LAST EDITION

To all our Fencepost readers, this is our second last edition for the year. All those businesses who want to advertise in the last edition, please have your advertisements in by 10.30am next Tuesday. It is a good opportunity to advise the local residents of your opening hours over the Christmas Holiday period. Not everybody is on Facebook. For our regular readers it is also a good opportunity to wish your friends and family a Happy Christmas or even purchase an annual subscription as a gift.

BANK CHANGES

As Bankwest are no longer servicing our Fencepost business account we are in the process of changing over to Commonwealth Bank. The account number will be printed on new invoices issued at the end of the year. Please be aware of our details when this is all set up.

EMAIL ADDRESS

With changes happening all around, note that our email address has been changed also. If you do not get your advertisement in, it may have been sent to the wrong email address.

SYMPATHY

Our sympathy is extended to Marilyn (Maz) Beechey and her family on the death of her husband Rock (Ross). Rock and Maz came to Narembeen several years ago for a visit and lived in their bus at the caravan park for some time before building their own home in Longhurst Street. Rock was known around the town for his engineering skills and helping various organisations with his equipment, especially the Historical Society.

AUTUMN CLUB CHRISTMAS LUNCH CELEBRATION

Last Thursday the Anglican Parish Hall was the venue for Autumn Club's Christmas lunch. Members were treated to a beautifully prepared lunch by Danelle and Paul Hudnott. The hall and tables were decorated and special Christmas biscuits for all.

Thank you to everyone who helped make our day special.

Danelle and Paul Hudnott, Kerry Fricker, Betty Wanless, Halley and Mary Cowan and the Anglican Parish for the use of their Hall.

Thank you to our members for all your contributions throughout the year.

Gingerbread House, made by Betty Wanless was won by Joyann Antunovich. Other prizes donated by Halley and Mary Cowan went to Rhonda Hickey and Elsie Palmer.

Congratulations to the lucky winners

As we enjoy the festive season and look forward to another happy and productive year in 2024, we take the opportunity to wish everyone a joyous Christmas filled with love, happiness and prosperity.

Mary's Christmas Dream

I had a dream Joseph. I don't understand it, not really, but I think it was about a **birthday celebration** for **Our Son**. I think it was what it was all about. The people had been preparing for it for about six weeks.

They had decorated the house and bought new clothes. They had gone shopping many times and bought elaborate gifts. It was peculiar though because the presents were not for **Our Son**.

They wrapped them in beautiful paper and tied them with lovely bows and stacked them under a tree. Yes, a tree Joseph, right in their house. They decorated the tree also. The branches were full of glowing balls and sparkling ornaments. There was a figure on the top of the tree. It looked like an angel might look. Oh, it was so beautiful. Everyone was laughing and they were very happy. They were all excited about the gifts.

They gave the gifts to each other, Joseph, not to **Our Son**. I don't think they even knew **Him**. They never mentioned **His** name. Doesn't it seem odd for people to go to all that trouble to celebrate someone's birthday if they don't know **Him**? I had the strangest feeling that if **Our Son** had gone to this celebration, **He** would have been intruding. Everything was so beautiful Joseph, and everyone was so happy, but it made me want to cry. How sad for **Jesus** not to be wanted at **His** own birthday party. I am glad it was only a dream. How terrible Joseph, if it had been real!

"Let's put Christ back into Christmas"

For then there will be Peace on Earth for all Men.

NAREMBEEN JUNIOR CRICKET CLUB UPDATE

We all woke up early on Saturday just to get to Muku on time. With Rhave taking lead as captain, went out to do the toss, we lost but still got what we wanted, Fielding and bowling. We wanted to get it out of the way before it got even hotter. We all fielded really well and didn't drop many catches. Two people made some amazing catches being Charlie with a flying ball coming right at him. Then when Theo, one of the last bowlers bowled a ball right at the batter forcing him to tap it up and Spencer dove as far as he could and just reached it. When it got to batting we didn't get out many times and a couple of people even making fours. Noah Smoker whacked one nearly all the way for six but just bounced a couple centimetres before the boundary.

Team: Archie, Jack C, Rhave, Toby B, Noah, Chase O, Parker, Charlie, Spencer, Benji, Paige, Theo & Chase S.

Narembeen beat Mukinbudin by 26 runs.

PLAYERS OF THE WEEK Round 5: Rhave Palompo & Noah Smoker

We were all proud of the way we played and we won with the end score being 103-129. Congratulations to Rhave and Noah for getting best player of the game. Thank you to Sammy for coaching and Trista for scoring.

NAREMBEEN HOSPITAL AUXILIARY UPDATE

The Narembreen Hospital Auxiliary held their AGM on Monday November 27 2023, in The Lodge Activity room. The AGM saw office bearers elected for 2024.

President: Lynda Cornish

Vice President: Rhonda Cole

Secretary: Sheree Thomas

Treasurer: Di Pollard

The auxiliary welcomed Dr Michael Livingston and his family, and also welcomed Rachel, his wife, as a new auxiliary member. The auxiliary is always looking for new members -please feel free to get in touch with any committee members if you are interested in joining.

The auxiliary has been very busy over the past year. The president's report summarises what we have been up to. Our major project for 2024 is fencing and beautifying the outdoor area of The Lodge, to make it safer and more appealing to residents and visitors.

Thank you to all members for their work. The auxiliary wishes everyone the very best for a safe and happy Christmas and new year ahead.

President's Report AGM November 27 2023

Wow! Where has the year gone? I feel like it was only weeks ago we were talking about the AGM and Kerry was handing over the reins. Kerry thank you, you have continued to be on call and involved with the hospital auxiliary, in every way. We are so grateful for your input and experience. On that note I would like to thank everybody who has been involved in the hospital auxiliary over the past year. Everyone has done their bit and helped in some way, whether it's been bringing morning tea, speaking at St Luke's service, selling raffle tickets, enquiring about land ownership, purchasing items or simply being support, for us all to work as a team. Thank you everyone for giving your time and effort to your local hospital. Special thank you to Di Pollard and Sheree Thomas for their commitment as committee members. Di has continued in her role as Secretary/Treasurer which has been particularly challenging for her with her ill health. Your financial knowledge is valued greatly Di. Sheree is a wealth of knowledge with her office background and has assisted with advice and suggestions too. We appreciate you both so much for sharing your skills to aid the success of our auxiliary.

The auxiliary has been very busy this year, both raising funds and beautifying the hospital residences of Koolberrin Lodge and Lakeside.

Through fundraising and donations, we have been able to fulfil staff wish lists. Our big Thermomix raffle was a wonderful success, with \$2271 being raised. This was organised by Di Pollard and run through Rafflelink. This was a very effective way to get to a lot of people, to purchase, via the online platform. We agreed that more opportunities to purchase at IGA would make it even more effective, so we will remember this for next time.

The support from our local community is also to be commended. A massive thank you to Rosemary Smoker and DORCAS for their generous donation, which enabled us to purchase a beautiful piece of Artwork for Lakeside. This artwork was painted by Margaret Teasdale and depicts the flora and fauna of Narembreen with Walker Lake as the main focus. We appreciate Marg sharing her talent, for others to enjoy.

Thank you to the Narembreen Tennis Club and community for donating \$3000 to the auxiliary from the annual tennis hospital day. Part of the funds raised were used to purchase 12 mink, lap blankets from Little Minky Co in Bruce Rock. Jo Buegge made these blankets using prints designed by Dee Strange. In addition, preserved flower arrangements were purchased to brighten the communal areas in Lakeside and Koolberrin. Flowers by Elli Paige created these lovely unique pieces and delivered them to the hospital. We are so fortunate to have so many talented individuals in our community and surrounds, and the auxiliary likes to support local businesses, where possible.

Other improvements funded by the auxiliary were canvas boxes and shelving to provide extra storage space that is safe and decorative, table runners, recliner chairs for in the passageway at Lakeside and in the near future, some living plants to brighten this area.

Tina Gausden purchased 3 life-like comfort cats for the residents, on behalf of the auxiliary and they have proven to be extremely popular, hence why 3 were purchased rather than the original 2.

Future projects on the agenda include; beautifying the outdoor area near Koolberrin and making it safer and upgrading some furniture to comply with safety standards.

Hospital residents have been treated to some lovely entertainment from the school students, over the school year.

Following their assemblies, the hosting classes have visited the hospital to perform their items. We hope this can continue as it was highly valued by the hospital audience.

On October 20, the auxiliary hosted St Lukes day. This is an annual remembrance service to honour local residents who have passed away over the year. Families and friends were invited to light a candle at the service in memory of their loved one. Thank you to Kerry Fricker for her organization of this service and to everyone involved. It was a huge success and I believe inviting more than just the families of those who passed in the hospital, added to the success. There were over 40 people in attendance and many positive comments were received.

Congratulations to the winners of the hamper raffle, which was well organised by Di Miolini and Kerry Fricker. We appreciate our wonderful community for their generosity in donating items for the hampers, as well as purchasing tickets. Thank you Kerry and Di for organising the raffle, along with other volunteer members who sold the tickets. Special mention to our local IGA Narembeen for allowing us to promote our raffle instore. This is an easy and efficient way to make a few hundred dollars, or \$577 to be exact.

In closing I would like to welcome new members and new committee members to the auxiliary, we hope you enjoy the rewarding experiencing of helping others. Welcome also to our new Dr, Michael Livingston and his wife Rachel and family, we hope you enjoy being a part of our wonderful town and community of Narembeen, as much as we do.

Thank you all and I look forward to what next year brings with the hospital auxiliary. Please take care and stay safe.

Narembeen CRC Update

Hello everyone,

As we move closer to Christmas make sure you keep your calendars marked for the Community Christmas Party and the Christmas Light Tour. These events would not be possible without funding from the Ramelius Resources and the Shire of Narembeen Community Benefit Fund and Mia Davies Local Hero Grant.

Elf on our window sill

Our silly elf is up to all sorts of things on our window sill in the lead up to Christmas. Take a photo with yourself next to the elf and bring them in or add it to our Facebook post. Bring 6 different photos into us on Thursday 21/12 and the first 3 will receive something special but we will have something sweet for everyone.

Monday Monthly Movie

Our last movie afternoon of the year was one to enjoy with popcorn and choc tops just like the cinema being provided to all 11 of our movie goers. We hope you have all enjoyed the movies each month and will see you all again in 2024 too.

Christmas Storytime

We changed the date this month and it was definitely a big success with more than 20 children and their parents coming along to listen to Santa read them a story and enjoy some singing and crafts. We hope that all the kids didn't eat all the lollies at once and look forward to seeing them all again in 2024.
