Over the Fence....

On Friday 31st January Toby Price married Janina Klaus at a lovely rural venue in Baldivis. Toby is the youngest son of Barry (Bags) and Shelley (Beans) Price who moved to Halls Head when the family farm on Soldiers Rd was sold to John Hall and now Hall Bros. Barry is the son of Brian (dec) and our Betty who now lives in permanent care at the Narembeen Hospital. Barry is the golf operations manager at the Halls Head Golf Course.

Other siblings of Toby are Nicholas who worked at The Cut as course supervisor for many years and is now FIFO to Pt Hedland. Correy married Jemma and now has a baby boy Harvey Brian about 7months old. They live in Busselton where Correy and Jemma are both 'pros' for the Busselton Golf Club. Sophia married Leon Demarte and has two boys Marley 18 months and Bondi 4 months .They recently moved to Dunsborough.

Our thoughts are with Mick and Hazel Toovey and Wendy Taylor and family on the passing of their son and brother Adrian. Adrian has been a resident of Koolberrin Lodge. We are blessed to have our local medical services.

Sympathy to Diana Miolini & Gwenda Bow on the loss of their brother Brian Cavanagh. Brian had lived in Kojonup all his life and passed away after a long illness..

A heart felt THANK YOU to everyone who assisted in any way in saving our homes and fighting our bushfires these past few days. We could not be more grateful for our neighbours and those that travelled such long distances and volunteered their time and resources when we needed them most. And to our community, who we already knew were amazing, just proved it yet again. The offers of beds, food and support has been overwhelming. Our phones have not stopped.

Thank You

The Mayfield and Falconer Families

Elsewhere in this issue you will find details of the Rotary swim . Every year local students participate in this event which results in much needed funds for OUR SCHOOOL reading program.

The organisers would appreciate any help that can be given on the day by parents, grandparents / community members! If you cant help please consider sponsoring.....the direct result is of benefit to Narembeen School.

Congratulations to the Lynch Family on the arrival on the 5th January of Grace Tracey Lynch, 3.6 kg. A lovely naming tribute to Renee's late mother Tracey Hayes.

EVER WONDERED...

- Why one way of dieting and exercise works for one person and not you?
- Why some foods just simply don't agree with you and are fine for others?
- What you are doing wrong and why you just can't seem to shift the unwanted weight?
- Why you hate eating breakfast because you're just not hungry but everyone tells you that you should?

This is where I can help!

I can take the guess work out of all of these issues and more through personalising your approach. All recommendations are unique to you!

NAREMBEEN AQUATIC CENTRE

So far this year, the Narembeen Aquatic Centre visitation numbers have been a little low. I encourage all community members to take advantage of the pool, as it provides a relaxing environment and cool relief especially during this extremely hot weather.

Michael Lethlean, our Pool Manager is offering a range of "cool me down" drink options, such as slushy's, soft drinks and most importantly - cold water. If that doesn't cool you down, there is also a variety of ice creams to choose from to help you survive the scorching heat and humidity Narembeen has been experiencing in the last couple of weeks.

The Aquatic Centre also has BBQ facilities that are open to all visitors so bring all your family and friends down for a afternoon catch up.

The Aquatic Centre offers Early Morning Swimming to the community from 6am - 7am then reopens for the day from 11am to 6:30pm, Monday, Wednesday, Thursday and stays open until 7pm Friday to Sunday. The Centre is closed every Tuesday.

Our dedicated Pool Manager is always busy maintaining the pool and making sure it is to an adequate standard for all visitors. Fighting large reoccurring dust storms is one of his specialties during this season, so you can be sure it will be clean all season round which we are very grateful for.

This is a great facility that we are extremely lucky to have in our town so let's take advantage of all it has to offer. The Aquatic Centre will be open till the 31st of March 2020.

DRY SEASON SURVEY - ARE YOU CARTING WATER FOR LIVESTOCK?

Urgent message for the Narembeen Community with the Dry Season Survey. Winter rainfall has been low in most of the agricultural area, farm dam levels are low and there is a potential for livestock water shortages over summer. Water deficiency Declaration may be required.

Public Pool Safety Checklist:

- ☐ At a maximum a child under 10 years of age is actively supervised by a person 16 years or older
- ☐ Children 0-5 years actively supervised at all times, parent/guardian within arm's reach in the water
- ☐ Participant(s) dressed ready for action, including unsupervised entry to pool
- ☐ Child aged 6-10 years under constant active supervision, with parent/guardian prepared to get wet
- ☐ Child aged 11-14 years - checked on by lifeguard going to the point where they are in or around the water

PROPOSED MOTEL – LOTS 72 (NO 22) AND 73 (NO 24) THOMAS STREET

In accordance with the provisions of the Shire of Narembeen Town Planning Scheme No.2 – notice is given of a proposed Motel on Lot 72 (No.22) and Lot 73 (No.24) Thomas Street. Under the Scheme, the Shire is inviting public comments regarding the proposed development to be submitted to the Chief Executive Officer, 1 Longhurst Street, Narembeen 6369. The public comment period is open and comments will be taken until 10am on Wednesday, 19 February 2020.

The proposed development is for a 15 unit motel comprising of two buildings with a combined floor area of approximately 503 square metres. Each motel room is proposed to have their own bathroom and all buildings are proposed to be setback 1.5 metres from any lot boundary.

The lots are zoned 'Residential' under the Town Planning Scheme - Under Clause 4.11.1 the objectives of the Residential zone are:

- to retain the single house as the predominant form of residential development in the town,
- to provide for lifestyle choice in and around the town with a range of residential densities.
- to allow for the establishment of non-residential uses subject to local amenities not being adversely affected.

The Lots are also classified as been within the Town Centre zone, the objectives of which are:

- to ensure the town centre remains the principal place for business and administration within the District.
- to encourage a high standard of development including buildings, landscaping, and car parking.
- to make the town centre an attractive place to work and to conduct business through the implementation of a townscape improvement plan.

More information on the application received and the provisions under the Shire's Town Planning Scheme can be found in the report to the December Council Meeting and its associated attachments. Minutes of the Council Meeting can be found on the Shire Website - <https://www.narembeen.wa.gov.au/council-meetings/ordinary-council-meeting-18th-december-2019/55> or at the Narembeen Library.

All enquiries or questions regarding the proposed development should be directed to the Shire of Narembeen Chief Executive Officer, Christopher Jackson.

NEW SAFETY STANDARDS FOR QUAD BIKES

The Consumer Goods (Quad Bikes) Safety Standard 2019 came into effect on 11 October 2019. The standard aims to prevent or reduce the risk of fatality or injury from quad bikes and it is **our** responsibility to enforce it.

Even though quad bikes are responsible for more fatalities than motorcycles and more injuries than tractors on rural properties, until now, quad bikes have not been subject to a safety standard. Quad bikes are the leading cause of fatalities in Australia of all consumer products that are not currently regulated.

The standard has three elements: improved information for potential purchasers, enhanced quad bike stability, and rollover protection to reduce injuries and deaths.

This standard applies to all quad bikes from 11 October 2020 with additional requirements for general use quad bikes from 11 October 2021. The standard does not apply to second-hand quad bikes other than those imported into Australia.

Changes required by 11 October 2020

By 11 October 2020, all quad bikes must meet the specified requirements of the US or European standard, have a label warning of the rollover risks clearly displayed, include information on the rollover risk in the owner's manual and be tested for stability.

Changes required by 11 October 2021

By 11 October 2021, all new general use quad bikes will need to confirm with minimum standards for stability on slopes. The standard will also require that all new general use quad bikes sold in Australia will have an operator protection device (OPD) to reduce the risk of serious injuries and fatalities in the event of a rollover.

Responsibilities

It is the responsibility of the manufacturer, importer or distributor supplying in Australia to supply quad bikes that are compliant with the requirements of the safety standard.

Failure to comply will result in breach of the Australian Consumer Law, which can result in finest and penalties. Contact Consumer Protection or ACCC to report on any non-compliance.

BURNING - PERMITS REQUIRED

The Shire of Narembeen advises that we are now in the **RESITRICTED (PERMIT REQUIRED)** burning period from **1 February 2020 to 15 April 2020**.

Please note the following:-

- 1st February include grass and raked stubble
- 1st March is header windrows and chaff dumps and stubble fires

From the start of the restricted burning time to the 15 April, no person is allowed to light a fire on a Sunday or Public Holiday.

Any questions about burning times should be directed to a Fire Control Officer or the Shire Office.

Mt Walker Tennis Club

Just when we thought we could have a well-earned rest after a weekend of members fighting the nearby fires east of us, a call up for help just before we hit the courts on Sunday left only a few at the club. Well done to the Mount Walker crew who have tirelessly given their all to fight the recent fires – your efforts are tremendous and don't go unnoticed within the community. It shows the true country spirit to help out when help is needed.

We have the Hospital Day this Sunday – a fabulous cause!!

Names have been a bit slow to roll in, so please remember to get them in asap to Courtney or Guy. Starting time TBA on Facebook.

Talkin' Soil Health Conference

Talkin' Soil Health 2020 Building Natural Capital is an initiative of Wheatbelt NRM. This event will provide an opportunity for farmers to hear from other farmers about how they are tackling everyday problems. There will be opportunities to better understand some of the science behind our WA agricultural soils as well what is new and innovative.

The focus is on practical solutions to improve soil management on farm and more broadly for agricultural land across the state – creating synergies between productivity and environmental stewardship.

Narembeen Community Resource Centre

I hope everyone has survived the extremely hot and muggy weather lately in Narembeen, and hopefully everyone is ok and safe after recent fires that have occurred. It is amazing to see how communities come together in times like these and provide copious amounts of help and support to all effected.

Vanessa our very busy CRC manager has been in Perth for the last two days attending an Early Literacy forum and Rhyme time Fundamentals workshop, to further enhance how the CRC offers Story Time at the library each month. It has been a great success so far and all Feedback has been very positive. We have been thrilled to see more than 20 under 5-year old children with their parents attend for the fourth time in a row. We have now integrated songs and rhymes in between books as well as craft activities afterwards.

The next story time session is planned for Friday, 28 February 2020 and we are hoping to integrate some new ideas from the Early Literacy Forum.

We have had 40 new library members sign up with the Narembeen Public Library since the 2018/2019 year, increasing from 244 to 284 in just six months. This is a great outcome and we will continue to encourage children and their parents to join up and take advantage of the great services the Narembeen Public Library has to offer. As our membership continues to increase we hope to further expand our services and activities whilst potentially accessing increased State Library funding and services.

We have a very busy couple of months ahead with a variety of different events and workshops, which are displayed over the next couple of pages. We have tried to provide something for everyone so please ensure you register for anything that you would like to attend. Remember that the CRC can't

provide these great opportunities unless we receive strong attendance and support from the community.

Don't forget we have monthly events for our seniors: On the first Monday of each month we host the local seniors movie and starting in February we are now starting a monthly Morning Coffee Club for seniors and non-seniors to get together and connect. We are still new to this and would love your feedback on what you would like to do, whether it is playing BINGO or testing your knowledge with fun quizzes or going on a lunch trip. Whatever it is you would like us to organise for you, please let us know.

I would like to take this opportunity to thank all our volunteers who have put their time and effort into our events over the last year and would like to encourage all community members, young or old, to please come into the CRC and sign up to be a CRC volunteer for this New Year. Be a part of the many great community events and activities we run. These events do not work and will not continue to happen without you. **WE NEED YOU!**

Don't forget we are offering free one-on-one social media session throughout the month of February, funded by Narembeen Community Shed through the BeConnected program, so book in with one of our lovely staff today and take advantage of this opportunity will you can.

Rotary Wheatbelt Swim for Reading

Bruce Rock Aquatic Centre

Saturday 22 Feb 2020

Commencing at 1pm

Get your togs on, gather some sponsors and swim for your school! A fun day that promotes reading as a life skill among Wheatbelt learners

More info at www.rotaryclubwa.org.au

Rotary serving our community

To: The Communities of Bruce Rock, Narembeen and Quairading

The Rotary Wheatbelt Swim for Reading needs you!

The Swim is on at the Bruce Rock Aquatic Centre
on Saturday 22 February 2020, starting at 1pm.

The formula for the Swim is pretty simple.

Firstly, the Swim supports three schools:

- Bruce Rock District High School
- Narembeen District High School
- Quairading District High School

Secondly, we promote a love of reading and raise money for reading in the three schools via the Swim. Importantly, we ensure that all funds donated go to the nominated school(s).

There is no overhead deduction. We Rotarians are all volunteers.

Thirdly, we recognize the efforts of young people who fundraise for their local school and participate in the swim.

We value the efforts of these young leaders. Those who fundraise and participate will be in the running for a Rotary youth development program for 14-17 year olds.

We've nominated more than 20 teenagers for the youth program since 2017. In 2020, we're planning to send lots of youngsters on the program.

Want to raise funds for your school's reading programs? You can! It's easy as 1-2-3:

1. Use the accompanying sponsorship form to collect sponsors or go to <https://www.chuffed.org/project/ewarotary-wheatbelt-love-reading-2020> to contribute online. The online option is brilliant!
It enables friends and family anywhere to sponsor swimmers.
2. Register for the swim (form attached).
3. Participate in the fun on 22 February at Bruce Rock pool.

Questions? Email us at swim@rotaryclubwa.org.au or have a chat with our Bruce Rock-based president-elect Alison Lockwood.

Let's back our schools at the Swim!

Don't leave it to others - the Rotary Wheatbelt Swim for Reading needs you!
