# Over the Fence...

Welcome to another edition of *The Fence Post*,

I hope you are finding ways to keep warm or at least mustering motivation to leave your bed, as difficult as that may be during a cold July! Unless of course you have managed to get away to warmer climates in which case we would love to read about it and be warmed with jealousy if nothing else! Half way through 2023 already, starting Term 3 for school aged kids and another financial year for those of us who have to pay taxes! Not too much to report I'm afraid but nice to read about Narembeen's continued sporting success from page 10 onwards.

Due to unforeseen circumstances our local post office has been closed more than usual. Thank you to our other distributors for taking on some extra copies and could those who usually have a subscription collected from the post office please pick it up from the CRC. You possibly have it emailed as well but if you could collect the hard copy it would be much appreciated. As always, thank you to all for your loyal support and until next time, happy reading!

Jodie Batty

## Congratulations!

A morning tea at the Autumn Club was held to celebrate Dawn Sedgwick's 90th birthday on Thursday 13th July.

Dawn was able to celebrate it with her friends from Autumn Club and some of her family members also were able to join her, including a surprise visit from youngest daughter Diane who flew in from QLD.

A beautiful cake made by Emma Miolini was cut and Dawn's sister-in-law Cec Aurish from Bruce Rock played the piano to sing "happy birthday".

### State Representative

Congratulations to Narembeen's Thomas Baldwin on being selected in the 2023 WA State Country Football side to take on South Australia at Optus Stadium this Saturday. In a first for the club since club legend Grant Mills represented the state in the late 90s, Baldwin has been rewarded for a strong season so far at the Hawks. Tommy will be part of a side that not only gets to play at Optus but also will include some class players from all over the state. A huge achievement from a classy Hawk.

See more details and the full players list as published by the *West Australian Football Commission* on page 18.

## **HISTORICAL SOCIETY HIGHLIGHTS - July 17<sup>th</sup> 2023**

With a number of people away at present there were seven members and one visitor at the July meeting.

L. Lethlean reported that she had met with relatives of the Burr family who were interested in finding details of their family farm. It was found that the property is now owned by Peter and Julie Bailey.

Jenny Bass from Victoria also visited and asked about the Phillips family as she was a relative. She was given what information was to hand.

Chris and Peter Hogan who visited recently hope to return in September to visit the former farm of Chris's uncle Sandy Goicoechea.

In August Lucy Lines and class will visit the Spotters Post and will be shown through by Hazel Toovey and Chris Bray.

Some discussion took place regarding the future of Avoca Farm. Readers are asked to watch for information from the Shire seeking ideas on this matter.

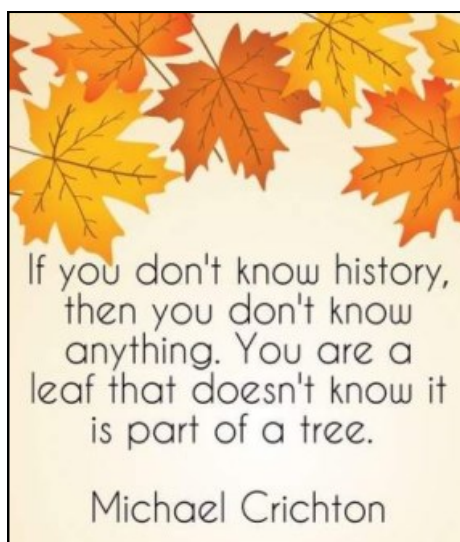

It was suggested that the Emu Hill townsite be marked in some way perhaps in a similar way to the displays at South Kumminin and Billericay.

Visitor Neville Marsh presented several diaries written by his uncle Wilfred Savage. These will be placed in the Savage file.

Due to cold weather and absence of members from town the Shed Sub Committee has not met lately so we hope this will take place with warmer weather.

The society is extremely grateful to the Mortimore and Thomas families for their donations - \$2,070 through the GO NAREMBEEN seeding program. This is a big injection into our bank account allowing us to undertake further projects. We also received a grant of \$200 from Mia Davies and with these funds have purchased a coin display book and a photo booth for the photographing of artefacts in conjunction with cataloguing these items.

There was some discussion as to the venue for our end of year function and this will be further discussed at the next meeting on August 21<sup>st</sup> at the History Centre at 2pm. We welcome new members with new ideas so please join us.

## **BUDGET ADOPTION**

Preliminary preparation of the 2023.24 draft budget has now been completed and Council will consider the draft budget at its Ordinary Council meeting on 18 June 2023.

Once the budget is adopted preparation of the 2023/24 rate notices will be undertaken with delivery to ratepayers expected in late July 2023.

The Shire will be including the annual Bushfire Information Notice with the rates this year and landowners are urged to read and be aware of their obligations for their property requirements to comply with notice, especially property owners within the townsite as there has been changes made to the requirements for townsite land compared to previous years.

## **Narembeen Golf**

### ***The push up King was victorious.***

On Saturday our illustrious captain, Aaron Lyon, dominated the B C Cusack Cup and celebrated in his usual style, though how many push ups he did is questionable.

Aaron had 42 pts and Sam Bald was a close second with 41 on a C/b from Adam Miolini. Gill Jones started with a very impressive 4 birdies and romped home with 39 for the gross from Mike Currie 34. The course was magnificent and 43 players made sure the competition was tight though how the men can find their balls so far in the bush is beyond me. They travelled from Kondinin, Ardath, Bruce Rock, Perth, Mandurah and Mukinbudin which was wonderful. Thanks to the Cusack family for their continued sponsorship of this event.

On Sunday those capable of fronting up played for the Stephen Padfield trophy, a stableford and the Patron, 94-year-old Mic Toovey did it again and won with 38pts from Scott Stirrat 36. Paul Wanless and David Pollard had 31. David also won Best 2<sup>nd</sup> #3 and NP17 with Paul picking up NP #9 and John Currie the Long Dong #1. Not bad for an elder statesman.

On the Friday we held the Ladies Open Day, a 4BBB and had 38 people participating which was a big improvement on latter years. It was a good day with minimal wind and rain so we breathed a sigh of relief. The course, thanks to H.O.T.G and men was beautiful and much admired by the visitors. Hyden, Kondinin, Kulin, Corrigin, Quairading, Tammin and Mandurah all came along to play on a course they all loved. Sponsors Gina & Alain DeLuis, were very generous, the course magnificent and the food great as usual. The winners were Kim Smith and Erica Rawes with 44 from R/up Our Julie Hayter and Anita Cowan on 42. Di Hughes and Harry Ibbotson won the gross with 23 from Marie Guinness and P Sturges with 20. The most important part though was that the Narembeen women cleaned up on the raffles- especially Di Miolini and Eilish Bailey who though not playing turned up with their signature cakes.

The local women also demonstrated their great partying ability and wish to thank the local Uber driver for assistance fairly late at night.

Last Wednesday the women played for the Chris Padfield Trophy, a stroke, and Kyla Padfield left the field in her wake as she posted a 69nett closely followed by Chris Padfield with a 71 and good scores went to Maxine Miolini 76 and Darien

Pascoe, Carol Currie and Julie Miller 77. Miranda Noack won the gross with a 93 on a C/b from Julie Hayter. On Sunday only four women had the stamina to front up after a solid few days. Carol Currie emerged the winner with 37pts on a C/b from Anita Cowan. Well done.

*The weekend of golf was wonderful and we thank all our visitors and the club members who worked so hard to make it such a success.*

# BEHIND THE GOALS

## Narembeen Juniors 2 def Burracoppin Juniors 0

## Narembeen B Grade 1 def Burracoppin B Grade 0

After a frosty start to Saturday, the sun shone bright as we headed to Merredin to face a very well oiled Burracoppin side. With 4/5 of their young boys extremely hockey fit after 3 days at club championships in Perth, we knew it would be a tough challenge. But it was a challenge we were prepared to take on, with top of the table up for grabs resting on this game. From the start of the game, we came out strong and as a team. Throughout the season we have been working on the simple skills, passing, trapping, channeling and talking. Saturday this all came together and we came away with a 1-0 team goal ending with Bonnie Taylor popping it in the back of the net. Congratulations and well deserved players choice went to Fabs Gracia and Deacon Miller. Deaks has truly come to form this year and it showed during this game as well as his captancy of the inaugural J 9/10 EDHA club champs team. Many thanks to Felicity Cowan for being our goalie for the day and Rhiannon Stewart for pulling on the maroon and gold again!

(Carissa Wanless)

## Narembeen Men's 3 def Burracoppin Men's 1

This week we played Burracoppin in Merredin. The sun was out and had a bite to it before the game. Burra came out firing in the first quarter scoring a penalty stroke within the first five minutes. Towards the end of the quarter Ben Latham put the jets on in a break away scoring our first goal.

The second and third quarter were scoreless and evenly matched between the teams.

The last quarter was hard fought. Our game play that we've played all year was helping us out in the last quarter to grind the opponents down. Ben scored his second and Jordan scored the next running down the baseline and taking the goalie on. Final score 3-1.

Players choice went to Ben Latham

(Harrison Sargeant)

**Narembeen A Grade 1 def Burracoppin A Grade 0**

What a beautiful day for winter sport! Sun was shining, plenty of vitamin D to soak in!

We had a strong start to the game, all the girls getting an early touch using the early passes and looking dangerous down forward!!!

The second quarter we got plenty of short corners still dominating with 80% of the play! It took Maddie Della Vedova to muff a push out on a short corner to then have Hannah Kerse run in and deliver the ball to Emma Miolini for a short pass across to Georgia Miller who scored the goal with a beautiful hit to the corner!

Our third quarter was a tough one, Burra came out firing, with quick legs getting fast breaks they were able to get four short corners. Our defensive work on the short corners deemed too strong with amazing work by our backline, Mads Noack, Kylee Slade, Gina Cheetham, Bonnie Smoker and Maddie Della.

Forth quarter was our best with amazing passages of play, short sharp passing and plenty of shots on goal!

Overall score was 1-0, a great team game, fought right until the end.

As always a huge thank you to the girls that are playing their B grade game and then stepping up to fill in for the A grade. We couldn't do it with out you girls.

Well done to Hannah Kerse on player's choice BOG!

Bring on the finals!

(Maddie Della Vedova)

# NAREMBEEN FOOTBALL CLUB

Getting the job done.....

With five games to go the Ressies suited up back at home on Saturday to take on Southern Cross. While the boys sit second on the ladder they were, going into the game, on the same number of wins as Hyden/ Karlgarin and Burracoppin in the four. In the hope to secure the double chance in the finals the boys need to keep winning but perhaps more importantly they had the chance to just keep having fun.

The boys from the Cross deserve a lot of credit for doing all the work required to make sure that we had three games of footy but they needed a couple of extras to achieve that goal. Ressies boys Will Crane, Jordan Garlick, Blake Davey and Blake’s uncle Sean all put their hands up to help through the game. They all had a crack for the Cross and we thank them for their selflessness and congratulate the Cross for making sure they got a side together.

Once the ball was bounced and the game contest was underway the Cross presented a band of fleet of foot young midfielders that the Ressies had to counter. Led by Archie Saunders through the middle of the ground the young Ressies midfield got to work. Danny de Goveia continued his claim to being the most natural footballer South Africa has ever produced as he relished a run through the middle of the ground.

The quality of the footy that the boys were able to produce was continually impressive in patches. The boys were able to move the ball over a large amount of the ground and make really good decisions with the ball in hand. Kyle Della and Jeikwjuan Brown led this decision making and Cooper Sprigg was often on the right side of the ground to receive the ball on the switch. It was good footy for its skill level and for its dare.

Credit to the Cross though as what the Ressies weren’t able to do was really hit the scoreboard hard. The Cross put pressure on in the back half of the ground and at one stage in the third term, stopped the ball dead for a couple of minutes. The dam wall never quite broke but Mike Mortimore, Rhys Cousins and Lindsay Brown were dangerous all day. A left running goal from Mortimore was a highlight of what these dangerous forwards were able to do.

A 64 point win was strong and a job well done but probably not quite clearly indicative of how well the Ressies played. Full credit to the boys from the Cross who continue to compete hard in a tough season. For the Ressies they sit second on the ladder with four games to go.

Ressies	11	14	80
Southern Cross	2	4	16

Best: Saunders, Della, Sprigg, Crane, Mortimore, Lindsay Brown

Good Signs.....

With five games to go the Hawks find themselves a massive percentage clear on top of the ladder. They will play finals and have shown an ability to feel confident about going deep in them. They are a good side. Part of being a good side however is to maintain your standards and your hunger to give yourself the best chance to really achieving something in 2023.

The Cross have had a tough year. They won their first game of the year and unfortunately haven't been able to greet the judges since. It seems they may have lost some players through the year and are doing it tough. The Hawks were quickly on top and needed to put the foot down by playing good football.

Cody Duncan continued what has been a strong season of footy. Coming off a strong Carnival performance he was at his best on Saturday. He carried the footy through the ground and broke lines with his damaging foot skills. Two goals from outside the arc showed how important Duncan is to this Hawks side. Stepping into the lead ruck role Brandan Strahan made his mark as well. He was physically imposing at the stoppage and got around the ground as well, showing his worth to the team clearly.

The boys would have 24 shots on goal in the first half and needed to at least have as many shots in the second to maintain their standards. Tommy Latham and Mac Cole were off the leash in front of the footy as they would kick fifteen goals between them. While small forward Rhi Green would kick three along with midfielder Connor Spinks. The scoreboard was one thing but a closer look showed that the ball movement and work off the ball was still as high as ever in a contest where there were times it didn't have to be.

The Tommy Latham story is one worth telling. After coming to footy after leaving high school, Latham played a key role in a Ressies flag in 2022. Then over the summer he was approached by the league coaching staff with the encouragement to play league footy. To his credit it was an invitation he grabbed with both hands. He has committed himself to training, to developing his skills as a footballer and being a key part of the team. His seven goal bag was just reward for the hard work that he has put in through the season and presents himself as a key part of the Hawks going forward.

In the end the Hawks would win and win big. They reaffirmed their spot on the top of the ladder. However more importantly they did it in a manner that suggested they knew the importance of playing good footy at all opportunities. Of working hard when they didn't have to and celebrating the success of everyone. There is still a long way to go in 2023 but Saturday presented some good signs.

Hawks	27	19	181
Southern Cross	3	2	20

Best: Duncan, Cole, Heath Spinks, Connor Spinks, Strahan, Latham
