THANK YOU

The Coverley family would like to extend their belated thank you for the response from the members of the community for the recent accident Marjory suffered outside of the IGA. Your actions aided in her very long but successful recovery.

We would like to extend our appreciation to the first responders and Ambulance Offices that attended we are grateful for your assistance.

We also want to express my gratitude to Carmel and Maurrie Harper and Dale Dixon for packing belongings for her long stay in Perth.

To all the other friends, family, and neighbours for their support, well wishes and assistance in holding the fort in Mum's absence.

Leanne, Brian, Paddy and Marjory

This week has not been a very good week for news as the School is on holiday and we do not have any information "From The Chief". Perhaps next week there will be more news. I was hoping to have the next instalment of the 100 year School Reunion speakers talkbut not this week.

Looking back in history there doesn't appear to be many happenings either at this time of the year. The 28/9/1983 Fencepost only had 18 pages but I have managed to copy a couple of sporting items and inserted them into this weeks reading. It is interesting that same the names are still appearing after 40 years.

This past issue also included the birth of a baby girl for Peter and Debbie Hall - Our new president, Jodie Batty.

The Fencepost cover photo was a picture of the Australia II winning the America's cup. A great achievement for our country.

The Fencepost in 1983 took 2 days to type and assemble - we have improved with the installation of computers.

At our AGM discussion was held as to how to make our paper more informative and interesting. Several suggestions were made and some of these have been included this week, like - Jokes, colouring for kids and historical news. If you have information of any type that you would like to see, let us know and we will publish it.

Maybe next week there will be an update on our holiday in UK, Spain, Portugal and Morocco.

Happy reading

POLICE NEWS

Narembeen Police Station, 7 Longhurst Street, Narembeen, WA 6369
Phone: (08) 9045 6050

Hello,

We hope everyone is well.

It has been quite steady of late. We were called out to a serious traffic crash on Mount Walker Road. It was a crash which could have had a horrific outcome for all involved. Fortunately, the four occupants were able to get clear from the crash site before the vehicle caught fire.

A big thank you to those bystanders first on scene, SJA and DFES who attended and were able to help the occupants and take control of the scene. It is much appreciated. Inquiries are still continuing in relation to the cause of the crash.

There has been a series of diesel thefts in the Wheatbelt District, areas targeted so far include Wongan Hills and Cunderdin. Please be alert to any suspicious vehicles and report them. Ensure your diesel fuel is well secured.

OFFICIAL

We have received a report of a vehicle being driven inside the Wadderin Wildlife Sanctuary without consent. Please report any suspicious behaviour in this area to us.

We were called out to Marvel Lock to assist Southern Cross for a Missing Persons case. There were serious welfare concerns held for this person. A mobile phone triangulation showed the Missing Person was within a 200 km radius, still a very large area to search. Airwing assisted during the search.

The Missing Person made contact on his mobile phone with Merredin Police but was gravely unwell in the heat and unable to give his exact location, except to say he was near a water tank with his vehicle nearby him. Shortly thereafter, while patrolling we sighted a water tank on Old Marvel Lock Road but could still not find the male person. We activated our siren and Merredin Police advised they could hear the siren in the background while talking to the male person, so we knew we were close by.

We took a few 4WD back tracks and located the vehicle with the male person lying under a tree about 20 metres away in a poor state of health and provided him first aid. SJA attended the scene and took good care of him. It was a pleasing outcome which could have had a dire outcome.

During the King's Birthday Long Weekend, we conducted 207 RBTs. It was great to see no one blew over and everyone was driving in a responsible manner. We did however issue one speeding infringement on Mount Walker Road.

The maintenance and works at Narembeen Police Station have been postponed until Monday 2 October. We will be working out of Bruce Rock Police Station for approximately 3 weeks.

“JUST JOKING”

A man sees a sign on the Kickatinalong station gate - 'Talking cattle Dog For Sale.' He drives up to the homestead

"ANYBODY HOME!! He yells, the owner appears and tells him the dog can be viewed in the back garden.

The man sees a very nice looking Blue Healer sitting there.

"Do you really talk?" he asks the dog.

"Yes," the Healer replies.

After recovering from the shock of hearing the dog talk, the man asks, "So, tell me your story." The Healer looks up and says, "Well, I discovered that I could talk when I was pretty young. I wanted to help the the Army and i was sick of getting kicked by cattle, so I was sold to the SAS. In no time at all they had me jetting from country to country, sitting in rooms with Taliban spies and world leaders, because no one imagined that a dog would be eavesdropping. I was one of their most valuable spies for eight years".

"But the jetting around really tired me out, and I knew I wasn't getting any younger so I decided to settle down. I signed up for a job at Sydney Airport to do some undercover security work, wandering near suspicious characters and listening in. I uncovered some incredible dealings and was awarded several medals".

"Then I found a good Kelpie, had a few puppies, and now I've just retired."

The man is amazed. He goes back into the house and asks the owner how much he wants for the dog.

"Ten dollars," the owner says.

"\$10! But your dog is absolutely amazing! Why on earth are you selling him so cheaply?"

"Because he's a lying dog... he's never been out

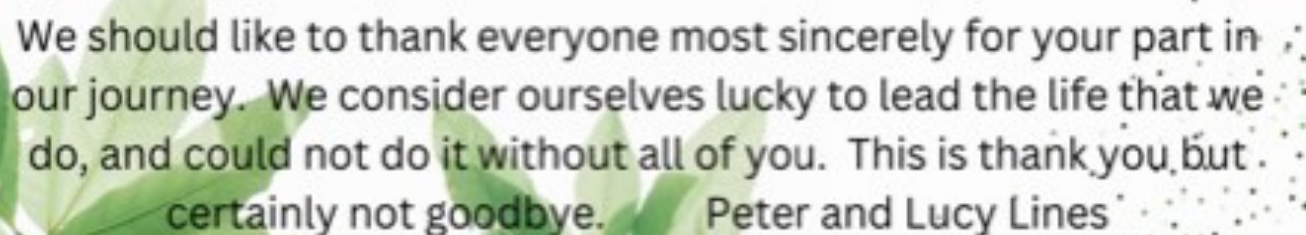

Thank You!

We moved to Narembeen in 2000; the first time we drove into town we felt this was where we wanted to call home. Since then Peter provided a medical service that was so important to him, and which he loved to be a part of. Our family have enjoyed the benefits of a wonderful country lifestyle, and we continue to live here in Narembeen, in the place that we are proud to call home. In the last couple of years, affected by injury and ill health, Peter decided that his on-call commitment of over 20 years should come to an end. He continued to provide a general practice service, supported by amazing staff.

The Shire has now successfully recruited a doctor who can provide a service that includes the hospital component, and we wish Michael and Rachel Livingston all the best in their growing ventures. We are working with them to ensure a smooth handover, prior to them commencing practice on 1 November. Until 28 October Peter will continue to work in Narembeen, with increased hours in his final week. He has commenced work in Merredin at Karis Medical Group, and is considering other exciting possibilities in the surrounding area. He is enjoying the challenge of being the 'new guy' and meeting new patients each week.

We should like to thank everyone most sincerely for your part in our journey. We consider ourselves lucky to lead the life that we do, and could not do it without all of you. This is thank you, but certainly not goodbye. Peter and Lucy Lines
