped the ball and skilfully passed it to Noah Browning who cracked it in. The last 5 mins saw Burra score from a quick break down the field where Harrison and Lyla (our goalie) put up a massive fight but they just managed to sneak it in.

Big thanks to our goalies - Charles and Lyla - and to those who helped them with the quick half time change over. Also to our captain for the game, Harrison.

Overall we were very happy with how we played.

(Aden Smoker)

Narembeen B Grade 0 drew Burracoppin B Grade 0

After a weekend of no hockey, we were all very ready to get out there on the field again. It was a tough game where we dominated in attacking and had a great number of shot at goals, but Burra brought their A-game in defence with no balls going through. In our backline we had Fabs, Carissa and Kim playing some amazing hockey and making sure that the ball did not stay in their 25 for too long, resulting in a nil all score when we wrapped it up.

We also had Shae back with us this weekend for the first time this year and boy did she bring it!!

(Janelle de Gouveia)

Burracoppin A Grade 2 def Narembeen A Grade 1

7 Rounds in and the 10th June saw the A Grade girls do battle against rivals Burra for the first time this season! A beautiful winters day and a hard fought B Grade game set the tone for a cracking display of A Grade hockey.

After having a week off the girls were more than ready to get back onto the field and regroup as a unit. The first quarter was a hard tussle of hockey, the ball was travelling to all parts of the field while both sides found their feet. Unfortunately it was Burra who settled first, with a goal of a short corner in the first quarter.

Second quarter was a much better defensive display from Narembeen led by Maddie Della in centre-half back. Our strikers started to move around more which allowed our midfield to distribute the ball to them. While plenty of opportunities arose for our mids/strikers, Burra's defence was just too good and we were unable to convert at the half time whistle.

After some tactics talk from our wonder-woman coach Emma, supported by Mel Williams and Tinny Yandle we were determined to get out and play our brand of hockey.

Unfortunately we didn't start quite as well as we would have liked and Burra managed to once again break down our defence. All of a sudden Burra had un-manned players in the D and Mads Noack found herself in a one on one with a striker at spot, a dive to the left wasn't enough to stop the ball thudding against the backboard.

The last quarter saw glimpses of Narem's style of hockey with coach Em Miolini thumping a goal into the corner of the backboard off a short corner. Unfortunately time wasn't on our side, teamed with Burra who were relentless. End score being 2-1 to Burra. A great display of hockey from both side and looking forward to a rematch soon!

Players Choice: Kylee Slade

Team: Emma Miolini (Coach), Maddie Della Vedova (V/C), Maddi Noack, Kylee Slade, Bonnie Taylor, Gina Cheetham, Felicity Cowan, Hannah Kerse, Mikaela McCall, Georgia Miller, Fabs Gracia, Carissa Wanless, Kim Thorn.

Narembene Men 5 def Burracoppin Men 0

On Saturday the weather turned out to be beautiful, not too hot and not too cold for the Hawks. The whistle went and straight away we were doing excellent one twos down the field and before you know it Gus had a shot on goals, the goalie saved the ball and Gus didn't give up and after all that fighting the ball went into the goals.

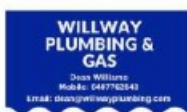

Burra was not giving up that easily and kept fighting for that like there was no tomorrow. They had a few shots on goals but our amazing goalie Layne saved them all. Narem got the ball back and were eliminating players with back and forth passing all the day down to our attacking half. Jordan got stuck on the baseline with the ball but luckily as Jordan went for goals a burra player hit the ball into the goals.

In our second half burra were getting tired but they still were not giving up. burra got stuck in their defending 25 as the hawks had a really good press going on and they didn't know where to hit the ball. We finally got a short corner and it went straight to ben and straight into the goals. In their somewhere Jordan did get another goal I believe it was also off a short corner and I do believe Nathan got a goal (that guy can run). That leaves the end score at 5-0.

Players Choice: Ben Latham

Team: Layne Thornton, Sarah Latham, William Gray, Josh Fushsbichler, Cameron Sims, Gus Latham, Connor Sargeant, Harrison Sargeant, Garrick Yandle, Jordan Sprigg, Nathan Sprigg, Ben Latham, Wesley Taylor, Samantha Nation, Jeikwjuan Brown.

Narembreen Golf

What a wonderful club we are? The volunteering is outstanding as shown by the terrific roll up at the men's busy bee last week. Burning, line marking, sanding and oiling of the greens were on the agenda. It didn't all go to plan but our "head of grass" maintained his calm and it was all done by dusk. Good job blokes, at it was a massive, dirty day – and some of the elder statesmen managed a few holes too.

The men played the second qualifying round for the President's (Rob Miolini) Trophy. It was damp and COLD – and the newly oiled greens a tad challenging. One bloke coped well and romped home with a 76 gross and 72 nett to win the day. Well done Mike Currie though the captain Aaron Lyon may have spat some chips at being pipped with his 73, Damon Hayter 73, Ben Hunter 74 and Rob Miolini 76. Mike also won the Long Dong#1 and Best 2nd. Garrick Yandle (a big welcome to you Garrick) won NP #15 and perennial, David Campbell Best 3rd#11. Also, welcome to Brendan Maher. Now we are only looking for Karl Browning to finish off the list.

On Wednesday, another prestigious award was up for grabs, the captain's (Noela Cole) Trophy- again a stroke, qualifying round. The scores indicated only one woman had fun and that was our "wife of the head of grass," Sheree Thomas having 37 points. A fabulous score Sheree and her birthday to boot. Apparently, the celebrations at the pub later were memorable. Miranda Noack was again amongst the balls with a 33 and good scores to Carol Currie, Sherrie Heather and Julie Miller on 31. The rest of us were pretty abysmal! The LP #1 was won by Maxine Miolini and NP#17 Julie Miller. Some of us were just glad the day was over.

On Sunday, the women also played in the cold with Kyla Padfield winning on a -4 and Joan Cusack R/p -5. Kyla was despondent after the first 4 holes but realised par is better than stroke and then she picked up NP#17 and Chris Padfield the LP#4. It was a tough day at the office.

Selflessness

One of the most undersold facts about football is that it is not always the most talented side that wins. Pure talent just doesn't get you there on its own. Talent is important, no doubt, but you also must have other things to be successful. What a team also needs to be successful, is they need to be selfless. Selflessness is a foreign instinct for many these days as we live in a society that suggests we should be the opposite, suggests that we should be self-centred in order to succeed. Society is wrong.

I'm not sure Lindsay Brown got a touch in the first quarter; however, he did four things that helped his team no end. Four times Brown sacrificed himself with a move to block, tackle, or smother for his teammates. Each effort created an opportunity for the Ressies to move the ball forward and each effort slowed down the movement of the talented Burracoppin side. These were completely self-sacrificing efforts from Brown which set the tone for the Ressies.

A close game at quarter time the boys took control in the second stanza with what was a strong breeze. Archie Saunders revelled the chance to have extended time in the midfield and not only won contested footy but showed his class in the air with some strong contested marks. Saunders was part of a hard-working midfield group which met the challenge of a pacy Cats line up and never let control slip. Nikau Brown was again good at the stoppage as was Baden Kennedy who continued as strong season in the middle.

Almost five goals up at the long break the Ressies looked to maximise their advantage into the breeze. Kyle Della relished the chance to move across half forward and presented his midfield with a strong target. The Cats didn't go away however and looked to create opportunities down breeze. This tested both the Ressies defence and midfield. The Will Gray led defence absorbed the pressure that came and with some selfless defensive running from the midfield were able to repel the Cats at every opportunity.

Finishing with what was still a strong breeze the lads had the chance to push for a big win. With Rhys Cousins, Kyle Della, and the returning Brandon Strahan in front of the footy they had some real big targets to hit. To the credit of the whole group, they dominated the quarter but just couldn't kick straight. They would kick 3-5 for the quarter and end up kicking 11-14. It would equate to a well-earned 64-point win. A win against a good opposition which would see the Ressies move into second spot at the halfway point of the season.

It was a win that was characterised by the things that the players were willing to do for each other. It started with the tone set by Lindsay Brown and grew from there. Rarely were they outnumbered at a contest. The midfield worked back to help, and the tackling was intense. Players celebrated each other successes and every player spent time on the bench in a show of faith in each other. They were committed to being there for their mates and as a result played in a strong win. For being selfless is what a good side does.

Ressies	11-14	80
Burracoppin	2-4	16

Best: Della, Saunders, Kennedy, N. Brown, Mortimore, Poultney, Hills

So, after losing their first two games of the season the Ressies have now won five in a row to finish the round. To the credit of the players, they have gathered around the side and grown each week. They sit second on the ladder and have given themselves a chance to challenge again. It is just a chance however and they will need to continue to commit to each other to take that chance in 2023.

How good?

The hardened individuals, the people who portray themselves to be 'worldly' will tell you that we live in a results drive society. That we are either winners or losers and damn all the rest. They would say that those that win should be exalted and those that don't should be dismissed for that is how the world works and look to point their right. They are also however very very wrong. For such an approach to life ignore the fact that there is so much that we can't control. So much that gets in the way that we can do nothing about. What the real winners do is not win all the time on the scoreboard but answer themselves one simple question, how good can I be.

At the halfway point of the season the Hawks sit on top of the ladder two and half wins and 120% ahead of the nearest rival. Rivals that are gunning for the Hawks in the second half of the year, no doubt. Hyden and Bruce Rock both ran the maroon and gold close in the first round and will be tough opposition in the second. However, sitting in the position they are, this needs not to be the Hawks focus. Narembeen has a good side, a side that is winning and winning well, their focus now needs to be, how good can they be.

Against an undermanned Burracoppin league outfit on Saturday the Hawks won by 100 points. With the win favouring the town end of the ground they were able to move the ball with efficiency and pace down breeze and hit the scoreboard well when given the chance. Four players would kick three goals with Thomas Latham having perhaps his best day of league footy at full forward. Into the breeze the lads struggled to be as efficient but to their credit their defence across the ground was good enough to hold their opposition at bay.

Indeed, the Hawks work into the wind showed that they are capable of very good football. Key defenders Jay Gill and Chris Shaw continued what has been a good season by not only winning their position but showing dare and skill in moving the ball out. Shaw, 20, in particular showed impressive speed for a big bloke as he attacked with ball in hand more than once. When they were defending the Hawks showed faith in each other as well. They weren't bees to the pot; they trusted their mates to win the contest and got into dangerous spots to receive. Then when their mates did get beaten, they worked hard to assist.

Footy with a strong breeze can be counterproductive. It is easy just to kick for distance and not think about presenting your forwards with the best chance to score. To their credit the Hawks showed the capacity to be better than that on Saturday. They kept space open in front of the football and looked to get the ball on the open side as much as possible. Their field kicking was exceptional. This kind of decision making, and skill gave their big forwards like Latham and Jayden Hooper the chance to get one out and go to work. It was good football, and it was good enough to win and win well.

Hawks	19-10	124
Burracoppin	3-6	24

Best: Shaw, Baldwin, Hooper, Duncan, Latham, Clarke

Odds are that someone will get the Hawks at some stage. History suggests they will drop one. However, odds and history are things that this group, or any group for that matter, can't control. All they can control, all they can keep working on, is how well they can play the game. How good a side can they become. For if they focus on that and maximise the opportunity that the start of the year has offered, then they may just prove society wrong.

Home Grown Pride....

There was a time when country footy clubs could rely on the growth of locals. Farms were aplenty and farmers sons who came back on the farm and inevitably played their footy for the local club. Your colts became your league side and so the cycle went, you just had to wait. With farms only getting bigger and the idea of coming home to the farm not as common as it once was, it just doesn't happen that often anymore. This is why when it does, a footy club should take that extra minute to appreciate it.

Ben and Jay Gill grew up and learned their footy in Naremben. They both went right through to year ten at the local school and played juniors until they were fourteen and started their senior career in year ten with some Ressies footy. In fact, Jay started his senior career at the age of fourteen. They are the very epitome of home-grown talent. Today they played their 100th game of senior footy for the Hawks, together. A fact of which all Hawks supporters should be proud.

Ben, the older of the two, has returned to the footy club this year after a couple of years away. His return has brought nothing but positives to the Hawks. Known as 'The Pig', for reasons best his Mum does not know, he is a big key position player these days. He spent today in the ruck and acquitted himself well. Ben plays his footy in a manner that makes it clear that he values his teammates highly. He is the first to try and win a contested footy and the first to support a mate when he needs it. He has played a key role in the Hawks undefeated first half of 2023.

Jay, known as Chopper for reasons of which this reporter has no idea, played in a winning Ressies flag at the age of 14. Super quick as a kid, Jay took off in that Grand Final on the outer wing at Bruce Rock. He took a bounce, then another and then had to go back and get the second after he had forgot to grab it when it came back to him in the first place. However, his pace and skill allowed him to retrieve it without problem and then continue his run, it was a memorable effort. Since then, Jay has grown into a league defender of increasing class. He is tough and still quick, but he also has started to take strong intercept marks when the situation asks. Like his big brother, he has also played a key role in the Hawks undefeated start to 2023.

Footy clubs anywhere but especially footy clubs in the bush should be proud of the local talent that they can produce. They should be proud of the way that they play and appreciate the commitment they provide. The Hawks have long been lucky that they have always had several home-grown products that have done them proud. That pride should certainly be felt by all in sundry when they talk about Jay and Ben Gill.

Narembreen CRC Update

Hello everyone,

we hope you had a good week. I am sure there is a few happier farmers around with the lovely rain over the last week!

YOUTH LEADERSHIP FORUM

Last week the Narembreen CRC hosted the Youth Leadership Forum at the Rec Centre.

Over 80 students from Narembreen, Kulin, Lake Grace and Corrigin attended the day with speakers who travelled from far and wide to deliver leadership development skills to these young people.

They thoroughly enjoyed hearing Lorin Nicholson OAM and Nathan 'Dubsy' Want share their personal stories and insights on leadership.

Zero2hero also delivered their leadership core values workshop and following lunch the students went into different break out sessions with Jo Woodruff & Jess Daniels from Holyoake, Greg Hire (previous vice-captain of Perth Wildcats and), Founder of 'A Stitch in Time' and Andy Galbraith, York Police Sergeant, who used this opportunity to break down some of the barriers and build positive relationships with some future champions.

Overall it was just a great day— the students were exceptionally engaged and interactive, very well behaved and treated each other as well as all presenters with respect.

I have been extremely impressed with the behavior of the students that attended and would say that the event was very successful.

Feedback from all presenters present has been

exceedingly positive and I have enjoyed working towards the forum, even more so now reflecting back on such a successful day and the impact we have been able to make in the students' lives.

A big THANK YOU to Lynda Cornish, who approached me with this idea approx. 6 months ago and has been an immense help with the implementation of this project.

Thank you also to the P & C for providing a beautiful lunch (as always).

This event was proudly supported by:

- Department of Communities through the WA Youth Engagement Grants Program 2023
- Holyoake and the Wheatbelt Suicide Prevention Project (WSPP)
- CBH Group through the Grass Roots Grant
- Commonwealth Bank
- Shire of Narembreen, Ramelius Resources & Go Narembreen through the Community Benefit Fund

This event would not have been possible without their support!!

SOCK WEEK is just around the corner—stay tuned to find out how to get involved this year!!

MORNING COFFEE CLUB is happening next week 10.00am at the CRC!! Don't forget and RSVP for catering purposes.

Enjoy your week.

Preparing Students for a Changing World

Week 6 of this term saw our students from Year 5 – 10 involved in an outstanding Leadership Forum which was the result of a lot of hard work by **Ms Lynda Cornish** and our CRC manager **Vanessa King**. They had the privilege of listening to some amazing stories of resilience and leadership and I certainly hope they were inspired by what they heard. **Many thanks to all who were involved in the event and the wonderful sponsors, who ensured that our youth could be given this opportunity.**

The follow up half day for this, will be held at the school, this **FRIDAY JUNE 16 2023** from 1:10pm – 3:10pm, this will be backed up by the **PLC disco** in the evening, from 5:30pm – 7:30pm.

INTERSCHOOL CROSS COUNTRY 2023

What an amazing first half of the year we have had in sport!! On the way home with the four girls I took across to Bruce Rock with me, we discussed what we have competed in so far this year, and what we have won. Do you know that we have won everything we have been involved in so far! We brought home the two SCDHSSA Interschool Swimming shields, we won the cup and the High School Wheatbelt/Goldfields Fever Carnival at Northam, and we won the cup at the CSBP Primary Hockey Carnival at Narrogin! Then on Friday, we won **ALL THREE SHIELDS AT THE COMBINED SCHOOLS CROSS COUNTRY**. Now we do have a history of success at this event, generally, in the Overall and High School section, but this year, we had a great all-round team, and we brought home the Primary Shield to add to the trophy wall!! To our champion team, well done on your commitment to training for the event, and congratulations on the manner in which you represented your school and community on Friday. Sitting up where I do, I get to see the middle sections of the race, the hard part, where many of the competitors walk as they cannot be seen, and not one of our students walked, they might not have been up with the leaders, but they ran the course, and finished to score points for their school.

Many thanks as always to the parents for their support of the event throughout Term 2, without you understanding that it is not damaging them, and finding excuses to get them out of the hard work, we would never be where we are now. Yep, we are the school that continues to find a way to win, and isn't it better being the one being chased 😊.

Huge thanks to all of our primary staff for their diligence in training the athletes, most especially Han Kerse, Georgia and Matt during PE sessions. Thanks to G for his efforts with the high school students, and it must be said that things were a bit close at the event in this area this year!! We were down in this section prior to the running of the final event, the 14 & Over boys, when we notched up 19 points with 2nd, 3rd and 4th!!

YEAR 1 ASSEMBLY WITH THE PP CLASS REPORT

Great to see the **SUPER SEVEN** confidently giving us a run down on what is happening in their classroom, and well done to Paige who had her first experience of organising the item or report. The biggest class in the school, Year 1, did a great job with their item. There are 21 of them and they are a credit to their teacher Mrs Lucy Lines.

CSBP PRIMARY HOCKEY CARNIVAL 2023

It has been a big couple of weeks in sport, last Thursday, after a wonderful day learning about leadership and making the most of every opportunity, two mixed hockey teams headed to Narrogin to give it their all for their school and community. With **Georgia Miller** coaching our Number 1 side, and **Hannah Kerse** our Number 2 side, these teams were in good hands. They were backed up by **Mrs Jess Smoker** and **Mrs Carissa Wanless** as umpires and **Mr Luke Smoker** as bus driver and chief supporter! **Many thanks to Carissa and Luke** for giving up their time for our students and to Hannah, Georgia and Jess as staff members, for their efforts to enable this event to go ahead. It was after all, a 6:45am start and an almost 5pm finish, so thank you for your time.

Both teams had success with our Number 2's coming in Runners Up in their block. Our Number 1 team went through the day undefeated, and as such were the winners of their block over the day. It was a day of great competition and although Narrogin was a longer trip, the consensus was, it was worth it for the high level of hockey being played (the Bruce Rock day coincided with the Youth Leadership Forum).

Well done to Narembreen Number 1 Mixed Hockey team on their win on the day 🏆

CSBP HOCKEY WINNERS:

CASSEROLE DINNER FOR WINTER SPORTS SATURDAY JUNE 10 2023

Wow, what a great spread our parents provided for the winter sports competitors and supporters on Saturday night. It was just delicious and certainly hit the spot on a cold evening after a full day of hockey, netball, and football. Thank you so much to all the parents who donated casseroles, it was just terrific.

Our thanks must go to our organisers **Sarah Kuhne and Bianca Currie**, and to **Sarah** again for her hard work Saturday afternoon and evening. Many thanks also to her helpers in the kitchen who worked all evening setting up then cleaning up:

Shohan Hickey, Trista Federici, Lucy Lines, Tenille Cole, Hannah Chitty, Paige Dunkeld, Pauline Kuhne, Joanne Cheetham, Hannah Kerse and Erin Lindsay.

This fundraiser brought in a total of **\$2610** for **Camp and Country Week**.

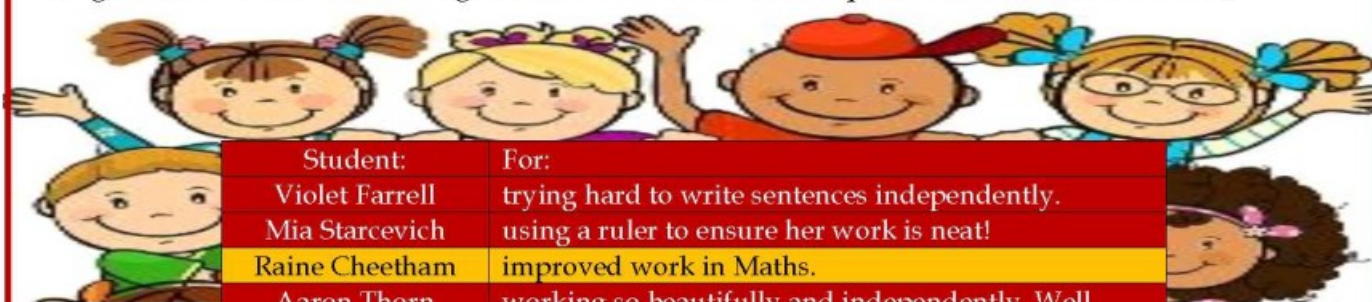

BOOK FAIR IS ON THIS WEEK, GET IN THERE AND GET SOME NEW BOOKS FOR YOUR CHILD/REN 😊

This great event is on **ALL WEEK** in our library 😊. There were lots of our students in making selections today and we look forward to seeing all of our classes go through and peruse the great books for sale. Thanks to **Erin Lindsay** for her organisation of this event and to **all the helpers who have volunteered to help throughout the week.**
