Over the Fence....

The Annual World Day of Prayer service will be held at the Catholic Church on Wednesday March 4th commencing at 9.30am. Everyone welcome. More details next week.....

A reminder that FencePost subs are now due. Apologies to those who may have missed their electronic delivery in the last few weeks. If at anytime you don't receive your expected edition please ring the CRC to enquire. NOTE : there is no FencePost the week following Easter.

Seen in Narembeen.....Jenny Murphy, Grace Mayvis and Luella visiting 'Uncle Michael's pool'. They also enjoyed the coffee shop and Auntie Sylvia's farm. And of course greeting family and old friends.

It was wonderful to have a coloured photograph of the 2019 Graduating Students in the Fencepost on 5th February 2020. For those, who like me, didn't recognise them all "dressed up" they were:

From Left to Right - Samantha Nation, Jake Ashmore, Lezandre Van Rensburg, Declan Jones, Chloe Kuhne-Munroe, Nikau Brown, Amber Kuhne-Munroe, Elijah Kerse.- How stunning they all looked.

Thank you to all those who enrolled in the Provide First Aid Course to be conducted by the St John Ambulance. The course on 10th March is now full. More courses will be running during the year.

The Funeral Service for the late Adrian Toovey will be held on Tuesday February 25th at St Pauls Anglican Church Narembeen at 11.00am. Followed by a short graveside service at the Narembeen Cemetery and gathering at the Narembeen Recreation Centre.

NEWSLETTER 02/20 February 17 2020
IMPORTANT DATES

| Day and Date | What's Happening |
|---------------------------|--|
| Saturday February 22 2020 | Rotary Swim – Bruce Rock Aquatic Centre |
| Tuesday February 25 2020 | P&C AGM – 7.30 in the staff room |
| Tuesday March 3 2020 | Student Development Day – no school for students |
| Friday March 6 2020 | Faction Swimming Carnival |

FROM THE PRINCIPAL

I hope that you have all remembered that the Newsletter is now only published fortnightly. Please always check the **Facebook page** or the **Skoolbag app** if you are unsure of what may be coming up. Swimming lessons have started smoothly and the primary classes from PP – Year 6 have another week of skill development to go to finish their program. This weekend, on Saturday, we have the **Rotary Swim for Reading** and it would be great to get as many of our students involved as possible.

WEEK 3 QUOTE:

After a summer of bushfires all over the country, and one close to home out east last week, a wonderful donation from **Dorcas**, plus knowing that at times our volunteers in sporting clubs are unfairly criticized, even though they are giving up hours of their own time, I thought these were pretty relevant:

“Volunteers do not necessarily have the time; they just have the **heart**.” Elizabeth Andrew
 “Volunteers don’t get paid, not because they’re worthless, but because they’re **priceless**.” Sherry Anderson

NAREMBEEN DHS P & C ASSOCIATION IS ESSENTIAL ... CAN YOU COME ALONG TO THE AGM? NEXT TUESDAY FEBRUARY 25 2020 ☺

New year, new decade and new people needed for our P & C Association. Although this group meets only once per term, the association raises funds that support our students in many ways. We have plenty of IT equipment and it is regularly updated because this group of volunteers pays for many of the computers we buy every three years. The group also organises any working busy bees and assists at sports carnivals. I know that we need more people to put their hand up to take on positions so if you are free on Tuesday February 25 2020, please come along and be a part of this group.

DON'T FORGET YOUR LONG WEEKEND ON TUESDAY MARCH 3 2020

Just a reminder, as we do not have a Newsletter next week, that there is **NO SCHOOL FOR STUDENTS** on Tuesday March 3 2020. This is due to the School Development Day all staff will be involved in at Kulin. Enjoy your four-day long weekend.

FACTION AND INTERSCHOOL SWIMMING CARNIVALS

This is early notice that the date for the Faction Swimming Carnival is Friday March 6 2020 commencing at 9:45am at the Narembeen Aquatic Centre. This event is part of our Physical Education program and all students from PP - Year 10 are expected to participate in some way. Students in PP - 2 who cannot swim a lap of the pool to participate in the 25m races will be involved in novelty events just before and during lunch time. There will be more information regarding this event later in the term. The Interschool Swimming Carnival will be held on Friday March 20 2020 at Corrigin. Students who are 1st or 2nd in a Division 1 race from our Faction Carnival will be involved in this event. Once again more information will be forthcoming in the future.

THANK YOU DORCAS - ANOTHER \$1,000 DONATION

Once again the whole school community can say a huge thank you to Mrs Rosemary Smoker and her helpers at Dorcas. We have received another \$1,000 donation from Dorcas, the not-for-profit second hand shop run by volunteers and providing assistance to many in our town and others. Thanks again Rosemary and Dorcas volunteers, we greatly appreciate the assistance you have given our school.

ROTARY WHEATBELT SWIM FOR READING: GET AROUND THIS EVENT NAREMBEEN SWIMMERS! THIS SATURDAY FEBRUARY 22 2020!

It is on again ☺. What a great event this has been over the past few years. Not only is it a terrific day of exercise and fitness for our students but a super fundraiser for our school, allowing us to access thousands of extra dollars for reading resources. Please, if you are keen, get the information pack which includes the sponsorship and registration forms from the front office. You can also go to www.rotaryclubwa.org.au for more information. Russ and I will sponsor every Narembeen swimmer \$10 for this event.

THANK YOU NAREMBEEN ROADHOUSE: MATHLETICS SPONSORSHIP FOR 2020

Many thanks to Narembeen Roadhouse for their sponsorship of our Mathletics online program once again. Rawinia, John, Josh & Justin continue to support our students and their learning and we greatly appreciate their contribution. Our Mathletics costs about \$1,600, so this is a sizeable donation to the school.

From the Manager

I hope everyone has had a good week and is getting back into their routines. We have many more exciting workshops and events planned for 2020 so please keep an eye out and let us know if there is anything you are interested in, that we have not yet organised.

This Monday, 24th February the CRC is hosting a SOCK (SaveOurCountryKids) planning meeting, which gives everyone in the community the opportunity to have an input in the future of SOCK week. This is a one off meeting where everyone is able to share their ideas and suggestions for the future of SOCK week. Your opinion is important to us, so please make an effort and RSVP by 4.30pm this Friday! SOCK week and its messages is so important to us and we want to continue raising awareness about road safety in our, and surrounding, communities.

I have had some interest from some ladies to join the Ladies Long Lunch committee, but am still in need of two more ladies. Please contact me at the CRC if you would like to be part of organising such an important event.

AND please don't forget to register for the Fox Shoot and Triathlon which are both happening in March.

I attended the Early Literacy forum at the State Library last week and returned to the office with a load of new ideas and knowledge. It was such a great opportunity to meet other library staff and discuss their early literacy programs as well as challenges they are facing. We are currently in the

process of redeveloping our library programs and are very excited to introduce two new sessions to the Narembeen Library:

- Rhyme time - for 0-3 year olds will start on Tuesday, 10th March at 10.30am and will continue on a monthly basis (every second Tuesday of the month).
- STE(A)M Story time - which stands for Science, Technology, Engineering, (Art - which is not normally included, but we will integrate) and Maths for 1-5year olds, which will start on Monday, 13th April and run every second Monday of the month at 10.30am.

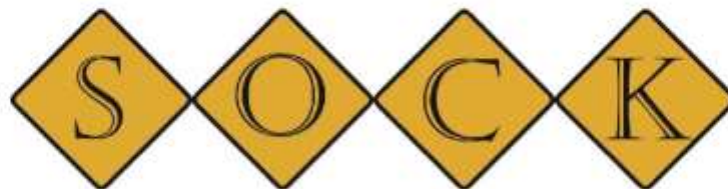

These two session will run alongside our normal Story time every last Friday of the month. These Storytime and Rhyme Time sessions are a great way to introduce your children to the Library and the joy of books and are accompanied by many fun songs, rhymes and arts and craft. Make sure you grab a copy of the Library program the next time you pop into the CRC or Library.

I would also like to introduce our newest staff member, Georgia Atkins. Georgia has joined the CRC team as a Customer Service Officer and is undertaking a 12-month traineeship in Business Administration. Welcome to the team!

NAREMBEEN AQUATIC CENTRE

So far this year, the Narembeen Aquatic Centre visitation numbers have been a little low. I encourage all community members to take advantage of the pool, as it provides a relaxing environment and cool relief especially during this extremely hot weather.

Michael Lethlean, our Pool Manager is offering a range of "cool me down" drink options, such as slushy's, soft drinks and most importantly - cold water. If that doesn't cool you down, there is also a variety of ice creams to choose from to help you survive the scorching heat and humidity Narembeen has been experiencing in the last couple of weeks.

The Aquatic Centre also has BBQ facilities that are open to all visitors so bring all your family and friends down for a afternoon catch up.

The Aquatic Centre offers Early Morning Swimming to the community from 6am - 7am then reopens for the day from 11am to 6:30pm, Monday, Wednesday, Thursday and stays open until 7pm Friday to Sunday. The Centre is closed every Tuesday.

Our dedicated Pool Manager is always busy maintaining the pool and making sure it is to an adequate standard for all visitors. Fighting large reoccurring dust storms is one of his specialties during this season, so you can be sure it will be clean all season round which we are very grateful for.

This is a great facility that we are extremely lucky to have in our town so let's take advantage of all it has to offer. The Aquatic Centre will be open till the 31st of March 2020.

DRY SEASON SURVEY - ARE YOU CARTING WATER FOR LIVESTOCK?

Urgent message for the Narembeen Community with the Dry Season Survey. Winter rainfall has been low in most of the agricultural area, farm dam levels are low and there is a potential for livestock water shortages over summer. Water deficiency Declaration may be required.

OFFICE SPACE FOR RENT/LEASE IN NAREMBEEN TOWN CENTRE

Are you or someone you know of looking for a vibrant office space in the heart of Narembeen?

The Shire of Narembeen currently has reasonably priced vacant office space available for rent/lease. The office units consist of a separate reception/welcome area and open plan office space complete with kitchenette and air-conditioning.

If you or anyone you know would be interested in leasing or viewing these office spaces, please contact the Shire of Narembeen's Executive Manager Corporate Services – Scott Wildgoose on (08) 9064 7308.

NAREMBEEN POP - UP SHOP

The Old Café in the Narembeen Community Precinct has been available for hire as a pop up shop. The facility has mainly been used by small businesses to sell goods to the community and visitors for normally a few days at a time. This is a great opportunity for not only our community members, but people from all over to show case their products. We would love to see the pop-up shop facility better utilised or even a longer lasting rental take over the facility to showcase their products/services.

If you or anyone you know may be interested in hiring the pop-up shop or taking on the facility for a longer period of time, please contact the Narembeen CRC to discuss what you could bring to Narembeen.

To: The Communities of Bruce Rock, Narembeen and Quairading

The Rotary Wheatbelt Swim for Reading needs you!

The Swim is on at the Bruce Rock Aquatic Centre on Saturday 22 February 2020, starting at 1pm.

The formula for the Swim is pretty simple.

Firstly, the Swim supports three schools:

- Bruce Rock District High School
- Narembeen District High School
- Quairading District High School

Secondly, we promote a love of reading and raise money for reading in the three schools via the Swim. Importantly, we ensure that all funds donated go to the nominated school(s). There is no overhead deduction. We Rotarians are all volunteers.

Thirdly, we recognize the efforts of young people who fundraise for their local school and participate in the swim. We value the efforts of these young leaders. Those who fundraise and participate will be in the running for a Rotary youth development program for 14-17 year olds. We've nominated more than 20 teenagers for the youth program since 2017. In 2020, we're planning to send lots of youngsters on the program.

Want to raise funds for your school's reading programs? You can!
It's easy as 1-2-3:

1. use the accompanying sponsorship form to collect sponsors or go to <https://www.chuffed.org/project/ewarotary-wheatbelt-love-reading-2020> to contribute online. The online option is brilliant! It enables friends and family anywhere to sponsor swimmers.
2. register for the swim (form attached).
3. participate in the fun on 22 February at Bruce Rock pool.

Questions? Email us at swim@rotaryclubwa.org.au or have a chat with our Bruce Rock-based president-elect Alison Lockwood.

Let's back our schools at the Swim! Don't leave it to others - the Rotary Wheatbelt Swim for Reading needs you!

HISTORICAL HIGHLIGHTS

The Annual General Meeting of the Historical Society was held at the History centre on Monday 17th February 2020 with 12 members present.

The President Lorraine Lethlean presented her report thanking the members for their continued support and help on the projects that were undertaken during the year.

The addition of a new machinery shed museum continues to prove a challenge especially the financing of it.

Our History Centre building renovations have not been completed as yet. It was hoped that we would be able to move into the premises this month but the floors are still to be sanded and some other minor adjustments need to be addressed.

With the election of officers the 2020 Committee is now

| | |
|-------------------|--|
| President | Lorraine Lethlean |
| Vice President | Maurice Harper |
| Secretary | Kellie Mortimore |
| Treasurer | Margaret Butler |
| Machinery Curator | Ian Forbes and Chris Bray |
| Museum Guides | All members of the Historical Society are Guides and Curators of the museums |

After the Annual General Meeting a general meeting was held and the main points were:-

- A descendant of the Roe family made a trip to Naremben in search of information regarding her relatives. Margaret Butler was able to fill in a lot of the gaps that were missing. Several of our family history files proved useful in gaining this information. While having discussions with Lou Maringoni, the visitors were given more information in regards to the Schmidt family.
- Damage has happened at the Church Museum with the collapse of the vestry door. Many thanks to Gary from the Shire Council who made a temporary fix. The Church Museum is in a bad state of repair and needs a lot of work. A large amount of funding will have to be sourced to refurbish it.
- Terry Treloar has donated a wheel with a tyre sleeve that was used in clearing the blocks around Naremben. Chris Bray is to restore this wheel.
- The personal weighing scales originally from the Post Office have been restored by Ian Forbes and are now on display in the Medical Centre creating a lot of interest.
- A busy bee at AVOCA farm is scheduled to happen before seeding commences. This will help clear space for the surplus machinery that is now currently stored at the Community Shed lot.
- A museum will be open on the 2nd Monday of each month. This will give the residents of the town and visitors, to see our displays.
- New chairs are being sourced for the History Centre building.

The next meeting will be held on **MONDAY 16th MARCH 2020 at 2.00pm** at a venue to be confirmed (we hope it is our new refurbished Centre).

raised for the Narembeen Hospital

A huge thank you to all who contributed to the Hospital Day held by Mt Walker Sports Club on Sunday; the players, organisers, sponsors and caterers.

The turn out on the day and money donated show the huge community spirit present in our town and how we all value our local hospital and the service it provides to the community.

Although the end of the day was rained out and not all fixtures could be played let alone finals all competitors managed a good hit of tennis in the muggy conditions. Thank you for supporting this event and congratulations to the winners:
