Over the Fence....

Many people may have seen the article in the sports section of the West Australian in early January featuring Laine Wilkins the son of Silver and Susie (Lethlean). Laine is taking up a 4 year scholarship with the University of Houston to enable him to get a sports management degree while also trying out his kicking skills in the American NFL gridiron league.

Happy Birthday to Frank Gould who celebrated his 90th birthday on the Australia Day long weekend with close family and friends.

For those who know Isaac Iype who has been nursing at the hospital for the past 8-9 years may be interested to know that he has taken up a position at Fiona Stanley Hospital and he and his wife Sikha and son Joshua left Narembeen in January.

Sympathy is extended to Neville (Noack) Cheetham's family and friends. Noack passed away in Denmark on January 30th .

Welcome to our newest helper at the Fencepost Willow Sands (or maybe her mother Leanne).

On the left you can see her busy at work and the right when the job was done. If anyone is interested in

giving a few hours on A Tuesday please pop in and have a chat. We would love to see you.

After a well deserved break we were back on court on Sunday, a little rusty after the summer on the sidelines, watching the Aussie Open rather than actually having a hit ourselves. It was great to see a number of kids joining in HOT SHOTS, with an improvement in skills since they began last year – well done juniors!

We ended 2019 with our community Christmas Party and Mixed Doubles Champs. A great day of tennis with some extraordinarily long games in the heat, followed by an even better night, celebrating with local friends and families and a visit from the big guy from the North Pole for the younger members.

Well done to the Mixed Doubles Champs:

AUSTRALIA DAY CELEBRATIONS IN NAREMBEEN

It was another great success at the Australia Day Ceremony at the Narembeen Aquatic Centre on Sunday, 26 January 2020. With approximately 80 people attending, the Narembeen Councillors prepared a great bacon and egg breakfast for all to enjoy, including some of the Australia Day Bowlers that travelled from afar to play in Narembeen for the Annual Bowls Day. It was a beautiful morning beating the heat, starting bright and early at 7:00am for all setting up and decorators, awaiting the arrival of community members at roughly 7:30am for a 7:45am start.

Each year on Australia Day Local Government Councils are given the opportunity to acknowledge and celebrate the contribution and engagement of members within our community. The purpose of these awards are to recognise individuals and organisations that have made contributions into the local community, which are above and beyond normal employment duties.

Shire President, Cr Rhonda Cole presented this year's awards to the following well deserving recipients:

Senior Citizen of the Year - Carmel Harper

Carmel's Citation read as follows:-

Carmel Harper came to live in Narembeen 7 years ago. Carmel is a very capable person who does not hesitate to put up her hand when something has to be done.

When Government funding for the Autumn Club was discontinued the members had to organise the running of the Club. Not wishing to see the group disband, Carmel was happy to take on the responsibility of organizer. Realizing that a financial base was needed she approached the Narembeen Shire and was rewarded with a donation of \$1,000. Further to this she obtained a donation of \$500 from her son in law John Copley and his wife Debbie of Narembeen Dental. This gave a great start and encouraged other groups to assist in the same way.

With these resources combined with eager workers and Carmel's leadership the Club has thrived with attendance each week usually in the high teens.

To provide added interest Carmel has arranged for guest speakers to address the gatherings. Community members are also invited to attend. Topics so far have covered issues such as health services, the disadvantaged and other social matters. These have proved both interesting and educational, particularly on hearing how the other half lives.

Under her direction more outlets have been found for the items made - blankets, beanies, scarves, Teddy bears, dolls, clothing for premature babies and other items are distributed. Some of the organizations to benefit are Children's Hospital, K.E.M.H., Narembeen Hospital, Narrogin Hospital (Maternity Section), Northam Police Welfare Groups, Camp Kulin, Shopfront (an agency for disadvantaged and homeless), The Shoebox Project and several Homes for The Aged throughout the state. Recently a parcel of knitting was sent to Bahrain with Carmel's

from the CHIEF

daughter who was going there a part of her nursing training.

With the above contribution as well as her involvement in other organisations e.g. Seniors and Historical Society, we feel that we are nominating a worthy community member in Carmel Harper for the Senior Community Citizen Award for Narembeen 2019.

Active Citizenship - Narembeen Golf Club

The Golf Club's Citation read as follows:-

The Narembeen Golf Club put Narembeen on the Map this year by hosting the Men's State Sand Greens Championship over 4 days in early August. This event attracted 180 players from all over the state of W.A. Members of the Golf Club and community worked tirelessly for months in the build up to the event, but even harder over the days of the event. Provisions for Caravans was made possible out at the club. Transportable ablution blocks and Cool rooms were hired. Members and volunteers served Breakfast, Lunch and Dinner every day of the Championship. They provided ball spotters, bar staff and BBQ cooks. Members were at the club at 5am each morning to start the breakfasts as some competitors hit off at 06.30am. It was huge, but we did it!!!

This event was all about community life in a small country town. All the business's were well supported by the contestants and the club. All the food was brought locally and Local tradesmen were used in the build up to the event. The local Road House, Café, Pharmacy, Recreation Club, IGA all reported a good turn over from the influx of visitors to the town.

The Narembeen Golf Club had huge recognition from all over the State. Our beautiful course and hospitality were on display for 4 days and many many accolades of this.

Citizen of the Year - Holly Cusack

Holly's Citation read as follows:-

Holly is a well respected community member, that has made a noteworthy contribution and added value to the Narembeen Community. Her outstanding service and many hours dedicated to our local community groups showcase her inspiring qualities as a role model for the Narembeen community. She volunteers hours of her time to the community helping out where she can. She is the first to put her hand up for Executive Committee Positions & Fundraising opportunities. She has provided a tremendous amount of support & time to the Narembeen Sporting Community and Local District High School. The clubs that have benefitted are the Narembeen Netball Club, Narembeen Football Club, Narembeen Swimming Club, Narembeen Tennis Club, Narembeen Basketball Club, Narembeen District High School, Narembeen P&C, Narembeen District High School Board, Narembeen District High School Sporting Committee, Narembeen Playgroup & Narembeen Ladies Long Lunch, to name a few.

Holly is making a significant contribution, by volunteering many hours throughout the year she is allowing many community members of all ages the opportunity to participate in many activities throughout our Shire & District High School. Without these volunteers putting their hands up, these events & community groups would not run by themselves.

Holly has held many volunteer positions within the Shire of Narembeen community:-

Narembeen Netball Club, Holly has been heavily involved in the Netball Club for over 10 years, she has been President, Vice President, volunteer accredited Umpire, and involved with various fundraising events and busy bee's. She umpires for our club as well as association level. She attends many regional carnivals offering her assistance to the teams participating.

Narembeen Junior Football Club, Holly assists in running the junior auskick training, she attends junior association games & regional carnivals helping out where she can, it's not uncommon for Holly to help out coaching, pick up a whistle or goal umpire as well as volunteering her time in the canteen or fundraising opportunities for the Narembeen Football Club.

from the CHIEF

Narembeen Swimming Club, Holly is the current recorder for the Narembeen Swimming Club as well as putting her hand up to time at the clubs weekly points swim. She Volunteers her time at the Narembeen Swim Meet covering many duties involved in running such a successful day.

Holly was the Secretary at the Narembeen Tennis Club for many years, assisting in organising the championship tournaments and fundraising tournaments within the club. And the general day to day running of the Narembeen Tennis Club.

Holly is involved within the Narembeen District High School Community. She is on the District High School Board, Sports Committee which involves assisting the school in setting up & running our athletic & swimming carnivals, cross country etc. She also donates her time helping the P & C fundraise money for the school.

Holly was part of the Narembeen Ladies Long Lunch committee, helping to organise a fabulous event to help showcase what Narembeen has to offer.

Holly continues to demonstrate leadership in our community and her time and effort is greatly appreciated. Holly's contribution is recognised and appreciated by her fellow community members as she continues to volunteer her time for our community.

Congratulations to all winners. We are lucky to have you in our town.

PROPOSED MOTEL – LOTS 72 (NO 22) AND 73 (NO 24) THOMAS STREET

In accordance with the provisions of the Shire of Narembeen Town Planning Scheme No.2 – notice is given of a proposed Motel on Lot 72 (No.22) and Lot 73 (No.24) Thomas Street. Under the Scheme, the Shire is inviting public comments regarding the proposed development to be submitted to the Chief Executive Officer, 1 Longhurst Street, Narembeen 6369. The public comment period is open and comments will be taken until 10am on Wednesday, 19 February 2020.

The proposed development is for a 15 unit motel comprising of two buildings with a combined floor area of approximately 503 square metres. Each motel room is proposed to have their own bathroom and all buildings are proposed to be setback 1.5 metres from any lot boundary.

The lots are zoned 'Residential' under the Town Planning Scheme - Under Clause 4.11.1 the objectives of the Residential zone are:

- to retain the single house as the predominant form of residential development in the town.
- to provide for lifestyle choice in and around the town with a range of residential densities.
- to allow for the establishment of non-residential uses subject to local amenities not being adversely affected.

The Lots are also classified as been within the Town Centre zone, the objectives of which are:

- to ensure the town centre remains the principal place for business and administration within the District.
- to encourage a high standard of development including buildings, landscaping, and car parking.
- to make the town centre an attractive place to work and to conduct business through the implementation of a townscape improvement plan.

More information on the application received and the provisions under the Shire's Town Planning Scheme can be found in the report to the December Council Meeting and its associated attachments. Minutes of the Council Meeting can be found on the Shire Website - <https://www.narembeen.wa.gov.au/council-meetings/ordinary-council-meeting-18th-december-2019/55> or at the Narembeen Library.

All enquiries or questions regarding the proposed development should be directed to the Shire of Narembeen Chief Executive Officer, Christopher Jackson.

NEW SAFETY STANDARDS FOR QUAD BIKES

The Consumer Goods (Quad Bikes) Safety Standard 2019 came into effect on 11 October 2019. The standard aims to prevent or reduce the risk of fatality or injury from quad bikes and it is **our** responsibility to enforce it.

Even though quad bikes are responsible for more fatalities than motorcycles and more injuries than tractors on rural properties, until now, quad bikes have not been subject to a safety standard. Quad bikes are the leading cause of fatalities in Australia of all consumer products that are not currently regulated.

The standard has three elements: improved information for potential purchasers, enhanced quad bike stability, and rollover protection to reduce injuries and deaths.

This standard applies to all quad bikes from 11 October 2020 with additional requirements for general use quad bikes from 11 October 2021. The standard does not apply to second-hand quad bikes other than those imported into Australia.

Changes required by 11 October 2020

By 11 October 2020, all quad bikes must meet the specified requirements of the US or European standard, have a label warning of the rollover risks clearly displayed, include information on the rollover risk in the owner's manual and be tested for stability.

Changes required by 11 October 2021

By 11 October 2021, all new general use quad bikes will need to confirm with minimum standards for stability on slopes. The standard will also require that all new general use quad bikes sold in Australia will have an operator protection device (OPD) to reduce the risk of serious injuries and fatalities in the event of a rollover.

Responsibilities

It is the responsibility of the manufacturer, importer or distributor supplying in Australia to supply quad bikes that are compliant with the requirements of the safety standard.

Failure to comply will result in breach of the Australian Consumer Law, which can result in finer and penalties. Contact Consumer Protection or ACCC to report on any non-compliance.

BURNING - PERMITS REQUIRED

The Shire of Narembeen advises that we are now in the **RESITRICTED (PERMIT REQUIRED)** burning period from **1 February 2020 to 15 April 2020**.

Please note the following:-

- 1st February include grass and raked stubble
- 1st March is header windrows and chaff dumps and stubble fires

From the start of the restricted burning time to the 15 April, no person is allowed to light a fire on a Sunday or Public Holiday.

Any questions about burning times should be directed to a Fire Control Officer or the Shire Office.

Chris Jackson
Chief Executive Officer

From the Manager

Happy New Year everyone!! I hope everyone had a good break from their everyday lives and had a wonderful holiday season. I went to Albany for 10 days and got to enjoy a lot of stand up paddle boarding, reading and just refreshing.

I am full of new ideas and we are jumping straight into the New Year with a variety of different events and workshops. The upcoming events and workshops over the next few pages highlight what is coming up over the next two months and we have tried to provide something for everyone so please ensure you register for anything that you would like to attend. Remember that the CRC can't provide these great opportunities unless we receive strong attendance and support from the community.

Don't forget we have monthly events for our seniors: On the first Monday of each month we host the local seniors movie and starting in February we are now starting a monthly Morning Coffee Club for seniors and non-seniors to get together and connect. We are still new to this and would love your feedback on what you would like to do, whether it is playing BINGO or testing your knowledge with fun quizzes or going on a lunch trip. Whatever it is you would like us to organise for you, please let us know.

I would like to take this opportunity to thank all our volunteers who have put their time and effort into our events over the last year and would like to encourage all community members, young or old, to please come into the CRC and sign up to be a

CRC volunteer for this New Year. Be a part of the many great community events and activities we run. These events do not work and will not continue to happen without you. **WE NEED YOU!**

I would also like to call all the ladies in town to have a think about whether they would be interested in joining our Ladies Long Lunch Committee. The Ladies Long Lunch is an event that empowers women to get together, embrace their potential and acknowledge the importance of the women within the community and the important role that they play. The CRC is seeking four lovely ladies to join the Ladies Long Lunch committee, so if you would like to join, please contact me, as soon as possible.

Our first event for the year is one of our popular Business Women Networking Events, if you haven't been, please come along and join in to listen to our lovely guest speaker talk about her journey to get where she is now! Bring a girl friend and have a relaxing drink and some nibbles while you network!

Don't forget we offer free one-on-one social media session throughout the month of February, funded by Narembeen Community Shed through the BeConnected program., so book in with one of our lovely staff today.

I am looking forward for what this year has to bring and the Narembeen CRC looks forward to your continued support.

New Infrastructure drought funding for Durack Shires

28 January 2020

Eleven shires in Durack will benefit from between \$500,000 - \$1 million grants under the Morrison Government's Drought Communities Programme (DCP) extension.

Federal Member for Durack, the Honourable Melissa Price is urging eligible communities to take advantage of the fund for local infrastructure projects and other drought relief activities.

"This is the kind of boost communities in Durack need. I have been advocating in Canberra to achieve this extension of the Morrison Government's Drought Communities Programme to Western Australia," Ms Price said.

The Durack Shires added to the DCP extension today are eligible based on need and the economic impact of drought in the region. The DCP is assessed using rainfall deficiency data from the Bureau of Meteorology, population and industry data with a particular reliance on agriculture. The Government monitors drought conditions across the country and may add more councils depending on conditions.

"Funding will support events that create jobs, boost tourism and improve community wellbeing and enable construction of infrastructure that encourages people to stop in these small towns," Ms Price said.

Eligible councils are invited to submit project proposals via an online application at business.gov.au.

Grant guidelines and applicant information is available at business.gov.au and [GrantConnect](https://GrantConnect.gov.au).

Minister for Drought David Littleproud said 35 WA Shires have now been included.

"Drought doesn't just hurt farmers, it goes beyond the farm gate. It hurts small businesses and the wider community as well, but this extra funding keeps money flowing through affected areas," Minister Littleproud said.

A list of councils eligible for the program can be found at www.business.gov.au/dcp

FROM THE PRINCIPAL

And we are back ☺, hopefully refreshed and ready to complete another successful year of academic, social and sporting development. We hope you have had a great break and that your time with family and friends was all you hoped it would be. Don't you just love Christmas and New Year, followed by a relaxing holiday some-where, hopefully near the coast! I apologise immediately for the fact that I will be out of the school for medical appointments for both follow up surgeon and therapy appointments for my left arm. I would obviously have preferred to have the surgery earlier in the process but I don't get to dictate to surgeons apparently ☹! After surgery to re-break, plate and add a bone graft the radius, I think I am making progress (fingers crossed). Finally, we would like to thank you in advance, for your support of everything that we do to ensure that Narembeen DHS students have the best chance of success in the future, academically, socially and on the sports field. From now on, you will receive a newsletter EVERY SECOND WEEK (so Weeks 1, 3, 5, 7 & 9).

WEEK 1 QUOTE:

GRADUATES 2019: BE THE BEST THAT YOU CAN BE!

Congratulations to our 2019 graduates who have now moved onto further education at a variety of different schools. We know that we have provided them with the academic prerequisites necessary to succeed if they do the required work. They have also developed those values that will see them become respected members of their new schools as long as they remember to follow the same track they did whilst here. Good luck, and always stay on the path you know is right! Many thanks to **Danni Leask-Copeman and Joey Slade** for their efforts in ensuring that the night was a great success, as always the venue looked amazing. Huge thanks also to **Richie Conkling from the P & C Catering Committee and his band of helpers**, the dinner was delicious and the evening ran smoothly. Finally, many thanks to **Mrs Kelly Lyon** for giving up her time to do the photographs (it was very hot!). We will ensure that the graduates receive a copy of these in the near future.

WHO'S WHO AND WHERE IN 2020

As always we do not have a definitive dollar figure as yet for the year but we are staffed as follows for first semester at least. Luckily we do have a salary reserve if our numbers are less than we had put through at the end of 2019.

Class	Number of Students
K	12
PP	18
1	9
2	11
3/4	21
5/6	15
7/8	22
9/10	20

As you can see, we are continuing to try to ensure that our **early childhood students have the best start to their schooling by having single year level classes**. Evidence suggests that the early years are the most important ones in setting up students for success so we are striving to enhance their learning in these years. Our middle and upper primary numbers are not huge and this should continue to assist the learning of all students. **Our staff are generally experienced, the teacher:student ratio is low and we are all set to make a difference.**

WELCOME CHLOE

I hope everyone will give our new ECE teacher **Miss Chloe Magditsch** a big Narembreen welcome when they meet her. Chloe is a graduate teacher, who will be working with our Kindergarten and Pre-primary students this year. She is lucky to have such great mentors in **Joey Cheetham** and **Emily Jones** to guide her and we really hope she enjoys her time with us.

Miss Chloe Magditsch Kindergarten and Pre-primary 2020

SWIMMING LESSONS

The specific details about these are being sent home today as a separate document but they start next **Monday February 10 2020** and will run for two weeks through to **Friday February 21 2020**. **Mrs Sarah Kuhne-Munroe** will be the Centre Supervisor and **Mrs Trista Federici** will be assisting her in delivering the program. **Mr Chick** will be putting the pool blankets on in the evenings to keep the water as warm as possible for us as the nights start to cool down. We would like to thank **Mrs Joy Butler** and the **Busy Blue Bus Albany** for donating a school bus & driver for the two weeks so that our younger students do not have to walk down and back in the heat. This is a huge bonus for them all and we appreciate the time that Joy will be giving us. We would also like to thank the **Shire of Narembeen** for **waiving the entry fee for students without season tickets for these sessions**.

Lastly, for some of the younger students who are still not confident in the water, swimming lessons may cause anxiety. We have found that they will be more involved in their lessons and willing to 'have a go' if their mums are not present. Obviously it is a public centre and we cannot demand that parents keep clear of the pool during their child/ren's lessons, but it is definitely the preferred option. Even on Wednesday February 12 2020, when parents need to take their Pre-primary student in for their lesson, it would be best if you drop off and then pick up ☺.

SCHOOL GROUNDS ARE OUT OF BOUNDS AFTER SCHOOL HOURS AND WEEKENDS!!!!

We are having a bit of trouble getting it through to some of our clientele that the **school grounds are out of bounds** after and before school and on weekends. I would like to thank most of the community for the manner in which they respect the ruling (which is a Department of Education directive) and ask that if you see any persons on the school grounds, you let me know ASAP. Thank you very much.

ROTARY WHEATBELT SWIM FOR READING: GET AROUND THIS EVENT NAREMBEEN SWIMMERS!

It is on again ☺. What a great event this has been over the past few years. Not only is it a terrific day of exercise and fitness for our students but a **super fundraiser for our school**, allowing us to access **thousands of extra dollars for reading resources**. Please, if you are keen, get the information pack which includes the sponsorship and registration forms from the front office. You can also go to www.rotaryclubwa.org.au for more information.

THANK YOU ANGLICAN PARISH

We would like to acknowledge and thank the **Anglican Parish of Narembeen** for the \$100 donation towards the supply of food for our students who, on occasion, may be short of breakfast or lunch.

Talkin' Soil Health Conference

Talkin' Soil Health 2020 Building Natural Capital is an initiative of Wheatbelt NRM. This event will provide an opportunity for farmers to hear from other farmers about how they are tackling everyday problems. There will be opportunities to better understand some of the science behind our WA agricultural soils as well what is new and innovative.

The focus is on practical solutions to improve soil management on farm and more broadly for agricultural land across the state – creating synergies between productivity and environmental stewardship.

Tickets are on sale now!
