## VISITORS

On a recent visit to the Farm and Family at South Kumminin and Naremben we had the opportunity and privilege to attend the Naremben District High School's Swimming Carnival last Friday 6<sup>th</sup> March. We would like to Congratulate Chris and Russell Arnold, Staff and Students and all those who assisted on a fantastic day of competition – most enjoyable.

We were very impressed with the professionalism and obvious training of the children and the way the day ran like clockwork – well done everyone.

We could imagine some of these students going onto higher levels.

It was a moving experience to see all children competing, whether they had a swimming ability or not, they swam and were encouraged along the way by the staff, other competitors, and all those who attended the carnival to finish the course.

Congratulations also to Micheal Lethlean for the wonderful job you do with keeping the Swimming Pool and surroundings looking so good.

Naremben is a great town and we congratulate the Shire and all the voluntary organizations and people concerned making it this way.

WELL DONE NAREMBEEN.

Until our next visit that we always look forward to, keep up the good work

Cliff and Beryl Smith

Forrestfield.

## CONGRATULATIONS

On Saturday 29th February in beautiful weather on the banks of the Murray River in North Yunderup Danelle Fricker married Paul Hudnott in front of family and friends. Police Chaplin Keith Carmody officiated at the ceremony.

Danelle and Paul's witnesses were Helen Wanless and Aled Williams, Aydin Bartholomew was ring bearer.

Levi Gysen ( Danelle's great nephew) along with Danelle's mum Kerry Fricker walked her down the aisle.

Danelle was a radiant bride, her gown was from Hob Nob made of beautiful cream lace with jewels under the bustline with a long train. The beautiful decorations were all made by Betty Wanless .How lucky were they to have such a clever Aunty.

Danelle and Paul are about to start married life in South Hedland where Danelle has been transferred to do Forensics for the Pilbra District.

South Hedland was Danelle's first country posting 17 years ago.

We wish Danelle and Paul all the best for their future together.

## MEDIA RELEASE

9 March 2020

### International Women's Day a reminder there's more to be done, Davies

Leader of The Nationals WA and Member for Central Wheatbelt Mia Davies marked International Women's Day (IWD) with a speech urging women to look for opportunities to champion, advance and support women in their own communities.

"This year's theme – each for equal – is calling for everyone to actively choose to challenge stereotypes, fight bias, broaden perceptions, improve situations and celebrate women's achievements," Ms Davies said.

"International Women's Day gives us all a moment to pause and assess whether we're making progress in the pursuit of gender equality, and what more needs to be done."

Ms Davies, speaking at the Merredin IWD Long Table Lunch, said statistics compiled by United Nations Women painted a stark picture of the progress made despite increased awareness of the importance gender equality.

She said the report showed that representation of women in politics, science, culture and the arts, journalism, sport and business was still low and there was more work to be done.

"For example, while women's political representation globally has doubled in the last 25 years, yet this only equates to one in every four parliamentary seats being held by women," she said.

"In our own State Parliament, the Agricultural Region is represented by 10 Members of the State Parliament and there's only one woman – me.

"This is not representative of our communities, and we're missing the benefits of having a diversity of decision makers setting the agenda for the State."

In relation to gender equality in science, she said the UN Women project highlighted that the Nobel Prize had been awarded 900 times since 1901 and only 53 of those were to women.

"You may ask why we care about women being recognised for scientific excellence, and to that I'd say think about medical research.

"For decades, clinical research was done solely or largely on men by men and the results extrapolated to women, despite obvious differences in hormones, physical traits and metabolism that skewed results.

She said she understood it was wearing and difficult at times to be the only person in the room raising issues of bias, inequality, or calling out sexism.

"We all wish for a day when we can be done with this conversation and just get on with the job – but we're not there yet.

Ms Davies said that if everyone found opportunities to elevate the women around them then girls in the community wouldn't question their own ability or right to succeed.

She congratulated Merredin's Kerry Kretschmer for hosting another amazing event and thanked the three exceptional women who shared their life journeys saying this was one important way to help create positive change.

**IMPORTANT DATES**

Day and Date	What's Happening
Friday March 13 2020	Assembly commencing at 9.10am
Friday March 20 2020	Interschool Swimming Carnival at Corrigin

**FROM THE PRINCIPAL**

Week 5 and we hope you enjoy the short week ☺. This week our students will be taking to the water at our annual **FACTION SWIMMING CARNIVAL** and the weather does not look too bad for Friday at the moment. Yesterday the staff travelled to Kulin to spend the day networking with teachers from 10 other schools, completing professional learning, being involved in a range of educative sessions on such topics as coding, working with 'Scratch', moderation, talk4writing, oral language and 'letters and sounds'. Just touching base with other teachers is a learning experience, if only to validate that what we are doing is pretty good!

**WEEK 5 QUOTES:**

This week is the swimming carnival, not everyone likes swimming, not everyone will win a race, but then, this Friday is all about **participation**, about **having a go** and being involved as a part of a team. So these quotes back this up:

'The game of life has two participants, spectators and players. Pick one.'

**ROTARY WHEATBELT SWIM FOR READING: WELL DONE!****20 SWIMMERS DO US PROUD ☺ WE LOVE YOUR WORK!****FUNDS RAISED FOR OUR SCHOOL TO BE USED FOR READING RESOURCES: \$2556.00**

It was just terrific watching our swimmers working so hard for their school on Saturday February 22 2020 in the Rotary Swim for Reading. This group of absolute champions has raised \$2556 for our school and we owe them a huge thank you. It was cold but they persevered in trying conditions, swimming hundreds of laps! Good on you guys, we love your work and cannot thank you enough for the effort you put in to raise this money.

Thank you, you have done your school and community proud:

Macy Cole, Charlie Cusack, Jack Cusack, Aden Cole, Wren Cheetham, Bowdan Cole, Sari Cusack, Lucy Currie, Keira Butler, Cameron Hills, Makayla Cole, Cobie Stirrat, Chelsey Irving, Sari Wilson, Michael Narrier, Nash Cheetham, Amelia Currie, Sarah Lines, Lahkeisha Brown and Alicia Hills

The Interschool Swimming Carnival is in Corrigin on Friday March 20 2020 and many of our swimmers will be involved and should be trying to improve their swimming speed and technique for this event. They will be a part of a team and as such, should be working on being their best. Narembeen Swimming Club provides the opportunity for training and students should take advantage of this to improve their technique and fitness for these carnivals.

## SWIMMING TRAINING

### TRAINING TIMES: BE THERE OR BE SQUARE!!

We will train today, Wednesday March 4 2020, but there will be no training tomorrow afternoon as it is the day before the big day! Training will then continue as per the days and times below until the interschool event.

	2 & 3	4:00pm
Wednesday	Beginners & Group 1	3:30pm
	Groups 2 & 3	4:00pm
Thursday	Groups 2 & 3 only	4:00pm

## WELL DONE PAST STUDENTS - GREAT ATAR SCORES ☺

### OUR HIGHSCHOOL DOES PREPARE STUDENTS FOR OTHER SCHOOLS

Huge congratulations to **George Lines** and **Kye Stirrat** who completed their ATAR in 2019 and both joined the 90+ club. We have had many students leave us in Year 9 & 10 score in this range, as well as 80+ which is a score that will gain a student entry to any university (70+ will get you into all except UWA). There have been occasions when we have had to find out how students are going and then review programs if there are gaps in skills. We are doing this currently, to ensure that they are ready for every course in Year 10 or Year 11, depending on which year they leave. English in particular is a huge area, so we are working backwards from the Year 11 expectations and will be planning based on these, as well as using the WA curriculum. We pride ourselves on the fact that private schools have stated that our students come to them fully prepared, and will be endeavouring to ensure that this continues to be the norm. **If there is a gap, we are going to fix it right now, so that there is not one in the future.** We know you need to trust us in this regard and we know the importance of our input into future studies. There is no better place for young teenagers to be than at home for as long as is possible, and we aim to ensure that this is an option in Narembuen. I sent both of my children, now grown, to schools in Perth when they entered Year 10 and would like to think that this is still the optimum time for students to look at new schools for senior schooling. This said, we have had some outstanding results from students who have stayed here until heading off to Year 11, so our Year 10 program is also highly effective.

**Bookclub:** Mr Craig Gmeiner

**Uniforms:** Mrs Lucy Lines

**Board Representative:** Mrs Lucy Lines

This group does a power of work for our school and we thank you all for your support of their endeavours. However, we need to have more representation at meetings and are still after at least two more for the fundraising committee. If you are able to assist this great association and support your child's/children's school through both funding and human resources, please put your hand up ☺. In the near future, we will also be looking at big changes on the executive committee, with many of the parents holding down positions, having only one or two years left with students at school. We have many big cohorts coming into our junior years and that means lots of parents. Give this committee some thought if you are keen to make a difference.

Mrs Chris Arnold

## RECRUITMENT FOR A GRADER OPERATOR AND A GENERAL PLANT OPERATOR

The Shire of Narembeen is now undertaking recruitment for the positions of a Grader Operator and a General Plant Operator to join the Shire of Narembeen works crew. For more information on either job including applications and deadlines please contact Works Manager, Arthur Cousins, 9064 7308.

## BURNING - PERMITS REQUIRED

The Shire of Narembeen advises that we are now in the **RESITRICTED (PERMIT REQUIRED)** burning period from **1 February 2020 to 15 April 2020**.

From the start of the restricted burning time to the 15 April, no person is allowed to light a fire on a Sunday or Public Holiday.

Any questions about burning times should be directed to a Fire Control Officer or the Shire Office.

## DRY SEASON SURVEY - ARE YOU CARTING WATER FOR LIVESTOCK?

This is an urgent message for the Narembeen Community regarding the Dry Season Survey. Winter rainfall has been low in most of the agricultural area, farm dam levels are low and there is a potential for livestock water shortages. Water deficiency declaration may be required, however the Department of Water and Environmental Regulation requires data on affected areas and practices in place.

If you are or may need to cart water from dams for livestock then it is essential that you fill out this survey so that the Department has enough data to act quickly, should we require assistance.

If the community do not complete the survey it is likely to cause delays in arranging government assistance supplying water for the preservation of livestock. It is simply 10 questions that need to be completed but the impact it may have could be huge. Please visit the site below to fill out the survey. If you do not have access to the internet or a PC then please visit the CRC who are happy to provide assistance in this area.

## From the Manager

The Red card Community Fox Shoot was a success for all, with participants shooting Friday, 6th and Saturday 7th, then enjoying a breakfast at Mt Arrowsmith bright and early on Sunday morning. We would just like to thank all who participated and especially the team that travelled to be part of the Fox Shoot. Thank you also to all of the sponsors, we would not have been able to run the event or provide awesome prizes without it. Also a special thank you to James King and Collin Ogilvie for volunteering their time on a Sunday to help, it was very much appreciated. 9 teams registered for the shoot with a total of 146 feral animals counted from the two nights. From all reviews the community would like to continue the Fox Shoot each year to reduce the numbers of feral animals.

The Triathlon is at the end of this month! Please if you haven't already and are planning to participate in this years competition, collect an entry form from the CRC or the Shire of Narembeen Website. We cant wait to see you all there!!

We are in URGENT need of some volunteers for a few upcoming events. If you are available on the 28th of March to help out at the Triathlon whether it be timing or sitting at a corner to direct the participants only for a couple of hours and on the 24th of April

for the 2020 Youth week event which will be throughout the day and night helping us supervise the kids attending. It isn't possible for us to run these events for our community without the help of community members. If you cant help but know someone that can, please let us know as soon as possible, as we do not want to have to cancel these awesome events.

### EVENT PARTNERS

Would you know what you'd do in a situation where your child's friend disclosed information about abuse? Have you ever considered what to say in the case of another child showing yours pornography?

Often parents don't want to think about dealing with a situation like this. It's scary and they hope it won't ever happen to their child.

## What would you do?

Are you confused about how to teach your children to be wary of potential harm, without overloading them with fear, wrapping them in cotton wool, or giving them so much information that their innocence is damaged? Would you know what tried and true steps to take in the event a situation occurred?

### Come along to this Protective Education Workshop

Protective Education is a proactive whole community approach to teaching life skills to children. It gives them the language to identify unsafe situations, arm them with tools to seek appropriate assistance or protect themselves.

Two Drag Queens in Narembreen - who would have thought? Happy to say that Drag Queen Bingo was a huge success, with lots of laughter and a few very happy Bingo winners! Our Drag Queens even surprised us with a sneak preview of their dance show – Drag Spectacular. Perhaps next year we can get the full show!

Next up with event # 8 is ABBA and Jon Lennon. Everyone loves these two music icons, so keep Friday March 20 free. And no, it's not dress up. It was surprising (and maybe a little worrying) how many people wanted to bring out their drag costumes; they were disappointed when they found out Saturday wasn't dress up!

March 28 – It's our final event – Screen on the Green - and it's a great way to finish off the Narembreen Triathlon. As the sun sets, bring out your bean bags and watch the latest new release of Dr Doolittle, starring Robert Downey Jnr.

Big thanks to Lotterywest, our committee and staff for making the Heat and Dust Carnival a reality. We're bringing our community together, thanks to their support.

# NAREMBEEN TENNIS CLUB

Singles Championship was held on the weekend and it did not disappoint! Thank you to everyone who put their hand up to play allowing the day to go ahead! There were some unreal matches with shots coming out of nowhere, there was slipping, sliding and even rolling going on!!

The men's final saw father and son battle it out for the second year in a row with Scotty Stirrat showing you Ethan that he's still got what it takes, well done to both men on what was a great game to watch.

In the women's final we saw a classy act from Emma Miolini who was just too good for Brit Duncan. Well done ladies on a great day!

We've only got two weekends left of tennis including our windup, closing day and AGM so please get around these last couple of weeks to close off what's been another great season at the Narembreen Tennis Club

# Mt Walker Tennis Club

A few turned up for a hit and a good night socialising on the long weekend, with a few visitors from other clubs coming along too. The 'non-school' night of tennis made for a later evening and a good catch up for everyone.

Sunday just gone was very quiet with a large portion of members away for the weekend. This Sunday we have our last hit for the season followed by our AGM. It would be great to see as many people out on court as possible and hanging around for the AGM and dinner.

Looking forward to seeing everyone there.

A reminder to all members to ensure their subs are paid prior to our wind up in a couple of weeks.

Well done to Rhiannon and Nora for all their organising so far.
